PROXY STATEMENT

General Information

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Private Media Group, Inc. (the Company or Private) for the Annual Meeting of Shareholders to be held on December 19, 2007 (the Annual Meeting) and any postponements or adjournments thereof. Any shareholder giving a Proxy may revoke it before or at the meeting by providing a proxy bearing a later date or by attending the meeting and expressing a desire to vote in person. All proxies will be voted as directed by the shareholder on the Proxy card; and, if no choice is specified, they will be voted (1) FOR the five directors nominated by the Board of Directors, and (2) in the discretion of the persons acting as Proxies, for any other matters.

Your cooperation in promptly returning the enclosed Proxy will reduce the Company's expenses and enable its management and employees to continue their normal duties for your benefit with minimum interruption for follow-up proxy solicitation.

Only shareholders of record at the close of business on November 9, 2007, are entitled to receive notice of and to vote at the meeting. On that date, the Company had outstanding 53,148,166 shares of Common Stock. The shares of Common Stock vote as a single class. Holders of shares of Common Stock on the record date are entitled to one vote for each share held. The presence at the Annual Meeting, either in person or by proxy, of the holders of one-third of the shares of Common Stock issued, outstanding and entitled to vote is necessary to constitute a quorum for the transaction of business.

A plurality of votes by the holders of the Common Stock is required for the election of directors. In accordance with Nevada law, abstentions and broker non-votes (i.e. proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. For purposes of determining approval of a matter presented at the meeting, abstentions will be deemed present and entitled to vote and will, therefore, have the same legal effect as a vote against a matter presented at the meeting. Broker non-votes will be deemed not entitled to vote on the matter as to which the non-vote is indicated and will, therefore, have no legal effect on the vote on such matter.

This Proxy Statement and the accompanying Notice of Annual Meeting and form of Proxy are being mailed or delivered to shareholders on or about November 26, 2007.

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitations of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares of Common Stock present in person or by proxy at the Annual Meeting. The persons named as proxies will vote in favor of such adjournment or adjournments.

The cost of preparing, assembling, printing, and mailing the materials, the Notice and the enclosed form of Proxy, as well as the cost of soliciting proxies relating to the Annual Meeting, will be borne by the Company. The Company will request banks, brokers, dealers, and voting trustees or other nominees to

forward solicitation materials to their customers who are beneficial owners of shares, and will reimburse them for the reasonable out-of-pocket expenses of such solicitations. The original solicitation of Proxies by mail may be supplemented by telephone, telegram, personal solicitation or other means by officers and other regular employees or agents of the Company, but no additional compensation will be paid to such individuals on account of such activities.

PLEASE MARK, DATE AND SIGN THE ENCLOSED PROXY AND RETURN IT AT AN EARLY DATE IN THE ENCLOSED POSTAGE PREPAID RETURN ENVELOPE SO THAT, IF YOU ARE UNABLE TO ATTEND THE ANNUAL MEETING, YOUR SHARES MAY BE VOTED.

PROPOSAL NO. 1**ELECTION OF FIVE NOMINEES FOR DIRECTOR****Nominees and Voting**

The Bylaws of the Company authorize a Board of Directors of five directors. Consequently, at the Annual Meeting five directors will be elected to serve until the next Annual Meeting and until their successors are elected and qualified. Proxies may not be voted for more than five persons. The Company has nominated for election as directors the five persons named below. Each of these nominees has indicated that they are able and willing to serve as directors.

Under Nevada law and the Company's Articles of Incorporation, shareholders of record on the record date will be entitled to one vote for each share held when voting for directors.

Unless otherwise instructed, the Company's Proxy holders intend to vote the shares of Common Stock represented by the Proxies in favor of the election of these nominees. If for any reason any of these nominees will be unable or unwilling to serve, the shares represented by the enclosed Proxy will be voted for the election of the balance of those named and such other person or persons as the Board of Directors may recommend. The Board of Directors has no reason to believe that any such nominee will be unable or unwilling to serve. Directors are elected by a plurality of the votes cast.

The Company's nominees and directors are listed below, together with their ages, offices with the Company and year in which each became a director of the Company.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION OF THE FIVE NOMINEES FOR DIRECTOR.

Mr. Torralba holds a Degree in Information Technology from Escola D'informàtica d'Andorra.

Meetings and Committees of the Board of Directors

The Board of Directors currently has two committees: (i) an Audit Committee, and (ii) a Compensation Committee. The Board of Directors does not have a formal nominating committee, and all decisions regarding director nominations are addressed by the entire Board of Directors.

Under applicable Nasdaq listing rules the Company is a controlled company as Berth Milton beneficially owns more than 50% of the Company's Common Stock. Therefore, the Company is exempt from Nasdaq Marketplace Rules which require that (i) compensation of executive officers be determined by either a majority of the independent directors or a compensation committee comprised solely of independent directors, and (ii) nomination of directors be made by either a majority of independent directors or a committee comprised solely of independent directors.

