PROXY STATEMENT

Mailed on or about March 31, 2004

Annual Meeting of Shareholders to be held on April 29, 2004

This proxy statement is furnished in connection with the solicitation of proxies by our Board of Directors to be used at our Annual Meeting of Shareholders to be held on April 29, 2004, and any adjournment or postponement thereof. The time, place and purposes of the annual meeting are stated in the notice of annual meeting of shareholders, which accompanies this proxy statement.

The accompanying proxy is solicited by our Board of Directors. All validly executed proxies received by our Board of Directors pursuant to this solicitation will be voted at the annual meeting, and the directions contained in the proxies will be followed in each instance. If no directions are given, the proxy will be voted FOR the election of the four nominees for director in Class I listed on the proxy; FOR the approval and adoption of Amendment No. 1 to the PECO II, Inc. 2000 Performance Plan; and, with respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or at their discretion.

Any person giving a proxy pursuant to this solicitation may revoke it. You may, without affecting any vote previously taken, revoke a proxy by giving notice to us in writing or in person at the annual meeting or by a duly executed proxy bearing a later date.

The expense of soliciting proxies, including the cost of preparing, assembling and mailing the notice, proxy statement and proxy, will be borne by us. We may pay persons holding shares for others their expenses for sending proxy materials to their principals. In addition to solicitation of proxies by mail, our directors, officers and employees, without additional compensation, may solicit proxies by telephone, facsimile and personal interview. We also may retain a third party to aid in the solicitation of proxies.

VOTING RIGHTS

The record date for determination of shareholders entitled to vote at the annual meeting was the close of business on March 26, 2004. On that date, we had 21,458,836 common shares, without par value, outstanding and entitled to vote at the annual meeting. Each common share is entitled to one vote.

Edgar Filing: PECO II INC - Form DEF 14A

At the annual meeting, in accordance with the General Corporation Law of Ohio and our amended and restated code of regulations, the inspectors of election appointed by our Board of Directors for the annual meeting will determine the presence of a quorum and will tabulate the results of shareholder voting. As provided by the General Corporation Law of Ohio and our amended and restated code of regulations, holders of shares entitling them to exercise a majority of the voting power of the company, present in person or by proxy at the annual meeting, will constitute a quorum for such meeting. The inspectors of election intend to treat properly executed proxies marked `abstain` as `present` for these purposes.

Nominees for election as directors receiving the greatest number of votes will be elected directors. Votes that are withheld or broker non-votes in respect of the election of directors will not be counted in determining the outcome of the election. Pursuant to our amended and restated articles of incorporation, shareholders do not have cumulative voting rights.

Pursuant to our amended and restated code of regulations, the proposal to amend the PECO II, Inc. 2000 Performance Plan as well as all other questions and matters brought before the annual meeting will be decided, unless otherwise provided by law, by our amended and restated articles of incorporation or by our amended and restated code of regulations, by the vote of the holders of a majority of the shares entitled to vote thereon present in person or by proxy at the annual meeting. In voting for such other proposals, votes may be cast in favor, against or abstained. Abstentions will count as present for purposes of the item on which the abstention is noted and will have the effect of a vote against. Broker non-votes, however, are not counted as present for purposes of determining whether a proposal has been approved and will have no effect on the outcome of any such proposal. Please note that your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters to be voted on at the annual meeting. As a result, if you do not provide your broker or nominee specific instructions, your shares may not be voted in such matters.

ELECTION OF DIRECTORS

(Proposal No. 1)

The authorized number of our directors presently is fixed at ten. As required by our amended and restated articles of incorporation, the Board of Directors is divided into three classes of directors. The term of office of one class of directors expires each year, and at each annual meeting of shareholders the successors to the directors of the class whose term is expiring at that time are elected to hold office for a term of three years. There are currently four directors in Class I, three directors in Class II and three directors in Class III.

The term of office of Class I of the Board of Directors expires at this year's annual meeting of shareholders. The term of office of the persons elected directors in Class I at this year's annual meeting will expire at the time of the annual meeting held in 2007. Each director in Class I will serve until the expiration of that term or until his or her successor shall have been duly elected. The Board of Directors' nominees for election as directors in Class I are George J. Dallas, Trygve A. Ivesdal, R. Louis Schneeberger and Eugene V. Smith. Messrs. Dallas, Ivesdal, Schneeberger and Smith currently serve as directors in Class I.

