Item 3. Source and Amount of Funds or Other Consideration.

Dr. Borow used his personal funds to purchase 71,000 shares of common stock at various times between June 1996 and March, 2003 to acquire shares directly.

Dr. Borow purchased 460,000 shares of common stock on August 20, 2000 from Covalent Partners, LLC. Dr. Borow obtained the funds for that purchase in a loan from Covalent Partners, LLC. In connection with the loan, Dr. Borow signed a promissory note in favor of Covalent Partners, LLC in principal amount of \$1,380,000 which accrued interest at 7% per annum and was payable on August 21, 2005. The 460,000 shares purchased are collateral for the loan. On August 20, 2005, Dr. Borow and Richard D. Propper, M.D. the successor to Covalent Partners, LLC, amended the terms of the original promissory note. Pursuant to the terms of the amended promissory note, the principal amount of \$1,380,000 accrued simple interest at the prime rate plus 1% per annum and was payable on August 21, 2006. On October 17, 2006, Dr. Borow and Richard D. Propper, M.D. modified the terms of the amended promissory note which is included in this filing as Exhibit 99.2. On July 31, 2003, Dr. Borow delivered to the Issuer 118,127 shares of previously-acquired shares of common stock as payment of the exercise price of \$343,750 (based on the market price) for the purchase from the Issuer of 500,000 shares of common stock upon exercise of stock options previously granted by the Issuer to Dr. Borow. In connection with the exercise, Dr. Borow also delivered 22,305 shares of previously-acquired shares of common stock in satisfaction of his withholding tax obligations (aggregating approximately \$64,907) with respect to the non-qualified portion of the options. The sole purpose for the delivery of shares by Dr. Borow to the Issuer was to pay the exercise price and withholding tax obligations in order for Dr. Borow to exercise the options prior to their expiration a few days later.

Item 4. Purpose of Transaction.

Dr. Borow is the President and Chief Executive Officer and a Director of the Issuer and may buy and sell shares of common stock from time to time. In addition, he is eligible to participate in the Issuer's employee benefit plans, pursuant to which he may purchase common stock or receive grants of common stock or derivative securities and thereby become the beneficial owner of common stock. Dr. Borow acquired his shares of common stock for investment purposes and not with a purpose or effect of changing or influencing control of the Issuer or as a participant in any transaction having that purpose or effect.

Except as set forth above, Dr. Borow has no plans or proposals with respect to any of the matters set forth in paragraphs (a) through (j) of Item 4 of Schedule 13D.
