Item 2.02. Results of Operations and Financial Condition

On April 27, 2009, Hanesbrands Inc. (Hanesbrands) issued a press release announcing its financial results for the first quarter ended April 4, 2009. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K. Exhibit 99.1 is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act), nor shall Exhibit 99.1 be deemed incorporated by reference in any filing under the Securities Act of 1933 (the Securities Act) or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Exhibit 99.1 contains disclosures about earnings per diluted share excluding actions, operating profit excluding actions, operating profit margin excluding actions, selling, general and administrative expenses excluding actions, gross profit excluding actions, net income excluding actions and EBITDA, all of which are considered non-GAAP performance measures. Hanesbrands has chosen to provide these performance measures to investors to enable them to perform additional analyses of past, present and future operating performance and as a supplemental means of evaluating Hanesbrands operations. The non-GAAP information should not be considered a substitute for financial information presented in accordance with GAAP, and may be different from non-GAAP or other pro forma measures used by other companies.

Item 2.05. Costs Associated with Exit or Disposal Activities

On April 27, 2009, Hanesbrands approved certain actions in furtherance of its efforts to execute its consolidation and globalization cost-reduction strategy. Hanesbrands has approved the closing of a distribution facility in the United States, which will result in the termination of approximately 240 employees. Operations at the facility are expected to cease by the first quarter of 2010. Hanesbrands also approved the termination of approximately 250 employees in management functions, the majority of which are located in the United States. As a result of these actions, Hanesbrands expects to recognize gross restructuring and related charges totaling approximately \$15 million before income taxes. These charges, which are primarily cash charges, primarily relate to severance costs and lease termination costs. Substantially all of the charges will be recognized in the second quarter ending July 4, 2009.