The proxy holders named in the accompanying proxy or their substitutes will vote the proxy at the annual meeting or any adjournment or postponement thereof for the election as directors of the four nominees unless the shareholder instructs, by marking the appropriate space on the proxy, that authority to vote is withheld. Each of the nominees has indicated his or her willingness to serve as a director, if elected. If any nominee should become unavailable for election (which contingency is not now contemplated or foreseen), it is intended that the shares represented by the proxy will be voted for such substitute nominee as may be named by the Board of Directors. In no event will the accompanying proxy be voted for more than four nominees or for persons other than those named below and any such substitute nominee for any of them.

**APPROVAL AND ADOPTION OF
AMENDMENT NO. 1 TO THE PECO II, INC. 2000 PERFORMANCE PLAN**

(Proposal No. 2)

The PECO II, Inc. 2000 Performance Plan (2000 Plan) is designed to foster our long-term growth and performance by enhancing our ability to attract and retain highly qualified directors, officers and other key employees and by motivating such persons to promote the long-term interests of PECO II, Inc. and its shareholders. In June 2000, our shareholders approved the adoption of the 2000 Plan.

The Compensation/Nominating Committee of the Board of Directors has approved amending the 2000 Plan to increase the number of common shares available for issuance by 2,500,000 to 5,000,000. In addition, the maximum number of common shares for which options may be granted to any one person in any year has been increased to 750,000 and the cash award which may be granted any one person in any year has also been increased to \$300,000. The Board of Directors is proposing these amendments for shareholder approval.

As of December 31, 2003, only 1,042,114 common shares remained available for the future grant of stock options under our current equity incentive plans. The Board of Directors has approved the proposed changes to the size of the 2000 Plan in order to ensure that a sufficient pool of common shares continues to be available to provide long-term incentives to our directors, officers and other key employees in the form of stock options and related awards. The Board has also approved the changes in the annual share grant and cash award limitation for an individual in order to provide flexibility in attracting and retaining future executive officers.

The following is a summary of the significant changes to the 2000 Plan as well as the material features of the 2000 plan, as proposed to be amended. A copy of the complete text of the proposed Amendment No. 1 to the PECO II, Inc. 2000 Performance Plan (Amendment No. 1) is attached to this Proxy Statement as Appendix A. The following summary is qualified entirely by reference to the full text.

The affirmative vote of the holders of a majority of the outstanding shares of Common Shares entitled to vote and present, either in person or by proxy, at the meeting is required to approve any amendments to the 2000 Plan.

Significant Changes

Amendment No. 1 will change the 2000 Plan in the following significant aspects:

Approximately 3,542,114 common shares will be available for future issuance under awards granted pursuant to Amendment No. 1. This is an increase of 2,500,000 shares over the number of common shares currently available for issuance under the existing 2000 Plan.

Pursuant to Amendment No. 1, a director or employee may receive stock based incentives not exceeding 750,000 common shares during any calendar year for the term of the plan. This will be an increase of 500,000 common shares over the number of common shares available per year to an individual under the existing 2000 Plan.

Edgar Filing: PECO II INC - Form DEF 14A

Amendment No. 1 will permit an increase in the aggregate amount of cash that may be awarded a director or employee during any calendar year for the term of the plan up to \$300,000. This will be an increase of \$200,000 over the maximum cash award available under the existing 2000 Plan.

The following is a summary of the material features of the 2000 Plan as amended by Amendment No. 1 (the Amended 2000 Plan).

Summary of the Amended 2000 Plan

The Amended 2000 Plan is a flexible plan that gives the Compensation/Nominating Committee (or any other committee of the Board of Directors authorized to administer the plan) broad discretion to fashion the terms

of awards in order to provide persons serving PECO II with appropriate stock and cash-based incentives. It permits the issuance of stock options, stock appreciation rights, restricted stock, stock equivalent units and cash awards.

All directors, officers and key employees of PECO II and its affiliates are eligible to participate in the Amended 2000 Plan. The Board of Directors may, in their sole discretion and upon such terms and conditions as they determine, authorize the granting of awards to non-employee directors. The current number of persons who are eligible for participation is approximately 100.

Shares Available for Awards. The Amended 2000 Plan provides that the maximum aggregate number of shares that may be subject to awards, including stock options will be equal to 5,000,000 common shares, and of this amount, approximately 1,457,886 common shares have previously been awarded leaving approximately 3,542,112 common shares for further issuance.

