TO BE HELD ON TUESDAY, MAY 17, 2005

General Information

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Global Signal Inc., a Delaware corporation (Global Signal or the Company), for use at the 2005 Annual Meeting of Shareholders to be held on Tuesday, May 17, 2005, including any adjournments and postponements thereof (the Annual Meeting).

We are mailing this proxy statement and form of proxy, together with our Annual Report to Shareholders for the year ended December 31, 2004, on or about April 18, 2005.

Date, Time and Place of the Annual Meeting

The 2005 Annual Meeting of Shareholders of Global Signal will be held on Tuesday, May 17, 2005 at 12:00 noon, local time, at the Four Seasons Hotel, located at 57 East 57th Street, New York, NY 10022. Global Signal's principal executive offices are located at 301 North Cattlemen Road, Suite 300, Sarasota, Florida 34232 and our main telephone number is (941) 364-8886.

Matters to be Considered at the Annual Meeting

At the Annual Meeting, shareholders will vote upon the following matters:

1. the election of two Class III directors to serve for the ensuing three years or until their successors are duly elected and qualified;
2. the ratification of Ernst & Young LLP as the independent registered public accounting firm for Global Signal for fiscal year 2005;
and

3. any other business properly presented at the Annual Meeting.

Shareholders Entitled to Vote

As of April 13, 2005, there were outstanding and entitled to vote 52,243,987 shares of our common stock, par value \$0.01 per share. Each share of our common stock entitles the holder to one vote. Shareholders of record at the close of business on April 13, 2005 are entitled to vote at the Annual Meeting including any adjournments and postponements thereof. A shareholder list will be available for examination by our shareholders at the Annual Meeting and at the principal executive offices of the Company between 9:00 a.m. and 5:00 p.m., local time, during the ten-day period prior to the Annual Meeting for any purpose germane to the meeting.

Quorum; Required Vote

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock issued and outstanding on April 13, 2005, will constitute a quorum for the transaction of business. We will count votes withheld, abstentions and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote the shares as to a particular matter (broker non-votes) for purpose of determining the presence of a quorum for the transaction of business at the Annual

Table of Contents

Meeting. If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting or by the vote of a majority of the shares represented at the Annual Meeting until a quorum has been obtained.

For the election of nominees to our Board of Directors, the affirmative vote of a plurality of all the votes cast at the Annual Meeting is sufficient to elect the director if a quorum is present. For the approval of Ernst & Young LLP, the affirmative vote of a majority of the shares of our common stock voting in person or by proxy at the Annual Meeting is required for approval of the matter.

Shareholders who do not attend the Annual Meeting in person may submit proxies by mail. Proxies in the enclosed form, if received in time for voting, properly executed and not revoked, will be voted at the Annual Meeting in accordance with the instructions contained therein. If no instructions are indicated, the shares of common stock represented by the proxy will be voted as follows:

FOR the election of the director nominees named herein;

FOR the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm for the Company for fiscal year 2005; and

in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting, including any adjournments and postponements thereof.

We will not count shares that abstain from voting on a particular matter or broker non-votes as votes in favor of such matter. In the election of directors, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of vote. With respect to the approval of Ernst & Young LLP, abstentions from voting will have the same effect as voting against such matter and broker non-votes will be disregarded and will have no effect on the outcome of the vote.

Under the rules of the New York Stock Exchange, brokers who hold shares in street name may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Brokers that do not receive instructions are entitled to vote on the election of directors and the ratification of the independent registered public accounting firm.

by mail; or

in person, at the Annual Meeting.

Edgar Filing: GLOBAL SIGNAL INC - Form DEF 14A

Legal Proceedings Involving Directors, Officers or Affiliates

There are no legal proceedings ongoing as to which any director, officer or affiliate of the Company, any owner of record or beneficially of more than five percent of any class of voting securities of the Company, or any associate of any such director, officer, affiliate of the Company, or security holder is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our affiliates.

Director Independence

In March 2005, the Board of Directors affirmatively determined that Messrs. Jacobs, Rubin, Whiting, Gidel and Abrams are independent under Section 303A.02(b) of the New York Stock Exchange, or NYSE, listing standards because none of them had a material relationship with Global Signal. In making this determination, our Board of Directors considered all relevant facts and circumstances, as required by applicable NYSE

listing standards.

Table of Contents

The NYSE rules require that the Board of Directors consist of a majority of independent directors and that the nominating/corporate governance committee, the compensation committee and the audit committee of the Board of Directors consist entirely of independent directors. Under NYSE listing standards, whether a director is an independent director is a subjective determination to be made by the Board of Directors, and a director of Global Signal only qualifies as independent if the Board of Directors affirmatively determines that the director has no material relationship with Global Signal (either directly or as a partner, shareholder or officer of an organization that has a relationship with Global Signal). While the test for independence is a subjective one, the NYSE Rules also contain objective criteria that preclude directors from being considered independent in certain situations.

Specifically, persons meeting the following objective criteria are deemed to be not independent:

A director who is an employee, or whose immediate family member is an executive officer, of Global Signal (including any consolidated subsidiary), may not be considered independent until three years after the end of such employment relationship;

A director who has received, or whose immediate family member has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from Global Signal (including any consolidated subsidiary), other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

A director who (i) is, or whose immediate family is, a current partner of a firm that is the internal or external auditor of Global Signal; (ii) is a current employee of such a firm; (iii) a director whose immediate family member is a current employee of such firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (iv) was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on Global Signal's audit within that time;

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Global Signal's present executives serve on that company's compensation committee may not be considered independent until three years after the end of such service or the employment relationship; and

A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company (or a consolidated subsidiary of such company) that makes payments to, or receives payments from, Global Signal for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues may not be considered an independent director until three years after falling below such threshold.

Ownership of a significant amount of Global Signal's stock, by itself, does not constitute a material relationship.

The Board of Directors has not established additional guidelines to assist it in determining whether a director has a material relationship with Global Signal under NYSE rules, but instead evaluates each director or nominee for director under the tests set forth by the NYSE and through a broad consideration and evaluation of all relevant facts and circumstances. The Board of Directors, when assessing the materiality of a director's relationship with Global Signal, also considers the issue not merely from the standpoint of the director, but also from that of persons or organizations with which the director has an affiliation.

On November 16, 2004, Arch Wireless and Metrocall Holdings, Inc. merged together to form USA Mobility, Inc., which is currently our largest single customer (after giving effect to the merger), and one of our directors, David Abrams, is a director of USA Mobility, Inc., Mr. Abrams will recuse himself from any discussion or decision by our Board of Directors regarding USA Mobility.

Table of Contents

Compensation of Directors

We pay an annual director's fee to each independent director equal to \$30,000, payable semi-annually. Members of our Board of Directors are reimbursed for reasonable costs and expenses incurred in attending meetings of our Board of Directors. In addition, an annual fee of \$5,000 is paid to the chairs of each of the Audit and Compensation Committees of our Board of Directors. Affiliated directors, however, will not be separately compensated by us. Fees to the independent directors may be made by issuance of common stock, based on the value of such common stock at the date of issuance, rather than in cash.

In addition, each director of the Company who is not (i) an officer or employee of the Company or of any of its parents or subsidiaries or (ii) the beneficial owner, whether directly or indirectly, of ten percent or more of our common stock (a "eligible director") is eligible to receive automatic annual grants of fully vested common under our Omnibus Stock Incentive Plan, valued at \$15,000 based on the fair market value of the shares on the date of grant, on the first business day after our annual meeting of shareholders and each such annual meeting thereafter during the term of the Omnibus Stock Incentive Plan. On April 15, 2004, we modified our Board of Directors compensation package for eligible directors. Each member of our Board of Directors that was an eligible director immediately prior to the consummation of our initial public offering was granted 5,000 fully vested shares of common stock under our Omnibus Stock Incentive Plan on the first day following the consummation of the initial public offering. Furthermore, each of the eligible directors will be granted 5,000 shares of our common stock on each of the first days following: (1) the 2005 Annual Meeting and (2) the meeting of shareholders in 2006 at which directors are to be elected, so long as such eligible director continues to serve as one of our directors on each grant date. An eligible director that receives any of the 5,000 share grants described above during any fiscal year will not be eligible to receive the automatic \$15,000 stock grants for that fiscal year. Pursuant to these arrangements, 20,000 shares of common stock, in the aggregate, were granted to Messrs. Robert H. Gidel, Douglas L. Jacobs, Howard Rubin and Mark Whiting on the first day following the consummation of our initial public offering in June 2004.

