Mosaic s Board of Directors has adopted a charter for the Special Transactions Committee which provides that the Special Transactions Committee will oversee transactions between Mosaic and Cargill with the objective that such transactions be fair and reasonable to Mosaic, with arm s length terms and conditions. Pursuant to the Investor Rights Agreement and the Special Transactions Committee s charter, the Special Transactions Committee may delegate all or a portion of its duties in respect of the review and approval of such transactions to a committee of senior management, a subcommittee of the Special Transactions Committee, or the Chairman of the Special Transactions Committee. The Special Transactions Committee has approved a policy implemented by Mosaic known as Guidelines for Related Party Transactions with Cargill, Incorporated (the Guidelines), whereby the Special Transactions Committee has delegated approval authority for certain transactions with Cargill to an internal committee comprised of senior managers of Mosaic. The internal management committee is required to report its activities to the Special Transactions Committee on a periodic basis.

Pursuant to the Guidelines, the following transactions, arrangements or agreements (or series of related transactions) with Cargill must be approved by the Special Transactions Committee:

agreements or relationships which require payment by Mosaic or Cargill, as the case may be, of \$2 million or more to the other party during any fiscal year of the Company;

multi-year commitments (i.e., contracts with terms of greater than one year);

evergreen contracts (i.e., contracts with annual renewal clauses or no stated contract term);

renewals of commercial agreements previously requiring Special Transactions Committee approval; and

licenses or other arrangements involving any material intellectual property of Mosaic.

The review and approval of transactions, arrangements or agreements (or series of related transactions) which do not meet any of the criteria set forth above have been delegated by the Special Transactions Committee to Mosaic s internal management committee.
