Item 8.01 Other Events.

In May 2016, each of Kevin Kenny, Chief Operating Officer of Cardiovascular Systems, Inc. (the “Company”), Laurence Betterley, Chief Financial Officer of the Company, and Paul Koehn, Senior Vice President of Manufacturing and Operations of the Company, adopted a pre-arranged trading plan to sell shares of the Company’s common stock (the “Kenny Trading Plan,” the “Betterley Trading Plan,” and the “Koehn Trading Plan,” respectively). The trading plans were designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and the Company’s policies regarding stock transactions.

Each of the Kenny Trading Plan, the Betterley Trading Plan and the Koehn Trading Plan allows for the sale of an indeterminate number of shares of common stock to cover the required withholding taxes and transaction costs associated with the vesting of shares of restricted stock owned by such parties. The Koehn Trading Plan also provides that Mr. Koehn will sell 90,256 shares of common stock to be received upon the exercise of vested stock options prior to their expiration dates and 4,000 shares of restricted stock held by Mr. Koehn following the vesting of such shares.

Sales pursuant to the Kenny Trading Plan and the Betterley Trading Plan are expected to begin as early as August 13, 2016 and will terminate no later than September 23, 2016, unless terminated sooner in accordance with the terms of each such plan. Sales pursuant to the Koehn Trading Plan are expected to begin as early as July 5, 2016 and will terminate no later than December 12, 2017, unless terminated sooner in accordance with the Koehn Trading Plan’s terms.

All shares will be sold under the Kenny Trading Plan, the Betterley Trading Plan and the Koehn Trading Plan in the open market at prevailing market prices, subject to certain limit price restrictions in the Koehn Trading Plan. Mr. Kenny, Mr. Betterley and Mr. Koehn will have no control over the actual timing of the stock sales under the trading plans. All stock sales under the trading plans will be disclosed publicly in accordance with applicable securities laws, rules and regulations through appropriate filings with the U.S. Securities and Exchange Commission. The Company does not undertake to report other Rule 10b5-1 plans that may be adopted by any of its officers or directors in the future, or to report any modifications or termination of any publicly announced plan or to report any plan adopted by an employee who is not an executive officer, except to the extent required by law.
