**Item 1.01 Entry into a Material Definitive Agreement.**

**Founder s Grants**

On August 12, 2005, in connection with the completion of the merger (the Merger ) of Nextel Communications, Inc. ( Nextel ) with and into S-N Merger Corp. (the Surviving Corporation ), a wholly owned subsidiary of Sprint Corporation ( Sprint ) which changed its name to Sprint Nextel Corporation ( Sprint Nextel ), Sprint Nextel awarded to members of its board of directors and its employees 10 restricted stock units, which represent the right to receive 10 shares of Sprint Nextel common stock, par value \$2.00 per share, one year from the date of the award. The award will vest immediately if an outside director ceases to be a member of the Sprint Nextel board of directors, or an employee becomes eligible for severance benefits under an applicable Sprint Nextel severance or change of control plan. Termination of employment for any other reason, including retirement, death or disability, will terminate the award. Awards to employees who become employees of the local telecommunications business expected to be spun-off from Sprint Nextel (the New Local Company ) will continue, unless the New Local Company grants a similar award to its employees, in which case the awards to those employees will terminate. Holders of the awards are not eligible to receive any cash or non-cash dividends that may be declared on Sprint Nextel common stock until the underlying shares are delivered following vesting.

**Acceleration of Option Vesting**

On August 12, 2005, amendments to the option agreements of Thomas N. Kelly, Sprint Nextel s Chief Strategy Officer and formerly Executive Vice President and Chief Operating Officer of Nextel, were adopted to provide for the immediate vesting of all such stock options, which represent the right to acquire 580,269 shares of Sprint Nextel common stock.

**Amendment to the Supplemental Executive Retirement Plan**

On August 12, 2005, amendments to the Sprint Supplemental Executive Retirement Plan (the SERP ) were adopted, pursuant to which persons employed by Nextel prior to the merger were precluded from participation and accruals under all benefit formulas of the SERP will cease on December 31, 2005 for each participant, except for any participant who is specifically designated to provide services to Sprint Nextel in connection with the New Local Company or a participant to which Sprint Nextel is obligated to provide benefit accruals as of the date of the Merger under an employment agreement.

**Outside Director Compensation**

On August 12, 2005, the board of directors of Sprint Nextel approved a compensation program for outside directors of Sprint Nextel. Pursuant to the compensation program, outside directors will receive an annual cash retainer of \$70,000 and board and committee meeting fees of \$2,000 per meeting (\$1,000 for telephonic meetings). The compensation program also provides that the chairs of the Audit Committee, Human Capital and Compensation Committee and other committees will receive additional annual retainers of \$20,000, \$15,000, and \$10,000, respectively. In addition, the two co-lead independent directors will receive additional annual retainers of \$75,000. Outside directors will also receive an annual grant of \$100,000 in restricted stock units that vests one year after grant and telecommunications services and products.

**Executive Compensation**

Edgar Filing: SPRINT NEXTEL CORP - Form 8-K

On August 12, 2005, the Human Capital and Compensation Committee of the board of directors of Sprint Nextel established base salaries for 2006, short-term incentive/annual cash bonus ( STI ) targets for 2006, long-term incentive ( LTI ) targets for 2006 and synergy targets for the two-year period commencing January 1, 2006 for the executive officers of Sprint Nextel other than Messrs. Donahue, Forsee and Hesse.

The base salary increases range from \$8,800 to \$150,000, the STI targets and the LTI targets range from 50% to 130% of base salary and 200% to 721% of base salary, respectively, and the synergy targets range from \$300,000 to \$1,500,000. The performance objectives for the STI, LTI and two-year synergy bonuses have yet to be established, but it is anticipated that such objectives will be based on the operating plans of Sprint Nextel following the Merger. It is anticipated that the actual incentive amounts paid under each of the STI, LTI and two-year synergy bonus programs will be based on actual results in relation to the established performance objectives, and such payments may be greater or less than the targets that have been established.

The following table includes specific information regarding each executive officer of Sprint and Nextel that was named in each company's summary compensation table for 2004, included in the joint proxy statement/prospectus, dated June 10, 2005, filed as part of Sprint's registration statement on Form S-4 (Registration Statement No. 333-123333), who is an executive officer of Sprint Nextel.

