Item 5. Other Events

On August 19, 2003, ONEOK, Inc., announced that its Kansas Gas Service Company division has negotiated a \$45 million stipulated settlement agreement with the staff of the Kansas Corporation Commission, Citizens Utility Ratepayer Board and all intervenors in the rate case.

Upon a Commission order, new residential and commercial rates will go into effect. It is estimated that the average residential customer will see their bills increase about \$5 a month. This increase is reflected in monthly service and volumetric delivery charges and does not affect the cost of gas. KGS does not make a profit on the gas sold to customers. As part of the settlement, KGS has agreed not to return for a rate increase before May 15, 2006.
