**Attention CF Industries Stockholders:**

# TIME IS RUNNING OUT

Agrium's exchange offer to acquire all outstanding shares of CF Industries Holdings, Inc. for \$40.00 in cash and one common share of Agrium for each CF share expires on June 22nd.

Agrium's offer is currently worth \$88.20 per CF share, representing a premium of 59 percent to CF's closing price on February 24, 2009, the day before Agrium announced its initial proposal, and 74 percent to the 30-day volume weighted average price through that date.

Our offer is far superior to any alternative articulated by CF which has had almost four months to either find a superior alternative transaction or to convince its shareholders that the Agrium bid is not in their best interests, says RiskMetrics Group (ISS), the leading independent proxy advisory firm.

## THIS IS YOUR LAST CHANCE TO SEND A MESSAGE TO THE CF BOARD

Agrium is ready to meet immediately with CF and is prepared to execute a fully financed, binding merger agreement. Tendering your shares into Agrium's exchange offer is the only way for you to send an unambiguous message to CF's Board that you support this transaction with Agrium.

We have made our best and final offer unless CF demonstrates new value. To be clear, we will walk and there will be no deal unless a compelling majority of shares is tendered.

## RISKMETRICS (ISS) RECOMMENDS CF STOCKHOLDERS TENDER THEIR SHARES

In its June 16<sup>th</sup> report, RiskMetrics recommends that CF stockholders tender their shares, noting that Agrium's offer:

- o Represents a significant premium and is in line with precedent deal valuations.
- o Provides CF stockholders the opportunity to participate in any cycle upside from the higher base provided by the offer premium.
- o Values CF at higher trailing and forward multiples than CF's offer values Terra.

Not surprisingly, RiskMetrics also expresses concerns about the accountability of the CF board going forward given the extraordinary nature of the CF board's end run around its own shareholders in its offer for Terra. **HOLD CF ACCOUNTABLE:**