Amendment No. 1 was approved by the Compensation/Nominating and the Board of Directors, but will not be effective until its approval by our shareholders at the 2004 annual meeting. The Amended 2000 Plan will remain in effect until August 2010, unless earlier terminated. Awards granted on or before that date may extend beyond that date.

New Plan Benefits

Any future benefits under the Amended 2000 Plan will depend on our performance and decisions of the Compensation/Nominating Committee regarding the granting of stock options as well as the fair market value of our common shares at various future dates. As a result, it is not possible to determine the benefits that will be received by directors, officers and key employees if Amendment No. 1 is approved by our shareholders. Because the 2000 Plan was in effect and sufficient stock options were available under the 2000 Plan, 2003 compensation of our directors or employees would not have been impacted if Amendment No. 1 was effective prior to our 2003 fiscal year.

The Board of Directors recommends a vote FOR the proposal to approve and adopt the Amendment to the 2000 Plan. Your proxy will be so voted unless you specify otherwise.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE MATTERS

The Board of Directors held eleven meetings during the fiscal year ended December 31, 2003. During that fiscal year, no director, except George J. Dallas, attended fewer than 91% of the aggregate of the total number of meetings of the Board of Directors, held during the period for which he or she has been a director, and the total number of meetings held by all Committees of the Board on which he or she served, during the periods that he or she served. The Board of Directors held only two meetings after Mr. Dallas was elected as a director by the Board in October 2003. Mr. Dallas was unable to make one of the meetings due to a prior commitment.

The Board of Directors has determined that a majority of its members are independent under the listing standards of the Nasdaq Stock Market. Specifically, Messrs. Dallas, Hottenroth, McBride Schneeberger, Thomas and Ms. Ford meet the independence standards established by Nasdaq. Mr. Hottenroth, is a partner in the law firm Hottenroth, Garverick, Tilson & Garverick, Co., L.P.A. Although Mr. Hottenroth's law firm provided legal services to PECO II in 2003 (and will continue to provide such services in 2004), the amount of which in 2003 did not exceed the non-independence thresholds as set forth by the Nasdaq listing standards. The Board is aware of this relationship and determined that the payments made to Mr. Hottneroth's firm did not interfere with the exercise of his independent judgment as a director.

Edgar Filing: PECO II INC - Form DEF 14A

The independent directors intend to meet at least twice a year in executive sessions. The sessions will be chaired by the Chairman of the Audit Committee, Mark R. McBride. Any independent director can request that an additional session be scheduled. The Company encourages each member of the Board of Directors to attend each annual meeting of shareholders. All of the Company's current directors who were members of the Board at last year's annual meeting of shareholders held on May 8, 2003 were in attendance.

Edgar Filing: PECO II INC - Form DEF 14A

The Board of Directors maintains two standing committees: an Audit Committee and a Compensation/Nominating Committee. In addition, in August 2002, the Board appointed an informal committee to address strategic restructuring issues: the Oversight Committee.

Set forth below is the current membership of each of the above-described committees:

<u>Oversight Committee</u>	<u>Compensation/Nominating Committee</u>	<u>Audit Committee</u>
E. Richard Hottenroth	E. Richard Hottenroth	Mark R. McBride
(Chairman)	(Chairman)	(Chairman)
Matthew P. Smith	Lucille Garber Ford	Lucille Garber Ford
James L. Green	George J. Dallas	George J. Dallas
	R. Louis Schneeberger	R. Louis Schneeberger
	Thomas R. Thomsen	

The Board has adopted a charter for the Audit Committee and anticipates adopting a charter for the Compensation/Nominating Committee in April 2004. The Board has also adopted a Code of Conduct and Ethics that applies to all of PECO II's employees, officers and directors. These documents can be found on our website at www.peco2.com by clicking on the link for Investor Relations.

Audit Committee

The Audit Committee hires, oversees and reviews the activities of our independent auditors and various company policies and practices. The specific functions and responsibilities of the Audit Committee are set forth in the Audit Committee Charter adopted by the Board of Directors, a copy of which is attached to this proxy statement as Appendix B. Our Board has determined that each of the members of the Audit Committee satisfies the current independence standards of the Nasdaq Stock Market listing standards and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended. The Audit Committee met six times in fiscal year 2003.

