PROXY STATEMENT

Approximate date proxy material first sent to shareholders: May 7, 2004

INFORMATION CONCERNING SOLICITATION AND VOTING

The following information is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of Chicago Pizza & Brewery, Inc. (the Company) in connection with the Annual Meeting of Shareholders of the Company (the Annual Meeting) and adjournments thereof to be held on June 8, 2004 at the Company's BJ's Restaurant & Brewhouse located at 16060 Beach Boulevard, Huntington Beach, California 92647, at 9:00 a.m., Pacific Time for the purposes stated in the Notice of Annual Meeting of Shareholders preceding this Proxy Statement.

SOLICITATION AND REVOCATION OF PROXIES

A form of proxy is being furnished herewith by the Company to each shareholder and in each case is solicited on behalf of the Board of Directors of the Company for use at the Meeting. The Company will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others forwarding the solicitation material to beneficial owners of stock. The Company may pay persons holding shares in their names or the names of their nominees for the benefit of others, such as brokerage firms, banks, depositaries, and other fiduciaries, for costs incurred in forwarding soliciting materials to their principals. The costs of such solicitation are not expected to exceed \$5,000. Directors, officers and regular administrative employees of the Company may solicit proxies personally, by telephone or telegraph but will not be separately compensated for such solicitation services.

Shareholders are requested to complete, date and sign the accompanying proxy and return it promptly to the Company. Any proxy given may be revoked by a shareholder at any time before it is voted at the Annual Meeting and all adjournments thereof by filing with the Secretary of the Company a notice in writing revoking it, or by duly executing and submitting a proxy bearing a later date. Proxies may also be revoked by any shareholder present at the Annual Meeting who expresses a desire to vote such shares in person. Subject to such revocation, all proxies duly executed and received prior to, or at the time of, the Annual Meeting will be voted FOR the election of all nine of the nominee-directors specified herein, FOR the corporate name change to BJ's Restaurants, Inc. and FOR the ratification of the selection of Ernst & Young LLP as the Company's independent public accountants for fiscal year 2004, unless a contrary choice is specified in the proxy. Where a specification is

Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEF 14A

indicated as provided in the proxy, the shares represented by the proxy will be voted and cast in accordance with the specification made. As to other matters, if any, to be voted upon, the persons designated as proxies will take such actions as they, in their discretion, may deem advisable. The persons named as proxies were selected by the Board of Directors of the Company and each of them is a director of the Company.

Your execution of the enclosed proxy will not affect your right as a shareholder to attend the Annual Meeting and to vote in person.

Under the Company's bylaws and California law, shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to ratification of the selection of Ernst & Young LLP will have no effect on the vote for such proposal except to the extent the number of shares not voted causes the number of shares voted in favor of the proposal not to equal or exceed a majority of the shares present or represented and entitled to vote at the Annual Meeting (in which case such proposal would not be approved).

SHAREHOLDERS VOTING RIGHTS

Only holders of record of the Company's Common Stock, no par value (Common Stock), at the close of business on April 19, 2004 (the Record Date) will be entitled to notice of, and to vote at, the Annual Meeting. On such date, there were 19,679,286 shares of Common Stock outstanding, with one vote per share.

With respect to election of directors, assuming a quorum is present, the nine candidates receiving the highest number of votes are elected. See Nomination and Election of Directors. To approve the corporate name change to BJ's Restaurants, Inc. and to ratify the appointment of Ernst & Young LLP, assuming a quorum is present, the affirmative vote of shareholders holding a majority of the voting power represented and voting at the meeting (which shares voting affirmatively also constitute at least a majority of the required quorum) is required. A quorum is the presence in person or by proxy of shares representing a majority of the voting power of the Common Stock.

NOMINATION AND ELECTION OF DIRECTORS
(PROPOSAL NO. 1 ON PROXY CARD)

The Company's directors are to be elected at each annual meeting of shareholders. At this Annual Meeting, nine directors are to be elected to serve until the next annual meeting of shareholders and until their successors are elected and qualify. The nominees for election as directors at this Annual Meeting set forth in the table below are all recommended by the Board of Directors of the Company. In the event that any of the nominees for director should become unable to serve if elected, it is intended that shares represented by proxies which are executed and returned will be voted for such substitute nominee(s) as may be recommended by the Company's existing Board of Directors.

