**Item 2.01 Completion of Acquisition or Disposition of Assets**

On January 1, 2010, pursuant to the Agreement and Plan of Merger (the Merger Agreement), dated as of June 26, 2009, as amended by Amendment No. 1 on October 19, 2009, by and among Watson Wyatt Worldwide, Inc., now known as Towers Watson Delaware Inc. (Watson Wyatt), Towers, Perrin, Forster & Crosby, Inc., now known as Towers Watson Pennsylvania Inc. (Towers Perrin), Jupiter Saturn Holding Company, now known as Towers Watson & Co. (Towers Watson), Jupiter Saturn Delaware Inc. and Jupiter Saturn Pennsylvania Inc., Watson Wyatt and Towers Perrin combined their businesses through two simultaneous mergers and became wholly-owned subsidiaries of Towers Watson (the Merger). Entry into the Merger Agreement was announced by Watson Wyatt and Towers Perrin on June 28, 2009, and the Merger Agreement was approved by the shareholders of both companies at their respective special meetings held on December 18, 2009.

The consummation of the Merger resulted in the following:

Each share of Watson Wyatt Class A common stock, par value \$0.01 per share (Watson Wyatt Common Stock) issued and outstanding immediately prior to the effective time of the Merger was converted into the right to receive one (1) share of Towers Watson Class A common stock, par value \$0.01 per share (Towers Watson Class A Common Stock) (the Watson Wyatt Merger Consideration). In addition, outstanding deferred rights to receive Watson Wyatt Common Stock were converted into the right to receive an equal number of shares of Towers Watson Class A Common Stock, and outstanding options to purchase Watson Wyatt Common Stock were assumed by Towers Watson and converted on a one-for-one basis into fully-vested options to purchase shares of Towers Watson Class A Common Stock, with the same exercise price as the underlying Watson Wyatt options.

Each share of Towers Perrin common stock, par value \$0.50 per share (Towers Perrin Common Stock) issued and outstanding immediately prior to the effective time of the Merger was converted into the right to receive 545.627600377 (the Exchange Ratio) fully-paid and nonassessable shares of Towers Watson common stock, which ratio was determined at the effective time of the Merger in accordance with the Merger Agreement (collectively, the Towers Perrin Merger Consideration and together with the Watson Wyatt Merger Consideration, the Merger Consideration). Shares of Towers Watson common stock issued to Towers Perrin shareholders (other than shares issued to Towers Perrin shareholders located in certain countries (as detailed below) and other than shares issued to Towers Perrin shareholders who have elected to receive a portion of their Merger Consideration as shares of Towers Watson's Class R common stock, par value \$0.01 per share (Towers Watson Class R Common Stock), which is described below) have been divided among four series of non-transferable Towers Watson common stock, Classes B-1, B-2, B-3 and B-4, each with a par value of \$0.01 per share (together, the Towers Watson Class B Common Stock and together with the Towers Watson Class A Common Stock and Towers Watson Class R Common Stock, Towers Watson Common Stock). Outstanding shares of Towers Watson Class B Common Stock will automatically convert on a one-for-one basis into shares of freely transferable shares of Towers Watson Class A Common Stock on the following timetable:

<b>Towers Watson Class B Common Stock</b>	<b>Conversion Date</b>
Class B-1 Common Stock	January 1, 2011
Class B-2 Common Stock	January 1, 2012
Class B-3 Common Stock	January 1, 2013
Class B-4 Common Stock	January 1, 2014

In accordance with the Merger Agreement, to provide immediate liquidity to certain Towers Perrin shareholders located in countries where the Merger Consideration may be subject to current tax, such Towers Perrin shareholders received a portion of their Merger Consideration in the form of unrestricted Towers Watson Class A shares instead of Towers Watson Class B shares, with the number of such Towers Watson Class A shares received by each holder offset by an equal reduction in Towers Watson Class B shares, allocated 25% each to Class B-1, B-2, B-3 and B-4.

