CORPORATE GOVERNANCE

General Information About the Board of Directors and Corporate Governance

Our policies and practices comply with existing standards of the Nasdaq Stock Market and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

The Board of Directors has determined that five of our seven directors are independent under the standards of the Nasdaq Stock Market as of the date of this Proxy Statement, and all but one director (Mr. Carlton) are non-employee directors;

The non-employee members of the Board of Directors meet regularly without the presence of management;

The Board of Directors has a standing Compensation Committee, Audit Committee, and Nominating and Governance Committee;

Each member of the Compensation Committee, the Audit Committee and Nominating and Governance Committee meet the appropriate tests for independence as defined in the listing standards of the Nasdaq Stock Market;

Messrs. Emanuel and Simmons of the Audit Committee are designated to be audit committee financial experts, as that term is defined by the Securities and Exchange Commission (SEC);

The Audit Committee meets with management and the auditors to receive information concerning the design and operation of internal controls;

Grant Thornton LLP, our independent auditors, reports directly to the Audit Committee; and

On the recommendation of the Audit Committee, our Board of Directors has adopted a code of ethics for the principal executive officers and a compliance policy to allow for confidential and anonymous reporting to a compliance officer, who reports to the Audit Committee.

Our Board of Directors has adopted written charters for its Audit Committee, Compensation Committee, and the Nominating and Governance Committee that clearly establish their respective roles and responsibilities. Each charter provides that the respective committee is authorized to obtain advice and independently seek assistance from outside advisors.

We maintain a corporate governance page on our website, which includes key information about our corporate governance practices, including the charters for the Audit Committee, Compensation Committee, and Nominating and Governance Committee, as well as our compliance policy and code of conduct. The corporate governance page can be found at <http://www.srisurgical.com> by clicking on About Us, Investors then Corporate Governance.

Board Meetings and Committees of the Board

Our Board of Directors held nine meetings and took action by written consent four times during 2005. We invite the Board of Directors to our Annual Meeting of Shareholders, but do not require them to attend. Last year, all of the directors attended that meeting. Our Board of Directors has a standing Compensation Committee, Audit Committee and Nominating and Governance Committee.

Compensation Committee. The Compensation Committee, which currently consists of Messrs. Orsatti (chair), Simmons, and Emanuel, reviews specific compensation plans, salaries, bonuses, and other benefits payable to our executive officers and makes recommendations to the Board of Directors regarding those matters. The Compensation Committee held two meetings during 2005.

Audit Committee. The Audit Committee currently consists of Messrs. Emanuel (chair), Orsatti, and Simmons. Among other things, the Audit Committee selects and retains (subject to our shareholders' approval) the independent auditors, sets the independent auditors' compensation, reviews and evaluates the results and scope of the audit and other services provided by our independent auditors, reviews reports from management, legal counsel, and third parties relating to legal compliance, and establishes procedures for receipt and treatment of confidential, anonymous submissions by our employees of concerns regarding accounting, auditing, and internal controls matters. Our Board of Directors has approved a written charter for the Audit Committee, a copy of which is attached as Appendix A, which the committee reviews annually and updates as appropriate. During 2005, the Audit Committee held five meetings.

Nominating and Governance Committee. Our Nominating and Governance Committee, which consists of Messrs. Simmons (chair), Orsatti, and Emanuel, provides assistance to the Board of Directors in (a) identifying and recommending qualified director nominees; (b) evaluating the performance and effectiveness of the Board of Directors and its committees; and (c) evaluating and recommending corporate governance guidelines and practices. The Nominating and Governance Committee may, in its sole discretion, engage director search firms and may consult with outside advisors to assist it in carrying out its duties to the Company. The Nominating and Governance Committee has the sole authority to approve the fees and other retention terms with respect to any such firms. The Nominating and Governance Committee held two meetings during 2005.

To fulfill its responsibility to recruit and recommend to the full Board of Directors nominees for election as directors, the Nominating and Governance Committee reviews the composition of the full Board of Directors to determine the qualifications and areas of expertise needed to further enhance the composition of the Board of Directors and works with management in attracting candidates with those qualifications. Appropriate criteria for Board membership include the following:

Directors should be individuals of high integrity and independence and substantial accomplishments;

Directors should have demonstrated leadership ability and the ability to exercise sound business judgment; and

The background and experience of directors should be in areas important to our company, such as business, finance, operations, and healthcare industry experience.

