See Exhibit 99.7.

No other changes or modifications have been made to these financial statements, except with respect to recent events related to the Company's financing plans, debt covenant compliance and the Company's assessment about its ability to continue as a going concern if the Company's funding needs are not addressed, which have been included under the heading Liquidity and Management's Plans in Note 1 to each of the respective financial statements filed herein.

Investors should read the information contained in this Current Report on Form 8-K together with the other information contained in the 2007 10-K and the 2008 10-Qs.

In connection with the commencement of the exchange offer, the Company is also providing certain recent developments of the Company and updating certain disclosures appearing under the headings Risk Factors contained in its 2007 10-K and its 2008 10-Qs. Fiscal 2008 Earnings Release

The Company currently expects to issue a press release announcing its financial results for the fourth quarter and year ended December 31, 2008 on March 5, 2009. The Company currently expects net revenue for the three month period ended December 31, 2008 to be consistent with the outlook previously issued by the Company for the three month period ended December 31, 2008 of \$78.0 to \$80.0 million. The Company also currently expects broadcast cash flow for the three month period ended December 31, 2008 to be consistent with the outlook previously issued by the Company for the three month period ended December 31, 2008 of \$34.0 to \$35.0 million. In addition, the Company currently expects Adjusted EBITDA for the three month period ended December 31, 2008 to be consistent with the outlook previously issued by the Company for the three month period ended December 31, 2008 of \$29.8 to \$30.5 million.

The Company expects to record an impairment charge of approximately \$20 million to \$30 million for the three month period ended December 31, 2008 to reflect the reduction in value of the Company's network affiliations, FCC license and goodwill.

Edgar Filing: NEXSTAR BROADCASTING GROUP INC - Form 8-K

Adjusted EBITDA is calculated as broadcast cash flow less corporate expenses. Broadcast cash flow is calculated as income from operations plus corporate expenses, plus non cash contract termination fees, non cash intangible asset impairment charges, depreciation, amortization of intangible assets and broadcast rights (excluding barter), loss (gain) on asset exchange and loss (gain) on asset disposal, net, minus broadcast rights payments. The Company is unable to provide its net income (loss) at this time because the Company is still determining the amount of an impairment charge and its related impact to its tax provisions. Therefore, the Company is unable at this time to provide a reconciliation of Adjusted EBITDA to net income (loss).

Attached as Exhibit 99.2 to this Current Report on Form 8-K and incorporated by reference herein are the consolidated balance sheets of the Company at December 31, 2007 and 2006 and the related consolidated statements of operations, consolidated statements of changes in stockholders' deficit, and consolidated statements of cash flows for each of the three years in the period ended December 31, 2007, and related notes, together with the Report of Independent Registered Public Accounting Firm with respect to such financial statements.