The Company's Board of Directors met five times during 2006 (including actions by unanimous written consent). No director attended less than 75% of the aggregate of all meetings of the Board of Directors and all Committees on which he served during the 2006 fiscal year.

All of the members of the Board of Directors are independent as defined in Nasdaq Marketplace Rule 4200 other than Berth Milton, who is the Company's Chief Executive Officer.

The Audit Committee is currently comprised of Lluís Torralba, Johan Carlberg and Daniel Sánchez. All of the members of the Audit Committee are independent as defined in applicable Nasdaq listing requirements and SEC regulations, and each of them is able to read and understand fundamental financial statements. The Board has determined that Daniel Sánchez is an audit committee financial expert as defined

under applicable SEC regulations. The Audit Committee reviews and recommends to the Board, as it deems necessary, the internal accounting and financial controls for the Company and the accounting principles and auditing practices and procedures to be employed in preparation and review of financial statements of the Company. The Audit Committee makes recommendations to the Board concerning the engagement of independent public accountants and the scope of the audit to be undertaken by such accountants. The Audit Committee has adopted a written Audit Committee Charter. The Audit Committee met five times during 2006.

The Compensation Committee is currently comprised of Berth Milton. The Compensation Committee reviews and, as it deems appropriate, recommends to the Board policies, practices and procedures relating to the compensation of the officers and other managerial employees and the establishment and administration of employee benefit plans. It exercises all authority under any employee stock option plans of the Company as the Committee therein specified, subject to the review and approval of the Board of Directors, and advises and consults with the officers of the Company as may be requested regarding managerial personnel policies. The Compensation Committee also has such additional powers as may be conferred upon it from time to time by the Board. The Compensation Committee met twice during 2006.

The Board has not established a formal nominating committee, nor has the Board adopted a nominating committee charter. Therefore, decisions relating to the nomination of directors are addressed by the entire Board of Directors. The Board has not established any specific minimum qualifications that must be met for recommendation for a position on the Board. Instead, in considering candidates for director, the Board will generally consider all relevant factors, including among others the candidate's applicable expertise and demonstrated excellence in his or her field, the usefulness of such expertise to the Company, the availability of the candidate to devote sufficient time and attention to the affairs of the Company, the candidate's reputation for personal integrity and ethics and the candidate's ability to exercise sound business judgment. Other relevant factors, including diversity, age and skills, will also be considered. Candidates for director are reviewed in the context of the existing membership of the Board (including the qualities and skills of the existing directors), the operating requirements of the Company and the long-term interests of its shareholders. The Board uses its network of contacts when compiling a list of potential director candidates and may also engage outside consultants (such as professional search firms). At this time, the Board does not consider director candidates recommended by shareholders. The Board believes that it is in the best position to identify, review, evaluate and select qualified candidates for Board membership. All of the Company's nominees for director at the 2007 Annual Meeting were approved by the entire Board of Directors.

Shareholder Communications with the Board of Directors

A shareholder may contact one or more of the members of the Board of Directors in writing by sending such communication to the Secretary at the Company's address. The Secretary will forward shareholder communications to the appropriate director or directors for review. Anyone who has a concern about the conduct of the Company or the Company's accounting, internal accounting controls or auditing matters, may communicate that concern to the Secretary, the Chairman of the Board or any member of the Board of Directors at the Company's address. The Company encourages individual directors to attend the Annual Meeting. At the Company's 2006 Annual Meeting one of the Company's directors, Berth Milton, was in attendance. We believe the Company's responsiveness to shareholder communications to the Board has been adequate.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Executive Compensation Policy and Objectives

Our policy in compensating executive officers, including the executive officers named in the Summary Compensation Table appearing below (the named executive officers), is to establish methods and levels of compensation that will

attract and retain highly qualified personnel

provide meaningful incentives to promote profitability and growth and reward superior performance.

To achieve these policies Private follows the basic principles that annual compensation should be competitive with similar companies and long term compensation should generally be linked to Private's return to shareholders. Private also believes that compensation for individual executives should be aligned to the performance of areas of the business over which the executive has the most control.

Executive compensation policies are implemented through a combination of annual and long-term methods of compensation. Compensation for the named executive officers includes

base salary,

eligibility to receive annual cash bonuses, and

stock-based compensation in the form of stock options under the employee stock option plan.

These primary components are available for flexible use by Private in a manner that will effectively implement our stated objectives with respect to compensation arrangements for each of the executive officers. Each of these components is discussed in more detail below. When setting the compensation arrangements for each executive officer, the Compensation Committee considers these components individually, as well as on an aggregate (total compensation) basis. There is no pre-determined relationship between base salary of our executives and any of the other principal components of compensation. Each element of compensation is considered both individually and in terms of total overall compensation.

