## ABOUT THE ANNUAL MEETING

### *What is the purpose of the meeting?*

The principal purposes of the Annual Meeting are to elect three directors to the company's Board of Directors and to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2010. In addition, our management will report on our performance during 2009 and respond to questions from shareholders.

### *When were these materials mailed?*

We began mailing this Proxy Statement on or about April 30, 2010.

### *Who is entitled to vote?*

Shareholders of record at the close of business on the record date, April 6, 2010, are entitled to vote in person or by proxy at the Annual Meeting. In general, shareholders are entitled to one vote per share on each matter voted upon. In an election for directors, however, shareholders are entitled to vote the number of shares they own for as many director candidates as there are directors to be elected. Hence because three directors are to be elected at this Annual Meeting, each share will entitle the shareholder to three votes, one per director. Shareholders may not cumulate their votes. As of April 6, 2010 there were 6,197,473 common shares outstanding.

### *What constitutes a quorum?*

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares outstanding will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as "WITHHOLD AUTHORITY" and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting, but will not be counted for any other purpose. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular proposal and has not received instructions as to that proposal from the beneficial owner.

### *What is the difference between a shareholder of record and a beneficial owner?*

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a shareholder of record. This Notice of Meeting and Proxy Statement has been provided directly to you by Homeowners Choice, Inc. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by telephone or Internet.

If your shares are held for you in a brokerage, bank or other institutional account (that is, held in "street name"), then you are not a shareholder of record. Rather, the institution is the shareholder of record and you are the "beneficial owner" of the shares. This Notice of Meeting and Proxy Statement has been forwarded to you by that institution. If you complete and properly sign the accompanying

proxy card and return it in the enclosed envelope, or follow the instructions on the proxy card for voting by telephone or Internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the Annual Meeting, then you must obtain a proxy, executed in your favor, from the holder of record (the institution).

***How do I vote?***

**By Ballot at the Meeting.** If you are a shareholder of record and attend the Annual Meeting, you may vote in person by ballot at the Annual Meeting. To vote by ballot, you must register and confirm your shareholder status at the meeting. If the shareholder of record is a corporation, partnership, limited liability company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity. If your shares are held for you in a brokerage, bank or other institutional account (that is, in street name), you must obtain a proxy, executed in your favor, from that institution (the holder of record) to vote your beneficially-owned shares by ballot at the Annual Meeting. In the election of directors (Proposal 1), each share held by a shareholder of record will be entitled to three votes, one for each director to be elected. Your option with respect to each director will be to vote FOR the director or to abstain from voting. In the vote to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2010 (Proposal 2), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN.

**By Proxy.** If you complete, sign and return the accompanying proxy card or follow the instructions on the proxy card for voting by telephone or Internet, then your shares will be voted as you direct. In the election of directors (Proposal 1), your options with respect to each director are to direct a vote FOR or to WITHHOLD AUTHORITY. In the proposal to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2010 (Proposal 2), your options will be to direct votes FOR or AGAINST or to direct the proxy to ABSTAIN from voting on that proposal. If you are a shareholder of record, then you may opt to deliver your completed proxy card in person at the Annual Meeting.

***Can I vote by telephone or Internet?***

Yes. If you follow the instructions on the proxy card for voting by telephone or Internet, your shares will be voted as you direct.

***What does it mean if I receive more than one proxy card?***

You will receive separate proxy cards when you own shares in different ways. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust or in one or more brokerage accounts. You should complete, sign and return each proxy card you receive or follow the telephone or Internet instructions on each card. The instructions on each proxy card may differ. Be sure to follow the instructions on each card.

***Can I change my vote or instruction?***

Yes. You may follow the instructions on the proxy card to change your instructions anytime before midnight the day before the meeting.

In addition, if you are a shareholder of record, you may revoke your proxy any time before your shares are voted by filing with the secretary of the company a written notice of revocation or submitting a duly executed proxy bearing a later date. If you file a notice of revocation, you may then vote (or abstain from voting) your shares in person at the Annual Meeting. If you submit a later dated proxy, then your shares will be voted in accordance with that proxy. No such notice of revocation or later dated proxy, however, will be effective unless received by us at or before the Annual Meeting and before your shares have been voted. Unless the proxy is revoked, the shares represented thereby will be voted at the Annual Meeting or any adjournment thereof as indicated on the proxy card. Sending in a proxy does not affect your right to vote in person if you attend the meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

***If I submit a proxy card, how will my shares be voted?***

Your shares will be voted as you instruct on the proxy card.

