PROXY STATEMENT

General Information

This Proxy Statement is furnished to stockholders in connection with the solicitation of proxies by the board of directors (the "Board of Directors") of Wynn Resorts, Limited ("Wynn Resorts," "we" or the "Company"), for use at the Company's Annual Meeting of Stockholders on May 2, 2005 (the "Annual Meeting") to be held in the Latour Ballroom at the Wynn Las Vegas Resort and Casino, 3131 Las Vegas Boulevard South Las Vegas, Nevada, at 11:00 a.m. (local time) and at any adjournment of that meeting. Matters to be considered and acted upon at the Annual Meeting are set forth in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement and are more fully outlined herein. A copy of our 2004 Annual Report to Stockholders, this Proxy Statement and the accompanying Proxy Card were first mailed to stockholders beginning on or about April 11, 2005.

The Board of Directors believes that the election of the director nominees named herein, the approval of the amendment to the Wynn Resorts, Limited Annual Performance Based Incentive Plan for Executive Officers (the "Incentive Plan") and the ratification of the appointment of the independent auditors are all in the best interests of the Company and its stockholders and recommends the approval of each of the proposals contained in this Proxy Statement.

Revocability of Proxies

Any stockholder giving a proxy may revoke it at any time prior to its exercise at the Annual Meeting by filing or sending a writing or other transmission revoking it, or by executing and delivering another proxy bearing a later date, to the Secretary of the Company at the Company's Executive Offices located at 3131 Las Vegas Boulevard South, Las Vegas Nevada 89109, or to the inspector of elections of the Company appointed to count the votes of stockholders. Attendance at the Annual Meeting in and of itself does not revoke a prior proxy.

Voting and Solicitation

Shares represented by duly executed and unrevoked proxies in the enclosed form received by the Board of Directors will be voted at the Annual Meeting in accordance with the specifications made therein by the stockholders, unless authority to do so is withheld. If no specification is made, shares represented by duly executed and unrevoked proxies in the enclosed form will be voted **FOR** the election as directors of the

Edgar Filing: WYNN RESORTS LTD - Form DEF 14A

nominees listed herein, **FOR** the approval of the amendment to the Incentive Plan, **FOR** the ratification of the appointment of the independent auditors as described herein and, with respect to any other matter that may properly come before the Annual Meeting, in the discretion of the persons voting the respective proxies.

The cost of preparing, assembling and mailing of proxy materials will be borne by the Company. Directors, executive officers and other employees may also solicit proxies but will not receive any special compensation. Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward soliciting materials to beneficial owners and will be reimbursed for their reasonable out-of-pocket expenses incurred in sending proxy materials to beneficial owners.

At the close of business on March 31, 2005, the record date for determining stockholders entitled to vote at the Annual Meeting, 99,481,767 shares of the Company's common stock, \$.01 par value, were outstanding. Each

stockholder is entitled to one vote for each share of common stock held of record on that date on all matters presented at the Annual Meeting.

A plurality of the votes cast in person or by proxy at the Annual Meeting will be required for the election of the director nominees. Under Nevada law, shares as to which a stockholder abstains or withholds from voting on the election of directors and shares as to which a broker indicates that it does not have discretionary authority to vote on the election of directors will not be counted as voting thereon and therefore will not affect the election of the nominees receiving a plurality of the votes cast. However, those shares will be counted for purposes of determining whether there is a quorum.

For each other item to be acted upon at the Annual Meeting, the item will be approved if the number of votes cast in favor of the item by the stockholders entitled to vote exceeds the number of votes cast in opposition to the item. Although counted for purposes of determining whether there is a quorum, abstentions, and broker non-votes will not be counted as voting thereon and therefore will not affect the votes on these proposals.

The stockholders of the Company have no dissenter's or appraisal rights in connection with any of the proposals described herein.

Each member of the Audit Committee is independent under the listing standards of the NASD. Further, the Board of Directors has determined that Messrs. Zax, Moran and Shoemaker are qualified as audit committee financial experts within the meaning of SEC regulations. During 2004, the Audit Committee met eight times.

The Audit Committee meets periodically with the Company's independent auditors, management and legal counsel to discuss accounting principles, financial and accounting controls, the scope of the annual audit, internal controls, regulatory compliance and other matters. The Audit Committee also advises the Board of Directors on matters related to accounting and auditing and appoints the Company's independent auditors. The independent auditors have complete access to the Audit Committee without management present to discuss results of their audits and their opinions on the adequacy of internal controls, quality of financial reporting and other accounting and auditing matters. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. The charter is available on the Company's website at <http://www.wynnresorts.com>.

The Compensation Committee

The Compensation Committee is composed entirely of the following independent directors: John A. Moran, Chairman, Robert J. Miller, Alvin V. Shoemaker and Stanley R. Zax. The Compensation Committee acts pursuant to a written charter adopted by the Board of Directors. The charter is available on the Company's website at <http://www.wynnresorts.com>.

The Nominating and Corporate Governance Committee

Edgar Filing: WYNN RESORTS LTD - Form DEF 14A

The Company has a Nominating and Corporate Governance Committee (the Nominating/Governance Committee). The functions of the Nominating/Governance Committee include the following:

identifying and recommending to the Board of Directors individuals qualified to serve as directors of the Company;

recommending to the Board of Directors directors to serve on committees of the Board of Directors;

advising the Board of Directors with respect to matters of Board of Director composition and procedures;

developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company and overseeing corporate governance matters generally; and

overseeing the evaluation of the Board of Directors.

The members of the Nominating/Governance Committee are Robert J. Miller, Chairman, D. Boone Wayson and Allan Zeman, each of whom is an independent director under the listing standards of the NASD. The Nominating/Governance Committee met four times during 2004. The Nominating/Governance Committee acts pursuant to a written charter adopted by the Board of Directors. The charter is available on the Company's website at <http://www.wynnresorts.com>.

Nominating Process. The Nominating/Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating/Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. To have a candidate considered by the Nominating/Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company, and the person's consent to be named as a director if selected by the Nominating/Governance Committee and nominated by the Board of Directors.

The stockholder recommendation and information described above must be sent to the Corporate Secretary at 3131 Las Vegas Boulevard South, Las Vegas, Nevada 89109 and must be received by the Corporate Secretary not less than 120 days prior to the anniversary date of the Company's most recent Annual Meeting of Stockholders.