Primary Components of Executive Compensation.

Base Salary

The base salaries of our executive officers are set by the Compensation Committee (and in the case of the CEO, ratified by the independent directors) after consideration of a number of factors, including the executive's position, level of responsibility, tenure and performance. The Compensation Committee also considers the compensation levels of executives in comparable companies, along with the executive compensation recommendations made by our chief executive officer. In addition, the Compensation Committee evaluates whether the base salary levels of our executives are appropriate relative to our size and financial performance compared with the other companies reviewed. Relying primarily on these factors, the Compensation Committee sets the base salaries of our executive officers at levels designed to meet its objective of attracting and retaining highly qualified individuals. The Compensation Committee also believes that the continuity of leadership derived from the retention of well qualified executive officers is in the best interests of our shareholders. The base salaries of our executive officers are not set at any specific level as compared to the compensation levels of companies reviewed and the Compensation Committee does not assign relative weights or importance to any specific measure of the company's financial performance. During 2006, base salary accounted for all the named executive officers' direct cash compensation.

Annual Cash Incentive Payment

The Compensation Committee considers the use of annual performance bonuses from time to time where appropriate, to motivate participants to achieve company growth and enhance shareholder value. The incentive bonus plan permits plan participants to receive a cash bonus that is tied to the company's financial performance during a specified fiscal year. We do not presently have in effect an annual cash bonus plan in effect with respect to any of the named executive officers. However, we have implemented a bonus arrangement for our Chief Operating Officer, Peter Cohen, effective for fiscal year 2007. Information regarding this bonus plan is contained elsewhere in this Proxy Statement under the heading Employment Contracts, Termination of Employment Contracts and Change in Control Arrangements.

Long-Term Equity Based Compensation Awards

To date we have relied upon cash flow from operations as our principal source of working capital. As a result, we have placed special emphasis on equity-based compensation, in the form of options, to preserve our cash for operations. Long-term equity based compensation awards are granted to our executive officers pursuant to our employee stock option plan. The Compensation Committee believes that long-term equity based compensation awards are an effective incentive for senior management to increase the long-term value of the company's common stock as well as aiding the company in attracting and retaining senior management. These objectives are accomplished by making awards under the plan, thereby providing senior management with a proprietary interest in the continued growth and performance of the company and more closely aligning their interests with those of our shareholders. In addition, because options generally terminate within 90 days after the date an executive leaves the company (other than because of disability or retirement at age 65 or older), we believe that options are a useful incentive in promoting the retention of executives.

All determinations regarding the granting of options, including the amount, exercise price and terms of vesting, are made by the Compensation Committee after seeking input from management, subject to the approval of the full Board of Directors acting as the option committee under the employee stock option plan. The Compensation Committee makes long-term equity based compensation awards after a review of a number of factors, including length of service, the performance of the company, the relative levels of responsibility of the executive and his or her contributions to the business, including recommendations of supervisors, and prior option grants received by the executive. Awards may be granted to the same executive on more than one occasion.

Stock option grants may be subject to a vesting period based upon continued employment during the option term or may fully vest upon grant. The Compensation Committee may make grants at any particular time during the year, and the full board of directors approves such grants. The exercise price of the options must be at least equal to the fair market value of such shares on the date the stock option is granted or such later date as the option committee specifies.

No options were granted to any of the named executive officers in 2006, as their current levels of overall compensation were considered adequate.

Other Benefits

We provide all eligible employees, including executive officers, with certain benefits, including paid time off and paid holiday programs. We do not presently maintain any deferred compensation or retirement plans.

Employment Agreements. We do not have employment agreements with any of our named executive officers and generally do not enter into long-term employment agreements with our executive officers.

Severance Agreements. We generally do not enter into severance agreements or similar agreements providing for payments upon termination of employment or change-in-control. Such agreements, when entered into, are negotiated on a case-by-case basis. We have not entered into any severance agreements or termination agreements with any of the named executive officers.

The following table summarizes all compensation paid to (i) our Chief Executive Officer and Chief Financial Officer serving during 2006, (ii) our other most highly compensated executive officers who were serving in such capacity at the end of 2006, other than the Chief Executive Officer and Chief Financial Officer, whose total compensation exceeded \$100,000 in 2006, and (iii) our former Chief Operating Officer and Chief Marketing Officer (the named executive officers), for services rendered in all capacities to Private Media Group for the fiscal year ended December 31, 2006. No other executive officer earned compensation in excess of \$100,000 in 2006.

CERTAIN RELATIONSHIPS AND RELATED PARTY MATTERS

Certain Relationships

No Director or executive officer of Private Media Group is related to any other Director or executive officer. None of our officers or Directors holds any directorships in any other public entity. There are currently four outside directors on our Board of Directors.

