INDENTURE SECURITIES

8. Analysis of Indenture Provisions

The 5.50% Notes will be issued under the Indenture, dated as of September 10, 2002 (the "Indenture"), entered into between the Company and The Bank of New York Mellon Trust Company, N.A. (successor to J.P. Morgan Trust Company, National Association), as trustee (the "Trustee"), as modified by the Supplemental Indenture, dated June 30, 2009 (the "Supplemental Indenture"). The following analysis is not a complete description of the provisions of the Indenture as modified by the Supplemental Indenture, and is qualified in its entirety by reference to the terms of the Indenture and the Supplemental Indenture, which are attached as Exhibits T3C-1 and T3C-2 hereto respectively, and the Form of 5.50% Subordinated Notes due 2015, which is attached as Exhibit T3C-3, each of which is incorporated by reference herein. Capitalized terms used below but not defined herein have the meanings assigned to them in the Indenture.

(a) Events of Default; Withholding of Notice

The following is an event of default under the Indenture:

our filing for bankruptcy or the occurrence of certain other events of bankruptcy, insolvency or reorganization relating to us or any major constituent bank.

The following is a default under the Indenture:

failure to pay principal of or any premium on the 5.50% Notes when due;

failure to pay any interest on the 5.50% Notes when due and that default continues for 30 days;

failure to deposit any sinking fund payment, when and as due by the terms of the 5.50% Notes;

failure to perform any other covenant in the Indenture and that failure continues for 60 days after written notice to us by the Trustee or the holders of at least 25% in aggregate principal amount of the outstanding 5.50% Notes; and

any event of default.

If an event of default occurs and is continuing, either the Trustee or the holders of at least 25% in aggregate principal amount of the 5.50% Notes then outstanding may accelerate the maturity of the 5.50% Notes. After acceleration, but before a judgment or decree based on acceleration, the holders of a majority in aggregate principal amount of outstanding 5.50% Notes may, under circumstances set forth in the Indenture, rescind the acceleration if we have deposited monies on account of certain overdue amounts with the Trustee.

If a default occurs that is not also an event of default with respect to the 5.50% Notes, neither the Trustee nor the holders of the 5.50% Notes may act to accelerate the maturity of the 5.50% Notes. However, if a default occurs, the Trustee may proceed to enforce any covenant and other rights of the holders of the 5.50% Notes, and if the default relates to our failure to make any payment of interest when due and payable and such default continues for a period of 30 days or such default is made in the payment of the principal or any premium at its maturity, then the Trustee may demand payment of the amounts then due and payable and may proceed to prosecute any failure on our part to make such payments.

Subject to the provisions of the Indenture relating to the duties of the Trustee in case an event of default shall occur and be continuing, the Trustee is under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the holders of the 5.50% Notes, unless the holders of the 5.50% Notes shall have offered to the Trustee reasonable indemnity. Subject to such provisions for the indemnification of the Trustee, the holders of a majority in aggregate principal amount of the 5.50% Notes will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the

Trustee.

Table of Contents

Before holders of the 5.50% Notes may take any action to institute any proceeding relating to the Indenture, or to appoint a receiver or a Trustee, or for any other remedy, each of the following must occur:

the holder must have given the Trustee written notice of a continuing event of default or defaults;

the holders of at least 25% of the aggregate principal amount of all 5.50% Notes must make a written request of the Trustee to take action because of the event of default or default, as the case may be, and must have offered reasonable indemnification to the Trustee against the cost, liabilities and expenses of taking such action;

the Trustee must not have taken action for 60 days after receipt of such notice and offer of indemnification; and

no contrary notice shall have been given to the Trustee during such 60-day period by the holders of a majority in aggregate principal amount of the 5.50% Notes.

These limitations do not apply to a suit for the enforcement of payment of the principal of or any premium or interest on a security on or after the due dates for such payments.

The Company will furnish to the Trustee annually a statement as to its performance of its obligations under the Indenture and as to any default in performance.

(b) Authentication and Delivery of New Notes; Use of Proceeds

The 5.50% Notes to be issued under the Indenture may be executed by manual or facsimile signature on behalf of the Company by the Chairman of the Board, the Chief Executive Officer, the Vice Chairman of the Board, the President or one of the Vice Presidents (each, an *Officer*) and attested by the manual or facsimile signature of the Secretary of the Company or one of its Assistant Secretaries, and delivered to the Trustee.

The Company may deliver 5.50% Notes executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of the 5.50% Notes, and the Trustee in accordance with the Company Order shall authenticate and deliver the 5.50% Notes.

The Company will not receive any proceeds from the issuance of the 5.50% Notes because the 5.50% Notes are being issued in exchange for the 2009 5.50% Notes.

(c) Release and Substitution of Property Subject to the Lien of the Indenture

The 5.50% Notes are unsecured obligations of the Company. As such, the 5.50% Notes are not secured by any lien on any property.

(d) Satisfaction and Discharge of the Indenture

The Company may discharge its obligations under the Indenture while 5.50% Notes remain outstanding if (i) either (a) all delivered and authenticated 5.50% Notes (other than those held in trust, destroyed, lost or stolen and which have been replaced or paid) have been delivered to the Trustee for cancellation or (b) all outstanding 5.50% Notes have or will become due and payable at their Stated Maturity within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense of the Company, and the Company has deposited or caused to be deposited with the Trustee an amount sufficient to pay and discharge all outstanding 5.50% Notes on the date of their scheduled maturity or redemption date, as the case may be, (ii) the Company has paid or caused to be paid all other sums payable by the Company under the Indenture and (iii) the Company has delivered to the Trustee an *Officers Certificate* and an *Opinion of Counsel*, each stating that all conditions precedent for discharge of the Indenture have been complied with.

Table of Contents

(e) Evidence Required to be Furnished by the Company to the Trustee as to Compliance with the Conditions and Covenants Provided for in the Indenture

The Company is required to deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, a written statement signed by the Chairman of the Board, the Vice Chairman, the President or the Vice President and by the Treasurer or an Assistant Treasurer of the Company, stating, as to each signer thereof, that (1) a review of the activities of the Company during such year and of performance under this Indenture has been made under his supervision, and (2) to the best of his knowledge, based on such review, (a) the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to him and the nature and status thereof, and (b) no event has occurred and is continuing which is, or after notice or lapse of time or both would become, an Event of Default, or a Default or, if such event has occurred and is continuing, specifying such event known to him and the nature and status thereof.