The Nominating/Governance Committee believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Directors' oversight of the business and affairs of the Company and have a reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating/Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. The Nominating/Governance Committee also seeks to have the Board of Directors represent a diversity of backgrounds and experience.

The Nominating/Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board of Directors. The Committee may from time-to-time engage the services of a firm that specializes in the identification of public company director candidates. As described above, the Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating/Governance Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating/Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee contacts the person.

Edgar Filing: WYNN RESORTS LTD - Form DEF 14A

Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating/Governance Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in comparison to any other candidates that the Committee might

be considering, and conducts one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

Stockholders Communications with Directors

The Board of Directors has established a process to receive communications from stockholders which can be viewed at the Company's website at <http://www.wynnresorts.com>. Stockholders may contact any member (or all members) of the Board of Directors, any committee of the Board of Directors or any chair of any such committee by mail. To communicate with the Board of Directors, any individual directors or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Secretary at 3131 Las Vegas Boulevard South, Las Vegas, NV 89109.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board of Directors or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope addressed.

In addition, it is Company policy that each of our directors are invited and encouraged to attend the Annual Meeting. All of our directors were in attendance at the 2004 Annual Meeting.

Compensation of Directors

Directors who are not employees of the Company received a monthly fee of \$4,000 for services as a director. Directors who serve on the Audit Committee, the Compensation Committee or the Nominating/Governance Committee receive an additional monthly fee of \$1,000 per committee (\$2,000 for committee chairman). All directors are reimbursed for expenses connected with attendance at meetings of the Board of Directors.

Each non-employee director, other than non-employee directors who beneficially own more than five percent of the Company's issued and outstanding common stock, has received an immediately exercisable option grant for 10,000 shares of the Company's common stock upon their initial appointment to the Board of Directors. Concurrent with his appointment to the Board of Directors on May 4, 2004, Mr. Sokoloff received such immediately exercisable option grant for 10,000 shares of the Company's common stock with a per share exercise price of \$40.00, the market value of the Company's common stock as of May 4, 2004. In addition, on May 4, 2004, each member of the Board of Directors, other than Messrs. Wynn, Okada, Kramer and Sokoloff and Mrs. Wynn, received an option to purchase 10,000 shares of the Company's common stock. This option grant vests pro rata over a four year period and has a per share exercise price of \$40.00, the market value of the Company's common stock as of May 4, 2004.

Robert J. Miller, a member of the Board of Directors, also receives a \$25,000 annual retainer for his service as the Chairman of the Company's Gaming Compliance Committee.

Compensation Committee Interlocks and Insider Participation

As noted above, the members of the Compensation Committee during 2004 were the following non-management directors: Messrs. Moran, Miller, Shoemaker and Zax. No member of the Compensation Committee is, or was, formerly one of our officers or employees. No interlocking relationship exists between the Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company, nor has any interlocking relationship existed in the past.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Mr. Strzemp's employment agreement provides for an annual base salary of \$509,000. Ms. Chen's employment agreement provides for an annual base salary of \$500,000.

The other terms of the employment agreements are substantially similar for each Named Executive Officer, except as noted below. Each executive is eligible to receive a bonus and an increase in base salary at such times and in such amounts as our Board of Directors, in its sole and exclusive discretion, may determine. However, after our Board of Directors adopts a performance-based bonus plan, bonuses will be determined in accordance with the plan, except that Mr. Strzemp will be entitled to a minimum annual bonus of \$150,000 during his employment and Ms. Chen is entitled to a minimum annual bonus of \$250,000 during her employment. Each executive will (i) be entitled to participate, to the extent that he or she is otherwise eligible, in all employee benefit plans that we maintain for our executives, and (ii) receive reimbursement for reasonable business expenses (including entertainment, promotional, gift and travel expenses and club memberships). In addition, the Company provides Ms. Chen with one luxury automobile in Macau. Ms. Chen was also reimbursed for her reasonable relocation expenses incurred in moving her immediate family from Las Vegas, Nevada to Macau.

If we terminate the employment of a Named Executive Officer without cause, or the executive terminates his employment upon our material breach of the agreement or for good reason following a change of control

(as these terms are defined in the employment contracts), we will pay the executive a separation payment in a lump sum equal to the following:

(a) the executive's base salary for the remainder of the term of the employment agreement, but not for less than one year, except that (i) Mr. Wynn's salary portion of his separation payment shall be three times such amount and (ii) Ms. Chen's agreement is silent with respect to a minimum payment;

(b) the bonus that the executive received for the preceding bonus period, projected over the remainder of the term (but not less than the preceding bonus that was paid), except that Mr. Wynn's bonus portion of his separation payment shall not exceed an amount projected over four years;

(c) base salary and any accrued but unpaid vacation pay through the termination date; and

(d) an amount necessary to reimburse the executive for any golden parachute excise tax the executive incurs under Internal Revenue Code Section 4999, except that Ms. Chen is not entitled to this payment.

Upon employment termination and in addition to the separation payment set forth above, the Named Executive Officers, other than Ms. Chen, will also be entitled to health benefits coverage for the executive and his dependents under the same arrangements under which the executive was covered immediately before his termination, until the earlier of (i) the expiration of the period for which the separation payment is paid or (ii) the date the executive becomes covered under another group health plan not maintained by us.

Except with regard to Mr. Wynn, if a Named Executive Officer's employment terminates for any other reason before the expiration of the term (e.g., because of the executive's death, disability, discharge for cause or revocation of gaming license), we will pay the executive only his base salary and any accrued but unpaid vacation pay through his termination date. If Mr. Wynn's employment agreement is terminated as a result of death, complete disability or denial or revocation of his gaming license, then we will pay Mr. Wynn a separation payment equal to (a) up to four years of his base salary for the remainder of the term of the employment contract, but not less than one year, (b) up to four years of the bonus that Mr. Wynn received for the preceding bonus period projected over the remainder of the term, but not less than the preceding bonus that was paid, projected over one year, (c) any accrued but unpaid vacation pay through the date of termination and (d) an amount necessary to reimburse him for any golden parachute excise tax. Mr. Wynn will also be entitled to health benefits coverage if his employment is terminated upon his complete disability. If we terminate Mr. Wynn's employment for cause, we will pay him only his base salary and any accrued but unpaid vacation pay through his termination date.