The nine nominee-directors receiving the highest number of votes cast at the Annual Meeting will be elected as the Company's directors. Subject to certain exceptions specified below, shareholders of record on the Record Date are entitled to cumulate their votes in the election of the Company's directors (i.e., they are entitled to the number of votes determined by multiplying the number of shares held by them times the number of directors to be elected) and may cast all of their votes so determined for one person, or spread their votes among two or more persons as they see fit. No shareholder shall be entitled to cumulate votes for a given candidate for director unless such candidate's name has been placed in nomination prior to the vote and the shareholder has given notice at the Annual Meeting, prior to the voting, of the shareholder's intention to cumulate his or her votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. Discretionary authority to cumulate votes is hereby solicited by the Board of Directors if any shareholder gives notice of his or her intention to exercise the right to cumulative voting. Determination of Director Independence

Pursuant to the *Corporate Governance Guidelines*, the Board undertook its annual review of director independence in April 2004. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported under *Certain Relationships and Related Transactions*. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. As provided in the *Corporate Governance Guidelines*, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that all of the directors nominated for election at the annual meeting are independent of the Company and its management under the standards set forth in the *Corporate Governance Guidelines*, with the exception of Paul A. Motenko, Jeremiah J. Hennessy, James A. Dal Pozzo and Louis M. Mucci. Messrs. Motenko and Hennessy are considered inside directors because of their employment as senior executives of the Company. Mr. Dal Pozzo is considered a non-independent outside director because, under the newly adopted independence standard in the *Guidelines*, of the amount of food products and his consulting services purchased by the Company from The Jacmar Companies, which employs Mr. Dal Pozzo as President. Mr. Mucci is now considered a non-independent outside director because, as of March 15, 2004, he became the Company's Chief Financial Officer.

Board Meetings

The Board met five times during fiscal 2003. Each director attended all of the meetings of the Board and Committees on which he served. All Directors attended the Company's annual shareholders meeting in June of 2003. Under the Company's *Corporate Governance Guidelines*, each Director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including by attending meetings of the shareholders of the Company, the Board and Committees of which he is a member.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

AND CERTAIN COMMITTEES THEREOF

The business of the Company's Board of Directors is conducted through full meetings of the Board, as well as through meetings of its committees. There were five meetings of the Board of Directors of the Company during the last fiscal year of the Company. Each of the directors of the Company, attended 75% or more of the aggregate of the total number of meetings of the Board of Directors held during the period in which he was a director.

The Company maintains an Audit Committee which reviews and reports to the Board on various auditing and accounting matters, including the annual audit report from the Company's independent public accountants. The Audit Committee consisted of Louis Mucci, Steven Leonard and John Grundhofer during the fiscal year

2003. Mr. Mucci was the Chairman of the Audit Committee. The Audit Committee held four meetings during the last fiscal year. On March 15, 2004, Mr. Mucci accepted the position of Chief Financial Officer of the Company and resigned from his position on the Audit Committee. On March 16, 2004, Mr. Shann Brassfield accepted a position on the Audit Committee and Mr. John F. Grundhofer accepted the position of Chairman of the Audit Committee. See Report of the Audit Committee for a further description of the functions performed by the Audit Committee.

The Board of Directors determines executive compensation policies, administers compensation plans, reviews programs and policies and monitors the performance and compensation of certain officers and other employees. The Company does maintain a Stock Option Committee that administers and determines appropriate awards under the Company's 1996 Stock Option Plan. The Stock Option Committee consisted of J. Roger King, Steve Leonard and Shann Brassfield during the fiscal year 2003. Mr. King is the Chairman of the Stock Option Committee. The Stock Option Committee held two meetings during the last fiscal year.

