#### Item 4. Purpose of the Transaction.

Jayhawk, Jayhawk Investments, Jayhawk Institutional, and Mr. McCarthy (collectively, the Shareholders) originally acquired the shares of Common Stock and Class C Preferred Stock (collectively, the Shares) because they believed that the Shares were undervalued at the then-current market prices and represented an attractive investment opportunity. The Shareholders further believed that unexploited opportunities to increase the value of the Shares existed. Mr. McCarthy, as a holder of Class C Preferred Stock, participated in the nomination and election of two individuals to serve on the board of directors and hopes to work with the Issuer's management and board of directors to identify and pursue opportunities to increase the value of the Shares. Such opportunities may include raising additional capital or entering strategic alliances that could fund future growth and expansion or exploring possible business combinations. Jayhawk Investments exchanged its Class C Preferred Stock for the purpose of acquiring a non-controlling interest in another entity.

The Shareholders reserve the right to acquire, or dispose of, additional securities of the Issuer, in the ordinary course of business, to the extent deemed advisable in light of the Shareholders' general investment and trading policies, market conditions, the availability of shares of Common Stock or Class C Preferred Stock or other factors. The Shareholders may contact the Issuer, officers and directors of the Issuer, third parties and/or other shareholders regarding potential strategies to increase shareholder value. Other than as described above, none of the Shareholders has present plans or proposals that would result in any of the following:

- 1) any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;

- 2) any sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
  
- 3) any material change in the present capitalization or dividend policy of the Issuer;
  
- 4) any other material change in the Issuer's business or corporate structure;
  
- 5) any change in the Issuer's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
  
- 6) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
  
- 7) causing a class of securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
  
- 8) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.