Under the terms of Mr. Kramer's agreement, on April 1, 2003, he received a restricted stock grant of 189,723 shares of the Company's common stock that will vest in its entirety on the earlier of (i) May 31, 2005, provided that Mr. Kramer is still employed by us, or (ii) the date his employment is terminated (a) by reason of death or disability, (b) by us for any reason other than cause or (c) by Mr. Kramer upon our material breach of this agreement or for good reason upon a change of control. In addition, on April 1, 2003, Mr. Kramer received an option to purchase 200,000 shares of the Company's common stock at an exercise price of \$14.91 per share. This option vests 25% per year over a four-year period beginning April 1, 2004, provided that Mr. Kramer is still employed by us on such vesting dates. If Mr. Kramer's employment is terminated by reason of death or disability or by Mr. Kramer upon our material breach of this agreement or for good reason upon a change of control, this option will become immediately vested and exercisable in full and remain exercisable for five years following such termination.

We will also provide to each of Messrs. Wynn, Kramer and Schorr and their families the right to personal use of our aircraft, and have entered into a time-sharing agreement with each executive that requires, among other things, that the executive to pay us his and his family's share of the

direct costs that we incur in operating the aircraft, up to an amount determined by using the Internal Revenue Service Standard Industry Fare Level (SIFL) tables.

We have reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2004. We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. We have received the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, and have discussed with the independent auditors their firm's independence. REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is composed entirely of non-management directors and is responsible for approving the compensation of the Company's Chief Executive Officer, reviewing the compensation of other executive officers, including the executive officers named in the Summary Compensation Table, and approving stock awards, including stock options and restricted stock, for each executive officer. During the 2004 fiscal year, the Compensation Committee met on six occasions. The Chief Executive Officer and a majority of the executive officers were subject to employment agreements that were effective prior to the 2004 fiscal year; the Compensation Committee did not determine the base compensation paid to the Company's Chief Executive Officer or such other executive officers during the 2004 fiscal year. The Compensation Committee approved stock option and restricted stock grants as well as bonus awards to executive officers during the 2004 fiscal year. This report is provided by the Compensation Committee to assist stockholders in understanding the objectives and guidelines the Compensation Committee considers in establishing the compensation of executive officers.

Compensation of Executive Officers

During the 2004 fiscal year, all of the members of the Company's senior management were bound by employment agreements. Most of those employment agreements were negotiated and executed prior to the formation of the Compensation Committee in October 2002. Employment agreements for certain members of senior management that were entered into during 2004 were approved by the Compensation Committee. All of the Company's outstanding employment agreements with executive officers have terms that generally range from three to five years, and set minimum compensation for salary, bonuses and stock option grants. As part of its strategy to attract and retain high quality executive employees, the Compensation Committee's policy is to pay executives base salaries that are competitive with salaries paid by other gaming, hospitality and development-stage companies, with the Company's salaries being at or near the high end of the range.

Annual Incentives

The Compensation Committee intends to develop programs that will tie executive incentive compensation to the performance of the Company. With the exception of Incentive Plan bonuses and a portion of Mr. Strzemp's bonus, annual incentive awards for the year 2004 were defined by the terms of each of the executives' employment contract and were not determined by the Compensation Committee. However, the Compensation Committee did award restricted stock during the 2004 fiscal year.

In 2004, the Compensation Committee and the Board of Directors recommended and the stockholders approved the Incentive Plan. The Incentive Plan provides for performance based bonuses for executives that are covered employees under Section 162(m) of the Internal Revenue Code. Section 162(m) generally disallows a tax deduction to public companies for compensation over \$1 million paid to any such company's chief executive officer and four other highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limitation if certain requirements are met.

The Compensation Committee designated Messrs. Wynn, Kramer and Schorr as the officers eligible to participate in the Incentive Plan in 2004 and established certain performance criteria under the Incentive Plan that the eligible participants were required to satisfy in order to qualify for a bonus. The performance criteria established for Mr. Wynn included meeting certain goals relating to the recruitment of senior management for the Company, preparations for the opening of Wynn Las Vegas and leadership of the creative and operation design and development of Wynn Macau. The performance criteria for Mr. Kramer included responsibility for the negotiation and documentation of financing transactions necessary for the construction of Wynn Macau and the expansion of Wynn Las Vegas. Mr. Schorr's performance criteria required him to oversee the recruitment process of Wynn Las Vegas to ensure that the necessary senior management was in place by December 31, 2004. The actual bonus awards, if any, under the Incentive Plan are determined by the Compensation Committee, provided that pursuant to the Incentive Plan, no bonus award with respect to 2004 under the Incentive Plan could

exceed the lesser of (a) \$2,500,000 and (b) (I) in the case of the Company's Chief Executive Officer, 250% of his average annual base salary and (II) in the case of all other participants, 200% of the participant's average annual base salary. The average annual base salary is based on the base salary actually paid to the participant during the applicable year. The stockholders are being asked to consider an increase to maximum annual bonus payable under the Incentive Plan to any executive officer to \$7,500,000. If approved by the stockholders, the amendment would be effective for bonuses awarded for 2005.

The minimum performance goals set by the Compensation Committee for 2004 were satisfied, and accordingly, the Company's senior executives qualified for bonuses for 2004 under the Incentive Plan. Based upon the factors and compensation policies discussed above, the Compensation Committee determined to grant bonuses for 2004 to the Named Executives pursuant to the Incentive Plan in the following amounts: Mr. Wynn \$2,192,308; Mr. Kramer \$1,171,923; and Mr. Schorr \$1,000,000.

Long-Term Incentives

The Company has adopted a stock incentive plan designed to provide stock-based incentives to its officers. The Compensation Committee specifically approves all awards of stock options and restricted stock granted by the Company. The Compensation Committee may also use grants under the stock incentive plan to attract qualified individuals to work for the Company. The number of options to be granted to each executive officer will be based on the individual executive's performance, tenure and future potential. During the year ended December 31, 2004, the Company granted stock option awards to certain officers with four-year vesting schedules and approved restricted share grants to Messrs. Kramer and Schorr with vesting schedules of approximately five-years.