The Board also has determined that R. Louis Schneeberger is an audit committee financial expert as that term is defined in Item 401(h) of Regulation S-K. As an audit committee financial expert, Mr. Schneeberger satisfies the Nasdaq financial literacy and sophistication requirements.

Compensation/Nominating Committee

A Nominating Committee was established in January 2002 and has since been combined with the Compensation Committee. The Compensation/Nominating Committee administers our stock option plans and employee stock purchase plan and reviews and determines the salary and bonus compensation of our executive officers and certain key executives. The Compensation/Nominating Committee also considers and recommends to the Board of Directors nominees for election as directors and candidates to fill vacancies on the Board of Directors. Each member of the Compensation/Nominating Committee is independent in accordance with the applicable corporate governance listing standards of the Nasdaq Stock Market. The Compensation/Nominating Committee is expected to adopt a written charter in April 2004, which will be available on our website at www.peco2.com. The Compensation/Nominating Committee met five times in fiscal year 2003.

Edgar Filing: PECO II INC - Form DEF 14A

Directors may be nominated by the Board of Directors or by shareholders in accordance with our amended and restated code of regulations. As a matter of course, the Compensation/Nominating Committee reviews the qualifications of various persons to determine whether they might make good candidates for consideration for membership on the Board of Directors. The Compensation/Nominating Committee will review all proposed nominees for the Board of Directors, including those proposed by shareholders, in accordance with its mandate contained in its charter (which is expected to be adopted in April 2004) and as described below. The Compensation/Nominating Committee will select qualified candidates and review its recommendations with the Board of Directors, which will decide whether to invite the candidate to be a nominee for election to the Board of Directors.

The Compensation/Nominating Committee does not rely on a fixed set of qualifications for director nominees. The Committee's primary mandate with respect to director nominees is to create a Board with a broad range of skills and attributes that is aligned with the Company's needs. The minimum qualifications for director nominees is that they:

be able to dedicate the time and resources sufficient for the diligent performance of the duties required by a member of the Board of Directors;

not hold positions that conflict with their responsibilities to the Company; and

comply with any other minimum qualifications for either individual directors or the Board as a whole mandated by applicable laws and regulations.

The Compensation/Nominating Committee's process for evaluating nominees for director, including nominees recommended by shareholders, is to consider an individual's skills, independence, character, professional ethics, judgment, leadership experience, business experience, knowledge of issues facing publicly traded companies, and other relevant criteria as they may contribute to the Company's success. This evaluation is performed in light of the Committee's views as to the needs of the Board of Directors and the Company as well as what skill set and other characteristics would most complement those of the current directors. Ultimately, the Compensation/Nominating Committee will select prospective Board members who it believes will be effective, in conjunction with the other members of the Board, in collectively serving the long-term interests of our shareholders.

For a shareholder to submit a candidate for consideration by the Compensation/Nominating Committee for nomination for election as a director at the 2005 Annual Meeting, a shareholder must notify the Company's secretary between December 31, 2004 and January 31, 2005. Notices should be sent to: Corporate Secretary, 1376 State Route 598, Galion, Ohio 44833. The notice must contain, at a minimum, the following:

the name, age, business address and residence address of the proposed nominee;

the principal occupation or employment of the proposed nominee;

the number of shares of the Company which are beneficially owned by such candidate;

a description of all arrangements or understandings between the shareholder(s) making such nomination and each candidate and any other person or persons (naming such person or persons) pursuant to which nominations are to be made by the shareholder;

detailed biographical data and qualifications and information regarding any relationships between the candidate and the Company within the past three years;

any other information relating to the proposed nominee that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder;

any other information the shareholder believes is relevant concerning the proposed nominee;

Edgar Filing: PECO II INC - Form DEF 14A

a written consent of the proposed nominee(s) to being named as a nominee and to serve as a director if elected;

whether the proposed nominee is going to be nominated at the annual meeting of shareholders or is only being provided for consideration by the Nominating/Compensation Committee;

the name and record address of the shareholder who is submitting the notice;

the number of voting common shares which are owned of record or beneficially by the shareholder who is submitting the notice and the date such shares were acquired by the shareholder and if such person is

not a shareholder of record or if such shares are owned by an entity, reasonable evidence of such person's ownership of such shares or such person's authority to act on behalf of such entity; and

if the shareholder who is submitting the notice intends to nominate the proposed nominee at the annual meeting of shareholders, a representation that the shareholder intends to appear in person or by proxy at the annual meeting to nominate the proposed nominee named in the notice.