The Nominating and Governance Committee considers candidates for director suggested by our shareholders, provided that the recommendations are made in accordance with the procedures required under applicable law and described in this Proxy Statement under the heading Requirements to Submit Proxy Proposals and Director Nominations. Shareholder nominations that comply with these procedures and that meet the criteria outlined above receive the same consideration that the Nominating and Governance Committee's nominees receive.

Compensation of Directors

Directors who are not our current employees receive \$1,000 for attendance at each meeting of the Board of Directors and each of its committees, and a quarterly retainer of \$6,000 under our Non-Employee Directors Compensation Plan. We describe the fees earned by non-employee directors during 2005 in the table below. We have since modified our compensation program for directors, which is described at the end of this section.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act (Section 16(a)) requires our officers and directors and persons who own ten percent or more of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the SEC and the National Association of Securities Dealers, Inc. Those officers, directors and ten percent or more shareholders are also required by SEC rules to furnish us with copies of all such forms that they file.

Based solely on our review of the copies of such forms received by us, we believe that during 2005, all Section 16(a) filing requirements applicable to our officers, directors, and ten percent or more shareholders were satisfied.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee is currently composed of Messrs. Orsatti (Chair), Simmons, and Emanuel. No member of the Compensation Committee is or was formerly an officer or an employee of the Company. No interlocking relationship exists between our Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

PROPOSAL NO. 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit Committee of our Board of Directors appointed the firm of Grant Thornton to audit our financial statements for the fiscal year ending December 31, 2006. A representative of Grant Thornton will be present at the Annual Meeting, have the opportunity to make a statement, and be available to respond to appropriate questions.

Fees Paid to Independent Auditors

The following table shows fees for services provided by Grant Thornton for fiscal years 2005 and 2004:

	2005	2004
Audit Fees ⁽¹⁾	\$ 241,348	\$ 158,884
Audit-Related Fees ⁽²⁾	11,645	13,653
Tax Services		
All Other Fees ⁽³⁾	7,503	
Total	\$ 260,496	\$ 172,537

(1) Audit Fees consist of fees for professional services rendered by Grant Thornton for 2005 and 2004 related to the audits of our financial statements and reviews of our interim financial statements included in our quarterly reports.

(2) Audit-Related Fees consist of fees billed or accrued for professional services rendered by Grant Thornton in 2005 and 2004 that are reasonably related to the performance of the audit or review and are not included in Audit Fees, including fees billed for Grant Thornton's review of our cycle counting procedures.

(3) All Other Fees consist of an SEC Comment Letter regarding the audit of our year-end financial statements.

The Audit Committee approves any non-audit services, including tax services.

Required Vote

The Audit Committee of the Board of Directors conditioned its appointment of our independent auditors upon the receipt of the affirmative vote of a majority of the shares represented, in person or by proxy, and voting at the Annual Meeting, which shares voting affirmatively also constitute at least a majority of the required quorum. In the event that the shareholders do not approve the selection of Grant Thornton, the appointment of the independent auditors will be reconsidered by the Audit Committee of the Board of Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, we met and held discussions with management and the independent auditors. Management represented to us that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. We discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, we received from the independent auditors the written disclosures and the letter relating to the independent auditors' independence, as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and we discussed with the independent auditors the auditors' independence from the Company and its management.

We discussed with the Company's independent auditors the overall scope and plan for their audit. We met with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, we recommended to the Board of Directors, and the Board has approved, including the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC.

The Audit Committee and the Board also have recommended, subject to shareholder approval, the selection of the Company's independent auditors for the year ended December 31, 2006 - see Proposal No. 2.

⁽¹⁾ In accordance with SEC rules, we used the binomial option pricing method to estimate the Grant Date Value of the options set forth in this table. Our use of this model should not be construed as an endorsement of its accuracy in valuing options. All stock options valuation models, including the binomial model, require a prediction about the future movement of our stock price. The following assumptions were made for purposes of collecting the original Grant Date Value: an option term of 3.18 years, volatility at 61.8%, no dividend yield, and an interest rate of 4.35%. The real value of the options in this table depends on the actual performance of our common stock during the applicable period.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have a procurement agreement with Standard Textile Co., Inc. under which we agree to purchase 90% of our reusable surgical products from Standard Textile through 2008. Standard Textile is one of our shareholders. During 2005, we purchased products from Standard Textile for approximately \$6.0 million.

Effective March 20, 2006, we entered into a Consulting Agreement with Wayne R. Peterson, a director, to provide advice on matters relating to operations and supply chain management, which is terminable at will by either party. Mr. Peterson has received \$1,000 per full day of service. As of July 31, 2006, Mr. Peterson has earned \$72,000 under the agreement. We anticipate that the consulting agreement will be continued under the same terms and conditions.