Executive Compensation Program Philosophy and Objectives

The Compensation Committee's primary objectives in setting compensation policies are to develop a program designed to retain the current management team, reward them for outstanding performance, and attract those individuals needed to implement the Company's strategy.

2004 Compensation for the Chief Executive Officer

Stephen A. Wynn, our Chairman of the Board and Chief Executive Officer, and the Company entered into a five-year employment agreement prior to the establishment of the Compensation Committee. That agreement became effective on October 25, 2002, after the successful completion of the Company's initial public offering, and provides for an annual base salary of \$1,250,000 for the first year under the agreement and increases of \$500,000 for each subsequent year, up to a maximum of \$2,750,000. During 2004, Mr. Wynn received \$1,826,923 in base salary in accordance with the terms of his employment agreement.

Concurrent with the execution of agreements with Mr. Wynn that confirmed and clarified the Company's rights to use the Wynn name and Mr. Wynn's persona in connection with the Company's casino resort businesses, the Company extended Mr. Wynn's employment agreement by ten years until October 24, 2017 in order to ensure the continued services of Mr. Wynn. The other material terms of Mr. Wynn's employment agreement remained unchanged. The Compensation Committee reviewed and approved the amendment to such agreement.

Mr. Wynn received no additional stock-based incentive compensation in 2004; however, in addition to the monetary award under the Incentive Plan described above, the Compensation Committee awarded Mr. Wynn an additional \$548,074 discretionary bonus in recognition of the

Edgar Filing: WYNN RESORTS LTD - Form DEF 14A

significant appreciation in the per share market value of the Company's common stock during 2004. To the extent not already defined in Mr. Wynn's employment agreement, the Committee intends to review Mr. Wynn's performance on an annual basis and will use its discretion to determine any additional compensation for Mr. Wynn based on such performance.

Limitation of Tax Deduction for Executive Compensation

Internal Revenue Code Section 162(m) prevents publicly traded companies from receiving a tax deduction on certain compensation paid to executive officers in excess of \$1,000,000 in any taxable year. Other than (i) the additional discretionary bonus awarded to Mr. Wynn noted above, and (ii) \$160,231 of base compensation paid to Mr. Kramer, the Compensation Committee does not believe that there will be any non-deductible compensation in 2004 based upon allowances provided under the provisions of Section 162(m). The Compensation Committee's policy with respect to qualifying compensation paid to its executive officers for tax deductibility purposes is that executive compensation plans will generally be designed and implemented to maximize tax deductibility. However, non-deductible compensation may still be paid to executive officers when necessary for competitive reasons or to attract or retain a key executive, or where achieving maximum tax deductibility would be considered disadvantageous to the best interests of the Company.

Respectfully Submitted,

Compensation Committee

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Stockholders Agreement. Mr. Wynn, Aruze USA and Baron Asset Fund are parties to a stockholders agreement that establishes various rights among Mr. Wynn, Aruze USA and Baron Asset Fund with respect to the ownership and management of the Company. These rights include, but are not limited to, preemptive rights, rights of first refusal, tag-along rights and certain other restrictions on the transfer of the shares of the Company's common stock owned by the parties to the stockholders agreement.

Under the stockholders agreement, if Mr. Wynn, Aruze USA or Baron Asset Fund purchase shares of the Company's common stock from the Company in a private placement on terms and conditions that are not offered

to the other parties to the agreement, the purchasing stockholder must afford the other parties preemptive rights. These preemptive rights will allow the non-purchasing parties to purchase that number of shares in the purchasing stockholder's allotment of private placement shares that is necessary to maintain the parties' shares in the same proportion to each other that existed prior to the private placement.

In addition, under the stockholders agreement, the parties granted each other a right of first refusal on their respective shares of the Company's common stock. Under this right of first refusal, if any such stockholder wishes to transfer any of his or its shares of the Company's common stock to anyone other than a permitted transferee (as defined in the agreement), and has a bona fide offer from any person to purchase such shares, the stockholder must first offer the shares to the other parties to the stockholders agreement on the same terms and conditions as the bona fide offer. In addition to this right of first refusal, Mr. Wynn and Aruze USA also granted each other and Baron Asset Fund a tag-along right on their respective shares of the Company's common stock. Under this tag-along right, Mr. Wynn and Aruze USA, before transferring his or its shares to any person other than a permitted transferee, must first allow the other parties to the agreement to participate in such transfer on the same terms and conditions.

The stockholders agreement also provides that, upon the institution of a bankruptcy action by or against a party to the stockholders agreement, the other parties to the agreement will be given an option to purchase the bankrupt stockholder's shares of the Company's common stock at a price to be agreed upon by the bankrupt stockholder and the other stockholders, or, if a price cannot be agreed upon by such stockholders, at a price equal to their fair market value. In addition, under the stockholders agreement, if there is a direct or indirect change of control of any party to the agreement, other than Baron Asset Fund, the other parties to the agreement have the option to purchase the shares of the Company's common stock held by the party undergoing the change in control. Under the agreement, a stockholder may assign its options to the Company.

In addition, under the stockholders agreement, Mr. Wynn and Aruze USA have agreed to vote their shares of the Company's common stock for a slate of directors, a majority of which will be designated by Mr. Wynn, of which at least two will be independent directors, and the remainder of which will be designated by Aruze USA.

Buy-Out of Aruze USA Stock. In 2002, Stephen A. Wynn, Kazuo Okada, Aruze USA, Aruze Corp. and the Company entered into arrangements which provide that if any Nevada gaming license application of Aruze USA, Aruze Corp. or Kazuo Okada concerning Aruze USA's ownership of the Company's stock were denied by gaming authorities or requested to be withdrawn or were not filed within 90 days after the filing of the Company's application, the Company's common stock owned by Aruze USA could be purchased by Mr. Wynn. If Mr. Wynn chose not to exercise his right to purchase the shares, the Company had the right to require him to purchase the shares. On March 24, 2005, the Nevada Gaming Commission approved the gaming applications of Aruze USA, Aruze Corp. and Kazuo Okada concerning Aruze USA's ownership of the Company's common stock. As a result, none of the licensing events precedent to Mr. Wynn's option to purchase Aruze USA's shares will occur.