Oversight Committee

The Board of Directors also maintains an informal Oversight Committee, which was established in August 2002 to review management's restructuring plan for PECO II. The Oversight Committee plans and meets as required. The Oversight Committee did not meet during 2003.

Compensation of Directors

Directors who are not our employees are paid an annual fee of \$10,000 and a fee of \$1,000 for each Board or Committee meeting attended and are entitled to reimbursement for all reasonable out-of-pocket expenses incurred in connection with their attendance at those meetings. In addition, directors are eligible for awards under the PECO II, Inc. 2000 Performance Plan. In December 2003, each non-management director received an option to purchase 20,000 of our common shares. Options are granted at the fair market price on the date of grant and generally have a five year term and vest ratably on the anniversary of the date of grant over four years.

Compensation Committee Interlocks and Insider Participation

No interlocking relationships exist between the Compensation Committee and the Board of Directors or the compensation committee of any other company. The Chairman of the Compensation Committee, E. Richard Hottenroth, is a partner in the law firm Hottenroth, Garverick, Tilson & Garverick, Co., L.P.A. Mr. Hottenroth's law firm provided legal services to us in 2003, and we expect that the firm will continue to provide such services in 2004.

Communications with the Board

In order to provide our shareholders and other interested parties a direct and open line of communication to the Board of Directors, we have adopted the following procedures for communications with the Board.

Shareholders of the Company and other interested persons may communicate with the chairman of the Compensation/Nominating Committee or the Audit Committee or with the independent directors as a group by sending such communication by (i) regular mail or overnight delivery service to: Corporate Secretary, PECO II, Inc., P.O. Box 910, Galion, Ohio 44833 or (ii) sending an email to corporatesec@peco2.com. The mail or email should specify which of the foregoing is the intended recipient.

Edgar Filing: PECO II INC - Form DEF 14A

All communications received in accordance with these procedures will be reviewed initially by the Corporate Secretary of the Company, who will relay all such communications to the appropriate director or directors unless he or she determines that such communication:

Does not relate to the business or affairs of the Company or the functioning or constitution of the Board of Directors or any of its committees; or

Does not relate to routine or insignificant matters that do not warrant the attention of the Board of Directors.

In alternative to the procedures outlined above, any shareholder or interested party may report any suspected accounting or financial misconduct confidentially through our whistleblower policy located on our website, www.peco2.com.

AUDIT COMMITTEE AND RELATED MATTERS

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Report by reference therein.

Report of the Audit Committee

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. The Audit Committee's activities are governed by a written charter adopted by the Board of Directors, a copy of which was attached to this proxy statement as Appendix B and is posted on our website at www.peco2.com.

Management has the primary responsibility for our financial statements and the reporting process, including the system of internal controls. The independent auditors audit the annual financial statements prepared by management and express an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The Audit Committee monitors these processes.

In this context, the Audit Committee met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of specific judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the independent auditors such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61 (*Communications with Audit Committees*), as amended by Statement on Auditing Standards No. 90 (*Audit Committee Communications*).

In addition, the independent auditors provided to the Audit Committee the written disclosures and letter required by Independence Standards Board Standard No. 1 (*Independence Discussions With Audit Committees*), related to the auditors' independence. The Audit Committee discussed with the independent auditors the auditors' independence from us and management and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with our financial management and independent auditors the overall scope and plans for the audit. The Audit Committee also met with the independent auditors, with and without management present, to discuss the results of the examinations, their evaluation of our internal controls and the overall quality of our financial reporting. In addition, the Audit Committee considered other areas of its oversight relating to the financial reporting process that it determined appropriate.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Independent Auditors

On June 24, 2002, our Board of Directors adopted the recommendation of the Audit Committee that Arthur Andersen LLP be dismissed as our auditors and to appoint Grant Thornton LLP to serve as our independent public accountants.

Arthur Andersen's reports on our consolidated financial statements for each of the years ended December 31, 2001 and 2000 contained no adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2001 and 2000 and through the effective date of Arthur Andersen's dismissal, there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused it to make reference to the subject matter of the disagreements in connection with its report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

On June 24, 2002, we filed a Form 8-K with the SEC reporting these events. Attached as an exhibit to that Form 8-K was a letter from Arthur Andersen indicating that we had provided Arthur Andersen with a copy of the foregoing disclosures, and stating that it found no basis for disagreement with such statements.