The Company also maintains a Governance and Nomination Committee that is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's corporate governance. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of directors independence and the Board's performance self-evaluation. The charter of the Governance and Nomination Committee is available on the Company's website (www.bjsbrewhouse.com). The Governance and Nominating Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. A shareholder who wishes to recommend a prospective nominee for the Board should notify the Company's Director of Corporate Relations or any member of the Governance and Nominating Committee in writing with whatever supporting material the shareholder considers appropriate. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a shareholder pursuant to the provisions of the Company's bylaws relating to shareholder nominations.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Chairman of the Board and other Board members, as appropriate, that additional consideration is warranted, it may request the third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee then evaluates the prospective nominee against the standards and qualifications set out in the Company's *Corporate Governance Guidelines*, including:

the ability of the prospective nominee to represent the interests of the shareholders of the Company;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

the extent to which the prospective nominee helps the Board reflect the diversity of the Company's shareholder, employees, customers, guests and communities.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

The Governance and Nomination Committee was established in March 2004 and consists of Mr. Grundhofer, Mr. Brassfield and Mr. King, all of whom are independent directors.

Any shareholder who wishes to communicate directly with the Board of Directors or one or more specific directors, may send a letter addressed to the Board of Directors or to the specific directors intended to be addressed to the Company's principal office. Alternatively, a shareholder may send an email to Ms. Dianne Scott at dianne@bjsbrewhouse.com, and indicate in the email the specific directors to whom the communication is addressed. The Company will forward all communications to the Board of Directors or to the specific directors identified by the shareholder. The Company's current policy is to send every shareholder communication addressed to the Board of Directors or to one or more specific directors to the identified directors.

In addition, the Company compensates the Directors annually with a stock option grant equal to a valuation of \$30,000 as determined under the Black Scholes model. The Directors stock option grant will occur on January 15 each year.

CODE OF ETHICS

The Company intends to post amendments to or waivers from its Code of Ethics at this website location.

REPORT OF AUDIT COMMITTEE

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in overseeing and monitoring the Company's financial reporting practices. The members of the Audit Committee are independent (as such term is defined in Rule 4200(a)(14) of the National Association of Securities Dealers' listing standards, which are applicable to the Company as a result of the listing of its Common Stock on the Nasdaq Market). In addition, all members of the Audit Committee have been designated as financial experts (as such term is defined in SEC Release Nos. 33-8177A and 33-8177).

Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEF 14A

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of nonaudit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four meetings during fiscal year 2003.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 28, 2003 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

EMPLOYMENT AGREEMENTS

Each of Mr. Paul Motenko and Mr. Jeremiah Hennessy have employment agreements with the Company dated March 25, 1996, the terms of which were amended in November 2000 as a result of the change in control provisions of those agreements that were triggered in November 2000 when more than 15% of the Company's outstanding Common Stock was acquired by The Jacmar Companies. These modifications included: (1) an increase in annual base salary from approximately \$150,000 per year to \$225,000 per year, (2) an extension of the agreements to December 31, 2006, and (3) a grant of options for 330,679 shares of Common Stock at an exercise price of \$2.75, subject to approval of the shareholders of the Corporation or, if the shareholders did not approve the option, an increase in base salary by an additional \$170,000 per year. Options were approved at the 2001 Annual Shareholders Meeting and options were granted.

Pursuant to their employment agreements, Mr. Motenko and Mr. Hennessy are each entitled to receive annual cash compensation of \$225,000, subject to escalation annually in accordance with the Consumer Price Index (the CPI). In addition, the employment agreements entitle each of the Executives to receive two annual bonuses based on the Company's financial performance, one for attainment of specified earnings before interest, amortization, depreciation and income taxes (EBITDA), and one for attainment of specified pre-tax income.

The EBITDA bonus entitles each Executive to receive the following amounts if the following EBITDA amounts are attained for each fiscal year during the term of their respective employment agreements:

<u>EBITDA</u>	<u>Cash Bonus</u>
\$2,000,000	\$ 25,000
\$3,000,000	\$ 35,000
\$6,000,000	\$ 80,000
\$9,000,000	\$ 150,000

Based on the above bonus formula, for the year ended December 28, 2003, each of Messrs. Motenko and Hennessy earned a cash bonus of \$80,000 based on the Company's EBITDA for the year 2003 of approximately \$8,990,000.

The pre-tax income bonus provision of the employment agreements would entitle each Executive to receive the following amounts if the following pre-tax income amounts (as determined by the Company's independent public accountants in accordance with GAAP) are attained for each fiscal year during the term of the employment agreements, commencing with the fiscal year ending December 31, 2001.