Wynn Design & Development. Wynn Design & Development, LLC, a wholly owned indirect subsidiary of the Company, is responsible for the design and architecture of Wynn Las Vegas (except for the Wynn Theater) and for managing construction costs and risks associated with the Wynn Las Vegas project. Wynn Design & Development also has similar responsibilities for the Company's hotel and casino construction project in Macau. Nevada law requires that a firm licensed as a professional architectural organization certify architectural plans. These architectural services for the Wynn Las Vegas project will be provided by the firm of Butler/Ashworth Architects, Ltd., LLC. In return for these services, the Butler/Ashworth firm will be paid one dollar (\$1) and reimbursed for certain expenses it incurs in providing the architectural services. The principals of the Butler/Ashworth firm are DeRuyter O. Butler and Glen Ashworth, both of whom are employees of Wynn Design & Development. Mr. Butler is Executive Vice President of Wynn Design & Development. Wynn Design & Development is the only client of the Butler/Ashworth firm and pays the salaries and benefits of Messrs. Butler and Ashworth. The Company has no ownership interest in Butler/Ashworth.

Art Gallery. Until it was closed on May 6, 2004, the Company operated an art gallery at the former Desert Inn displaying The Wynn Collection, a collection of artwork owned by Mr. and Mrs. Wynn. Under the

terms of the Art Rental and Licensing Agreement under which The Wynn Collection was exhibited at the time the art gallery was closed, Mr. and Mrs. Wynn leased The Wynn Collection to the Company for an annual fee of one dollar (\$1), and the Company was entitled to retain all revenues from the public display of The Wynn Collection and the related merchandising revenues. The Company was responsible for all expenses incurred in exhibiting and safeguarding The Wynn Collection, including the cost of insurance (including terrorism insurance) and taxes relating to the rental of The Wynn Collection.

On August 6, 2004, the Art Rental and Licensing Agreement was amended to set forth the terms and conditions under which The Wynn Collection will be exhibited at Wynn Las Vegas effective upon the opening of the new resort. The terms of the amended Art Rental and Licensing Agreement are substantially the same as the terms under which the Company most recently had displayed The Wynn Collection in the gallery in the former Desert Inn, including an annual rental of one dollar (\$1) for all of the leased works.

Surname and Rights of Publicity Agreements. On August 6, 2004, Wynn Resorts Holdings, entered into agreements with Mr. Wynn that confirm and clarify Wynn Resorts Holdings' rights to use the Wynn name and Mr. Wynn's persona in connection with its casino resorts. Under the parties' Surname Rights Agreement, Mr. Wynn granted Wynn Resorts Holdings an exclusive, fully paid, perpetual, worldwide license to use, and to own and register trademarks and service marks incorporating the Wynn name for casino resorts and related businesses, together with the right to sublicense the name and marks to its affiliates. Under the parties' Rights of Publicity License, Mr. Wynn granted the Wynn Resorts Holdings the exclusive, royalty-free, worldwide right to use his full name, persona and related rights of publicity for casino resorts and related businesses, together with the ability to sublicense the persona and publicity rights to its affiliates, until October 24, 2017.

Villa Lease. On December 29, 2004, Wynn Las Vegas entered into an agreement with Mr. Wynn for the lease of a villa suite in the Wynn Las Vegas resort to Mr. and Mrs. Wynn as their personal residence. The agreement becomes effective on the earlier of the date that Mr. and Mrs. Wynn first occupy the suite or the initial opening of Wynn Las Vegas to the public. The term of the agreement continues from year to year unless terminated on at least 90 days' written notice prior to the end of any lease year, or upon the death of Mr. Wynn. Rent will be determined each year by the Audit Committee of the Board of Directors, and will be based on the fair market value of the use of the suite accommodations. The Audit Committee has determined, based upon a third party appraisal, that the rental for the first lease year will be \$580,000. All services for, and maintenance of, the suite are included in the rental, with certain exceptions.

Aircraft Arrangements. Messrs. Wynn, Kramer and Schorr have time-sharing agreements with Las Vegas Jet, LLC, a wholly owned indirect subsidiary of the Company, covering their personal use of Company-owned aircraft that require each executive to pay the Company his and his family's share of the direct costs that incurred in operating the aircraft, up to an amount determined by using the Internal Revenue Service Standard Industry Fare Level (SIFL) tables. During 2004, the following amounts were paid to the Company pursuant to these timesharing arrangements: Stephen A. Wynn (\$207,299); Mr. Kramer (\$11,953); and Mr. Schorr (\$42,854). In the event that direct costs in operating the aircraft exceed the amounts determined by using the SIFL method, such additional costs are paid for by the Company. Pursuant to the provisions of the American Jobs Creation Act of 2004, such additional costs incurred after October 22, 2004 are not eligible to be claimed as a deduction for United States federal income tax purposes.

Reimbursable Costs. The Company periodically incurs costs on Mr. Wynn's and certain other officers' behalf, including costs with respect to personal use of the corporate aircraft, household employees, personal legal fees, construction work and other personal purchases. Mr. Wynn and other officers have deposits with the Company to prepay any such items. These deposits are replenished on an ongoing basis as needed. At December 31, 2004, the Company's net liability to Mr. Wynn and other officers was approximately \$71,000.

Tax Indemnification Agreement. Stephen A. Wynn, Aruze USA, Baron Asset Fund, and the Kenneth R. Wynn Family Trust (referred to collectively as the "Valvino members"), Valvino and the Company have entered

into a tax indemnification agreement relating to their respective income tax liabilities. Prior to the contribution of the Valvino membership interests to the Company, the income and deductions of Valvino passed through to the Valvino members under the rules governing partnerships for federal tax purposes and were taken into account by them at their personal tax rates. Commencing upon the contribution of the Valvino membership interests to the Company, income and deductions are to be treated as income and deductions of the Company and are to be taken into account by it at applicable corporate tax rates. A reallocation of deductions of Valvino from the period prior to the contribution to the period commencing upon the contribution, or a reallocation of income of the Company from the period commencing upon the contribution to the period prior to the contribution, would increase the amount of taxable income (or decrease the amount of loss) reported by the Valvino members and decrease the amount of taxable income (or increase the amount of loss, including carryforwards, or increase the amount of tax basis in the assets) of the Company. Accordingly, the tax indemnification agreement generally provides that the Valvino members will be indemnified by the Company and its subsidiaries for additional tax costs (including interest and penalties) caused by reallocations that increase the taxable income or decrease the tax loss of the Valvino members for the period prior to the contribution of the Valvino membership interests. Any payment made pursuant to the agreement by the Company or any of its subsidiaries to the Valvino members may be non-deductible for income tax purposes.

