Item 1.01. Entry into a Material Definitive Agreement

On November 19, 2007, Cardinal Health Funding, LLC (Funding), a wholly-owned receivables financing subsidiary of the Company, entered into a third amendment and restatement of its receivables purchase agreement (the Receivables Purchase Agreement), with Griffin Capital, LLC (Griffin Capital), as servicer, Variable Funding Capital Company, LLC (Variable), Victory Receivables Corporation (Victory), Windmill Funding Corporation (Windmill), Wachovia Bank, National Association, The Bank of Tokyo-Mitsubishi UFJ, Ltd., acting through its New York Branch, The Bank of Tokyo-Mitsubishi UFJ, Ltd., New York Branch, as managing agent, ABN AMRO Bank N.V., individually and as managing agent, and Wachovia Capital Markets, LLC, as agent, amending and extending the \$850 million revolving receivables purchase facility thereunder (the Facility) for an additional 364 days. In connection with this third amendment and restatement, certain of the parties to the Receivable Purchase Agreement have changed and the Facility was increased from \$800 million to \$850 million.

In connection with the Facility, Cardinal Health 411, Inc. and Cardinal Health 110, Inc. (the Originators) have sold their existing and future trade receivables to the Company s wholly-owned subsidiary, Griffin Capital, which, in turn, has sold and contributed those receivables to Funding, in each case, in transactions intended to constitute true sales or capital contributions. Funding then transfers undivided percentage interests in such receivables to Variable, Victory and Windmill or their liquidity banks in exchange for cash of up to 77.5% of the outstanding balance of all receivables defined as eligible thereunder. Pursuant to a Second Amended and Restated Performance Guaranty, dated as of June 20, 2007 (the Performance Guaranty), the Company has guaranteed to Funding and its assigns performance of the Originators and Griffin Capital s obligations, as a seller or servicer, under the documents associated with the Facility.

The Receivables Purchase Agreement contains customary amortization events including failure to make timely payments or deposits under the Facility, misrepresentations, cross-defaults to other material debt and credit agreements, breach of covenants, failure of the receivables to meet certain performance ratios, certain changes of control of the Company or any of its affiliates that are parties to the Facility documents, termination of receivables sales by either the Originators or Griffin Capital, certain bankruptcy events, unenforceability or breach of the Performance Guaranty, and entry of certain unsatisfied and unstayed judgments against the Company or any of its affiliates that are parties to the Facility documentation.

From time to time, the financial institutions that are parties to the Receivables Purchase Agreement or their affiliates have performed, and may in the future perform, various commercial banking, investment banking and other financial advisory services for the Company and its affiliates for which they have received, and will receive, customary fees and expenses. In particular, Wachovia Bank, National Association, The Bank of Tokyo-Mitsubishi UFJ, Ltd. and ABN AMRO Bank N.V. or their affiliates currently act as members of the lending syndicate under the Company s credit agreement. Wachovia Bank, National Association also participates as a dealer under the Company s commercial paper program.

The Receivables Purchase Agreement is filed as Exhibit 10.1 to this report and the foregoing description is qualified by reference to the full text of the agreement set forth in the exhibit.