Related Transactions

Following is a description of transactions involving more than \$120,000 since January 1, 2006, between us and our directors, nominees, executive officers, or members of their immediate family.

In December 2001 we borrowed \$4.0 million from Commerzbank AG pursuant to a Note originally due December 20, 2002 in order to expand our product portfolio. Subsequently the maturity of the Note was extended to March 2003. The Note bears interest at an annual rate of 7%, payable quarterly, with the entire principal amount and accrued interest due on maturity. The Note is prepayable in full upon the sale of equity by us. Upon the Note becoming prepayable, we are required to repay the entire principal amount of the Note together with the greater of (1) accrued interest payable on the Note or (2) a prepayment premium equal to \$200,000. The Note is secured by a guaranty from Slingsby Enterprises and a pledge by Slingsby Enterprises of 4,950,000 shares of common stock. The lender and Slingsby Enterprises have also agreed that if the Note remains unpaid at maturity, Commerzbank may elect to exchange the Note for common stock owned by Slingsby Enterprises with a value of \$5.0 million. In April 2003 the Note was acquired by Consipio Holding b.v. from Commerzbank AG, and Consipio and Private reached an agreement-in-principle with Consipio to extend the maturity of the Note for five years, with interest on the Note being increased to 9.9% per annum. However, we have been unable to reach final agreement with Consipio on other terms and conditions relating to the restructured Note. Accordingly, in December 2003 Consipio notified Private and Slingsby Enterprises that Private was in default under the Note, and demanded immediate payment of the outstanding principal under the Note. We continue to make all regularly scheduled interest payments on the Note and believe that we have valid defenses to the demand for immediate repayment of the Note, should Consipio seek to enforce immediate repayment. As of December 31, 2006, the outstanding principal under the Note was EUR 2.1 million. In any event, we do not believe that the acceleration of the Note by Consipio, if not rescinded, will have a material adverse effect on us, as the Note is fully collateralized by 4,950,000 shares of Private Media Group, Inc. common stock pursuant to the guaranty agreement from Slingsby. Slingsby Enterprises is beneficially owned by Berth H. Milton, Chairman of our Board of Directors and CEO.

We have short-term loans to Slingsby Enterprises Limited, an entity controlled by Mr. Milton. The loans bear interest at the rate of EURIBOR+1% per annum and have no maturity date. During 2006 the highest amount outstanding was EUR 6.4 million. As of December 31, 2006, EUR 6.4 million remained outstanding on these loans, including interest.

In May 2003 Euro 1.65 million of a related party note payable was re-financed by an institutional lender at the same interest rate as on the note payable, EURIBOR + 1%. The loan is repayable in equal monthly installments over a four year period starting June 29, 2004. The loan is guaranteed by the Company's principal shareholder and affiliates of the Company's principal shareholder.

The foregoing transactions are believed to be on terms no less favorable to us than we could obtain from unaffiliated third parties on an arms-length basis.

Review and Approval of Related Party Transactions

Our Audit Committee is responsible for the review and approval of all related party transactions required to be disclosed to the public under SEC rules. This procedure, which is contained in the written charter of our Audit Committee, has been established by our Board of Directors in order to both meet the requirements of applicable Nasdaq rules requiring review and approval of related party transactions, and to serve the interests of our shareholders. In addition, we maintain a written Code of Ethics which requires all employees, including our officers, to disclose to the Audit Committee any material relationship or transaction that could reasonably be expected to give rise to a personal conflict of interest. Related party transactions are reviewed and approved by the Audit Committee on a case-by-case basis. Under existing, unwritten policy no related party transaction can be approved by the Audit Committee unless it is first determined that the terms of such transaction is on terms no less favorable to us than could be obtained from an unaffiliated third party on an arms-length basis and is otherwise in our best interest.

CODE OF ETHICS

The Company has adopted a code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and persons performing similar functions. The code of ethics is filed as Exhibit 14.1 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003. The Company intends to satisfy the disclosure requirements under Form 8-K regarding an amendment to or waiver from our code of ethics, by posting the required information on our corporate Internet website at www.prvt.com or as otherwise permitted under applicable law.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon a review of Forms 3, 4 and 5 furnished to the Company covering its 2006 fiscal year filed under Section 16(a) of the Securities Exchange Act of 1934, the Company's officers and directors complied with the reporting requirements under Section 16(a) for the 2006 fiscal year except for Peter Cohen, who failed to file a single Form 3, Johan Carlberg who filed a single late Form 4 reporting the acquisition of 3,000 stock options, Daniel Sánchez who filed a single late Form 4 reporting the acquisition of 10,000 stock options, and Lluís Torralba who failed to file a single Form 4 reporting the acquisition of 8,000 stock options.