<u>Pre-Tax Income</u>	<u>Cash Bonus</u>
\$5,972,000	\$ 25,000
\$11,943,900	\$ 75,000
\$23,887,900	\$ 150,000

Based on the above bonus formula, for the year ended December 28, 2003, each of Messrs. Motenko and Hennessy did not earn a bonus based on pre tax income.

Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEF 14A

The pre-tax income levels required to receive each bonus level for each fiscal year following the 2002 fiscal year are increased by 20% per year.

Messrs. Motenko and Hennessy are entitled to certain other fringe benefits including use of a Company automobile or automobile allowance, life insurance coverage, disability insurance, family health insurance and the right to participate in the Company's customary executive benefit plans.

The employment agreements further provide that following the voluntary or involuntary termination of their employment by the Company, each Executive is entitled to demand registration rights with respect to the

Common Stock held by or issuable to him. Upon the occurrence of any Termination Event (as hereinafter defined), the Company may terminate the employment agreements. If such termination occurs, the Executive will be entitled to receive all amounts payable by the Company under his employment agreement to the date of termination. If the Company terminates the employment agreement for a reason other than the occurrence of a Termination Event or if the Executive terminates the employment agreement because of a breach by the Company of its obligations thereunder or for Good Reason (as hereinafter defined), the Executive will be entitled to receive any and all payments and benefits which would have been due to him from the Company up to and including December 31, 2006 or any extension thereof had his employment not been terminated.

Termination Event means any of the following: (i) the willful and continued failure by the Executive to substantially perform his duties under the Employment Agreement (other than any such failure resulting from the Executive's incapacity due to physical or mental illness) after demand for substantial performance is delivered by the Company specifically identifying the manner in which the Company believes the Executive has not substantially performed his duties; (ii) the Executive being convicted of a crime constituting a felony; (iii) the Executive intentionally committing acts or failing to act, either of which involves willful malfeasance with the intent to maliciously harm the business of the Company; (iv) the Executive's willful violation of the confidentiality provisions under the Employment Agreement; or (v) death or physical or mental disability which results in the inability of the Executive to perform the required services for an aggregate of 180 calendar days during any period of 12 consecutive months. No act, or failure to act, on the Executive's part shall be considered willful unless intentionally done, or intentionally omitted to be done, by him not in good faith and without reasonable belief that his action or omission was in the best interest of the Company. Notwithstanding the foregoing, a Termination Event shall not have been deemed to have occurred unless and until there shall have been delivered to the Executive a copy of a resolution, duly adopted by the affirmative vote of not less than a majority of the entire membership of the Board at a meeting of the Board called and held for such purpose (after reasonable notice to the Executive and an opportunity for him, together with his counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, the Executive conducted, or failed to conduct, himself in a manner set forth above in clauses (i)-(iv), and specifying the particulars thereof in detail.

For purposes of the Employment Agreement, Good Reason shall mean (i) any removal of the Executive from, or any failure to re-elect the Executive to his current office except in connection with termination of the Executive's employment for disability; provided, however, that any removal of the Executive from, or any failure to re-elect the Executive to his current office (except in connection with termination of the Executive's employment for disability) shall not diminish or reduce the obligations of the Company to the Executive under the employment agreement; (ii) a reduction of ten percent (10%) or more in the Executive's then current base salary; (iii) any failure by the Company to comply with any of its obligations to the Executive under the employment agreement; (iv) for any reason within 120 days following a Change of Control (as defined in the employment agreement); or (v) the failure of the Company to obtain the assumption of the employment agreement by any successor to the Company, as provided in the employment agreement.

On December 26, 2000, the Company's former President, Mr. Klinger, voluntarily terminated his employment agreement with the Company under the change in control provisions of his employment agreement, which were substantially identical to those described above with respect to the employment agreements of Messrs. Motenko and Hennessy. Under Mr. Klinger's employment agreement, he had certain rights to receive compensation equal to the amount of compensation to which he would have been entitled under his agreement for its remaining term which expired on March 24, 2004. Mr. Klinger's compensation under the severance provisions of his agreement was the same as that earned by Mr. Motenko and Mr. Hennessy for fiscal years 2001, 2002 and 2003 and the first three months of 2004. The Company has made all the payments required under the employment agreement and no further payments are required to be made to Mr. Klinger.