Meetings of the Board of Directors

The Board of Directors met 14 times in 2004, including 6 regularly scheduled meetings and 8 special meetings. Mr. Whiting was the only incumbent director to attend fewer than 75% of the aggregate total number of meetings of the Board of Directors held during 2004, attending 8 of the meetings. None of the incumbent directors attended fewer than 75% of the aggregate total number of meetings held by all committees of the Board of Directors on which he served.

Executive sessions of non-management directors, as defined under the rules of the NYSE, are held periodically. Any non-management director can request that an additional executive session be scheduled. At the October 29, 2004 meeting of non-management directors, Mr. Gidel was elected Lead Outside Director to serve as chairperson for each executive session.

Global Signal does not require directors to attend the annual shareholders' meetings, although they are invited and encouraged to attend. Three out of seven directors attended the 2004 Annual Meeting.

Committees of the Board of Directors

Global Signal has established three separate standing committees of its Board of Directors, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Audit Committee

The Audit Committee's functions include:

reviewing the audit plans and findings of the independent registered public accounting firm and our internal audit and risk review staff, and the results of regulatory examinations and tracks management's corrective action plans where necessary;

The Audit Committee is currently chaired by Mr. Jacobs and consists of Messrs. Jacobs, Rubin and Whiting. All three members are independent directors as defined under NYSE rules and under section 10A-3 of the Securities Exchange Act of 1934. The Board of Directors has determined that Mr. Jacobs is an audit committee financial expert as defined by the rules of the SEC. No member of the Audit Committee simultaneously serves on the audit committees of more than three public companies. In 2004, the Audit Committee held six meetings.

The Board of Directors has adopted a written charter for the Audit Committee and a current copy of this charter is available to shareholders on our website, located at www.gsignal.com. A copy of the Audit Committee's charter is also included with this proxy statement as Appendix A.

Compensation Committee:

The Compensation Committee's functions include:

reviewing and recommending to the Board of Directors the salaries, benefits and equity grants for all employees, consultants, officers, directors and other individuals compensated by us;

reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and determining the Chief Executive Officer's compensation based on that evaluation; and

overseeing our compensation and employee benefit plans.

The Compensation Committee is currently chaired by Mr. Whiting and consists of Messrs. Whiting, Gidel and Abrams. All three members are independent directors as defined under the NYSE rules, making us in full compliance with current NYSE rules regarding compensation committee membership. In 2004, the Compensation Committee held two meetings.

The Board of Directors has adopted a written charter for the Compensation Committee and a current copy of this charter is available to shareholders on our website, located at www.gsignal.com.

Nominating and Corporate Governance Committee

advising the Board of Directors with respect to the corporate governance principles applicable to Global Signal; and

overseeing the evaluation of the Board of Directors and Global Signal's management.

The Nominating and Corporate Governance Committee is currently chaired by Mr. Gidel and consists of Messrs. Gidel, Rubin and Whiting. All three members are independent directors as defined under the NYSE rules. In 2004, the Nominating and Corporate Governance Committee held one meeting.

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee and a current copy of this charter is available to shareholders on our website, located at www.gsignal.com.

The Nominating and Corporate Governance Committee works with the Board of Directors to determine the appropriate and necessary characteristics, skills and experience of the Board of Directors, both as a whole and with respect to its individual members. The Committee evaluates biographical and background information relating to potential candidates and interviews candidates selected by members of the committee and by the Board of Directors in making its decisions as to prospective candidates to the Board of Directors. While the committee does not specifically set forth any minimum skills that a candidate must have prior to consideration, the committee thoroughly examines a candidate's understanding of marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment, understanding of Global Signal's business, and educational and professional background. The Committee evaluates each individual in the context of the Board of Directors as a whole, with the objective of recommending a group that can best perpetuate the success of Global Signal's business and represent shareholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the Nominating and Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board of Directors. The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Nominating and Corporate Governance Committee if they become aware of suitable candidates. As described below, the Nominating and Corporate Governance Committee will also consider candidates recommended by shareholders. We have not paid any third party a fee to assist in the process of identifying or evaluating candidates; however the Nominating and Corporate Governance Committee may elect in the future to engage firms that specialize in identifying director candidates.

Each of the nominees for election as director at the 2005 Annual Meeting as described in this proxy statement, Messrs. Gidel and Whiting, are presently directors of Global Signal and thus are standing for re-election at the 2005 Annual Meeting.

While the Nominating and Corporate Governance Committee's charter and our corporate governance guidelines provide that the committee may, if it deems appropriate, establish procedures to be followed by shareholders in submitting recommendations for Board of Directors candidates, the Nominating and Corporate Governance Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because procedures are set forth in our Bylaws which permit shareholders to submit recommendations for Board of Directors candidates. The Board of Directors believes that it is appropriate for Global Signal not to have a specific policy since shareholders are always free to submit recommendations for Board of Directors candidates, simply by following the procedures set forth in the Bylaws, as described below.

A shareholder wishing to make a nomination for a Board of Directors candidate must give timely notice of the nomination in proper written form to the Secretary of Global Signal. To be timely, the notice must be delivered to or mailed and received at the principal executive offices of Global Signal (a) in the case of an annual meeting, not less than ninety days nor more than one hundred twenty days prior to the anniversary date of the immediately preceding annual meeting of shareholders; provided, however, that in the event that the annual

Table of Contents

meeting is called for a date that is not within twenty-five days before or after such anniversary date, the notice by the shareholder, in order to be timely, must be received not later than the close of business on the tenth day following the day on which the notice of the date of the annual meeting was mailed or the public disclosure of the date of the annual meeting was made, whichever first occurs; and (b) in the case of a special meeting of shareholders called for the purpose of electing directors, not later than the close of business on the tenth day following the day on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs.

The notice must set forth, as to each person whom the shareholder proposes to nominate for election as a director, the person's name, age, business and residence address, the person's principal occupation or employment, and the class or series and number of shares of capital stock of Global Signal that are owned beneficially or of record by the person. The notice must also set forth the name and record address of the shareholder, the class or series and number of shares of capital stock of Global Signal that the shareholder beneficially owns or owns of record, a description of all arrangements or understandings between the shareholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by the shareholder and a representation that the shareholder intends to appear in person or by proxy at the meeting to nominate the persons named in the notice. In addition, the notice must also include any other information relating to the shareholder or to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Securities Exchange Act of 1934 and the rules and regulations thereunder and must also be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

If the Chairman of the Board of Directors determines that a nomination was not made in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

A person must own shares of Global Signal stock on the date that he or she sends the notice to Global Signal under the procedures above for the nomination to be valid under the Bylaws. Shareholders should submit the notice described above to Global Signal Inc. Nominating and Corporate Governance Committee c/o General Counsel, Global Signal Inc., 301 North Cattlemen Road, Suite 300, Sarasota Florida, 34232. Provided that the required biographical and background material described above is provided for candidates recommended by shareholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board of Directors members.

Corporate Governance

The role of our Board of Directors is to ensure that Global Signal is managed for the long-term benefit of our shareholders. To fulfill this role, the Board of Directors has adopted corporate governance principles designed to assure compliance with all applicable corporate governance standards. In addition, the Board of Directors is informed regarding Global Signal's activities and periodically reviews, and advises management with respect to, Global Signal's annual operating plans and strategic initiatives.

During the past year, we reviewed our corporate governance policies and practices and compared them to those suggested by various authorities in corporate governance and the practices of other public companies. We have also continued to review the provisions of the Sarbanes-Oxley Act of 2002, the new and proposed rules of the SEC and the new listing standards of the NYSE.