During the two fiscal years prior to and through the effective date of Arthur Andersen's dismissal, we did not consult with Grant Thornton with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or reportable events listed in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Effective March 29, 2004, our Audit Committee dismissed Grant Thornton LLP as our independent auditors. Grant Thornton's reports on our consolidated financial statements for each of the years ended December 31, 2003 and 2002 contained no adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2003 and 2002 and through the effective date of Grant Thornton's dismissal, there were no disagreements with Grant Thornton on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Grant Thornton's satisfaction, would have caused it to make reference to the subject matter of the disagreements in connection with its report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

On March 30, 2004, we filed a Form 8-K with the SEC reporting these events. Attached as an exhibit to that Form 8-K was a letter from Grant Thornton indicating that we had provided Grant Thornton with a copy of the foregoing disclosures, and stating that it found no basis for disagreement with such statements.

The Audit Committee, has not yet appointed an independent auditor to replace Grant Thornton for our fiscal year ending December 31, 2004. The fees billed by Grant Thornton LLP for the indicated services performed during fiscal year 2003 and fiscal year 2002 were as follows:

	<u>Fiscal Year 2003</u>	<u>Fiscal Year 2002</u>
Audit Fees	\$ 185,000	\$ 161,000
Audit-Related Fees	0	0
Tax Fees	\$ 62,245	\$ 18,550
All Other Fees	0	0
Total	\$ 247,245	\$ 179,550

Audit Fees for fiscal years 2003 and 2002 were for professional services rendered for the audit of our annual consolidated financial statements and the review of our consolidated financial statements included in our Quarterly Reports on Form 10-Q.

Audit-Related Fees generally refer to fees for assurance and related services associated with sales and acquisition due diligence, internal control reviews and consultations regarding generally accepted accounting principals.

Tax Fees during fiscal years 2003 and 2002 were for services related to tax compliance, tax authority audit support and tax planning.

All Other Fees generally refer to fees for services rendered for financial system implementation and risk management advisory and consulting services.

Due to dismissal of Grant Thornton, representatives of Grant Thornton are not expected to be present at the annual meeting.

Pre-Approval of Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit and non-audit services provided by our independent auditor prior to the engagement of the independent auditor with respect to such services. The Chairman of the Audit Committee has been delegated the authority by the Audit Committee to evaluate and pre-approve the engagement of the independent auditors when the entire Audit Committee is unable to do so. The Chairman must report all such pre-approvals to the entire Audit Committee at the next committee meeting.

None of the services described above was approved by the Audit Committee under the *de minimus* exception to pre-approval provided in Securities and Exchange Commission rules.

COMPENSATION/NOMINATING COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Edgar Filing: PECO II INC - Form DEF 14A

The following Report on Executive Compensation and the Performance Graph included below does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Report by reference therein.

General

The following report of the Compensation/Nominating Committee describes the philosophy, objectives and components of our executive compensation program for 2003 and discusses the determinations concerning the compensation for our President and Chief Executive Officer for 2003.

With the exception of E. Richard Hottenroth, the Compensation/Nominating Committee is comprised solely of independent non-employee directors. Mr. Hottenroth is not considered a non-employee director under Section 16(a) of the Securities Exchange Act of 1934 because he is an attorney whose firm provides services to us. Accordingly, Mr. Hottenroth has abstained from voting when the Compensation/Nominating Committee has considered approving stock option grants in order that such grants be exempt from the short-swing profit recapture provisions of Section 16(b) of the Securities Exchange Act of 1934.

The Compensation/Nominating Committee reviews and makes decisions regarding our compensation policies, and the amounts and forms of compensation to be provided to our executive officers and other employees, which generally include annual salaries and bonuses, equity awards and other incentive compensation arrangements. As part of the foregoing, the Compensation/Nominating Committee approves management recommendation for stock option grants under our 2000 Performance Plan. The Compensation/Nominating Committee periodically reviews the job performance of our President and Chief Executive Officer.

Compensation Philosophy

Our executive compensation program has been designed to attract and retain exceptional executives who seek a long-term association with us and who enjoy the challenge of pay for performance. The basic program consists of two cash compensation components: base salary and a performance-based annual bonus. A third component, ownership-linked stock options, is used for executive retention, to attract new key people, to recognize accomplishments under individually tailored business growth programs and to align the long-term interests of eligible executives with those of the shareholders.