Under the three year employment agreement of the Company with Michael A. Nahkunst dated March 20, 2002, Mr. Nahkunst is entitled to receive a base salary of \$200,000 per year and an annual bonus of \$67,772 to be paid over the first year of employment. During 2003 Mr. Nahkunst's base salary was increased to \$250,000.

Bonus payments for the second and third year of the agreement are at the discretion of the Company. Mr. Nahkunst also received a stock option grant of 150,000 shares on his first day of employment with vesting over a five year period. If Mr. Nahkunst is terminated without cause, he is entitled to up to one year of salary payments and all remaining stock options would vest. Mr. Nahkunst is entitled to certain other fringe benefits including an automobile allowance, life insurance, disability insurance, family health insurance and the right to participate in the Company's customary executive benefit plans.

Under the employment agreement of the Company with C. Douglas Mitchell dated September 17, 2002, Mr. Mitchell is entitled to receive a base salary of \$150,000 per year and an annual bonus of \$25,000 to be paid over the first year of employment. Bonus payments for subsequent years are at the discretion of the Company. Mr. Mitchell also received a stock option grant of 50,000 shares on his first day of employment with vesting over a five year period. Mr. Mitchell resigned as Chief Financial Officer on March 12, 2004. The Company has agreed to pay Mr. Mitchell a severance salary at his prevailing base salary for a twelve week period from his date of resignation.

Under the eighteen month employment agreement of the Company with Louis M. Mucci dated March 15, 2004, the executive is entitled to receive a base salary of \$185,000 per year and an annual bonus of \$25,000 to be paid over the first year of employment. Bonus payments for subsequent years are at the discretion of the Company. Mr. Mucci also received a stock option grant of 12,000 shares on the first day of employment with vesting over a five year period.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended December 28, 2003, the Board of Directors of the Company determined compensation for the executive officers of the Company as the Board does not maintain a separate Compensation Committee. Messrs. Paul Motenko and Jeremiah Hennessy were executive officers and were on the Board of Directors in 1996 when the prior Employment Agreements between the Company and each of them were approved. In December 2000, when the change in control provisions of their Employment Agreements were triggered by the acquisition of Common Stock of the Company by The Jacmar Companies, the Board of Directors appointed an Independent Committee of the Board, consisting of Stanley Schneider and Barry Grumman, to review and approve new Employment Agreements with Paul Motenko and Jeremiah Hennessy. The new Employment Agreements were approved by the Independent Committee of the Board in December 2000.

Certain of the members of the Company's Board of Directors or their affiliates have entered into transactions or arrangements with the Company during the past fiscal year which transactions and arrangements are described in "Certain Relationships and Related Transactions" below.

REPORT OF THE BOARD OF DIRECTORS AS TO COMPENSATION

The Board of Directors makes this report on executive compensation pursuant to Item 402 of Regulation S-K. Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that might incorporate future filings, including this Proxy Statement, in whole or in part, this report and the graph which follows this report shall not be incorporated by reference into any such filings, and such information shall be entitled to the benefits provided in Item 402(a)(9) of Regulation S-K.

The Board of Directors, as a whole, reviews the performance of the Company's officers and key employees. In such capacity, the Board administers the executive compensation plans, reviews programs and policies, and

monitors the performance and compensation of executive officers and other key employees, except for Mr. Motenko and Mr. Hennessy whose compensation is established under Employment Agreements described elsewhere in this Proxy Statement. See Executive Compensation and Other Matters Employment Agreements. The Company's Stock Option Committee makes recommendations regarding option grants to executive officers and other employees pursuant to the Company's 1996 Stock Option Plan.

As to executives and other key employees, other than Messrs. Motenko and Hennessy, the Board establishes compensation designed to achieve an overall level of compensation which is competitive with other companies in the restaurant industry in each geographical area in which the Company operates.

The Company's compensation program consists of three main components: base salary, bonus and long term incentives in the form of stock options. The bonus and long-term incentives constitute the at risk portion of the compensation program. In general, compensation is determined based upon individual performance, responsibility and achievement in light of the Company's goals and expectations.