Based on this review, in March 2004, the Board of Directors adopted Corporate Governance Guidelines. The Board of Directors has also adopted a Code of Business Conduct and Ethics and a Code of Ethics for Chief Executive and Senior Financial Officers to help ensure that

Global Signal abides by applicable corporate

governance standards. These guidelines and codes can be accessed at the Investors section of our website, www.gsignal.com, or we will send a copy in print, at no charge, upon request made to: General Counsel, Global Signal Inc., 301 North Cattlemen Road, Suite 300, Sarasota, Florida 34232.

Communications from Shareholders

The Board of Directors has in place a process for security holders to send communications to the Board of Directors. Specifically, the Board of Directors will review and give appropriate attention to written communications submitted by shareholders and other interested parties, and will respond if and as appropriate. Absent unusual circumstances or as otherwise contemplated by committee charters, the Chairperson of the Nominating and Corporate Governance Committee will, with the assistance of Global Signal's General Counsel, (1) be primarily responsible for monitoring communications from shareholders and (2) provide copies or summaries of such communications to the other directors as he considers appropriate. Communications will generally be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chairperson of the Nominating and Corporate Governance Committee considers to be important for the directors to consider.

Shareholders and other interested parties who wish to send communications on any topic to the Board of Directors should address such communications to Chairperson of the Nominating and Corporate Governance Committee, c/o General Counsel, Global Signal Inc., 301 North Cattlemen Road, Suite 300, Sarasota Florida, 34232. Shareholders who wish to contact any other non-management director should address such communications to the non-management director they wish to contact (or if any, to Any Non-Management Director), c/o General Counsel, Global Signal Inc., 301 North Cattlemen Road, Suite 300, Sarasota Florida, 34232.

Report of the Audit Committee

The Audit Committee reviewed Global Signal's audited consolidated financial statements as of and for the year ended December 31, 2004 and discussed these financial statements with Global Signal's management, including a discussion of the quality and the acceptability of the accounting principles, the reasonableness of significant judgments and estimates, and the clarity and completeness of disclosures in the financial statements. Global Signal's independent registered public accounting firm, Ernst & Young LLP, is responsible for performing an audit of Global Signal's financial statements in accordance with the standards of the Public Accounting Oversight Board (United States) and for issuing a report on their audit of the financial statements. The Audit Committee's responsibility is to monitor and review these processes. The Audit Committee also reviewed and discussed with Ernst & Young LLP the audited financial statements and the matters required by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), and other matters the Committee deemed appropriate.

Global Signal's independent registered public accounting firm also provided the Audit Committee with the written letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence, to confirm their independence and to engage in a discussion of independence. The Audit Committee also considered whether the independent auditors' provision of other, non-audit related services to Global Signal is compatible with maintaining such auditors independence.

Based on its discussions with management and Ernst & Young LLP, and its review of the representations and information provided by management and Ernst & Young LLP, the Audit Committee recommended to Global Signal's Board of Directors that the audited financial statements be included in Global Signal's Annual Report on Form 10-K for the year ended December 31, 2004.

Report of the Compensation Committee on Executive Compensation

The Compensation Committee (the "Committee") administers the Company's executive compensation program. In this regard, the role of the Committee is to oversee our compensation plans and policies, perform an annual review of executive compensation plans and annually review and approve all decisions regarding the compensation of executive officers. The Committee's charter reflects these responsibilities and provides that the Committee and the Board of Directors will periodically review and, if applicable, revise the charter. The Committee's membership is determined by the Board of Directors and is composed entirely of independent directors. The Committee meets at scheduled times during the year and also takes action by written consent. The Committee Chairman reports on Committee actions and recommendations to the Board of Directors. In addition, the Committee has the authority to engage the services of outside advisers, experts and others to assist it.

General Compensation Philosophy

Our general compensation philosophy is that total cash compensation should vary with the Company's and the individual's performance in achieving financial and non-financial objectives, and that any long-term incentive compensation should be awarded to senior managers and be closely aligned with the shareholders' interests. Thus, long-term incentive compensation should be generally comprised of equity-based awards, the value of which cannot be realized immediately and which depends upon the long-term performance of the Company and an associated increase in shareholder value. This general compensation philosophy applies to all of the Company's employees, usually with a more significant level of variability and compensation at risk as an employee's level of responsibility increases. The key strategic compensation design priorities for the Company are: alignment with shareholder interests, employee retention and cost management.

Executive Compensation

In 2004, the Committee engaged in a review of the executive compensation program, seeking advice and input from Global Signal management as well as reviewing compensation data with respect to comparable public tower companies and real estate investment trusts. This review confirmed that our base salary and short-term incentive compensation program elements individually and in the aggregate support and reflect the compensation philosophy and strategic design priorities of the Company. With respect to long-term incentive compensation, the Committee and the Company have decided to migrate to a more extensive use of restricted stock as opposed to stock options. The use of both stock options and restricted stock encourages employee focus on the Company's growth and increased stock value. The use of restricted stock as an incentive has the added value of aligning executive compensation with growing dividends. Additionally, as a retention tool, restricted stock retains value to the employee irrespective of any movement in stock price. This encourages employees to remain with the Company during the restricted period and to continue to work to achieve the Company's long-term goals for growth and profitability.

Total annual compensation for the Company's executive officers consists of the following components:

Base Salary

The Committee does not generally believe that executive officers' base salaries should exceed \$200,000 as it feels that compensation above that amount should be variable, performance-based compensation, as described below. For this reason, employment agreements with executives generally specify this base salary amount. Once base salary is fixed, it does not depend on the Company's performance.

Performance-Based Cash Compensation (Annual Bonuses)

The purpose of performance-based cash compensation is to motivate and reward eligible employees for their contributions to the Company's performance for the applicable year. This is accomplished by making a

Table of Contents

portion of their cash compensation variable and dependent upon both individual and Company performance during the applicable year. Performance metrics considered by the Committee may include adjusted EBITDA, cash flow, earnings per share, etc. Note, in some instances, an executive employment agreement may guarantee a particular bonus for a specified period of time.

Long-term Incentive Compensation

The purpose of long-term incentive compensation is to align an employee's long-term goals with those of the shareholders. The use of either stock options or restricted stock encourages employee focus on the Company's long-term financial growth and consequent shareholder value. Grants are generally based on Company and executive performance and include a multi-year vesting schedule, which encourages retention of key employees and a focus on long-term growth of shareholder value.

In setting performance-based cash compensation and long-term incentive compensation awards for each executive officer, the Committee reviews the Company's financial performance using a variety of metrics, including adjusted EBITDA, cash flows, earnings per share, etc., the officer's employment agreement and executive compensation information derived from comparable public tower companies that compete with the Company. Generally, the Committee does not give any particular factor a specific weighting.

The Committee also believes that total compensation should be comparable to that of the Company's primary competitors in order to recruit and retain talented executive officers who are key to the Company's long-term success.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Tax Code), places a limit of \$1,000,000 on the amount of compensation that the Company may deduct in any one year with respect to each of its five most highly paid executive officers. Certain performance-based compensation approved by shareholders is not subject to the option deduction limit. The Company's shareholder-approved equity compensation plan is qualified so that awards under such plans constitute performance-based compensation not subject to Section 162(m) of the Tax Code. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Committee has not adopted a policy that all compensation must be deductible.

Company Performance and Executive Compensation in 2004

In December of 2004, the Committee reviewed with the Compensation Committee and the Board of Directors the performance and employment agreements of the executive management of the Company for the purposes of determining the amounts of any cash bonuses, restricted stock or other benefits to be granted to members of management in return for the services they provided during 2004.

In accordance with the Company's compensation philosophy, we analyzed several qualitative and quantitative factors when awarding compensation for fiscal 2004 in order to link financial reward to the annual and long-term performance of the Company. Following a review of the Company's performance in 2004, including the successful initial public offering of common stock, the success of the tower acquisition program and related financings, and improvements in important metrics such as stock price, adjusted EBITDA, cash flows, earnings per share, etc., and the review of the performance of each executive with respect to the Company's performance in 2004, the Committee and the Board of Directors determined in December of 2004 to award to members of management certain amounts of restricted stock and cash bonuses based on the executive's performance.

