FORM 6-K: TABLE OF CONTENTS

I. Notification by Scottish Power plc, dated February 9, 2006, of ScottishPower to Raise Prices.

SCOTTISHPOWER TO RAISE PRICES FROM MARCH AS A RESULT OF SOARING WHOLESALE COSTS

ScottishPower today announced higher gas and electricity prices. From 1 March 2006 electricity prices will rise by 8% and gas by 15%.

Willie MacDiarmid, Director of Energy Retail, said: "Wholesale energy costs are now at record levels, up by around 80% over the last 12 months. We have worked hard to protect our customers from this over the winter. However, we now need to pass on a further part of the increased costs from March when milder weather should help lessen the impact on bills."