***What happens if I submit a proxy card and do not give specific voting instructions?***

If you are a shareholder of record and sign and return the proxy card without indicating your instructions, your shares will be voted in accordance with the recommendations of the Board of Directors. With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion. As of the date this proxy statement went to print, we did not know of any other matter to be raised at the Annual Meeting.

If you are a beneficial shareholder and you sign and return your proxy card without indicating your instructions, then your broker or nominee will vote, or not vote, in accordance with the rules of the New York Stock Exchange (provided the broker or nominee is a member of the New York Stock Exchange). If a voting matter is designated by the New York Stock Exchange as routine then your broker or nominee may vote or not vote in its own discretion. If a voting matter is designated non-routine by the New York Stock Exchange, then your broker or nominee cannot vote without your instructions.

***Which voting matters are considered routine or non-routine?***

In general, uncontested matters and matters not involving a merger or consolidation or affecting substantially the rights or privileges of the stock are considered routine under the rules of the New York Stock Exchange. Accordingly we expect the New York Stock Exchange will designate as routine the proposal to ratify the appointment Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2010 (Proposal 2) and brokers and other nominees will be permitted to vote on that matter. On the other hand, the New York Stock Exchange views matters involving the election of directors to be non-routine. Accordingly, the

election of directors (Proposal 1) will be designated by the Exchange as non-routine and brokers and other nominees will not be permitted to vote on that matter without instructions from the beneficial owner.

***What happens if I do not submit a proxy card and do not vote by telephone or Internet?***

If you are a shareholder of record and you neither designate a proxy nor attend the Annual Meeting, your shares will not be represented at the meeting. If you are the beneficial owner of shares held in the name of a member of the New York Stock Exchange, that member may vote in its discretion on matters deemed routine by the New York Stock Exchange. The member may not vote on matters considered non-routine.

***What are the Board's recommendations?***

The Board's recommendations are set forth elsewhere in this proxy statement (see pages 8 and 9). In summary, the Board recommends votes

*FOR* election of the following nominees for director positions:

*George Apostolou*

*Paresh Patel*

*Gregory Politis*

*FOR* ratification of the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2010.

***What vote is required to approve each item?***

***Election of directors.*** In the election of directors, the three highest recipients of *FOR* votes will be elected. A properly executed proxy card marked *WITHHOLD AUTHORITY* with respect to the election of one or more director nominees will not be voted with respect to the director or directors indicated, even though it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting.

***Ratification of appointment of independent registered public accounting firm.*** The proposal to ratify the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2010 will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

***Other Matters.*** We do not anticipate other matters coming to a vote at the Annual Meeting. Should any other matter be brought to a vote, the matter will be approved if the number of votes favoring the matter exceeds the number of votes opposing the matter.

***How will votes be counted?***

All votes will be tabulated by the secretary of the company. We have engaged Broadridge Financial Solutions, Inc. to collect and tabulate proxy instructions. Although abstentions and broker non-votes are each included in the determination of the number of shares present, they are not counted on any matters brought before the meeting.

***Who is paying for the preparation and mailing of the proxy materials and how will solicitations be made?***

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by mail, telephone, facsimile or electronic transmission. We have requested brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to beneficial shareholders and have agreed to reimburse those institutions for their out-of-pocket expenses.

RULES OF CONDUCT

To ensure fair, orderly and constructive meetings, the Board of Directors has adopted the following rules of conduct for shareholder meetings.

1. All attendees must register before entering the meeting room.
2. The meeting will follow the schedule set forth on the agenda.
3. Only shareholders of record as of the record date or their duly authorized representatives are entitled to vote or address the meeting.

5. No one may address the meeting unless recognized by the presiding officer of the meeting.
6. Each speaker will be limited to 3 minutes and 3 questions. Questions and comments must be directly relevant to the company's business or operations. 7. Rude or disruptive behavior is prohibited.
8. The use of cameras, audio or video recording equipment, communications devices or similar equipment is prohibited.
9. Attendees who violate these rules may be removed.
10. The decisions of the presiding officer in interpreting and enforcing these rules of conduct will be final.