Employment of Kenneth R. Wynn. During the first two months of 2004, Kenneth R. Wynn, the brother of Stephen A. Wynn, was employed by Wynn Development and Design, LLC, a direct subsidiary of the Company, at an annual salary of \$250,000. Kenneth R. Wynn was the President of Wynn Development and Design. Kenneth R. Wynn is no longer employed by the Company or any of its affiliates. Kenneth R. Wynn forfeited his grants of restricted shares of and options to purchase Company common stock concurrent with his departure from the Company.

PROPOSAL NO. 2

AMENDMENT TO THE WYNN RESORTS, LIMITED

ANNUAL PERFORMANCE BASED INCENTIVE PLAN FOR EXECUTIVE OFFICERS

The Incentive Plan was adopted by the Board of Directors on March 8, 2004, and by the stockholders of the Company on May 4, 2004. The Incentive Plan is an annual bonus plan designed to provide certain senior executive officers with incentive compensation based upon the achievement of pre-established performance goals. The Chief Executive Officer and other executive officers of the Company who are among the four most highly compensated are eligible to participate in the Incentive Plan. The Incentive Plan is administered by the Compensation Committee of the Board of Directors (the "Committee").

The Incentive Plan currently provides that a participant's maximum annual bonus payable with respect to any plan year is the lesser of (a) \$2,500,000 and (b) (I) in the case of the Company's Chief Executive Officer, 250% of the participant's average base annual salary over the applicable performance period, and (II) in the case of all other participants, up to a maximum of 200% of the participant's average base annual salary over the applicable performance period. The average base salary of a Participant is the average of the Participant's base salary on the day the performance period begins and the Participant's base salary on the day the Committee establishes the performance goals.

In order to provide greater flexibility to the Committee in its determination of annual bonuses under the Incentive Plan, the Board of Directors has approved an amendment to the Incentive Plan for submission to the Company's stockholder to increase the maximum annual bonus payable to any executive with respect to any plan year to the lesser of (a) \$7,500,000 and (b) (I) in the case of the Company's Chief Executive Officer, 250% of the participant's average base annual salary over the applicable performance period, and (II) in the case of all other participants, up to a maximum of 200% of the participant's average base annual salary over the applicable performance period. The Company seeks approval by its stockholders of this amendment to the Incentive Plan.

As is presently the case, even if the performance goals are met for any particular year, the Committee will continue to be able to reduce or eliminate any participant's bonus if it determines, in its sole and absolute discretion, that such a reduction or elimination is appropriate with respect to the participant's performance or any other factors material to the goals, purposes, and administration of the Incentive Plan. In addition, the Committee will continue to be able to grant bonuses outside of the Incentive Plan.

A copy of the full text of the Incentive Plan, as amended, is attached hereto as Exhibit A.

Description of the Principal Features of the Incentive Plan, as Amended

The following is a description of the principal features of the Incentive Plan, as amended, and is qualified in its entirety by reference to Exhibit A.

Purpose. The purpose of the Incentive Plan is to provide an incentive for superior performance and to motivate participating officers toward the highest levels of achievement and business results, to tie their goals and interests to those of the Company and its stockholders, and to enable the Company to attract and retain highly qualified executive officers. An additional purpose of the Incentive Plan is to serve as a qualified performance-based compensation program under Section 162(m), in order to preserve the Company's tax deduction for compensation paid under the Incentive Plan to the Company's most senior executive officers.

Edgar Filing: WYNN RESORTS LTD - Form DEF 14A

Administration. The Incentive Plan is administered by the Compensation Committee of the Board of Directors, which consists solely of outside directors within the meaning of Section 162(m).

Eligibility. Those executive officers of the Company who are covered employees as defined under Section 162(m) of the Code are eligible to participate in the Incentive Plan. At or prior to the time that performance objectives for a performance period are established, the Committee will designate which executive officers shall participate in the Incentive Plan for such performance period (the Participants). A bonus award

that would otherwise be payable to a Participant who is not employed by the Company on the last day of a performance period may be prorated or not paid in the discretion of the Chief Executive Officer, except in the case of a bonus award payable to the Chief Executive Officer, in which case the decision will be made in the discretion of the Committee.

Performance Goals. The performance period with respect to which bonuses shall be calculated and paid under the Incentive Plan will generally be the Company's fiscal year but the Committee will have the discretion to designate different performance periods. Within 90 days after the beginning of the performance period, the Committee will establish in writing, one or more performance goals, specific target objectives for the performance goals, and an objective formula or method for computing the amount of bonus compensation awardable to each Participant if the performance goals are attained. Performance goals shall be based upon one or more of the following business criteria for the Company as a whole or any of its subsidiaries or operating units: stock price; market share; gross revenue; gross margin; pretax operating income; cash flow; earnings before interest, taxes, depreciation and amortization; earnings per share; return on equity; return on invested capital or assets; return on revenues; cost reductions and savings; productivity including, but not limited to, the ability to complete major capital projects on time and within budget, and the ability to successfully meet objective project milestones during the performance year; equity capital raised; consummation of debt and equity offerings; asset management (e.g. inventory and receivable levels); compliance with contractual and legal requirements; customer satisfaction; employee satisfaction; or any increase or decrease of one or more of the foregoing over a specified period. In addition, performance goals may be based upon a Participant's attainment of personal goals with respect to any of the foregoing performance goals, negotiating transactions and sales, or developing long-term business goals. The Committee shall have the authority to make appropriate adjustments in performance goals to reflect the impact of extraordinary items not reflected in such goals.

Maximum Bonuses. No Participant's bonus for any plan year shall be greater than the lesser of (a) \$7,500,000 and (b) (I) in the case of the Company's Chief Executive Officer, 250% of the participant's average base annual salary over the applicable performance period, and (II) in the case of all other participants, up to a maximum of 200% of the participant's average base annual salary over the applicable performance period.

Limitation on Committee's Discretion. The Committee does not have the authority to increase the amount of the award payable to an executive officer upon attainment of a performance goal, but the Committee may, in its discretion, reduce or eliminate the amount payable to such an individual.

