Accordingly, each of such directors received 5,063 shares of common stock. Six directors, Messrs. Beck, Levine, Nessen, Principato and Reilly and Ms. Mouchly-Weiss, elected, in accordance with the Director Compensation Plan, to take \$30,000 of this compensation in common stock and \$30,000 of this compensation in cash. Accordingly, each of these six directors received 2,531 shares of common stock. Mr. Nessen, as chair of the audit committee, received an additional \$5,000 in cash and each of Messrs. Levine and Reilly, as chairs of the nominating and corporate governance committee and the compensation committee, respectively, received an additional \$3,500 in cash. Directors did not receive any additional cash or fees for attending board of directors or committee meetings. However, Viisage reimburses directors for their out-of-pocket expenses incurred in connection with any board of directors or committee meetings.

Non-employee directors also receive grants of nonqualified options under Viisage's 1996 Directors Stock Option Plan, as amended (referred to as the Director Option Plan). In March 2005, Viisage granted each of the seven non-employee directors then serving on the board of directors an option to purchase 10,000 shares of common stock pursuant to the Director Option Plan, which options were fully vested upon grant. Mr. Gelbard was granted an option to purchase 10,000 shares of common stock pursuant to the Director Option Plan, which options were fully vested upon grant, upon his election to the board of directors in September 2005.

Compensation Committee Interlocks and Insider Participation

The compensation committee of the board of directors consists of Thomas Reilly (chair), Robert Gelbard, Harriet Mouchly-Weiss, and Peter Nessen, none of whom are officers or employees of Viisage. No interlocking relationship exists between Viisage's board or compensation committee and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The following table sets forth information known to us with respect to the beneficial ownership of our outstanding common stock as of May 1, 2006 by:

each person known to Viisage to be the beneficial owner of 5% or more of the Viisage's common stock;

each director;

our Chief Executive Officer and each of the four other most highly compensated executive officers whose annual compensation exceeded \$100,000 in 2005; and

all directors and executive officers of the Viisage as a group.

The percentage of our common stock beneficially owned in the following table is based on 29,073,499 shares of our common stock outstanding on May 1, 2006. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our common stock subject to options held by that person which are exercisable as of May 1, 2006 or will become exercisable within 60 days thereafter are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person.

Item 13. *Certain Relationships and Related Transactions*

Prior to our incorporation in Delaware on May 23, 1996 and our November 1996 initial public offering, we operated as the Viisage Technology Division of Lau. On November 6, 1996, Lau transferred substantially all of the assets and liabilities of its Viisage Technology Division to us in exchange for shares of our common stock. As of May 1, 2006, Lau directly owned approximately 7.4% of our issued and outstanding common stock.

On January 10, 2002, we acquired the assets of Lau Security Systems, a division of Lau, including all of its intellectual property, contracts and distribution channels. As a result of this transaction, certain obligations on our part to license intellectual property to Lau were terminated. We assumed certain liabilities related to the acquired business and will pay Lau a royalty of 3.1% of certain of our face recognition revenues until June 30, 2014, up to a maximum of \$27.5 million.

On February 14, 2004, we acquired all of the outstanding capital stock of Trans Digital Technologies Corporation (referred to as TDT). Upon the closing of this transaction, Mr. B.G. Beck, the former President and Chief Executive Officer of TDT, became the beneficial owner of more than 5% of our outstanding common stock and was appointed to our board of directors. In connection with the acquisition, we issued a promissory note payable to Mr. Beck in the principal amount of \$15,300,000, which note was repaid in full in 2004.

Consulting Agreements

In connection with the purchase of the business of Lau Security Systems, we entered into consulting agreements with Denis K. Berube, Executive Vice President and Chief Operating Officer of Lau and a member of our Board, and Joanna Lau, President and Chief Executive Officer of Lau and the beneficial owner of more than 5% our outstanding stock. Under the consulting agreements, each of Mr. Berube and Ms. Lau will receive annual compensation of \$125,000. Each agreement terminates at the earlier of January 10, 2012 or the commencement of the consultant's full-time employment elsewhere.

In connection with the acquisition of TDT, we entered into a consulting agreement with B.G. Beck, the former President and Chief Executive Officer of TDT. Immediately upon the completion of the acquisition, Mr. Beck was appointed to our board of directors. Mr. Beck is the beneficial owner of more than 5% of our outstanding stock. Under the consulting agreement, Mr. Beck received annual compensation of \$300,000. The consulting agreement terminated on April 14, 2006.