Base Salary

Base salary for our President and Chief Executive Officer is set annually taking into consideration our sales and profit growth, overall job performance and pay levels for chief executive officers of corporations of similar size. The Compensation/Nominating Committee utilizes, as a reference, up-to-date information on compensation practices of other companies from several independent sources. Base salary is then set so as to represent no more than 60% of total attainable compensation, the balance of which is fully contingent upon the achievement of both qualitative and quantitative levels of performance and shareholder return. Allen Jay Cizner resigned from his position as President and Chief Executive Officer in April 2003. Mr. Cizner's base salary at the time of resignation was \$225,000. James L. Green a director and our former President and Chief Executive Officer agreed to fill the vacancy and agreed to a base salary of \$120,000 and was granted options to purchase 250,000 of our common shares upon his return. Mr. Green's base salary is considered to be at approximately the median base compensation level paid to chief executive officers of corporations of similar size and complexity to us.

Stock Bonus Program/Annual Cash Incentives

From time to time the Board of Directors has issued bonuses to employees in the form of cash and/or common shares. There were no bonuses paid in 2003 because the performance of PECO II did not attain the goals set for the payment of bonuses.

Stock Options

The third compensation component is an ownership-linked stock option program, which provides long-term incentives to our executives that are aligned with the interests of our shareholders. Stock options, granted at market price, typically vest annually in 25% increments over four years or 40% after the second year and 30% for third and fourth years. A longer-term perspective is established by the sequential vesting of options. The program is designed to encourage senior executives to be long-term shareholders and to have owner concern and care of the company as a whole. The intent of the option program is to provide an executive with the opportunity for financial gain which is larger than the cumulative annual bonuses, but which takes much longer to achieve and requires meaningful long-term growth in the market price of our common shares for the gain to be realized.

Edgar Filing: PECO II INC - Form DEF 14A

The size and frequency of option grants are based on level of responsibility, performance of the company as a whole and the executive's personal performance. Annually, both financial and non-financial specific goals are set aimed at building future marketplace strengths and achieving corporate success factors. Other option grants may be made based upon management's specific recommendations, and review and approval by the Compensation/Nominating Committee. Grants are made from a Compensation/Nominating Committee defined pool of shares.

Section 162(m)

Section 162(m) of the Internal Revenue Code generally limits our ability to deduct compensation expense in excess of \$1 million paid to any our executive officers named in the Summary Compensation Table contained in this proxy statement. The Compensation/Nominating Committee's policy with respect to Section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted, while simultaneously providing our executives with appropriate rewards for their performance. Towards this end, our 2000 Performance Plan has been drafted in a manner that will qualify stock options and performance-related compensation not subject to the cap on deductibility imposed by Section 162(m). We do not believe that the 162(m) limitations will impact the Company because the current level of compensation for each of PECO II's executive officers is well below the \$1 million salary limitation.

PERFORMANCE GRAPH

The line graph below compares the cumulative total shareholders' return on our common shares between August 18, 2000 (the date of our initial public offering) and December 31, 2003 with the cumulative total return of the Nasdaq Stock Market (U.S. Companies) Index and the Russell 2000 Index during such period. The graph assumes that the value of the investment in our common shares and each index was \$100 on August 18, 2000, and that all dividends, if any, were reinvested. At this time, we do not believe we can reasonably identify an industry peer group, and therefore we instead selected the Russell 2000 Index, which includes companies with similar market capitalization to that of our own market capitalization, as a comparative index for purposes of complying with certain requirements of the Securities and Exchange Commission.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who own 10% or more of a registered class of our equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC. Executive officers, directors and 10% or greater shareholders are required by SEC regulations to furnish us with copies of all Forms 3, 4 and 5 they file.

Based solely on our review of the copies of such forms we have received, we believe that all of our executive officers and directors complied with all filing requirements applicable to them, with the exception of,

due to administrative oversight error on the part of the Company, (i) Thomas R. Thomsen's initial reporting as a director on Form 3 due by October 10, 2003 was reported on February 5, 2004 and a grant of 20,000 common shares to Mr. Thomsen on December 31, 2003 that was reported on February 17, 2004 and (ii) a grant of 20,000 common shares to each of Messrs. Dallas, Hottenroth, McBride, Schneeberger and Eugene Smith and Dr. Ford on December 31, 2003 all of which were reported on January 8, 2004.
