Announcements Regarding Change in Member Composition of Three Committees

TOKYO, Japan May 12, 2006 ORIX Corporation (TSE: 8591; NYSE: IX), a leading integrated financial services provider announced today in a board of directors meeting that it has decided to change the member composition of the Audit, Nominating and Compensation Committees.

ORIX has made efforts to strengthen its corporate governance framework with the establishment of an Advisory Board in June 1997, the introduction of a Corporate Executive Officer system in June 1998, listing on the NYSE in September 1998, the invitation of independent directors in June 1999 and the adoption of a Company with Committees board model in June 2003.

The changes to the committees are accompanied by the retirement of Akira Miyahara and Tatsuya Tamura, who have served as outside directors for the last seven years, and the nomination of Takeshi Sasaki (Professor, Gakushuin University) and Teruo Ozaki (Head, Certified Public Accountant Teruo Ozaki & Co.) as new outside directors. We believe that the appointment of these two highly knowledgeable individuals will allow us to further strengthen our corporate governance.

The nominations are planned to be finalized at the board of directors meeting that will be held after the Annual General Meeting of Shareholders of the Company, which is scheduled to be held on June 20, 2006.
