The number of shares registered under the Form S-4 was based on the aggregate number of ordinary shares of Merant plc, par value 2 pence per share (Merant Ordinary Shares) and American Depositary Shares of Merant plc (Merant ADSs), each Merant ADS representing 5 Merant Ordinary Shares, outstanding and a number of Merant Ordinary Shares and Merant ADSs issuable upon exercise of options to acquire Merant Ordinary Shares and Merant ADSs multiplied by an exchange ratio of 0.04966 shares of common stock, par value \$.001 per share, of the Registrant per Merant Ordinary Share. The price per share and aggregate offering price are based upon the average of the high and low prices of the Registrant's common stock as reported on the Nasdaq National Market on May 18, 2004.
- (4) A registration fee of \$15,133 was previously paid in connection with the registration of 6,056,530 shares of the Registrant's common stock under the Form S-4. The registration fee paid under the Form S-4 was calculated pursuant to Rules 457(f) and 457(c) under the Securities Act. Based on the average of the high and low sales prices of the Registrant's common stock, as reported on the Nasdaq National Market System on March 4, 2004, the proposed maximum offering price under the Form S-4 was \$119,434,772. As 196,530 shares subject to the options to purchase Merant shares assumed by the Registrant were included in the Form S-4, for which a registration fee of \$15,133 was paid with the Form S-4, a fee of \$1,152 is included herewith covering the additional 537,029 shares to be registered under this Form S-8 for which no fee was previously paid.

Item 6. Indemnification of Directors and Officers

Certificate of Incorporation

Article 9 of our Certificate of Incorporation provides that, to the fullest extent permitted by Delaware law, as the same now exists or may hereafter be amended, a director shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. Delaware law provides that directors of a corporation will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except for liability:

for any breach of their duty of loyalty to the corporation or its stockholders,

for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law,

for unlawful payments of dividends or unlawful stock repurchases or redemptions, or

for any transaction from which the director derived an improper personal benefit.

Bylaws

Our Bylaws provide that we will indemnify our directors and executive officers and may indemnify our other officers and employees and other agents to the fullest extent permitted by law. We believe that indemnification under our Bylaws covers at least negligence and gross negligence on the part of the indemnified parties. Our Bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in such capacity, regardless of whether the Bylaws would permit indemnification.

Indemnification Arrangements

We have entered into agreements to indemnify our directors and executive officers, in addition to indemnification provided for in SERENA's Bylaws. These agreements, among other things, provide for indemnification of SERENA's directors and executive officers for certain expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by any such person in any action or proceeding, including any action by or in the right of SERENA, arising out of such person's services as a director or executive officer of SERENA, any subsidiary of SERENA or any other company or enterprise to which the person provides services at the request of SERENA. We believe that these provisions and agreements are necessary to attract and retain qualified persons as directors and executive officers.

Item 9. Undertaking

(1) The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

- (b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act, the registrant has duly caused this Registration Statement on Form S-8 to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Mateo, State of California, on the 20th day of May 2004.
