Item 1.01. Entry into a Material Definitive Agreement.

On May 3, 2005, the Compensation Committee of the Board of Directors of PortalPlayer, Inc. (the Company) and a subcommittee of the Compensation Committee took actions with respect to executive compensation. In addition, the Compensation Committee approved a form of restricted stock agreement for restricted stock awards.

Restricted Stock Agreement

The Compensation Committee approved a form of restricted stock agreement to be used in connection with stock awards under the Company's 2004 Stock Incentive Plan. Grants of restricted stock under the form of agreement vest over a period to be determined by the Compensation Committee, or its subcommittee, at the time of grant. If an employee's service with the Company terminates for any reason, then the employee's shares will be forfeited to the extent that they have not vested before the termination date and do not vest as a result of termination. Shares of restricted stock carry all other rights of a shareholder except the right to transfer. A copy of the form of restricted stock agreement is attached as Exhibit 10.1 to this report.

Stock Option Grants and Restricted Stock Awards

The following table presents information regarding options and restricted stock awards granted to executive officers by approval of a subcommittee of the Compensation Committee. The exercise price of shares underlying options was equal to \$16.68, the closing price of the Company's common stock on the Nasdaq National Market on May 3, 2005. Except as noted, the options vest as to 1/4th of the shares monthly over four years, and the restricted stock vests as to 20% of the shares on each of the first five anniversaries of the date of grant.

2005 Bonus Plan

Under the 2005 Bonus Plan as adopted by the Compensation Committee, the bonuses for the Company's executive officers and certain officers will be based on the Company's achievement of certain company financial performance objectives and achievement of certain non-financial individual performance objectives. The bonuses are expected to be paid in 2006 after evaluation of achievement of the objectives by the

Compensation Committee, and are calculated as a percentage of annual salary for each executive officer as listed below:

<u>Name of Executive Officer</u>	<u>Target Bonus as a Percentage of Annual Salary</u>

Svend-Olav Carlsen	50
Richard Miller	50
Mike Maia	50
Scott Tandy	40

* Mr. Kumar will be entitled to an additional bonus of \$20,000 upon the achievement of an additional revenue target.

Specifically, under the 2005 Bonus Plan, each executive officer will be entitled to a target bonus equal to: (a) the percentage of his base salary as set forth above (the Initial Bonus Amount) upon achievement of company revenue and EBITDA targets; (b) 120% of his Initial Bonus Amount upon achievement of specified higher company revenue and EBITDA targets; or (c) 140% of his Initial Bonus Amount upon achievement of specified additional higher company revenue and EBITDA targets; provided, however, that the maximum bonus pool for employees and executive officers under the 2005 Bonus Plan will be approximately 7% of EBITDA and provided further that, in order to be eligible for a bonus in each case, both the specified revenue and EBITDA targets for the Company must be met, after which the exact amount of the bonus will also depend upon achieving or exceeding non-financial individual performance objectives.