**PROPOSAL NO. 1**

**Election of Directors**

Three directors are to be elected at the Annual Meeting. In accordance with the company's articles of incorporation, the Board of Directors is divided into three classes. Each class consists of three directors. All directors within a class have the same three-year terms of office. The class terms expire at successive annual meetings so that each year a class of directors is elected. The current terms of director classes expire in 2010 (Class B directors), 2011 (Class C directors) and 2012 (Class A directors). Each of the Class B directors elected at the 2010 Annual Meeting will be elected to serve a three year term.

With the recommendation of the Governance and Nominating Committee, the Board of Directors has nominated the following persons to stand for election as Class B directors at the 2010 Annual Meeting of Shareholders, with terms expiring in 2013:

George Apostolou

Paresh Patel

Gregory Politis

Each of the nominees for election as a director has consented to serve if elected. If, as a result of circumstances not now known or foreseen, one or more of the nominees should be unavailable or unwilling to serve as a director, proxies may be voted for the election of such other persons as the Board of Directors may select. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy FOR the election of George Apostolou, Paresh Patel and Gregory Politis as Class B directors of Homeowners Choice, Inc. The nominees receiving the three highest FOR vote totals will be elected as directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** ELECTION OF EACH OF THE NOMINEES AS DIRECTORS OF THE COMPANY ITEM 1 ON YOUR PROXY CARD.

**PROPOSAL NO. 2**

**Ratification of Appointment of Independent Registered Public Accounting Firm**

In April 2010, the company's audit committee appointed Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm and as the independent auditor of the statutory financial statements of our regulated insurance subsidiary for the year ending December 31, 2010. Hacker, Johnson & Smith P.A. has served in that capacity since the company's initial public offering in 2008. At the Annual Meeting, shareholders are being asked to ratify the audit committee's appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm. Regardless of the outcome of this vote, the audit committee will retain the sole authority to appoint the company's independent registered public accounting firm. If the appointment is not ratified, then the audit committee will reconsider its appointment. Even if the appointment is ratified, the audit committee may appoint a different independent registered public accounting firm for the company.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy **FOR** ratification of the appointment of Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm. This proposal will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** RATIFICATION OF THE APPOINTMENT OF HACKER, JOHNSON & SMITH P.A. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ITEM 2 ON YOUR PROXY CARD.

#### **OTHER BUSINESS**

We do not expect any other matters to be brought before the meeting. However, if any other matters are presented, it is the intention of the persons named in the proxy to vote the proxy as recommended by the Board of Directors or, if no recommendation is given, in their own discretion using their best judgment.

**Arrangements as to Selection and Nomination of Directors**

We are aware of no arrangements as to the selection and nomination of directors.

**Independent Directors**

Based upon recommendations of our Governance and Nominating Committee, our Board of Directors has determined that directors Martin A. Traber, Krishna Persuad, Anthony Saravanos, George Apostolou and Garth A. Vernon are independent directors as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. Under that rule, the Board of Directors determines whether a director has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In the case of Mr. Traber, the Committee considered his role as a partner of Foley & Lardner LLP, which provides legal services to the company, and determined that the fees received by the law firm from us amount to less than 1% of the firm's total revenue. The Committee also considered Mr. Traber's personal financial substance, his other sources of income and his lack of dependence upon legal fees from the company.

##### ***Software License Agreement***

We license our policy administration software from Scorpio Systems, Inc., a company owned and operated by Paresh Patel, the Chairman of our Board of Directors. The license agreement was effective as of November 1, 2007. The license agreement is perpetual until terminated. The license

agreement may be terminated by either party upon six months' written notice or by Scorpio Systems, Inc. upon thirty days' written notice to us within three months following the occurrence of a change in control of our company. #### ***Consulting Agreement***

On June 1, 2007, we entered into a consulting agreement with Scorpio Systems, Inc., a company owned and operated by Paresch Patel, the Chairman of our Board of Directors. The consulting agreement may be terminated by either party at any time upon fifteen days' written notice to the other party. In consideration for these services, we pay a monthly fee of \$25,000 to Scorpio Systems, Inc. and reimburse Scorpio Systems, Inc. for its reasonable and customary business expenses incurred in the performance of its services. Pursuant to the agreement, Scorpio Systems, Inc. will not disclose confidential information related to our company, and Scorpio Systems, Inc. may not solicit customers for a period of one year after the agreement's termination. #### ***Legal Services***

One of our directors, Martin A. Traber, is a partner at the law firm of Foley & Lardner LLP, and since our inception in 2007, the firm has provided legal representation to us on certain matters, including our 2008 initial public offering. During 2009, Foley & Lardner LLP billed us approximately \$103,000. This amount represents less than 1% of Foley's fee revenue. These services were provided on an arms-length basis, and paid for at fair market value. We believe that such services were performed on terms at least as favorable to us as those that would have been realized in transactions with unaffiliated entities or individuals.