Committee Certification of Performance Goal Attainment. As soon as practicable after the end of each performance period (or such sooner time as the performance goals have been met), and before any awards for a particular year can be paid, the Committee shall certify in writing to what extent the Company and the Participants have achieved the performance goals for the performance period, including the specific target objectives and the satisfaction of any other material terms of the bonus award, and the Committee shall calculate the amount of each Participant's bonus for the performance period based upon the performance goals, objectives, and computation formulae for the performance period.

Amendments/Termination of the Incentive Plan. The Incentive Plan may be amended or terminated by the Board of Directors, provided that no amendment of the Incentive Plan may be made without the approval of stockholders if such amendment would alter the class of individuals who are eligible to participate in the Incentive Plan, the performance criteria, or the maximum bonus payable to any Participant.

Benefits under the Incentive Plan. In as much as individual benefits under the Incentive Plan will be determined by the Committee, benefits to be paid under the Incentive Plan are not determinable at this time.

This proposal will be approved if the number of votes cast in favor of the proposal by stockholders entitled to vote exceeds the number of votes cast in opposition to the proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE *FOR* THE APPROVAL OF THE AMENDMENT TO THE WYNN RESORTS, LIMITED ANNUAL PERFORMANCE BASED INCENTIVE PLAN FOR EXECUTIVE OFFICERS.

All other fees relate to all other services rendered by Deloitte & Touche LLP at our request.

All of Deloitte & Touche LLP's fees were pre-approved by the Audit Committee in 2004. The Audit Committee pre-approves services either by: (1) approving a request from management to engage Deloitte & Touche LLP for a specific project at a specific fee or rate or (2) by pre-approving certain types of services that would comprise the fees within each of the above categories at Deloitte & Touche LLP's usual and customary rates.

Stockholder ratification of the selection of Deloitte & Touche LLP as the Company's independent public accountants is not required under Nevada law or under the Company's Articles of Incorporation or By-Laws. If the stockholders do not ratify the selection of Deloitte & Touche LLP as the Company's independent auditors for 2005, the Audit Committee will evaluate what would be in the best interests of the Company and its stockholders and consider whether to select new independent auditors for the current year or whether to wait until the completion of the audit for the current year before changing independent auditors. Even if the stockholders ratify the selection of Deloitte & Touche LLP, the Audit Committee, in its discretion, may direct the appointment of a different independent public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

Exhibit A

WYNN RESORTS, LIMITED
ANNUAL PERFORMANCE BASED INCENTIVE PLAN
FOR EXECUTIVE OFFICERS

PURPOSE

The WYNN RESORTS, LIMITED Annual Performance Based Incentive Plan for Executive Officers (the "Plan") is an annual short-term incentive plan designed to reward executive officers of WYNN RESORTS, LIMITED (the "Company"), for achieving preestablished corporate performance goals. The Plan is intended to provide an incentive for superior performance and to motivate participating officers toward the highest levels of achievement and business results, to tie their goals and interests to those of the Company and its stockholders, and to enable the Company to attract and retain highly qualified executive officers. The Plan is also intended to preserve the Company's tax deduction for bonus compensation paid to executive officers by meeting the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

ARTICLE 1

ELIGIBILITY AND PARTICIPATION

Section 1.1 Participation in the Plan is limited to those executive officers of the Company who are "covered employees" as defined under Section 162(m) of the Code. At or prior to the time that performance objectives for a "Performance Period" are established, as defined in Section 2.2 below, the Compensation Committee (the "Committee") of the Board of Directors (the "Board") will designate which executive officers shall participate in the Plan for such Performance Period (the "Participants").

ARTICLE 2

PLAN YEAR, PERFORMANCE PERIODS AND PERFORMANCE OBJECTIVES

Section 2.1 The performance period with respect to which bonuses shall be calculated and paid under the Plan (the "Performance Period") shall generally be the fiscal year beginning on January 1 and ending on December 31 (the "Plan Year"); provided, however, that the Committee shall have the authority to designate different Performance Periods under the Plan.

Section 2.2 Within the first ninety days of each Performance Period, the Committee shall establish in writing, with respect to such Performance Period, one or more performance goals, a specific target objective or objectives with respect to such performance goals, and an objective formula or method for computing the amount of bonus compensation awardable to each Participant if the performance goals are attained. Notwithstanding the foregoing sentence, for any Performance Period, such goals, objectives and formulae must be established within that number of days, beginning on the first day of such Performance Period, which is no more than twenty-five percent of the total number of days in such Performance Period.

Section 2.3 Performance goals shall be based upon one or more of the following business criteria for the Company as a whole or any of its subsidiaries or operating units: stock price; market share; gross revenue; gross margin; pretax operating income; cash flow; earnings before interest, taxes, depreciation and amortization; earnings per share; return on equity; return on invested capital or assets; return on revenues; cost reductions and savings; productivity including, but not limited to, the ability to complete major capital projects on time and within budget, and the ability to successfully meet objective project milestones during the performance year; equity capital raised; consummation of debt and equity offerings; asset management (e.g. inventory and

receivable levels); compliance with contractual and legal requirements; customer satisfaction; employee satisfaction; or, any increase or decrease of one or more of the foregoing over a specified period. In addition, performance goals may be based upon a Participant's attainment of personal goals with respect to any of the foregoing performance goals, negotiating transactions and sales, or developing long-term business goals. Measurements of the Company's or a Participant's performance against the performance goals established by the Committee shall be objectively determinable and, to the extent they are expressed in standard accounting terms, shall be determined according to generally accepted accounting principles as in existence on the date on which the performance goals are established. The Committee shall have the authority to make appropriate adjustments in performance goals to reflect the impact of extraordinary items not reflected in such goals. For purposes of the Plan, extraordinary items shall be defined as (1) any profit or loss attributable to acquisitions or dispositions of stock or assets, (2) any changes in accounting standards or treatments that may be required or permitted by the Financial Accounting Standards Board or adopted by the Company or its subsidiaries after the goal is established, (3) all items of gain, loss or expense for the year related to restructuring charges for the Company or its subsidiaries, (4) all items of gain, loss or expense for the year determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business, (5) all items of gain, loss or expense for the year related to discontinued operations that do not qualify as a segment of a business as defined in APB Opinion No. 30 (or successor literature), (6) the impact of capital expenditures, (7) the impact of share repurchases and other changes in the number of outstanding shares, and (8) such other items as may be prescribed by Section 162(m) of the Code and the treasury regulations thereunder as may be in effect from time to time, and any amendments, revisions or successor provisions and any changes thereto.