Certain Towers Perrin shareholders who met defined age and service criteria elected to terminate their employment no later than January 31, 2010 (except as extended by Towers Watson's executive committee) and receive a portion of their Merger Consideration in shares of Towers Watson Class R Common Stock, which will be automatically redeemed today for equal amounts of cash and subordinated one-year promissory notes ( Towers Watson Notes ) (such election, a Class R Election ). The amount of cash and principal amount of Towers Watson Notes issued in exchange for each share of Towers Watson Class R Common Stock was determined based on the Exchange Ratio and the average closing price per share of Watson Wyatt Common Stock for the 10 trading days ending on December 28, 2009, the second trading day immediately prior to the closing of the Merger, which was \$46.79. Class R Elections were prorated so that the amount of cash and notes payable on the automatic conversion of the shares of Towers Watson Class R Common Stock would not exceed \$400 million, which amount was agreed to by Towers Perrin and Watson Wyatt prior to the closing of the Merger. Towers Perrin shareholders who made valid Class R Elections received shares of Towers Watson Class B-1 Common Stock in exchange for their shares of Towers Perrin Common Stock that were not exchanged for shares of Towers Watson Class R Common Stock due to proration or because the Towers Perrin shareholder elected to receive less than 100% of his or her Merger Consideration in the form of Towers Watson Class R Common Stock. As noted above, Towers Watson Class B-1 Common Stock will automatically convert into freely tradable shares of Towers Watson Class A Common Stock on January 1, 2011.

Prior to the Merger, Towers Perrin issued awards of restricted stock units to certain Towers Perrin employees, which were exchanged in the Merger for shares of Towers Watson Class A Common Stock, generally subject to a three-year contractual vesting schedule and other restrictions ( Restricted Towers Watson Class A Common Stock ).

In summary, as a result of the Merger's completion, all outstanding Towers Perrin and Watson Wyatt common stock, restricted stock units and derivative securities have been converted into the right to receive the following forms of consideration:

46,911,275 shares of Towers Watson Class A Common Stock (less a number of shares that will be withheld for tax purposes in respect of Watson Wyatt deferred stock units and deferred shares), including 4,248,984 shares of Restricted Towers Watson Class A Common Stock;

29,483,008 shares of Towers Watson Class B Common Stock, including:

12,798,118 shares of Class B-1 Common Stock;

5,561,630 shares of Class B-2 Common Stock;

5,561,630 shares of Class B-3 Common Stock; and

5,561,630 shares of Class B-4 Common Stock;

8,548,835 shares of Towers Watson Class R Common Stock, which will be redeemed automatically in exchange for the right to receive:

Edgar Filing: Towers Watson & Co. - Form 8-K

\$200 million in cash (subject to applicable tax withholding and gross-up adjustments); and

Towers Watson Notes in an aggregate principal amount of \$200 million.

In addition, on January 1, 2010, Towers Watson issued shares of Class F stock, no par value ( Class F Stock ), pro rata to all holders of Towers Perrin Common Stock, which shares represent only the contingent right to receive a pro rata portion of a number of shares of Towers Watson Class A Common Stock equal to the number of shares of Restricted Towers Watson Class A Common Stock forfeited by former Towers Perrin employees plus a number of shares of Towers Watson Class A Common Stock with a value equivalent to the amount of dividends attributed to such forfeited shares. Shares of Class F Stock are non-transferable, except for transfers to permitted family members, Towers Watson, or a deceased holder's executors, administrators, testamentary trustees, legatees and beneficiaries.

The foregoing description of the Merger Agreement, including Amendment No. 1, and the Merger is not complete and is qualified in its entirety by reference to the Merger Agreement and Amendment No. 1 thereto, filed as Exhibits 2.1 and 2.2, respectively, to Towers Watson's Registration Statement on Form S-4/A (File No. 333-161705) filed with the Securities and Exchange Commission (the SEC) and declared effective on November 9, 2009 (the Registration Statement), each of which is incorporated herein by reference.

The issuance of Towers Watson Common Stock and Towers Watson Notes in the Merger was registered under the Securities Act of 1933, as amended, pursuant to the Registration Statement. The joint proxy statement/prospectus of Watson Wyatt and Towers Perrin included in the Registration Statement contains additional information about the Merger and is incorporated herein by reference.

