Item 8.01 Other Events.

On July 1, 2009, Visa Inc. (Visa) issued a press release announcing that Visa International, its wholly-owned subsidiary, sold 136,478,372 shares of Companhia Brasileira de Meios de Pagamento (VisaNet do Brasil), in connection with VisaNet do Brasil s June IPO. Visa s proceeds from the sale, net of underwriter discounts and fees, are approximately US\$1 billion based on current exchange rates. Of the \$1 billion in proceeds, the Company will retain about half after applicable taxes. Visa will record a GAAP gain from the sale in the quarter ended June 30, 2009, net of tax, of approximately \$235 million. The gain reflects Visa International s recorded book value of \$535 million, which is comprised of a cash investment of \$18 million made in April 2008 and \$517 million recorded through GAAP purchase accounting treatment as part of Visa s reorganization in October 2007.

A copy of the press release issued on July 1, 2009 is attached as Exhibit 99.1 to this Current Report on Form 8-K. All information in the press release is furnished but not filed.

As previously announced, Visa has initiated a program to allow its class C stockholders to apply for an early termination of the transfer restrictions applicable to class C shares, for up to 30% of the class C shares held by each such stockholder as of July 1, 2009, subject to certain terms and conditions. The release of the transfer restrictions does not increase the number of Visa s outstanding shares and there is no dilutive effect to the outstanding share count from these transactions. The remaining class C shares will continue to be subject to the general transfer restrictions that expire on March 25, 2011 under Visa s Certificate of Incorporation. In order to participate in the program, class C stockholders will need to apply to Visa s transfer agent between July 1 and September 30, 2009. Instructions for participating in the program, including its terms and conditions, were made available to Visa s class C stockholders in June 2009, and are available at <http://investor.visa.com/phoenix.zhtml?c=215693&p=classshareholders>.
