Exhibit 99

UNILEVER BRAZIL

Unilever today announced that it had entered into an agreement with Perdigao to create a joint-venture to manage the Becel and Becel pro.activ heart-health brands in Brazil. At the same time it is selling its Doriana, Delicata and Claybom margarine brands, together with manufacturing equipment, to Perdigao.

This strategic initiative will allow Unilever to further focus on the Becel and Becel pro.activ brands which will be licenced by Unilever to the joint-venture. It will expand the growth opportunities of these brands through a greater concentration of resources on such activities as research and development, innovation and communication, while benefiting from Perdigao's very extensive chilled distribution network.