All transactions between us and our officers, directors, principal shareholders, and their affiliates are approved by a majority of the Board of Directors, including a majority of the disinterested outside directors on the Board of Directors, and will be on terms no less favorable to us than could be obtained from unaffiliated third parties.

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS**

The Compensation Committee of the Board of Directors has furnished the following report on the executive compensation program of the Company. Our Committee, which consists of the three independent directors listed at the end of this report, reviews and establishes specific compensation plans, salaries, option grants, and other benefits payable to our executive officers. Following our review and approval, we submit all issues pertaining to executive compensation to the entire Board of Directors for its review and approval.

Our primary objective with respect to executive compensation is to establish programs that attract and retain executives and align their compensation with the Company's overall business strategies, values, and performance. For executive officers and key managers, the Company grants stock options and restricted stock as a component of total consideration to closely align their interests with the shareholders' long-term interests. Further, in evaluating annual compensation of executive and key managers, we place a relatively heavy emphasis on equity compensation as a percentage of total compensation, consistent with its philosophy that stock incentives more closely align the interests of our managers with the long-term interests of shareholders.

The components of the Company's total compensation program for executives and key managers have been:

1. *Salary:* We intend base salary paid to executives to be competitive with that paid to comparable executives and to reflect consideration of an officer's experience, business judgment, and role in developing and implementing our overall business strategy. We determine salaries based on qualitative and subjective factors, and do not apply a specific formula to determine the weight of each factor.
2. *Bonuses:* Bonuses for executives are intended to reflect our belief that a significant portion of annual compensation should be contingent on the performance of the Company, as well as the executive's achievements measured against specific goals recommended by the Committee and approved by the Board of Directors. Bonuses are paid on an annual basis and are based on both quantitative and qualitative factors that the Board of Directors determines each year, such as Company financial performance targets and effective development and execution of corporate strategies. The Committee believes that approximately 70% of an executive's bonus should be contingent on the Company's achievement of financial performance targets, and approximately 30% of the bonus should be contingent on the satisfaction by the executive officer of qualitative objectives.
3. *Long-Term Stock Incentives:* Our equity plans provide for the grant to employees of incentive or nonqualified stock options or restricted stock. Grants to executives are designed to align a significant portion of the executive compensation package with the long-term interests of our shareholders by providing an incentive that focuses attention on managing the Company from the perspective of an owner with an equity stake in the business.

The Company did not meet the 2005 financial performance targets set by the Board of Directors. However, the Committee determined that Mr. Carlton, our Chief Executive Officer, had achieved specific qualitative goals during 2005. In accordance with the policies above, the Board of Directors approved the payment of a bonus to Mr. Carlton based on his achievement of those goals during 2005.

We generally limit equity awards to our senior executives and other key employees and managers who are in a position to contribute substantially to our growth and success. We grant stock options for terms up to ten years and design them to reward exceptional performance with a long-term benefit, facilitate stock ownership, and deter recruitment of our key personnel by competitors and others. Restricted stock grants align the employees' interests with those of our shareholders. In each case, vesting requirements encourage loyalty.

Since its inception, the Company's executive officers have held stock ownership or options that closely align their interests with its shareholders long-term interests, consistent with the compensation philosophies set forth above. We expect this close alignment to contribute to a renewal of the Company's growth and profitability.

APPENDIX A

AUDIT COMMITTEE CHARTER

The Audit Committee (the *Committee*) of the Board of Directors (the *Board*) of SRI/Surgical Express, Inc. (the *Company*) has the oversight responsibility, authority, and specific duties described in this Audit Committee Charter (the *Charter*).

Composition

The Committee will be comprised of three or more directors as determined by the Board. Each of the members of the Committee will meet the independence and experience requirements of the National Association of Securities Dealers (*NASD*), except to the extent permitted by *NASD* and authorized by the Board. All Committee members must be financially literate, and one member shall have accounting or related financial management expertise, both as provided in the *NASD* rules. The members of the Committee will be elected annually at the organizational meeting of the full Board held in May. The Board will elect one of the members of the Committee to be the Committee Chair.

Responsibility

The Committee is a part of the Board. Its primary function is to assist the Board in fulfilling its oversight responsibilities to the shareholders, potential shareholders, the investment community, and others with respect to (i) the annual financial information to be provided to shareholders and the Securities and Exchange Commission (the *SEC*); (ii) the system of internal controls that management has established; and (iii) the external audit process. In addition, the Committee provides an avenue for communication between the Board of Directors and the outside auditors and financial management. The Committee should have a clear understanding with the outside auditors that they must maintain an open and transparent relationship with the Committee, and that they are ultimately accountable to the Board and the Committee. The Committee will regularly report to the Board concerning its activities.