The Board of Directors generally adheres to compensation policies that are designed to (i) attract and retain individuals with outstanding ability, (ii) motivate and reward such individuals for outstanding performance, (iii) create a portion of the total compensation that is based on the performance of the Company as well as of the individual employee and (iv) within the foregoing basic parameters, compensate employees in the middle to the top of the range of compensation offered by comparable companies.

As described above, the Board compensates its co-Chief Executive Officers pursuant to Employment Agreements previously approved by the Board of Directors, as modified and extended with respect to Paul Motenko and Jeremiah Hennessy pursuant to new Employment Agreements effective as of January 1, 2001. Such Employment Agreements provide for basic compensation as well as the possibility of significant additional bonus compensation based upon formulas specifically tied to performance criteria for the Company.

The Board of Directors determined, for 2003, that the Company's EBITDA was approximately \$8,990,000 and pretax income was approximately \$5,437,000, and that based on the contractual bonus formula for EBITDA and pretax income, each of Paul Motenko, Jeremiah Hennessy and Ernest Klinger earned a cash bonus of \$80,000 for the year ended December 28, 2003.

Respectfully submitted,

Board of Directors

Paul A. Motenko

Jeremiah J. Hennessy

PERFORMANCE GRAPH

Set forth below is a line graph comparing the cumulative total shareholder return on Common Stock against the cumulative return of the Standard & Poor 500 Stock Index and the Media General Restaurant Group Index for the past five years. The graph assumes that \$100 was invested at inception in the Common Stock and in each of the indices that all dividends were reinvested.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As of December 28, 2003, Jacmar Companies and their affiliates (collectively referred to herein as "Jacmar") owned approximately 42.0% of the Company's outstanding common stock. Jacmar's ownership was diluted to approximately 42.0% as of December 29, 2002 due to warrant and option exercises during fiscal 2002 which resulted in issuance of 7,537,000 new shares of Common Stock. During fiscal 2001, Jacmar acquired 6,868,000 shares of common stock increasing its ownership to 68.5% at December 31, 2001 from 15.5% at the beginning of 2001. Common stock activity for Jacmar for the year ended December 31, 2001 was as follows:

<u>Date Acquired</u>	<u>Shares Acquired</u>	<u>Ownership Percentage</u>
Through December 31, 2000	1,190,000	15.5%

- (1) On January 18, 2001, BJ Chicago, LLC, an affiliate of the Jacmar Companies, completed a transaction to purchase approximately 2,207,000 shares from ASSI, Inc. (a shareholder of the Company). The Company granted registration rights to Jacmar on the shares purchased from ASSI Inc. Concurrently, the Company issued to ASSI, Inc. an option to purchase 200,000 shares of common stock at an exercise price of \$4.00 per share through December 31, 2005 in exchange for a release of any claims of ASSI, Inc., against the Company and affiliates including any rights it might have had to purchase additional shares from the Company under an agreement that was pending immediately prior to the Jacmar transaction. The Company recorded \$268,000, the estimated fair value of the option upon grant, as a direct cost of the stock offering.
 - (2) On March 13, 2001, Jacmar completed a transaction to purchase approximately 661,000 shares of the Company's outstanding common stock from two of the Company's officers.
 - (3) The Company entered into an agreement on February 22, 2001 to sell an aggregate of 800,000 shares of common stock to Jacmar at \$2.50 per share, with an option, exercisable by Jacmar prior to August 15, 2001, for an additional 3,200,000 shares of common stock at \$2.50 per share. The 800,000 share transaction closed on April 30, 2001. Jacmar then fully exercised its option to acquire 3,200,000 shares on August 14, 2001. The Company received a favorable fairness opinion regarding the private placement, and the sale was approved by a vote of the shareholders at the Company's annual shareholders' meeting held on July 18, 2001. The Company agreed to grant registration rights on the shares purchased by Jacmar under this agreement.

