ZIONS BANCORPORATION

Second Reopening of the

5.00% Senior Medium-Term Notes due March 2, 2011

Preliminary Terms and Conditions

Issuer: Zions Bancorporation

Securities Offered: Senior Notes due March 2, 2011 (the Notes).

CUSIP 98970EAY5

Principal Amount: [To be determined]

Auction Amount: \$500,000 (which does not include any additional principal amount of Notes issuable under the Buy Today feature).

Series: The Notes are part of a series of debt securities entitled Medium-Term Notes, Series A that we may issue under the Indenture.

This is a reopening of the Notes that we initially issued on March 2, 2010. We expect that as of March 12, there will be \$4,351,000 in aggregate principal amount of the Notes outstanding, not including the Notes offered by this term sheet. All of the Notes being offered hereby pursuant to the auction (including amounts issuable under the Buy Today) are a part of the same series of, and have the same CUSIP as, the Notes that initially settled on March 2, 2010. Upon settlement, the Notes offered by this Term Sheet will be fungible with the \$4,351,000 in aggregate principal amount of the Notes described above.

We may re-open this series of Notes, and issue additional Notes of this series under the Indenture in the future.

Minimum Bid Price: 98.00%

Maximum Bid Price: 102.00%

Interest Accrual: Because these Notes form a part of the same series of Notes that will first be issued on March 2, 2010, Investors who purchase these Notes through the auction platform will be required to pay, in addition to the applicable purchase price of the Notes, an amount equal to the interest that has accrued on the Notes from and including the Interest Accrual Date (March 2, 2010) up to, but not including, the Reopening Settlement Date (expected to be March 23, 2010). The amount of the accrued interest owed will not be applied towards an investor's individual bid limit.

**Interest Accrual Date/
Initial Settlement Date:** March 2, 2010

Reopening Settlement Date: It is expected that the delivery of the Notes will be made against payment for the Notes on March 23, 2010, which is the third business day after the allocation of the Notes by our auction agent (the settlement cycle being referred to as T+3). You should note that if you purchase the Notes using the Buy Today feature your settlement cycle may be longer than T+3. Trading in the Notes from the date of such purchase until settlement

may be affected by this longer settlement cycle.

Zions Direct Auction Account: The securities being offered hereby can only be delivered through a Zions Direct Brokerage Account (an Account). If you are awarded any of the securities being offered hereby and do not already have an active Account, you must open an Account with Zions Direct before 2:00 p.m. Eastern Time on the first business day after the Auction Window has closed. If you fail to open an Account by this time, your trade will be canceled and you will not receive any of the securities offered hereby.

You should carefully review all the materials we have filed with the SEC before making a decision to invest in our securities.

Buy Today Feature: From the start of the auction until midnight Eastern Time the night before the auction ends, bidders may purchase Notes at a set price by using the Buy Today feature. On the bid page, a bidder may indicate a quantity of Notes in the Buy Today row that the bidder is willing to purchase at the set price. The bidder may not exceed their individual bid limit using the Buy Today feature. Although clicking Buy Today is binding on the bidder and may not be rescinded, the trade will become final at the close of the auction. Once a bidder clicks Buy Today, the bidder's individual bid limit will be adjusted to reflect a portion of the individual bid limit being allotted to the Buy Today purchase. The bidder may then continue bidding in the auction. Any additional bids will not affect any purchase made through the Buy Today feature. The Notes offered pursuant to the Buy Today feature will be in addition to the aggregate principal amount of Notes offered pursuant to the auction. We anticipate selling up to an additional \$100,000 aggregate principal amount of Notes pursuant to the Buy Today feature; however, there can be no assurances as to how many additional Notes, if any, will be sold pursuant to the Buy Today feature. We expressly reserve the right to sell more or less principal amount of Notes than this estimate or to cancel all purchases made under the Buy Today feature, if we cancel the auction. In addition, we reserve the right to discontinue the Buy Today feature, in our sole discretion, at any time during the auction. Our discontinuance of the Buy Today feature will be evidenced by the absence of the Buy Today feature and accompanying Buy Today offering price on the auction site.