The Towers Watson Class A Common Stock has been approved for listing on The New York Stock Exchange, LLC (the NYSE) and The NASDAQ Stock Market, LLC (NASDAQ) under the ticker symbol TW and will begin trading today.

On January 3, 2010, Towers Watson issued a press release announcing the consummation of the Merger, which is attached as Exhibit 99.1 hereto and incorporated herein by reference.

The information set forth in Item 2.03 is incorporated by reference into this Item 1.01.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**  
***Indenture***

On December 30, 2009, in connection with the Merger and the Class R Elections as described in Item 2.01 above, Towers Watson entered into an Indenture (the Indenture) with Wilmington Trust FSB, as Trustee (the Trustee), for the issuance of Towers Watson Notes in the aggregate principal amount of \$200 million. The Towers Watson Notes will be issued on January 6, 2010, will bear interest from January 4, 2010 at a fixed per-annum rate of 2.0%, and will mature on January 1, 2011. The Indenture contains limited operating covenants, and obligations under the Towers Watson Notes will be subordinated to the obligations of Towers Watson under the Senior Credit Facility (as defined below) on the terms set forth in the Indenture. The foregoing description of the Indenture and Towers Watson Notes is not intended to be complete and is qualified in its entirety by reference to the full text of the Indenture and form of Towers Watson Notes, a copy of which is filed as Exhibit 4.1 hereto and incorporated herein by reference.

***Credit Agreement***

On January 1, 2010, in connection with the Merger, Towers Watson and certain subsidiaries entered into a three-year, \$500 million revolving credit facility as borrowers pursuant to a Credit Agreement with Bank of America, N.A., as Administrative Agent, and the other lenders party thereto (the Senior Credit Facility).

Borrowings under the Senior Credit Facility will bear interest, at Towers Watson's option, at either a Eurocurrency rate plus a spread ranging from 2.500% to 3.250%, or at a base rate plus a spread ranging from 1.500% to 2.250%, with such spread in each case dependent upon Towers Watson's Consolidated Leverage Ratio (as defined in the Senior Credit Facility).

Towers Watson and certain wholly-owned subsidiaries designated by Towers Watson, initially Watson Wyatt and Towers Perrin, are the borrowers under the Senior Credit Facility (collectively, the Borrowers), and the Borrowers' obligations under the Senior Credit Facility are guaranteed by Towers Watson and all of its domestic subsidiaries (other than Professional Consultants Insurance Company, Inc., a Vermont corporation) pursuant to separate guaranty agreements. The Borrowers' obligations under the Senior Credit Facility are secured by a pledge of 65% of the voting stock and 100% of the non-voting stock of Towers Perrin Luxembourg Holdings S.A.R.L., currently held by Towers Perrin.

The Senior Credit Facility contains customary representations and warranties and affirmative and negative covenants. The Senior Credit Facility requires Towers Watson to maintain certain financial covenants that include a minimum Consolidated Interest Coverage Ratio and a maximum Consolidated Leverage Ratio (which terms in each case are defined in the Senior Credit Facility). In addition, the Senior Credit Facility contains restrictions on the ability of Towers Watson and its subsidiaries to, among other things, incur additional indebtedness; pay dividends; make distributions; create liens on assets; make investments, loans or advances; make acquisitions; dispose of property; engage in sale-leaseback transactions; engage in mergers or consolidations, liquidations and dissolutions; engage in certain transactions with affiliates; and make changes in lines of businesses.

The Senior Credit Facility contains customary events of default, including nonpayment of principal when due; nonpayment of interest, fees or other amounts after a stated grace period; inaccuracy of representations and warranties; certain bankruptcy events and cross-defaults to other material indebtedness; certain change of control events; material judgments; actual or asserted invalidity of any Loan Document (as defined in the Senior Credit Facility); and certain ERISA-related events. If an event of default occurs and is continuing, Towers Watson may be required to repay all amounts outstanding under the Senior Credit Facility. Lenders holding more than 50% of the loans and commitments under the Senior Credit Facility may elect to accelerate the maturity of amounts due thereunder upon the occurrence and during the continuation of an event of default.

The foregoing description of the Senior Credit Facility is not intended to be complete and is qualified in its entirety by reference to the full text of the Senior Credit Facility, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