Company Performance and CEO Compensation in 2004

The Company's compensation program is designed to promote the achievement of Company objectives and shareholder value. However, our Chief Executive Officer, Wesley Edens, who is also our Chairman, did not

Table of Contents

receive a salary, bonus or other form of incentive compensation as our Chief Executive Officer in 2004 or 2003. Mr. Edens is also the Chairman of the Management Committee of Fortress Investment Group LLC, an affiliate of our majority shareholder, and benefits as CEO mainly from increases in the Company's stock price due to the significant holdings of our stock by himself personally and by Fortress Investment Group LLC and its affiliates, which holdings as of December 31, 2004 constituted approximately 49% of our outstanding common stock. As we do not pay Mr. Edens a salary or bonus nor award him incentive compensation personally, this Committee does not evaluate his performance with such ends in mind. However, Mr. Edens' performance as CEO is separately evaluated by the Board of Directors for the purpose of determining whether the Company is meeting its objectives and desired results.

Conclusion

Attracting and retaining talented and motivated management and employees is essential in creating long-term shareholder value. Offering a competitive, performance-based compensation program with a significant equity component helps to achieve this objective by aligning the interests of management and other key employees with those of shareholders. We believe that the Company's fiscal 2004 compensation program met these objectives.

The Committee is pleased to submit this report to the Company's shareholders.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or 5 with the SEC. Such officers, directors and ten-percent shareholders are also required by SEC rules to furnish us with copies of all Section 16(a) reports they file. We reviewed copies of the forms received by us or written representations from certain reporting persons that they were not required to file a Form 5. Based solely on that review, we believe that, except as set forth below, during the fiscal year ended December 31, 2004, our officers, directors and ten-percent shareholders complied with all Section 16(a) filing requirements applicable to them. Our Controller, Camille Blommer, failed to timely file one Form 4, which reported one transaction, instead filing the Form 4 one day late.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

We have entered into employment agreements with each of Messrs. Grain, Freeman and Bizick and into a written and accepted employment offer with Mr. Sedigh.

The agreement for Mr. Grain became effective on January 31, 2003, and provides for a three-year term that will automatically renew for consecutive one-year extensions, unless written notice to the contrary is provided to the other party. The agreement for Mr. Freeman became effective on November 1, 2002 and provides for a three-year term that will automatically renew for consecutive one-year extensions, unless written notice to the contrary is provided to the other party. The agreement for Mr. Bizick became effective on December 1, 2003, and provides for a three year term that will automatically renew for consecutive one year extensions unless written notice to the contrary is provided to the other party. Mr. Sedigh's employment offer was signed by him on April 10, 2003, and provides that he is an at-will employee. Each of the agreements for Messrs. Grain, Freeman and Bizick contain confidentiality, non-competition and non-solicitation provisions effective through the term of the agreement and for a period of twelve months thereafter.

In the event Mr. Grain's employment is terminated by us for any reason other than for cause (except by reason of his death or disability) or by Mr. Grain for good reason, Mr. Grain will be entitled to a severance payment of \$425,000 and his outstanding options will vest immediately and remain exercisable for three years after such termination. In the event Mr. Grain's agreement has expired as a result of our decision not to extend the agreement and Mr. Grain is subsequently terminated under circumstances that would have constituted termination without cause or with good reason under the agreement, his outstanding previously vested options will remain exercisable for three years after such termination.

Mr. Grain's employment agreement, effective January 31, 2003, provided that, as a relocation benefit, we would reimburse him for the difference between the sale price of his West Newton, Massachusetts residence and a specified minimum price, as described in that agreement. Mr. Grain's employment agreement was amended on January 15, 2004, to provide that in the event he was unable to sell his West Newton, Massachusetts residence on or prior to January 10, 2004, for the Minimum Price (as set forth in his employment agreement) and Mr. Grain was able to find a purchaser, on or prior to April 30, 2004, who has contracted to purchase such residence, we would purchase the residence from Mr. Grain for the Minimum Price, provided Mr. Grain agreed to assign the contract for sale entered into by Mr. Grain and the purchaser to us, subject to the condition subsequent that such contract for sale be consummated. Mr. Grain entered into a contract for the sale of his residence which closed on February 27, 2004. Our net cash cost, after the sale of the residence under the assigned contract for sale, was \$457,848.

In the event Mr. Freeman's employment is terminated by us for any reason other than for cause or upon a change in control of Global Signal, all of his outstanding options will vest immediately and remain exercisable for 90 days plus the number of days remaining, if any, in the then operative closed period during which Mr. Freeman would be precluded from trading Global Signal's shares pursuant to our insider trading rules. In addition, if Mr. Freeman's employment is terminated by us for any reason other than for cause, he will be entitled to the following severance payment and benefits for twelve months after such termination, as long as he is not in breach of the non-competition, preservation of trade secrets and non-trade secret protectible business interest provisions contained in the agreement: (1) base salary (at a rate then in effect), (2) continued use of the cell phone and vehicle provided by Global Signal and (3) employee benefits afforded to senior management excluding 401(k) plan participation.

Edgar Filing: GLOBAL SIGNAL INC - Form DEF 14A

In the event that Mr. Bizick's employment is terminated by us for any reason other than cause or by Mr. Bizick for good reason, Mr. Bizick shall be entitled to receive payment of any accrued and owing salary for the

applicable period plus a lump sum payment equal to one year's base salary at its then current rate and the prior year's bonus. If such a termination of employment occurs after June 30, 2004, then 75% of his outstanding options that remain unvested as of the termination will become automatically vested and exercisable.

In the event that Mr. Sedigh's employment is terminated by us for non-cause, Mr. Sedigh shall be entitled to receive payment of any accrued and owing salary for the applicable period plus a lump sum payment equal to six months' base salary at its then current rate, and COBRA benefits.

On January 6, 2005, the Company entered into restricted share award agreements with certain employees, including Messrs. Grain, Freeman, Langdon, Bizick and Sedigh. Under the agreements, the Company issued to the respective employees restricted shares of common stock, par value \$0.01 per share, of the Company (the "Restricted Stock"), effective as of the grant date. The interest of the employee in the Restricted Stock vests as to one-third of such Restricted Stock on the third anniversary of the grant date, and as to an additional one-third on each succeeding anniversary date, so as to be 100% vested on the fifth anniversary thereof, conditioned upon the employee's continued employment with the Company as of each vesting date. Notwithstanding the foregoing, one-third of the Restricted Stock of the employee shall vest, and the remaining unvested shares of Restricted Stock shall be forfeited, upon a termination of the employee's employment due to the employee's death, by the Company other than for cause or by the employee for good reason. In the event of both (i) a change of control and (ii) employee's employment is terminated other than for cause or employee terminates his or her employment for good reason within 12 months of the change of control, 100% of the then unvested Restricted Stock of the employee will vest. Except as otherwise set forth in the agreement, if the employee's employment with the Company is terminated for any reason, the Restricted Stock subject to the provisions of the agreement which has not vested at the time of the employee's termination of employment shall be forfeited by the employee, and ownership transferred back to the Company. The Restricted Stock may not be sold, pledged or otherwise transferred until the Restricted Stock becomes vested. The employee shall have all the rights of a shareholder, including the right to vote and receive cash dividends, with respect to the Restricted Stock.

Certain Relationships and Related Transactions

As used in this section Certain Relationships and Related Transactions the term Fortress refers to Fortress Investment Holdings LLC and certain of its affiliates and Greenhill refers to Greenhill Capital Partners, L.P. and affiliated investment funds.