Jacmar, through its specialty wholesale food distributorship, is the Company's largest supplier of food, beverage and paper products. Jacmar sells products to the Company at prices comparable to those offered by unrelated third parties. Jacmar supplied the Company with approximately \$14.6 million, \$11.5 million and \$8.9 million of food, beverage and paper products during fiscal 2003, 2002 and 2001, respectively, and had trade payables related to these products of approximately \$1.1 million and \$1.0 million at December 28, 2003 and December 29, 2002, respectively. The Board of Directors has reviewed the terms of the contracts between Jacmar and the Company, and believes that the terms are at least as favorable or more favorable than the Company could obtain from another third party offering comparable goods and services.

During 2001, the Company repriced a stock option outstanding with an officer. The repricing of options requires variable accounting treatment which results in a future noncash charge to earnings which is directly linked to the movement of the Company's stock price. The Company

recorded approximately \$139,000 in

compensation expense until the option was exercised by the employee in 2001. The option exercise was funded by a \$150,000 note receivable in 2001, which was paid in full in 2002.

APPROVAL OF CORPORATE NAME CHANGE

(PROPOSAL NO. 2 ON PROXY CARD)

The Company and its directors have evaluated the need to change the corporation's business name to a name similar to that of its restaurants name. As the Company continues to grow and expand into additional states, it has become increasingly confusing to our customers, vendors, employees, shareholders, and potential investors that we have a different corporate name than our restaurants. Several restaurant chains have a different corporate name than the restaurant operating name; however, our Company's corporate name is particularly confusing due to the fact that it appears to be a restaurant operating name.

In an effort to minimize such confusion, management, with directors' approval, has requested a shareholders' vote to change our corporate name from Chicago Pizza & Brewery, Inc. to the new name of BJ's Restaurants, Inc. We will not change our restaurant operating names.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

(PROPOSAL NO. 3 ON PROXY CARD)

Action is to be taken by the shareholders at the Annual Meeting with respect to the ratification of Ernst & Young LLP, independent certified public accountants, as independent auditors for the Company for the fiscal year ending December 28, 2004. Ernst & Young does not have, and has not had at any time, any direct or indirect financial interest in the Company or any of its subsidiaries and does not have, and has not had at any time, any connection with the Company or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer, or employee. Neither the Company nor any officer or director of the Company has or has had any interest in Ernst & Young.

The Board of Directors of the Company and its Audit Committee has approved Ernst & Young as its independent auditors. Prior thereto, they had questioned partners of that firm about its methods of operation and received assurances that any litigation or other matters involving it would not affect its ability to perform as the Company's independent accountants.

Representatives of Ernst & Young will be present at the Annual Meeting, will have an opportunity to make statements if they so desire, and will be available to respond to appropriate questions.

Notwithstanding the ratification by shareholders of the appointment of Ernst & Young, the Board of Directors or the Audit Committee may, if the circumstances dictate, appoint other independent auditors.

Audit Fees. The following table sets forth the aggregate fees billed to the Company for the fiscal years ended December 28, 2003 and December 29, 2002 by the Company's Independent Auditors, Ernest & Young, LLP:

<u>Fiscal Year</u>	<u>Annual Audit Fees(1)</u>	<u>All Other Fees</u>	<u>Percentage of all Other Fees to Audit Fees</u>
2003	\$155,500	\$3,500(2)	2%
2002	\$145,200	\$5,000(3)	3%

- (1) The annual audit fees relate to professional services rendered for the audit of the consolidated financial statements of the Company, quarterly reviews and review of documents filed with the Securities and Exchange Commission. No tax fees were paid to Ernst & Young in either year.

- (2) For fiscal 2003, all other fees are for a cost reduction review of our utilities cost in Texas.
- (3) For fiscal 2002, all other fees are for review services related to the Company's system conversion.

The Audit Committee has established policies and procedures for the approval and pre-approval of audit services and permitted non-audit services. The Audit Committee has the responsibility to engage and terminate the Company's independent auditors, to pre-approve their performance of audit services and permitted non-audit services, to approve all audit and non-audit fees, and to set guidelines for permitted non-audit services and fees. All the fees for fiscal 2003 and 2002 were pre-approved by the Audit Committee or were within pre-approved guidelines for permitted non-audit services and fees established by the Audit Committee, and there were no instances of waiver of approval requirements or guidelines during the same periods.

