**Item 1. Security and Issuer**

This statement on Schedule 13D (this Schedule 13D) relates to the common stock, without par value, of King Pharmaceuticals, Inc., a Tennessee corporation (King). King's principal executive offices are located at 501 Fifth Street, Bristol, Tennessee 37620 USA. King's telephone number at such address is (423) 989-8000.

**Item 2. Identity and Background**

This Schedule 13D is being filed pursuant to Rule 13d-1 under the Securities Exchange Act of 1934, as amended (the Exchange Act), by Pfizer Inc., a corporation organized under the laws of Delaware (Pfizer), and Parker Tennessee Corp., a wholly-owned subsidiary of Pfizer and a corporation organized under the laws of Tennessee (Purchaser), and collectively with Pfizer, the Reporting Persons). The executive offices of Pfizer and Purchaser are located at 235 East 42nd Street, New York, NY 10017.

Pfizer is a research-based, global pharmaceutical company. The Purchaser was formed for the purposes of consummating the acquisition of all of the outstanding common stock of King and does not engage in any other business activities.

The name, residence or business address, present principal occupation or employment (including the name, principal business and address of any corporation or other organization in which such employment is conducted) and place of citizenship of each executive officer and director of Pfizer and the Purchaser are set forth on Schedules I and II attached hereto (collectively, the Scheduled Persons, and each a Scheduled Person), and are incorporated herein by reference.

During the last five years, none of the Reporting Persons, nor, to the best of their knowledge after due inquiry, any of the Scheduled Persons, has been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceedings was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activity subject to, federal or state securities laws or finding any violations with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration**

As more fully described in Item 4 hereof, Pfizer, the Purchaser and King entered into an Agreement and Plan of Merger, dated as of October 11, 2010 (the Merger Agreement), a copy of which is attached hereto as Exhibit 1 and incorporated herein by reference into this Item 3. Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, the Purchaser commenced a tender offer (the Offer) to purchase all of the outstanding shares of common stock, no par value, of King (the Shares), at a price of \$14.25 per share, net to the sellers in cash, without interest thereon and less any required withholding taxes (the Offer Price), on October 22, 2010.

The Offer expired at 5:00 p.m., New York City time, at the end of the day on January 28, 2011. On January 31, 2011, the Purchaser accepted for purchase all Shares that were validly tendered and not validly withdrawn in connection with the Offer. An aggregate of 230,719,938 Shares were purchased by the Purchaser in accordance with the terms of the Offer. The Purchaser paid an aggregate of \$3,287,759,116.50 to holders of Shares acquired pursuant to the Offer, which was funded through Pfizer's existing cash balances and cash equivalents.

The Shares purchased in the Offer, gave the Purchaser aggregate ownership of more than 90% of the outstanding Shares as of January 31, 2011. Accordingly, on or about February 28, 2011, Purchaser intends to effect a short-form merger with King (the Merger) pursuant to Section 48-21-105 of the Tennessee Business Corporation Act (the TBCA) and, as a result, King will become a wholly-owned subsidiary of Pfizer. As a result of the Merger, any Shares not tendered in the Offer (other than those held by Pfizer or any subsidiary of Pfizer, including the Purchaser, and any Shares held by King as treasury shares, which Shares will be canceled without any

conversion) will be canceled and converted in the Merger into the right to receive an amount in cash equal to the Offer Price, without interest thereon and subject to any required withholding taxes. The Reporting Persons estimate that an aggregate of approximately \$267,496,611 million will be necessary to purchase Shares in connection with the Merger, which will be funded through Pfizer's existing cash balances and cash equivalents.

**Item 4. Purpose of Transaction**

The purpose of the transactions described in this Schedule 13D is for Pfizer, through the Purchaser, to acquire control of, and the entire equity interest in, King. The Offer, as the first step in the acquisition of King, was intended to facilitate the acquisition of all outstanding Shares. The purpose of the Merger is to acquire all of the outstanding Shares not tendered and purchased pursuant to the Offer.