Pinnacle Towers Acquisition Holdings LLC

On February 5, 2004, we closed a securitization transaction and repaid all amounts outstanding under our old credit facility with Bank of America, N.A. Our old credit facility included covenants requiring consent from our lenders for transactions, including certain acquisitions. On September 23, 2003, 99% of our shareholders, in the same proportion as their ownership of Global Signal, formed a new company, Pinnacle Towers Acquisition Holdings LLC, or Pinnacle Acquisition, then known as Pinnacle Towers Acquisition Inc., for the purpose of acquiring and operating telecommunications sites and certain related assets through an entity not constrained by our old credit facility. These shareholders participated by becoming shareholders in Pinnacle Acquisition such that each participating shareholder's proportionate ownership of the outstanding common stock of Pinnacle Acquisition equaled its proportionate ownership of our outstanding common stock. At formation of Pinnacle Acquisition, Fortress Pinnacle Investment Fund LLC and FRIT PINN LLC collectively held 60.0% of its common stock. Greenhill Capital Partners, L.P., Greenhill Capital, L.P., Greenhill Capital Partners (Executives), L.P. and Greenhill Capital Partners (Cayman), L.P. collectively held 20.7% of Pinnacle Acquisition's common stock. Whitecrest Partners, L.P., Abrams Capital Partners I, L.P., 222 Partners, LLC, Abrams Capital Partners II, L.P. and Great Hollow International, LP collectively held 14.1% of Pinnacle Acquisition's common stock. Calm Waters Partnership, Strong Special Investment L.P., Harbour Holdings, Ltd., Walter Morris, Strong Qwest L.P. and Charles A. Paquelet collectively held 3.9% of Pinnacle Acquisition's common stock. The remaining shareholders collectively held 1.3% of Pinnacle Acquisition's common stock.

On October 29, 2003, each shareholder of Pinnacle Acquisition granted to us an option to purchase all, but not less than all, of its shares of Pinnacle Acquisition at a purchase price equal to their par value plus interest on that par value at an annual rate of 10%. The terms of the option provided that it became exercisable at any time upon the repayment of all amounts under our old credit facility. In connection with the close of our securitization transaction and the repayment of our old credit facility, we exercised our option with respect to all the outstanding common stock of Pinnacle Acquisition and on February 6, 2004, Pinnacle Acquisition became our wholly owned subsidiary. The aggregate purchase price pursuant to the option was approximately \$21,000.

At the time of our acquisition of the outstanding common stock of Pinnacle Acquisition on February 5, 2004, it owned 67 communications sites primarily located in the southeastern United States. These assets had a net book value of \$26.9 million and there were other current assets of \$0.4 million. The acquisition of these assets was financed with borrowings under the credit facility of which \$28.0 million was outstanding on February 5, 2004. These assets were originally acquired on December 4, 2003 from TowerCom Enterprises LLC and its affiliates for approximately \$26.3 million, plus fees and expenses.

On September 23, 2003, our largest operating subsidiary, Pinnacle Towers, entered into a management agreement with Pinnacle Acquisition whereby it agreed to provide, for a specified management fee, certain site management, marketing and operating services for telecommunications sites owned by Pinnacle Acquisition through its wholly owned subsidiary, Pinnacle Towers Acquisition LLC. The aggregate management fee our subsidiary received under the agreement until Pinnacle Acquisition became our wholly owned subsidiary was approximately \$77,000. On February 5, 2004, Pinnacle Towers LLC, then known as Pinnacle Towers Inc., assigned its rights and obligations under this management agreement to Global Signal Services LLC, one of our wholly owned subsidiaries.

Monitoring Fee

At a meeting of the Board of Directors on December 4-5, 2003, the Board of Directors passed a resolution renewing the annual monitoring fee of \$2.0 million for the one-year period from November 1, 2003 to

Table of Contents

October 31, 2004 to Fortress Pinnacle Acquisition LLC and Greenhill. This monitoring fee was provided as compensation for consulting and management advisory services and analysis, including assistance in our reorganization and the re-engineering of our business process, assistance in identifying, recruiting and hiring our executives, assistance in forming and executing our capital management strategy and assistance in executing our acquisition strategy, as were requested by us and provided by Fortress and Greenhill. Fortress, Greenhill and Global Signal are parties to an Investor Agreement, dated November 1, 2002, as amended October 29, 2003, and which was amended and restated on March 31, 2004. Section 4.1 of the original Investor Agreement permitted the payment of the monitoring fee and the provision of services in connection therewith to be renewed on an annual basis by the vote of a majority of our Board of Directors that includes the vote of at least one director who is not a designee of either Fortress or Greenhill or an Affiliate or Associate (each, as defined in the Investor Agreement) thereof or a member of our management and who is not, directly or indirectly, receiving compensation for such vote. Our Board of Directors approved the resolution, in compliance with the Investor Agreement, with Mr. David Abrams voting. In 2002, we made monitoring fee payments equal to \$0.3 million and during the calendar year 2003 we made monitoring fee payments equal to \$2.5 million, of which \$2.0 million was to cover our obligations for 2003 and \$0.5 million was for the first quarter of 2004. We believe the monitoring fee represented an arm's length transaction at pricing consistent and competitive with those of other unrelated companies that provide such services. Pursuant to our Amended and Restated Investor Agreement, the monitoring fee was terminated upon the consummation of our initial public offering in June 2004 and Fortress and Greenhill waived any right to receive any payment with respect to the monitoring fee for all periods after March 31, 2004. Wesley R. Edens, our Chief Executive Officer and Chairman of our Board of Directors, is the Chief Executive Officer and Chairman of the Board of Directors of Fortress. Robert H. Niehaus, Vice Chairman of our Board of Directors, is the Chairman of entities that control the general partners of Greenhill.

Broadcast Towers, Inc.

In February 2003, our largest operating subsidiary, Pinnacle Towers LLC, or Pinnacle Towers, then known as Pinnacle Towers Inc., sold the capital stock of Broadcast Towers, Inc., or BTI, to former Pinnacle Towers President Ben Gaboury for ten dollars. Pinnacle Towers acquired this entity in August 2000, prior to our reorganization for an aggregate purchase price of \$14.2 million. BTI's primary business was the management of in-building telecommunication access via building risers. In 2002, BTI generated negative cash flow as a result of the loss of BTI's four largest customers and, as such, we recognized impairment losses to fully write-off the net book value of these assets. Because we considered BTI's business to be non-core to our business strategy and because of the continuing losses and negative cash flow BTI was generating, we determined that the disposal of this business was in our best interest. After conducting a comparative analysis of the liabilities associated with exiting BTI's remaining contractual obligations, servicing those obligations until their expiration and the cost of terminating BTI's remaining employees, the Board of Directors resolved on January 27, 2003 to dispose of the capital stock of BTI and sell it to Mr. Gaboury for ten dollars.

registration rights, were terminated. We made no payments in connection with the amendment and restatement. We have included a summary of the Investor Agreement prior to the amendment and restatement following this summary of the Amended and Restated Investor Agreement.

The following is a summary of material provisions of the Amended and Restated Investor Agreement. This summary does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Investor Agreement, a copy of which was filed as an exhibit to the registration statement for our initial public offering.

Registration Rights

We have granted to Fortress Pinnacle Acquisition LLC, Greenhill and Abrams Capital Partners II, L.P. and certain of their related partnerships and their respective permitted and third party transferees to the extent that any of them or their permitted or third party transferees together with their respective permitted transferees holds 5% of our issued and outstanding common stock (each, a *Shareholder*), demand registration rights that allow the Shareholders to request that we register under the Securities Act of 1933, as amended (the *Securities Act*), an amount equal to or greater than 5% of our stock held by such Shareholders together with their respective affiliates. Each Shareholder is entitled to an aggregate of three demand registrations. We are not required to maintain the effectiveness of the registration statement for more than 60 days. We are also not required to effect any demand registration within six months of a firm commitment underwritten offering to which the requestor held piggyback rights and which included at least 50% of the securities requested by the requestor to be included. We are not obligated to grant a request for a demand registration within six months of any other demand registration, and may refuse a request for demand registration if in our reasonable judgment, it is not feasible for us to proceed with the registration because of the unavailability of audited financial statements.

We have granted the Shareholders piggyback registration rights that allow them to include the shares of common stock that they own in any public offering of equity securities initiated by us, other than those public offerings on registration statements on Forms S-4 or S-8. The piggyback registration rights of these Shareholders are subject to proportional cutbacks by the underwriters in the manner described in the Amended and Restated Investor Agreement.