Although the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits, to prepare financial statements, or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles. This is the responsibility of management and the outside auditors. Nor is it the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the outside auditors, or to assure compliance with laws and regulations and the Company's business conduct guidelines.

Authority

Subject to the prior approval of the Board, the Committee is granted the authority to conduct or authorize investigations into any matters within its scope of responsibilities, including any matters involving financial accounting, financial reporting, or internal controls of the Company. In that regard, the Committee will have the authority to (1) retain or approve retention of such outside counsel, experts, and other advisors as it determines appropriate to assist in the full performance of its functions, including the conduct of any investigation, (2) create subcommittees who shall report to the Committee, and (3) access all books, records, facilities, and personnel of the Company. All employees will be directed to cooperate with respect thereto as requested by members of the Committee.

Meetings

The Committee is to meet at least four (4) times annually and as many additional times as the Committee deems necessary. The Committee Chair will determine or approve the agenda for each meeting. The Committee

is to meet in separate executive sessions with the chief financial officer and the outside auditors at least once each year and at other appropriate times. The Committee shall report to the full Board with respect to its meetings. The majority of the members of the Committee shall constitute a quorum.

Attendance

Committee members will use diligent efforts to attend all meetings. As necessary or desirable, the Committee Chair may request that members of management and representatives of the outside auditors attend Committee meetings.

Specific Duties

In carrying out its oversight responsibilities, the Committee will:

1. Review and reassess the appropriateness of this charter annually and recommend any proposed changes to the Board for approval.
2. Review and discuss with the Company's management and outside auditors the Company's accounting and financial reporting controls and internal audit procedures and discuss annually with the outside auditors their assessment as to the adequacy of those controls. The Committee will also review the Company's Compliance Policy and regularly meet with the compliance officer.
3. Review and discuss annually with management the fee arrangement with the outside auditors.
4. Review and discuss the written statement from the outside auditor delineating all relationships between the outside auditor and the Company or any other relationships that may adversely affect the independence of the outside auditor, and based on the review, assess the outside auditor's independence. If applicable, the Committee will consider whether the outside auditor's performance of information technology consulting and any other non-audit services is compatible with the outside auditor's independence.
5. At the completion of the annual audit, review and discuss with management and the outside auditors the following:

The scope and general extent of the outside auditors' annual audit and any accompanying management letters, including the outside auditors' explanation of the factors that the outside auditors considered in determining the audit scope and the major risk factors.

Significant changes to the audit plan, if any, cooperation received by the outside auditors during their audit, including access to all requested records, data and information, and any serious disputes or difficulties with management encountered during the audit or any limitations placed on the scope or nature of the audit procedures.

Significant accounting and reporting principles, practices, and procedures applied by the Company in preparing its financial statements and the outside auditors' judgment about the quality of the Company's accounting principles. If applicable, discuss changes during the year in accounting principles and their application.

The annual financial statements and related footnotes and financial information to be included in the Company's Form 10-K.

Results of the audit of the financial statements and the related report of the outside auditors on the financial statements.

If the Committee deems it appropriate after review and discussion, the Committee will recommend to the Board that the financial statements be included in the Company's Form 10-K.

6. After preparation by management and review by the outside auditors, approve the report required under SEC rules to be included in the Company's annual proxy statement.

A-2

7. Require that the outside auditors review the Company's interim financial statements prior to the quarterly filing of the Company's Form 10-Q in accordance with the procedures set forth in SAS 71 and require that the outside auditors discuss with the Committee or Committee chair and management any significant matters identified in the quarterly review and any other matters required to be communicated to the Committee by the outside auditors under generally accepted auditing standards. The Committee may, but is not required to, review these interim statements.
8. Discuss with the outside auditors the quality of the Company's financial and accounting personnel. Elicit comments of management regarding the responsiveness of the outside auditors to the Company's needs.
9. Meet with management and the outside auditors to discuss any relevant significant recommendations of the outside auditors, particularly those characterized as material or reportable.
10. Recommend to the Board the selection, retention, or termination of the Company's outside auditors.
11. As the Committee deems appropriate, obtain, weigh and consider expert advice as to Audit Committee-related rules of the NASD, Statements on Auditing Standards and other accounting, legal, and regulatory provisions.