On October 22, 2010, the Purchaser commenced the Offer upon the terms and subject to the conditions set forth in the Schedule TO filed by Pfizer and Purchaser with the Securities and Exchange Commission on October 22, 2010, as amended and supplemented, and the Offer to Purchase (the Offer to Purchase) and Letter of Transmittal filed as exhibits thereto. The Offer expired at 5:00 p.m., New York City time, at the end of the day on Friday, January 28, 2011. On Monday, January 31, 2011, the Purchaser accepted for purchase all Shares that were validly tendered and not validly withdrawn in connection with the Offer. An aggregate of 230,719,938 Shares were purchased by the Purchaser in accordance with the terms of the Offer, representing aggregate ownership of more than 90% of the outstanding Shares as of January 31, 2011. The Purchaser paid an aggregate of \$3,287,759,116.50 to holders of Shares acquired pursuant to the Offer, which was funded through Pfizer's existing cash balances and cash equivalents. Following consummation of the Offer, pursuant to the Merger Agreement, Pfizer designated a majority of King's Board of Directors (the King Board).

Section 48-21-105 of the TBCA provides that if a corporation owns at least 90% of the outstanding voting shares of each class and series of stock of a subsidiary corporation, the corporation holding such stock may merge such subsidiary into itself, itself into such subsidiary or two or more such subsidiaries with and into each other, without any action or vote on the part of the shareholders of such other corporation. The Merger Agreement provides, among other things, that following consummation of the Offer and subject to certain conditions, the Purchaser will be merged with and into King, with King continuing as the surviving corporation and a wholly-owned subsidiary of Pfizer. Pfizer and Purchaser intend to cause the Merger to occur in accordance with the TBCA on or about February 28, 2011. In the Merger, each Share outstanding immediately prior to the effective time of the Merger (other than those held by Pfizer or any subsidiary of Pfizer, including the Purchaser, and any Shares held by King as treasury shares, which Shares will be canceled without any conversion) will be canceled and converted in the Merger into the right to receive an amount in cash equal to the Offer Price, without interest thereon and subject to any required withholding taxes.

Following the Merger, the Shares will no longer be traded on the New York Stock Exchange, there will be no public market for the Shares and registration of the Shares under the Securities Exchange Act of 1934, as amended, will be terminated.

Except as otherwise provided herein or as set forth in the Offer to Purchase, it is expected that, initially following the Merger, the business and operations of King will be continued substantially as they are currently being conducted. Pfizer will continue to evaluate the business and operations of King after the consummation of the Offer and the Merger and will take such actions as it deems appropriate under the circumstances then existing. Thereafter, Pfizer intends to review such information as part of a comprehensive review of King's business, operations, capitalization and management with a view to optimizing development of King's potential in conjunction with Pfizer's existing business. This may include the integration of King's business with Pfizer's existing business through one or more internal corporate transactions or reorganizations that could involve an extraordinary transaction involving King or change in King's corporate structure.

All information contained in the sections of the Offer to Purchase entitled The Merger Agreement; Other Agreements; Purpose of the Offer; Plans for King; and Certain Effects of the Offer is incorporated herein by reference. Except as set forth in this Schedule 13D (including any information incorporated by reference) and in connection with the transaction described above, none of the Reporting Persons has any plan or proposal that relates

to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 to the Schedule 13D.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the Merger Agreement, which is attached as Exhibit 1 to this Schedule 13D and is incorporated by reference into this Item 4.

**Item 5. Interest in Securities of the Issuer**

(a) and (b) As of January 31, 2011, the Purchaser was the direct record owner of and may be deemed to have shared voting and dispositive power with respect to, and Pfizer may be deemed to beneficially own and have shared voting and dispositive power with respect to, 230,719,938 Shares, representing approximately 92.5% of the issued and outstanding Shares.

(c) On January 31, 2011, the Purchaser accepted for purchase all Shares that were validly tendered and not validly withdrawn in connection with the Offer. An aggregate of 230,719,938 Shares were purchased by the Purchaser in accordance with the terms of the Offer at the Offer Price.

(d) Except as set forth in this Schedule 13D, none of the Reporting Parties has the right to receive or the power to direct the receipt of dividends from, or the proceeds of the sale of, securities covered by the Schedule 13D.

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

The information set forth under Items 3, 4 and 5 of this Schedule 13D is incorporated herein by reference. All information contained in the section of the Offer to Purchase entitled "Background of the Offer; Past Contacts or Negotiations with King" is incorporated herein by reference. Except as disclosed in this Schedule 13D or as set forth in or contemplated in the Merger Agreement, there are no contracts, understandings or relationships between the Reporting Persons and any third person with respect to the Shares.