We have granted Fortress, Greenhill and their respective permitted transferees the right to request shelf registration on Form S-3, providing for an offering to be made on a continuous basis, subject to a time limit on our efforts to keep the shelf registration statement continuously effective and our right to suspend the use of the shelf registration prospectus for a reasonable period of time (not exceeding 60 days in succession or 90 days in the aggregate in any 12 month period) if we determine that certain disclosures required by the shelf registration statement would be detrimental to us or our shareholders. In addition, each Shareholder may elect to participate in the shelf registration within ten days after notice of the registration is given.

We have agreed to indemnify each selling shareholder against any losses or damages resulting from any untrue statement or omission of material fact in any registration statement or prospectus, unless such liability arose from the selling shareholder's misstatement or omission. The selling shareholder agrees to indemnify us against all losses caused by its misstatements or omissions. We will pay all expenses incident to our performance under the Amended and Restated Investor Agreement, and the selling shareholders will pay their respective portions of all underwriting discounts, commissions and transfer taxes relating to the sale of their shares under the agreement.

Investor Agreement Pre-Amendment and Restatement

Edgar Filing: GLOBAL SIGNAL INC - Form DEF 14A

Prior to its amendment and restatement on March 31, 2004, the Investor Agreement dated as of November 1, 2002, as amended October 29, 2003, provided demand registration rights to Fortress Pinnacle Acquisition LLC, Greenhill and electing noteholders of our 10% Senior Discount Notes due 2008 (collectively, the Investors), so long as they held at least 5% of the then outstanding amount eligible to be registered. In addition,

Table of Contents

we granted piggyback registration rights to the Investors and the right to request shelf registration on Form S-3 to Fortress, Greenhill and their respective permitted transferees. We also granted preemptive rights to each Investor, so long as it and its affiliates owned at least 10% of the outstanding registrable securities as described in the Investor Agreement. Fortress, Greenhill and Abrams waived their registration and preemptive rights under the Investor Agreement with respect to our initial public offering.

We were also required to pay Fortress and Greenhill (on a pro rata basis) an annual monitoring fee of \$2.0 million, paid on a quarterly basis, for the period between November 1, 2002 and October 31, 2003, constituting compensation for consulting and management advisory services and analysis. The monitoring fee and the provision of services in connection with it were renewable on an annual basis by a vote of a majority of our Board of Directors, including the vote of at least one director who was not a designee of Fortress, Greenhill or their affiliates or a member of our management and who received no compensation for such vote. Pursuant to the terms of the Investor Agreement, we renewed the annual monitoring fee of \$2.0 million for the one-year period from November 1, 2003 to October 31, 2004. In 2002, we made monitoring fee payments equal to \$0.3 million and in 2003 we made monitoring fee payments equal to \$2.5 million, of which \$2.0 million covered our obligations for 2003 and \$0.5 million was for the first quarter of 2004. Pursuant to our Amended and Restated Investor Agreement, the monitoring fee terminated upon the consummation of our initial public offering. Fortress and Greenhill waived any right to receive any payment with respect to the monitoring fee for all periods after March 31, 2004.

The Investor Agreement also required the Investors to vote the voting stock they beneficially owned to elect certain directors, including those designated by Fortress, Greenhill and Abrams. In addition, we agreed not to take, or to allow our subsidiaries to take, a number of actions without first obtaining approval from Fortress and Greenhill. Pursuant to the terms of the Amended and Restated Investor Agreement, upon consummation of our initial public offering, we and our subsidiaries were no longer required to obtain the approval of Fortress and Greenhill prior to taking any action.

In addition, pursuant to the terms of the Investor Agreement, each Investor had tag-along rights if Fortress or Greenhill proposed to sell shares of our common stock and drag-along rights if either Fortress or Greenhill held over 55% of the shares of our common stock (or both Fortress and Greenhill acting together) and proposed to sell all of their registrable securities as described in the Investor Agreement. In addition, if any Investor proposed to sell any of its registrable securities as described in the Investor Agreement, it must notify other Investors holding (together with their affiliates) more than 10% of the registrable securities outstanding at the time of the proposed sale and those Investors had the right to purchase a pro rata portion of the offered securities at the offered price. Each Investor also agreed not to transfer its shares for two years unless the transfer was made with both Fortress and Greenhill's consent, or the transfer was to certain permitted transferees as stated in the Investor Agreement.

On October 29, 2003, the Agreement was amended to allow the transfer of pledged stock to Morgan Stanley Asset Funding Inc. or to any person upon foreclosure or the exercise of other remedies under the Pledge Agreement among Fortress Pinnacle Acquisition, Greenhill Capital Partners and other Pledgors dated October 29, 2003. Upon the transfer to Morgan Stanley of the capital stock held by Greenhill Capital Partners and/or Fortress Pinnacle Acquisition, the amendment provided that payment of the monitoring fee to Fortress and Greenhill will cease when they collectively own or control 50% or less of our capital stock.

February 2004 Mortgage Loan Debt

On February 5, 2004, our largest operating subsidiary, Pinnacle Towers LLC, then known as Pinnacle Towers Inc., and 13 of its direct and indirect subsidiaries borrowed \$418.0 million under a mortgage loan, the February 2004 mortgage loan, made payable to a newly formed trust, Global Signal Trust I, which we refer to as the February 2004 mortgage loan. We do not have any equity ownership interest in Global Signal Trust I and we are not its primary decision makers. The February 2004 mortgage loan is secured by (1) mortgage liens on the borrowers' interests (fee, leasehold or easement) in more than 1,100 of our communications sites, (2) a security interest in substantially all of the borrowers' personal

property and fixtures including our rights under

substantially all of our site management agreements, tenant leases (excluding tenant leases for sites referred to in (1) above) and a management agreement with Global Signal Services LLC and (3) a pledge of the capital stock (or equivalent equity interests) of each of the borrowers (including a pledge of the ownership interests of Pinnacle Towers from its direct parent). Global Signal Trust I simultaneously issued \$418.0 million in commercial mortgage pass-through certificates with terms identical to the February 2004 mortgage loan. The commercial mortgage pass-through certificates were rated AAA through B by two rating agencies.

Two affiliates of Fortress purchased from the underwriters \$63.0 million of \$73.0 million B and BB rated pass-through certificates at a price to yield of approximately 9% on a blended basis, and the balance of the B and BB rated pass-through certificates were sold on identical terms to an independent third party mutual fund.

December 2004 Mortgage Loan Debt

On December 7, 2004, our operating subsidiary, Pinnacle Towers Acquisition Holdings LLC, and five of its direct and indirect subsidiaries borrowed \$293.8 million under a mortgage loan made payable to a newly formed trust, Global Signal Trust II, which we refer to as the December 2004 mortgage loan. We do not have any equity ownership interest in Global Signal Trust II and we are not its primary decision makers. The December 2004 mortgage loan is secured by, among other things, (1) mortgage liens on the borrowers' interests (fee, leasehold or easement) in substantially all of their wireless communications sites, (2) a security interest in substantially all of the borrowers' personal property and fixtures and (3) a pledge of the capital stock (or equivalent equity interests) of each of the borrowers (including a pledge of the capital stock of Pinnacle Towers Acquisition Holdings LLC from its direct parent, Global Signal Holdings III LLC). Global Signal Trust II simultaneously issued \$293.8 million in commercial mortgage pass-through certificates with terms identical to the December 2004 mortgage loan. The commercial mortgage pass-through certificates were rated AAA through BB by two rating agencies.

An affiliate of Fortress purchased from the underwriters \$17.0 million of BB rated pass-through certificates at a price to yield of approximately 6.376% and the balance of the BB rated pass-through certificates were sold on identical terms to other independent parties.

