Item 1.01 Entry into a Material Definitive Agreement.

On February 28, 2006, Central Garden & Pet Company (the Company) entered into a Credit Agreement relating to an aggregate amount of \$650,000,000 in senior secured credit facilities. The terms of the Credit Agreement are described in Item 2.03 below.

On February 28, 2006, the Company entered into an amendment to the Stock Purchase Agreement dated January 19, 2006 by and between Central Garden & Pet Company, the Duff Family Revocable Trust and the Bassham Trust (the Stock Purchase Agreement). The amendment is filed as Exhibit 2.2 to this Form 8-K and is incorporated by reference herein.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On February 28, 2006, and pursuant to the terms set forth in the Stock Purchase Agreement, as amended, the Company completed the acquisition of all of the outstanding shares of capital stock of Farnam Companies, Inc., an Arizona corporation (Farnam), for approximately \$287 million (subject to certain post-closing adjustments) plus \$4.1 million for the purchase of related real property from an affiliate of Farnam (the Acquisition). The Company's press release regarding its completion of this acquisition is attached as an exhibit to this Form 8-K.

For the fiscal year ended November 30, 2005, Farnam reported sales of \$165.8 million, income before provision for income taxes of \$20.8 million, and net income of \$20.7 million.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On February 28, 2006, the Company entered into a Credit Agreement with JPMorgan Chase Bank, National Association, as Administrative Agent, Bank of America, N.A., as Syndication Agent, CIBC World Markets Corp., Suntrust Bank and Union Bank of California, N.A., as Co-Documentation Agents, J.P. Morgan Securities Inc. and Banc of America Securities LLC, as Joint Bookrunners and Joint Lead Arrangers, and the other parties thereto (the Credit Agreement). The credit facilities provided for under the Credit Agreement consist of a \$350,000,000 5-year senior secured revolving credit facility and a \$300,000,000 7-year senior secured Term Loan B facility (together, the Facilities). Interest on the term loan is based on a rate equal to LIBOR + 1.50% or the prime rate plus 0.50%, at our option. Interest on the revolving credit facility is based on a rate equal to prime plus a margin, which fluctuates from 0.00% to 0.25% or LIBOR plus a margin which fluctuates from 0.75% to 1.375%, determined quarterly based on consolidated total debt to consolidated EBITDA for the most recent trailing 12-month period.

The Facilities are guaranteed by the Company's material subsidiaries and are secured by a lien on the Company's assets, excluding real property and including substantially all of the capital stock of the Company's subsidiaries. The Facilities contain financial and other covenants, including, but not limited to, limitations on liens and indebtedness as well as the maintenance of a minimum interest coverage ratio and a maximum total leverage ratio. Additionally, although the Company has not paid any cash dividends on its common stock in the past and does not anticipate paying any such cash dividends in the foreseeable future, the Facilities restrict its ability to pay such dividends. A violation of these covenants or the occurrence of certain other events could result in a default permitting the termination of the lenders' commitments under the Credit Agreement and/or the acceleration of any loan amounts then outstanding.

The Facilities have been and will be used to finance the Company's acquisition of Farnam, to refinance the Company's existing \$300 million senior secured credit facility consisting of a \$125 million revolving credit facility and a \$175 million term loan, and for general corporate purposes including working capital. The Company borrowed \$252.7 million under the revolving credit facility at the closing. The Company's interest expense for the twelve months ended December 24, 2005 was \$21.1 million. After giving pro forma effect to the borrowings under the new Credit Agreement, assuming the borrowings had been made as of the beginning of the twelve months, interest expense would have been \$40.5 million. The foregoing description of the facilities does not purport to be complete and is qualified in all respects by the terms of the Credit Agreement, which is filed as an exhibit to this Form 8-K and incorporated by reference herein.

The following table sets forth (on an unaudited basis) our cash and cash equivalents and capitalization, both on an actual basis and on a pro forma basis to give effect to the acquisitions of Farnam Companies, Inc. and Breeder's Choice Pet Food, Inc. and the new Credit Agreement and borrowings thereunder as of February 28, 2006.