Relationship With L-1 Investment Partners, LLC

Investment in Viisage: On December 16, 2005, Viisage issued and sold to Aston Capital Partners, L.P., an affiliate of L-1, 7,619,047 shares of our common stock at \$13.125 per share and issued to Aston warrants to purchase an aggregate of 1,600,000 shares of our common stock at an exercise price of \$13.75 per share.

Aston is a private investment fund organized as a limited partnership and managed by its general partner, Aston Capital Partners GP LLC and L-1. Robert LaPenta, James DePalma, Joseph Paresi and Doni Fordyce directly and indirectly hold all the beneficial ownership in the general partner and L-1. Prior to Aston's investment in Viisage, Viisage had no other relationships with L-1 and its affiliates, except that Messrs. LaPenta and DePalma were individual investors in Viisage.

Under the terms of the investment agreement entered into with Aston:

Mr. LaPenta was appointed Chairman of the Viisage board of directors.

Aston has the right to nominate two additional board members, each of whom must be independent as defined in the relevant rules of the Nasdaq National Market on which our common stock is listed. George Tenet is the first director nominated by Aston. Aston has not yet nominated a second director.

Mr. LaPenta became the chair of a new five-member Strategic Committee of the Viisage board of directors, with the right to appoint two of the other four members of that committee, only one of whom may be an L-1 board designee.

\$85 million of the \$100 million proceeds from the sale of the shares must be used for acquisitions unless otherwise approved by Mr. LaPenta.

Commencing one year after the closing of the transaction, Aston will have the right on two occasions to demand that we file a registration statement covering the resale of the shares of our common stock held by Aston and the shares of our common stock issuable upon exercise of the warrants.

Employment of L-1 general partners with Viisage: Following the proposed merger between us and Identix, Mr. LaPenta will be the chairman of the board, Chief Executive Officer and Chief Operating Officer of the combined company. At the same time, James DePalma and Joseph Paresi, general partners of L-1, will become Executive Vice President and Chief Financial Officer, and Executive Vice President and Chief Marketing and Sales Officer, respectively, of the combined company. We are finalizing the compensation arrangement with L-1 for the continuing services of Messrs. LaPenta, Paresi, and DePalma.

Potential lease with L-1: Before the closing of the merger, we will cooperate with Identix in good faith to mutually agree on reasonable arm-length terms and conditions pursuant to which the corporate headquarters of the combined company will be moved to the present offices of L-1 in Stamford, Connecticut.

Non-competition agreement: As a condition to the closing of the merger, Viisage and L-1 will enter into a termination and noncompete agreement in form and substance satisfactory to Viisage and Identix which among other things, (1) terminates all arrangements (other than those specifically identified in such agreement) whereby L-1 and its affiliates provide financial, advisory, administrative or other services to us or our affiliates, and (2) prohibits L-1 and its affiliates from directly advising, performing services for, investing in or entering into any other agreement with any person that competes directly or indirectly with us or Identix, which includes without limitation in the word-wide biometric, credentialing and ID management business (other than with respect to investments of L-1 and its affiliates specifically identified in such agreement).

Item 14. Principal Accountant Fees and Services

During the fiscal years ended December 31, 2004 and December 31, 2005, fees for services provided by BDO Seidman were as follows:

	Year Ended December 31,	
	2004	2005
Audit Fees	\$ 809,875	\$ 1,306,000
Audit-Related Fees		
Tax Fees	\$ 22,500	32,100
All Other Fees		
Total:	\$ 832,375	\$ 1,338,100

Audit Fees consisted of fees billed for professional services rendered by BDO Seidman for the audit of our annual financial statements for the years ended December 31, 2004 and 2005, and the reviews of our financial statements included in our quarterly reports on Form 10-Q during the years ended December 31, 2004 and 2005, and other services normally provided in connection with statutory and regulatory filings.

Audit-Related Fees consisted of fees billed for due diligence procedures in connection with acquisitions and consultation regarding financial accounting and reporting matters. Tax Fees consisted of fees billed for tax payment planning and tax preparation services. The audit committee must pre-approve all audit and permitted non-audit services for which our independent auditors may be engaged. All audit and non-audit services provided by BDO Seidman in 2004 and 2005 were approved in advance by the audit committee, and no fees were paid in 2004 or 2005 under a *de minimis* exception that waives pre-approval for certain non-audit services.

The audit committee has determined that BDO Seidman's provision of services other than for its audit and reviews of Viisage's financial statements is compatible with maintaining the independence of BDO Seidman.