Options

In 2003, our Board of Directors awarded options to purchase 820,000 shares of our common stock to Mr. Kevin Czinger, a former employee of Fortress Capital Finance LLC, who served on our Board of Directors from January 2003 until February 2004, in exchange for his agreement to provide financial advisory services to us over an expected three-year period. Of these options, 30% vested on January 9, 2003, 30% were scheduled to vest on December 31, 2004, and the remaining 40% were scheduled to vest on December 31, 2005. Half the options had an exercise price of \$5 per share and the remainder had an exercise price of \$10 per share. Pursuant to the terms of our stock option plan, the exercise price of the then outstanding options was adjusted from \$10 to \$8.53 per share and from \$5 to \$4.26 per share, due to the one-time special distribution declared and paid to our shareholders on February 5, 2004. Upon the completion of our internal restructuring program, including the installation of a new management team, we terminated Mr. Czinger's consulting arrangement in March 2004 and the vesting of the outstanding options was modified. After modification, he was entitled to exercise 246,000 shares at an exercise price of \$4.26 and 246,000 shares at an exercise price of \$8.53 until December 31, 2004. The remaining options to acquire 328,000 shares of common stock expired upon his termination pursuant to the terms of the award. As of December 17, 2004 all of his options have been exercised or were expired.

This exercise price was adjusted pursuant to the term of the warrant agreement, from \$10 to

Options Granted to Fortress and Greenhill

In connection with our initial public offering and for purposes of compensating Fortress and Greenhill for their successful efforts in raising capital in our initial public offering, we granted and our shareholders approved options to FRIT PINN LLC and Greenhill, or affiliates of such entities, to purchase shares of our common stock equal to an aggregate of 10% of the number of shares to be issued in that offering in the following amounts (1) for FRIT PINN LLC (or its affiliates), the right to acquire 644,000 shares which is equal to 8% of the number of shares issued in our initial public offering and (2) for Greenhill (or its affiliate), the right to acquire 161,000 shares which is equal to 2% of the number of shares issued in our initial public offering all at an exercise price of \$18.00 per share which is equal to our initial public offering price per share. All of the options are immediately vested and exercisable and will remain exercisable for ten years. The services provided by Fortress and Greenhill included advice with respect to selection of underwriters and counsel, deal structuring and timetable planning, document preparation and financial advisory services. On December 20, 2004, we issued 32,200 shares of our common stock to Greenhill, pursuant to an exercise of a portion of their stock options.

Investment Agreement

On February 14, 2005, Global Signal, Sprint Corporation ("Sprint"), and certain Sprint subsidiaries entered into an Agreement to Contribute, Lease and Sublease (the "Agreement to Lease") pursuant to which we agreed to lease or, if certain consents have not been obtained, operate for a period of 32 years over 6,600 wireless communications tower sites and the related towers and assets (the "Sprint Towers") from one or more newly formed special purpose entities of Sprint under one or more master leases for which we have agreed to pay \$1.202 billion as prepaid rent subject to certain conditions, adjustments and pro-rations (the "Sprint Transaction"). The closing of the Sprint Transaction is expected to occur toward the end of the second quarter of 2005.

Prior to the execution of the Agreement to Lease, we submitted several bids to Sprint in an auction process conducted by Sprint with respect to the Sprint Towers. On August 23, 2004, we submitted our first bid relating to the Sprint Towers. After the first round of bidding, Sprint required that any bidder also provide commitments for the financing necessary to consummate that bidder's proposed transaction with respect to the Sprint Towers. On September 10, 2004, our Board of Directors established a special committee to evaluate and negotiate the equity financing for our proposed transaction with respect to the Sprint Towers. On September 27, 2004, an affiliate of Fortress Investment Group LLC ("FIG"), in connection with our bid for the Sprint Towers, submitted a commitment letter addressed to us to provide up to 50% of the anticipated equity financing for the proposed transaction with respect to the Sprint Towers. On November 19, 2004, in connection with our submission of a revised bid to Sprint, FIG, on behalf of itself and certain of its affiliates, submitted to us a commitment letter to provide up to \$400.0 million of equity financing to us, with the expectation that one or more large institutional investors would also participate. On January 31, 2005, we submitted a revised bid to Sprint. On February 1, 2005, we entered into an exclusivity agreement with Sprint in connection with the proposed transaction with Sprint. On February 4, 2005, FIG submitted another commitment letter to us, as required by the Sprint bidding procedures, pursuant to

Edgar Filing: GLOBAL SIGNAL INC - Form DEF 14A

which certain of its affiliates agreed to provide up to \$450.0 million in equity financing to us in connection with our revised bid for the proposed transaction with Sprint. In connection with our successful bid for the Sprint Towers and FIG's commitment for equity financing for the Sprint Transaction, the

Investors (as defined below) entered into the Investment Agreement (as defined below) on February 14, 2005. In entering into the Investment Agreement, the Investors and we assumed that it will cost approximately \$1.25 billion, including fees and expenses, to consummate the Sprint Transaction, and that we would raise \$850.0 million in debt and \$400.0 million of equity to finance the Sprint Transaction. Morgan Stanley Asset Funding Inc. and certain of its affiliates provided financial advice and assistance to us in connection with the Sprint Transaction.

On February 14, 2005, in connection with the execution of the Sprint Transaction, we entered into an Investment Agreement (the "Investment Agreement") with (a) Fortress Investment Fund II LLC, a Delaware limited liability company ("FIF"), an affiliate of our largest shareholder, Fortress; (b) Abrams Capital Partners II, L.P., a Delaware limited partnership, Abrams Capital Partners I, L.P., a Delaware limited partnership, Whitecrest Partners, L.P., a Delaware limited partnership, Abrams Capital International, LTD, a Cayman Island limited liability company and Riva Capital Partners, L.P., a Delaware limited partnership (collectively, "Abrams"), affiliates of our third largest shareholder Abrams Capital, LLC; and (c) Greenhill Capital Partners, L.P., a Delaware limited partnership, Greenhill Capital Partners (Executive), L.P., a Delaware limited partnership, Greenhill Capital, L.P., a Delaware limited partnership, Greenhill Capital Partners (Cayman), L.P., a Cayman Islands limited partnership, Greenhill Capital Partners (Employees) II, L.P., a Delaware limited partnership (collectively, "Greenhill Entities"), and together with FIF and Abrams, the "Investors", and each individually, an "Investor", our second largest shareholder and certain of its affiliates.

Under the Investment Agreement, the Investors committed to purchase, at the closing of the Sprint Transaction, up to \$500.0 million of our common stock at a price of \$25.50 per share. The \$500.0 million aggregate commitment from the Investors will automatically be reduced by (1) the amount of net proceeds received by us pursuant to any offering of our equity securities prior to the closing of the Sprint Transaction, and (2) the amount of any borrowings in excess of \$750.0 million outstanding prior to the closing of the Sprint Transaction under any credit facility or similar agreements provided to us in connection with the Sprint Transaction, provided that the Investors' aggregate commitment will not be reduced below \$250.0 million. On March 10, 2005, we signed a term sheet from Morgan Stanley Asset Funding Inc., Bank of America, N.A. and Banc of America Securities LLC setting forth the terms and conditions on which they would provide bridge financing of up to \$850 million to us for the Sprint Transaction, which financing, if closed, would decrease the Investors' commitment to a maximum of \$400 million. Pursuant to the terms of the Investment Agreement, each of Fortress, Abrams and Greenhill shall purchase such number of shares of common stock equal to 48%, 32% and 20%, respectively, of the total number of shares of common stock to be purchased under the Investment Agreement. The purchase of the shares by the Investors is conditioned upon the occurrence of the closing of the Sprint Transaction, and will close simultaneously with the Sprint Transaction. In the event an Investor fails to purchase the shares of common stock it is obligated to purchase, the other Investors have the right, but not the obligation, to purchase such shares. This issuance of these securities will be made pursuant to an exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended.