To date, however, the committee's principal responsibility has been to review and recommend to the Board of Directors the compensation of the company's chief executive officer, including salary and bonus. The Compensation Committee is composed of three members: Martin A. Traber, Chairman, Krishna Persaud and Garth A. Vernon, each of whom is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. reporting regularly to the board (i) regarding meetings of the committee, (ii) with respect to such other matters as are relevant to the committee's discharge of its responsibilities, and (iii) with respect to such recommendations as the committee may deem appropriate. The Governance and Nominating Committee is composed of three members: Martin A. Traber, Anthony Saravanos and George Apostolou, each of whom is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC. The Governance and Nominating Committee held two meetings in 2009. The Board of Directors has adopted a written Nominating Committee Charter. A current copy of the charter is available on our website [www.hcpai.com](http://www.hcpai.com). Click [Investors](#) and then [Corporate Governance](#).

Each of the proposed director nominees was recommended by the Governance and Nominating Committee to the Board of Directors.

The Governance and Nominating Committee identifies director candidates in numerous ways. Generally, the candidates are known to and recommended by members of the Board of Directors or management. In evaluating director candidates, the Governance and Nominating Committee considers a variety of attributes, criteria and factors, including experience, skills, expertise, diversity, personal and professional integrity, character, temperament, business judgment, time availability, dedication and conflicts of interest. At a minimum, director candidates must be at least 18 years of age and have such business, financial, technological or legal experience or education to enable them to make informed decisions on behalf of the company.

The Governance and Nominating Committee will consider director candidates recommended by shareholders. If you wish to recommend one or more director candidates you should send your recommendations before November 1 of the year preceding the next annual meeting of shareholders to the Secretary of the Corporation, Andrew L. Graham, 2340 Drew Street, Suite 200, Clearwater, Florida 33765. Each recommendation should set forth the candidate's name, age, business address, business telephone number, residence address, and principal occupation or employment and any other attributes or factors you wish the committee to consider, as well as your name, address and telephone number and the class and number of shares you hold. The Committee may require the recommended candidate

to furnish additional information. The secretary will forward recommendations of qualified candidates to the Governance and Nominating Committee and those candidates will be given the same consideration as all other candidates.

A shareholder wishing to nominate an individual for election to the Board of Directors at the Annual Meeting of the Stockholders, rather than recommend a candidate to the Governance and Nominating Committee, must comply with the advance notice requirements set forth in our bylaws. See [Shareholder Proposals for Presentation at the 2011 Annual Meeting](#) for further information.

**AUDIT COMMITTEE REPORT**

**TO: The Board of Directors of Homeowners Choice, Inc.**

The Audit Committee oversees the financial reporting processes of Homeowners Choice, Inc. on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management and discussed with management the quality, in addition to the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with representatives of Hacker, Johnson & Smith P.A., the company's independent registered public accounting firm responsible for auditing the company's financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the company's accounting principles. The audit committee has discussed with the independent registered public accounting firm the matters required to be discussed under auditing standards adopted by the Public Company Accounting Oversight Board. The audit committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with the independent accountant the independent accountant's independence.

The Audit Committee discussed with representatives of Hacker, Johnson & Smith P.A. the overall scope and plans for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the company's internal controls, and the overall quality of the company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors the inclusion of the audited financial statements in the company's Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the Securities and Exchange Commission. The Audit Committee has appointed Hacker, Johnson & Smith P.A. as the company's independent registered public accounting firm for the year ending December 31, 2010.

**COMPENSATION COMMITTEE REPORT**

**To: The Board of Directors of Homeowners Choice, Inc.**

*Overview and Philosophy; Role of the Compensation Committee*

The Compensation Committee of the Board of Directors of Homeowners Choice, Inc. is composed of three members, Martin A. Traber, Krishna Persaud and Garth A. Vernon, each of whom is an independent director as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC, a non-employee director for purposes of Rule 16b-3 under the Securities Exchange Act of 1934 and an outside director under Section 162(m) of the Internal Revenue Code. The principal responsibility of the Compensation Committee during 2009 was to recommend to the Board of Directors the compensation of the chief executive officer. In 2009, the authority of the Committee was expanded to include the authority to determine the compensation of the chief financial officer and other executive officers (as designated by the Board) and to administer and make awards under the company's 2007 Stock Option and Incentive Plan and to monitor and supervise the administration of any other benefit plans the company may have.

