#### DEREGISTRATION OF SECURITIES

This Post-Effective Amendment No. 2 (this <u>Post-Effective Amendment</u>) relates to the Registration Statement of Inergy, L.P. (<u>Inergy</u>) on Form S-3 (File No. 333-100023) filed with the Securities and Exchange Commission (the <u>SE</u>C) on September 23, 2002 and declared effective by the SEC (the <u>Registration Statement</u>), pursuant to which Inergy registered the resale from time to time of 85,150 common units (as adjusted for the 2-for-1 unit split in January 2004) representing limited partner interests in Inergy (the <u>Common Units</u>). The Common Units were registered to permit resales of such Common Units by selling unitholders, as named in the Registration Statement, who acquired the Common Units in connection with Inergy s acquisition of the assets of Independent Propane Company Holdings.

Inergy seeks to deregister all Common Units that remain unsold under the Registration Statement as of the date hereof because it no longer has an obligation to keep the Registration Statement effective pursuant to the terms of its registration rights agreement with the selling unitholders. Accordingly, Inergy is filing this Post-Effective Amendment to terminate the effectiveness of the Registration Statement and, in accordance with an undertaking made by Inergy in Part II of the Registration Statement to remove from registration, by means of a post-effective amendment, any Common Units that had been registered for issuance but remain unsold at the termination of the offering, remove from registration any and all Common Units registered but unsold under the Registration Statement as of the date hereof.