Option Agreement

If we do not complete an offering of our equity securities prior to the closing of the Sprint Transaction, under an Option Agreement with us, the Investors will issue to us, at the closing of the Investment Agreement, a one-time option to purchase from the Investors a number of shares of Common Stock having a value equal to the difference between the total consideration paid by the Investors for the Common Stock at the closing of the Sprint Transaction and \$250.0 million. This option would be issued by the Investors pursuant to an Option Agreement among the Investors and us. Pursuant to the Option Agreement, we would have the option to purchase the shares at a price per share of \$26.50. The option would be immediately vested upon issuance at the closing and would expire six months and one day after the closing of the Sprint Transaction. The option will be non-transferable. If we were to exercise the option, we would purchase shares from each Investor in proportion to that Investor's participation in the Investment Agreement set forth above. In the event that we complete an offering of our equity securities prior to the closing of the Sprint Transaction, we would not be entitled to this option and no option would be issued by the Investors.

PROPOSAL NUMBER TWO

APPROVAL OF APPOINTMENT OF ERNST & YOUNG LLP

AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposed Independent Registered Public Accounting Firm

In accordance with its charter, the Audit Committee has selected the firm of Ernst & Young LLP, independent accountants (E&Y), to be Global Signal's independent registered public accounting firm for the year 2005 and has further directed that the appointment of E&Y be submitted for approval by shareholders at the 2005 Annual Meeting. E&Y was also Global Signal's independent registered public accounting firm for 2004. Before selecting E&Y, the Audit Committee carefully considered E&Y's qualifications as independent auditors for Global Signal. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The committee has expressed its satisfaction with E&Y in all of these respects. The committee's review included inquiry concerning any litigation involving E&Y and any proceedings by the SEC against the firm. In this respect, the committee has concluded that the ability of E&Y to perform services for Global Signal is in no way adversely affected by any such investigation or litigation.

The Audit Committee also oversees the work of E&Y, and E&Y reports directly to the Audit Committee in this regard. The Audit Committee also reviews and approves E&Y's annual engagement letter, including the proposed fees, and determines or sets the policy regarding all audit, and all permitted non-audit, engagements and relationships between Global Signal and E&Y. The Audit Committee also reviews and discusses with E&Y their annual audit plan, including the timing and scope of audit activities, and monitors the progress and results of the plan during the year.

A representative of E&Y will be present at the Annual Meeting, will have an opportunity to make a statement and will be available to respond to appropriate questions from shareholders.

The Board of Directors recommends a vote **FOR** the ratification of the appointment of E&Y as Global Signal's independent registered public accounting firm for fiscal year 2005.

Audit Fees, Audit Related Fees, Tax Fees and All Other Fees

Audit Committee Pre-Approval Policies and Procedures

Global Signal's Audit Committee has policies and procedures that require the pre-approval by the Audit Committee or one of its members of all fees paid to, and all services performed by, Global Signal's independent registered public accounting firm. In the early part of each year, the Audit Committee approves the proposed services, including the nature, type and scope of services contemplated and the related fees, to be rendered by these firms during the year. In addition, pre-approval by the Audit Committee or one of its members is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees pre-approved by the Audit Committee. Pursuant to the Sarbanes-Oxley Act of 2002, the fees and services provided as noted in the tables above were authorized and approved in compliance with the Audit Committee pre-approval policies and procedures described herein.

Of the fees set forth in the table above, none of the Audit Related Fees, none of the Tax Fees and none of the All Other Fees were approved by the Audit Committee pursuant to SEC Rule 2-01(c)(7)(i)(C) of Regulation S-X. This rule provides that the pre-approval requirement is waived, with respect to fees for services other than audit, review or attest services, if the aggregate amount of all such services provided constitutes no more than five percent of the total amount of revenues paid by Global Signal to E&Y during the fiscal year in which the services are provided; such services were not recognized by the Global Signal at the time of the engagement to be non-audit services; and such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Audit Committee.

Deadline for Submitting Shareholder Proposals

Shareholders who, in accordance with SEC Rule 14a-8, wish to present proposals for inclusion in the proxy materials to be distributed in connection with next year's annual meeting proxy statement must submit their proposals so that they are received at Global Signal's principal executive offices no later than the close of business on December 19, 2005. As the rules of the SEC make clear, simply submitting a proposal does not guarantee that it will be included.

In accordance with our bylaws, the deadline for submitting shareholder proposals for inclusion in Global Signal's proxy statement for the 2005 Annual Meeting was a reasonable time prior to our printing and mailing of this proxy statement and form of proxy. Under our Bylaws, in order for a shareholder proposal to be included in our proxy statement and form of proxy for our next annual meeting, the shareholder must be a shareholder of record on the date the notice is given, and the notice must be received by Global Signal between January 17, 2006 and February 16, 2006 unless the 2006 annual meeting is called for a date that is not within twenty-five days before or after May 17, 2006, in which case the notice must be received by Global Signal not later than the close of business on the tenth day following the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever occurs first.

Edgar Filing: GLOBAL SIGNAL INC - Form DEF 14A

The notice must set forth, as to each matter the shareholder proposes to bring before the annual meeting (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting the business at the annual meeting, (b) the shareholder's name and record address, (c) the class or series and

number of shares of capital stock of Global Signal that the shareholder owns beneficially or of record, (d) a description of all arrangements or understandings between the shareholder and any other person or persons (including their names) in connection with the proposal of the business by the shareholder and any material interest of the shareholder in the business and (e) a representation that the shareholder intends to appear in person or by proxy at the annual meeting to bring the business before the meeting.

The notice should be mailed to the Secretary of Global Signal at Attention: Secretary, Global Signal Inc., 301 North Cattlemen Road, Suite 300, Sarasota, Florida, 34232 . Global Signal reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Other Matters

The Board of Directors does not know of any other matters that may come before the Annual Meeting. However, if any other matters are properly presented at the meeting, it is the intention of the persons named in the accompanying proxy or their substitutes acting thereunder, to vote, or otherwise act, in accordance with their best judgment on those matters.

No person is authorized to give any information or to make any representation not contained in this proxy statement, and, if given or made, such information or representation should not be relied upon as having been authorized. The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to, Global Signal, Inc., 301 North Cattlemen Road, Suite 300, Sarasota, Florida, 34232, Attention: General Counsel.

ADOPTED AS OF MARCH 22, 2004**

I. PURPOSE OF THE COMMITTEE

The purpose of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of Global Signal Inc. (the "Corporation") is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the Corporation and its subsidiaries, including, without limitation, (a) assisting the Board's oversight of (i) the integrity of the Corporation's financial statements, (ii) the Corporation's compliance with legal and regulatory requirements, (iii) the Corporation's independent auditors' qualifications and independence, and (iv) the performance of the Corporation's independent auditors and the Corporation's internal audit function, and (b) preparing the report required to be prepared by the Committee pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Corporation's annual proxy statement.

II. COMPOSITION OF THE COMMITTEE

The Committee shall consist of three or more directors as determined from time to time by the Board. Each member of the Committee shall be qualified to serve on the Committee pursuant to the requirements of the New York Stock Exchange (the "NYSE"), and any additional requirements that the Board deems appropriate.

No director may serve as a member of the Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee. Any such determination must be disclosed in the Corporation's annual proxy statement.

The chairperson of the Committee shall be designated by the Board, *provided* that if the Board does not so designate a chairperson, the members of the Committee, by a majority vote, may designate a chairperson.

Any vacancy on the Committee shall be filled by majority vote of the Board. No member of the Committee shall be removed except by majority vote of the Board.

Each member of the Committee must be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee must be designated by the Board to be the audit committee financial expert, as defined by the SEC pursuant to the

Sarbanes-Oxley Act of 2002 (the Act).

III. MEETINGS OF THE COMMITTEE

The Committee shall meet as often as it determines necessary to carry out its duties and responsibilities, but no less frequently than once every fiscal quarter. The Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary. The Committee should meet separately on a periodic basis with (i) management, and (ii) the director of the Corporation's internal auditing department or other person responsible for the internal audit function and (iii) the Corporation's independent auditors, in each case to discuss any matters that the Committee or any of the above persons or firms believe warrant Committee attention.

A majority of the members of the Committee present in person or by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other shall constitute a quorum.

The Committee shall maintain minutes of its meetings and records relating to those meetings and provide copies of such minutes to the Board.
