Section 2. Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

On December 15, 2009, we assumed approximately 23,000 homeowners' insurance policies from Citizens Property Insurance Corporation, an entity created by the Legislature of the State of Florida. We assumed the policies pursuant to Florida's take-out program, designed to reduce the State's risk exposure by encouraging private insurance companies to assume policies from the state controlled insurance company. Under the program, we assume the risk under the policies on December 15, 2009, Citizens continues to service the policies until expiration and we receive from Citizens unearned premiums associated with the policies, less ceding commissions retained by Citizens. Policyholders may opt out of the program any time and remain with Citizens.

We announced this assumption by a widely disseminated news release on December 21, 2009.