In the view of the Committee, our primary objectives are to assure that our executive compensation and benefits programs

are competitive with other growing companies in our industry,

safeguard the interests of the company and its shareholders,

are effective in driving performance to achieve financial goals and create stockholder value,

foster teamwork on the part of management,

are cost-effective and fair to employees, management, and shareholders, and

are well communicated and understood by program participants.

The Committee's executive compensation policies are designed to attract, motivate, and retain highly qualified executive officers who can enhance shareholder value, and to support a performance-oriented environment that rewards achievement of our goals. To that end, we compensate our executive officers through three principal types of compensation: annual base salary, cash bonuses and equity-based incentive compensation, which to date has consisted solely of stock options. Our philosophy with respect to executive officer compensation is to establish moderate base salaries and place emphasis on discretionary bonus compensation, which is viewed by the Committee as very effective at correlating executive officer compensation with corporate performance and increases in shareholder value. We make our own judgments as to the performance of the executive officers and the level of their bonuses. With respect to our chief executive and chief financial officers, we have also relied to a significant degree on equity-based compensation.

***2007 Stock Option and Incentive Plan***

The company has an equity compensation plan called the 2007 Stock Option and Incentive Plan. The principal purposes of the Plan are to attract, retain and motivate selected officers, employees, consultants and directors through the granting of stock-based compensation awards. The Plan permits non-qualified and incentive stock options, restricted stock and other stock-based awards. The maximum number of shares which may be granted under the Plan is 6,000,000. No more than 550,000 shares may be awarded to any individual in any calendar year. We have attempted to structure the Plan so that remuneration attributable to stock options and other awards will not be subject to the deduction limitation contained in Section 162(m) of the Internal Revenue Code.

To date, the company has awarded options to purchase a total of 1,190,000 shares under the Plan. The awards have been limited solely to directors, the chief executive officer, the chief financial officer and three consultants. The exercise price of the options granted in each case was determined to be no less than fair market value. No options were awarded during 2009.

The Committee has the authority to administer and make awards under the Plan. The Committee (and the Board) is authorized to adopt, amend and rescind rules relating to the administration of the Plan, and to amend, suspend and terminate the Plan.

***2009 Compensation for the Chief Executive Officer***

The general policies described above for the compensation of the executive officers also apply to the compensation approved by the Board of Directors during 2009 for Mr. McCahill, our President and Chief Executive Officer. During 2009, Mr. McCahill received a base salary of \$200,000 and a cash bonus of \$65,000. He holds options awarded in 2007 to purchase a total of 150,000 common shares at a price of \$2.50 per share. Those options expire on May 31, 2017. Mr. McCahill has an employment agreement with the company. The agreement provides for (i) termination by either party with or without cause, (ii) a bonus or other incentive compensation in an amount to be determined by the Board of Directors, (iii) six months severance and benefits in the event of termination without cause, and (iv) restrictions on competition and solicitation of employees.

***Compliance with Internal Revenue Code Section 162(m)***

The Compensation Committee has reviewed the applicability of Section 162(m) of the Internal Revenue Code of 1986, as amended, which disallows a tax deduction for compensation to an executive officer when the included compensation exceeds \$1 million per year. No executive officer of the company exceeded this threshold in 2009, and the Compensation Committee does not anticipate that any executive officer of the company will exceed this threshold during 2010. The Compensation Committee intends periodically to review the potential consequences of Section 162(m) and, depending upon the risk of applicability of this provision to us, may elect to structure the performance-based portion of its executive officer compensation in a manner so as to comply with certain exemptions provided for in Section 162(m). In addition, the Compensation Committee will monitor the applicability of any new legislation that might impact executive compensation.

This report has been provided by the Compensation Committee.

The assumptions used in calculating this amount are discussed at Note 13 of the Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2009 filed with the Securities and Exchange Commission on March 30, 2010.

(2) The aggregate number of stock options outstanding for each director (other than named executive officers) as of December 31, 2009 was as follows.
