(1) The Stock Appreciation Rights become exercisable in five equal installments, with the first installment becoming exercisable on the first anniversary of the grant date, and each subsequent installment becoming exercisable on each of the next four anniversaries of the grant date.

(2) The actual number of shares of common stock that will be issued at the time of exercise will be based on the appreciation of the common stock from the strike price to the market price at the time of exercise and is unknown at this time.

(3) Once exercisable, there is no expiration date for the Restricted Stock Units. The date referenced has no relevance and was inserted solely because the Edgar system required a date to be inserted in order to process this filing.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