Financial Information Systems Design and Implementation Fees. Ernst & Young did not provide any professional services related to information systems design and implementation, and did not charge any fees for such services.

All Other Fees. Ernst & Young did not provide any other professional services during 2003.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers and persons who own more than 10% of a registered class of the Company's equity securities to file various reports with the Securities and Exchange Commission concerning their holdings of, and transactions in, securities of the Company. Copies of these filings must be furnished to the Company.

To the Company's knowledge, based solely on a review of the copies of such forms furnished to the Company and written representations from the Company's executive officers and directors, the Company believes all other filings required to be made by executive officers, directors and greater than 10% beneficial owners of the Company under Section 16 of the Securities Exchange Act of 1934 were made on a timely basis.

Board of Directors

Audit Committee Charter

October 2003

Organization

This charter governs the operations of the audit committee. The committee shall be members of, and appointed by, the board of directors and shall comprise at least three directors, each of whom are independent of management and the Company. Members of the committee shall be considered independent as long as they do not accept any consulting, advisory, or other compensatory fee from the Company and are not an affiliated person of the Company or its subsidiaries, and meet the independence requirements of the stock exchange listing standards. All committee members shall be financially literate, and at least one member shall be an audit committee financial expert, as defined by SEC regulations.

Purpose

The audit committee shall provide assistance to the board of directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to: the integrity of the Company's financial statements; the financial reporting process; the systems of internal accounting and financial controls; the performance of the Company's independent auditors; the independent auditor's qualifications and independence; and the Company's compliance with ethics policies and legal and regulatory requirements. In so doing, it is the responsibility of the committee to maintain free and open communication between the committee, independent auditors and management of the Company.

In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the authority to engage independent counsel and other advisers as it determines necessary to carry out its duties.

Duties and Responsibilities

The primary responsibility of the audit committee is to oversee the Company's financial reporting process on behalf of the board and report the results of their activities to the board. While the audit committee has the responsibilities and powers set forth in this Charter, it is not the duty of the audit committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unedited interim financial statements.

The committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The committee should take appropriate actions to set the overall corporate tone for quality financial reporting, sound business risk practices, and ethical behavior. The following shall be the principal duties and responsibilities of the audit committee. These are set forth as a guide with the understanding that the committee may supplement them as appropriate.

The committee shall be directly responsible for the appointment, retention, and termination of the independent auditors (subject, if applicable, to shareholder ratification), and the independent auditors must report directly to the audit committee. The committee also shall be directly responsible for the oversight of the work of the independent auditors, including resolution of disagreements between management and the auditor regarding

financial reporting. The committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. The committee may delegate pre-approval authority to a member of the audit committee. The decisions of any audit committee member to whom pre-approval authority is delegated must be presented to the full audit committee at its next scheduled meeting.

At least annually, the committee shall obtain and review a report by the independent auditors describing:

The firm's internal quality control procedures.

Any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.

All relationships between the independent auditor and the Company (to assess the auditor's independence).

In addition, the committee shall set clear hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and stock exchange listing standards.

The committee shall discuss with the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing and compensation. Also, the committee shall discuss with management and independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's policies and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs (e.g., Company's Code of Conduct).

The committee shall meet separately periodically with management and the independent auditors to discuss issues and concerns warranting committee attention. The committee shall provide sufficient opportunity for the independent auditors to meet privately with the members of the committee. The committee shall review with the independent auditor any audit problems or difficulties and management's response.

The committee shall receive a report from the independent auditor, prior to the filing of its audit report with the SEC, on all critical accounting policies and practices of the Company, all material alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the independent auditor, and other material written communications between the independent auditor and management.

Beginning in 2004, the committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year and the independent auditors' report on management's assertion.

The committee shall review and discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEF 14A

The committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

The committee shall review with management and independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in

the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

The committee shall establish procedures for the receipt, retention, and treatment of complaints received by the issuer regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters.

The committee shall receive corporate attorneys' reports of evidence of a material violation of securities laws or breaches of fiduciary duty.

The committee also prepares its report to be included in the Company's annual proxy statement, as required by SEC regulations.

The committee shall perform an evaluation of its performance at least annually to determine whether it is functioning effectively.
