Item 1.01. Entry Into a Material Definitive Agreement.

On May 20, 2008, Odyssey Marine Exploration, Inc. (Odyssey) and JWM Productions, LLC (JWM) entered into an Expedition Agreement (the Agreement) pursuant to which Odyssey granted JWM the exclusive right to film Odyssey s 2008 search explorations in Odyssey s Atlas search area and to thereafter produce a shipwreck exploration television series. JWM is a Primetime Emmy® Award-winning television production company specializing in culture, natural history, science, and children s programming. Pursuant to a separate Network Agreement between JWM and Discovery Channel (the Network Agreement), JWM has agreed to produce a series of non-fiction television programs that will follow Odyssey s operations aboard its two vessels, the *Odyssey Explorer* and the *Ocean Alert*, during Odyssey s expeditions in the Atlas search area. Odyssey is not a party to the Network Agreement; however, the Network Agreement is based upon the Agreement between Odyssey and JWM. Odyssey expects Discovery Channel to premiere the 11-part high-definition series to worldwide audiences in 2009.

The Agreement is for an initial term of 12 months and provides JWM an option to extend the term for seven additional consecutive one-year terms. The Agreement provides JWM with exclusive access to film Odyssey s operations in the Atlas search area and certain other locations as needed for JWM to complete filming for the series. It also provides JWM with limited use of Odyssey s resources for production of the series and certain rights of first negotiation for similar projects during specified periods following the term of the Agreement. With certain permitted exceptions, Odyssey has agreed not to produce similar programming during the term of the Agreement.

The Agreement provides for JWM to pay a variable annual fee for each contract year during the term of the Agreement that is based upon the number of days filming expeditions or supporting activities. Based upon certain assumptions, the annual fee to be paid to Odyssey during the first contract year is projected to be over \$2 million and is payable in four unequal installments in June, July, and September 2008, with the final amount to be paid following completion of all filming scheduled during the first contract year and final reconciliation of all amounts due to Odyssey.

Odyssey and JWM agreed to share equally in the adjusted gross revenue, if any, generated by Odyssey from the sale of merchandise, print publications, or from dramatic motion pictures or television productions, in each case including only those items related specifically to the series, but excluding those items relating to certain specified shipwreck sites.

Item 8.01. Other Events.

On May 27, 2008, Odyssey issued a press release relating to the Agreement. The press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