##### Assumption of Nextel Indentures

On August, 12, 2005, in connection with the completion of the Merger, the Surviving Corporation executed supplemental indentures (the Supplemental Indentures) to become obligated under the indenture, dated January 26, 2000, between Nextel and BNY Midwest Trust Company, as Trustee, relating to Nextel's 5.25% Convertible Senior Redeemable Notes due 2010 (the Convertible Notes, and such indenture, the Convertible Notes Indenture), the indenture, dated January 26, 2001, between Nextel and BNY Midwest Trust Company, as Trustee, relating to Nextel's 9.5% Senior Serial Redeemable Notes due 2011 (the 9.5% Senior Notes, and such indenture, the 9.5% Senior Notes Indenture), and the

indenture, dated as of July 31,

2003, between Nextel and BNY Midwest Trust Company, as Trustee (the 2003 Senior Notes Indenture, and together with the Convertible Notes Indenture and the 9.5% Senior Notes Indenture, the Nextel Indentures ), including the obligations specified in each of the forms of notes issued thereunder. The material terms of the Convertible Notes Indenture, the 9.5% Senior Notes Indenture and the 2003 Senior Notes Indenture and forms of notes thereunder are as follows:

#### **Convertible Notes Indenture**

At June 30, 2005, the balance of the Convertible Notes was approximately \$607 million. Under the Convertible Notes Indenture, cash interest on the principal amount of the Convertible Notes is payable semi-annually in arrears on January 15 and July 15 of each year, at a rate of 5.25% per annum. The Convertible Notes are convertible at the option of the holders, prior to redemption or maturity, at a conversion price of \$57.23 per share (subject to adjustment upon the occurrence of certain events), into a combination of Sprint Nextel common stock and cash, the allocation of which would be based on shares of Sprint Nextel common stock and cash received in exchange for each share of Nextel common stock owned by former Nextel common stockholders in connection with the Merger. The Convertible Notes are redeemable at the Surviving Corporation's option at specified redemption prices plus accrued interest. The Convertible Notes rank equally with all of the Surviving Corporation's unsubordinated and unsecured indebtedness. The indebtedness under the Convertible Notes may be accelerated in an Event of Default (as defined in the Convertible Notes Indenture).

#### **9.5% Senior Notes Indenture**

At June 30, 2005, the balance of the 9.5% Senior Notes was approximately \$88 million. Under the 9.5% Senior Notes Indenture, cash interest on the principal amount of the notes is payable semi-annually in arrears on February 1 and August 1 of each year, at a rate of 9.5% per annum. The notes are redeemable at the Surviving Corporation's option commencing February 1, 2006 at specified redemption prices plus accrued interest. The notes rank equally with all of the Surviving Corporation's unsubordinated and unsecured indebtedness. The indebtedness under the 9.5% Senior Notes may be accelerated in an Event of Default (as defined in the 9.5% Senior Notes Indenture).

#### **2003 Senior Notes Indenture**

Six series of senior notes have been issued and currently are outstanding under the 2003 Senior Notes Indenture. Prior to August 8, 2005, the following three series of senior notes were issued and outstanding:

### **Guarantee Supplemental Indenture**

On August 12, 2005, the Surviving Corporation, Sprint Nextel and BNY Midwest Trust Company executed a supplemental indenture (the **Guarantee Supplemental Indenture**) to the 2003 Senior Notes Indenture, pursuant to which Sprint Nextel guaranteed the payment obligations of the Surviving Corporation under the Exchange Notes. The indebtedness under the Exchange Notes may be accelerated in an Event of Default (as defined in the 2003 Senior Notes Indenture). BNY Midwest Trust Company has pre-existing relationships with Nextel, including serving as trustee under the Nextel Indentures. The foregoing description of the Guarantee Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the Guarantee Supplemental Indenture, which is filed as Exhibit 4.3.5 hereto and incorporated herein by reference.

### **Assumption of Nextel Credit Facility**

In connection with the completion of the Merger, on August 12, 2005, the Surviving Corporation entered into an assumption agreement (the **Assumption Agreement**) in favor of JPMorgan Chase Bank, N.A., pursuant to which the Surviving Corporation succeeded to Nextel under the second amended and restated credit agreement (the **Credit Agreement**), dated July 15, 2004, as amended, among Nextel, Nextel Finance Company ( **Nextel Finance** ), the other Restricted Companies party thereto, the Lenders Party thereto, and JPMorgan Chase Bank, N.A., as Administrative Agent and Collateral Agent (collectively, the **Other Parties** ), as amended by amendment no. 1, dated February 15, 2005 (the **Credit Agreement Amendment** ), to the Credit Agreement, and the tranche A term loan agreement ( **Term Loan A** ), dated January 28, 2005, among Nextel, Nextel Finance, and the Other Parties. As of June 30, 2005, the bank credit facility provided for a total secured financing capacity of up to \$6.2 billion, which consisted of a \$4.0 billion revolving loan facility that matures on July 31, 2009, of which \$1.0 billion had been borrowed and \$2.5 billion had been utilized in connection with the issuance of letters of credit, and a \$2.2 billion term loan, all of which had been borrowed. Under the terms of Term Loan A, the interest rate automatically will adjust to the applicable rate under the Credit Agreement (the London Interbank Offered Rate ( **LIBOR** ) plus 100 basis points) on December 31, 2005. Term Loan A will mature on February 1, 2010, at which time the principal of Term Loan A will be payable in one installment, and is subject to the terms and conditions of the revolving credit facility, including provisions that allow the lenders to declare borrowings due immediately in the event of default. The Credit Agreement Amendment, among other things, modified the definition of **Change in Control** to exclude the Merger.
