## 2004 Preliminary IFRS Financial Statements

Bunzl plc, the international distribution and outsourcing Group, is preparing for the adoption of International Financial Reporting Standards ("IFRS") as its primary accounting basis for the year ending 31 December 2005. As part of this transition, Bunzl is presenting today its preliminary financial statements prepared in accordance with IFRS for the year ended 31 December 2004 and the six months ended 30 June 2004.

The financial statements prepared in accordance with UK Generally Accepted Accounting Principles for the year ended 31 December 2004 and the six months ended 30 June 2004 were presented on 28 February 2005 and 31 August 2004 respectively.

The key features are that:

- The impact of IFRS is not very significant on the financial results for both the year ended 31 December 2004 and the six months ended 30 June 2004
- There are no changes to cash flow or net debt
- The Group's ability to continue to pay dividends is unaffected

The primary changes arising from the restatement are:

- Non-amortisation of goodwill
- Recognition and amortisation of certain intangibles on acquisitions made on or after 1 January 2004
- Inclusion of a fair value charge in relation to employee share schemes
- Deferred taxation
- Timing of dividend recognition

For the year ended 31 December 2004 operating profit before intangible amortisation has decreased by GBP7.4m as a result of the IFRS restatement and profit before income tax has increased by GBP10.9m. Earnings per share adjusted for intangible amortisation have decreased from 34.4p to 33.5p and basic earnings per share have increased from 28.7p to 31.9p. Equity shareholders' funds have increased by GBP58.0m.

For the six months ended 30 June 2004 operating profit before intangible amortisation has decreased by GBP3.2m as a result of the IFRS restatement and profit before income tax has increased by GBP5.5m. Earnings per share adjusted for intangible amortisation have decreased from 15.4p to 15.0p and basic earnings per share have increased from 13.1p to 14.6p. Equity shareholders' funds have increased by GBP28.3m.

Full details of the impact of the IFRS restatement including KPMG Audit Plc's audit and review reports are available on the Group's website: [www.bunzl.com](http://www.bunzl.com).