ARTICLE 3

DETERMINATION OF BONUS AWARDS

Section 3.1 As soon as practicable after the end of each Performance Period (or such sooner time as the performance goals have been met), the Committee shall certify in writing to what extent the Company and the Participants have achieved the performance goal or goals for such Performance Period, including the specific target objectives and the satisfaction of any other material terms of the bonus award, and the Committee shall calculate the amount of each Participant's bonus for such Performance Period based upon the performance goals, objectives, and computation formulae for such Performance Period established pursuant to Section 2.2 above. The Committee shall have no discretion to increase the amount of any Participant's bonus as so determined, but may reduce or totally eliminate any Participant's bonus if it determines, in its sole and absolute discretion, that such a reduction or elimination is appropriate with respect to the Participant's performance or any other factors material to the goals, purposes, and administration of the Plan.

Section 3.2 No Participant's bonus for any Plan Year shall exceed the lesser of (a) \$7,500,000 and (b) (I) in the case of the Company's Chief Executive Officer, 250% of the participant's average base annual salary over the applicable performance period, and (II) in the case of all other participants, up to a maximum of 200% of the participant's average base annual salary over the applicable performance period.

Section 3.3 The average base annual salary of a Participant shall be the average of a Participant's base annual salary as in effect as of (a) the first day of such Performance Period, and (b) the date the Committee shall establish the performance goals, objectives and computation formulae for such Performance Period pursuant to Section 2.2 above.

ARTICLE 4

PAYMENT OF BONUS AWARDS

Section 4.1 Approved bonus awards shall be payable by the Company in cash, stock, or options, or a combination thereof, to each Participant, or to the Participant's estate in the event of the Participant's death, as soon as practicable after the Committee has certified in writing pursuant to Section 3.1 that the relevant performance goals were achieved.

Section 4.2 A bonus award that would otherwise be payable to a Participant who is not employed by the Company or one of its subsidiaries on the last day of a Performance Period or on such sooner date as the performance goals have been met may be prorated or not paid in the discretion of the CEO, except in the case of a bonus award payable to the CEO in which case the decision will be made in the discretion of the Committee.

ARTICLE 5

OTHER TERMS AND CONDITIONS

Section 5.1 No bonus awards shall be paid under the Plan unless and until the material terms (within the meaning of the Code and regulations promulgated thereunder) of the Plan, including the business criteria described in Section 2.3 above, are approved by the stockholders in accordance with Section 6.7 below.

Section 5.2 No person shall have any legal claim to be granted a bonus award under the Plan and the Committee shall have no obligation to treat Participants uniformly. Except as may be otherwise required by law, bonus awards under the Plan shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, charge, garnishment, execution or levy of any kind, either voluntary or involuntary. Bonuses awarded under the Plan shall be payable from the general assets of the Company and no Participant shall have any claim with respect to any specific assets of the Company.

Section 5.3 Neither the Plan nor any action taken under the Plan shall be construed as giving any employee the right to be retained in the employ of the Company or any subsidiary or to obligate the Company or any subsidiary to maintain any employee's compensation at any level.

Section 5.4 The Company or any of its subsidiaries may deduct from any award any applicable withholding taxes or any amounts owed by the employee to the Company or any of its subsidiaries.

Section 5.5 The Plan and the granting and payment of bonus awards, and the other obligations of the Company under the Plan shall be subject to all applicable federal and state laws, rules and regulations, and to such approvals by any regulatory or governmental agency as may be required.

Section 5.6 Bonus awards shall not be transferable by a Participant except upon the Participant's death following the end of the performance period but prior to the date payment is made, in which case the bonus award shall be transferable by will or the laws of descent and distribution.

Section 5.7 The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to a bonus award, nothing contained in the Plan or any bonus award shall give any such Participant any rights that are greater than those of a general creditor of the Company.

ARTICLE 6

ADMINISTRATION

Edgar Filing: WYNN RESORTS LTD - Form DEF 14A

Section 6.1 All members of the Committee shall be persons who qualify as outside directors as defined under Section 162(m) of the Code. Until changed by the Board, the Compensation Committee of the Board shall constitute the Committee hereunder.

Section 6.2 The Committee shall have full power and authority to administer and interpret the provisions of the Plan and to adopt such rules, regulations, agreements, guidelines and instruments for the administration of the Plan and for the conduct of its business as the Committee deems necessary or advisable.

Section 6.3 Except with respect to matters which under the Code are required to be determined in the sole and absolute discretion of the Committee, the Committee shall have full power to delegate to any officer or employee of the Company the authority to administer and interpret the procedural aspects of the Plan, subject to the Plan's terms, including adopting and enforcing rules to decide procedural and administrative issues.

Section 6.5 The Board reserves the right to amend or terminate the Plan in whole or in part at any time. Unless otherwise prohibited by applicable law, any amendment required to conform the Plan to the requirements of the Code may be made by the Committee. No amendment may be made to the class of individuals who are eligible to participate in the Plan, the performance criteria specified in Section 2.3 or the maximum bonus payable to any Participant as specified in Section 3.2 without stockholder approval unless stockholder approval is not required in order for bonuses paid to Participants to constitute qualified performance-based compensation under Section 162(m) of the Code.

Section 6.6 The place of administration of the Plan shall be the State of Nevada, and the validity, construction, interpretation, administration and effect of the Plan and of its rules and regulations, and rights relating to the Plan, shall be determined solely in accordance with the laws of the State of Nevada (without giving effect to conflicts of law principles).

Section 6.7 The Plan shall take effect upon its adoption by the Board; *provided, however*, that the Plan shall be subject to the requisite approval of the stockholders of the Company in order to comply with Section 162(m) of the Code. In the absence of such approval, the Plan (and any bonus awards made pursuant to the Plan prior to the date of such approval) shall be null and void.

Section 6.8 The Plan is designed and intended to comply, to the extent applicable, with Section 162(m) of the Code, and all provisions hereof shall be construed in a manner to so comply.
