**Item 8.01. Other Events.**

On September 22, 2010, the United States Department of the Treasury (the Treasury ) closed an underwritten secondary public offering (the Warrant Offering ) of 13,049,451 warrants (the Warrants ), each representing the right to purchase one share of our common stock, no par value per share. The Warrants have an exercise price of \$10.92 per share and expire on July 10, 2019. In connection with the Warrant Offering, we entered into an underwriting agreement, dated September 16, 2010, (the Underwriting Agreement ) among us, Treasury and Deutsche Bank Securities Inc. as the representative of the underwriters identified in Schedule I of the Underwriting Agreement. The Warrants have been approved for listing on the New York Stock Exchange under the symbol LNC WS.

The public offering price and the allocation of the Warrants in the Warrant Offering were determined by an auction process. The public offering price of the Warrants was equal to \$16.60 per warrant. We did not receive any of the proceeds of the Warrant Offering. We participated in the auction and purchased 2.9 million warrants.

Also in connection with the Warrant Offering, we entered into a warrant agreement (the Warrant Agreement ), dated September 16, 2010, with Mellon Investor Services LLC, acting as warrant agent.

The Warrant Offering described in this Current Report on Form 8-K is more fully described in a prospectus supplement filed with the Securities and Exchange Commission (the Commission ) on September 17, 2010, supplementing the prospectus dated March 10, 2009, as filed with the Commission as part of our Registration Statement on Form S-3ASR (File No. 333-157822). The foregoing descriptions of the Underwriting Agreement and the Warrant Agreement do not purport to be complete and are qualified in their entirety by reference to Exhibits 1.1 and 4.1, respectively.

Certain of the underwriters and their respective affiliates have, from time to time, provided, and may in the future provide, various investment banking and financial advisory services to us, for which they received or will receive customary fees and expenses. In addition, we and our affiliates maintain various commercial and service relationships with Mellon Investor Services LLC and its affiliates in the ordinary course of business. In particular, affiliates of Deutsche Bank Securities Inc. and Mellon Investor Services LLC act as lenders under our \$2 billion credit facility.
