PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 17, 2011

This statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders of MVB Financial Corp. (MVB) to be held on May 17, 2011, at the time and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of Proxies

The solicitation of proxies is made by the Board of Directors of MVB. These proxies enable shareholders to vote on all matters that are scheduled to come before the meeting. If the enclosed proxy is signed and returned, it will be voted as directed; or if not directed, the proxy will be voted FOR all of the proposals to be submitted to the vote of shareholders described in the Notice of Annual Meeting and this Proxy Statement. Other than the matters listed in the Notice of Annual Meeting of Shareholders, the Board knows of no additional matters that will be presented for consideration at the Annual Meeting.

A shareholder executing the proxy may revoke it at any time before it is voted:

- (a) by notifying MVB representatives James R. Martin, Larry F. Mazza or Lisa J. Wanstreet in person;
- (b) by giving written notice to MVB. The revocation should be delivered to Lisa J. Wanstreet, Corporate Secretary, 301 Virginia Avenue, Fairmont, WV 26554;
- (c) by submitting to MVB a subsequently dated proxy; or
- (d) by attending the meeting and withdrawing the proxy before it is voted at the meeting.

The expenses of the solicitation of proxies will be paid by MVB. In addition to this solicitation by mail, directors, officers and employees of MVB or its subsidiary, MVB Bank, Inc. (the Bank) may solicit proxies personally or by telephone, although no person will be specifically engaged for that purpose.

Eligibility of Stock for Voting Purposes

Pursuant to the Bylaws of MVB, the Board of Directors has fixed March 28, 2011, as the record date for the purpose of determining the shareholders entitled to notice of, and to vote at, the meeting or any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at such meeting or any adjournment thereof.

As of the record date for the Annual Meeting, approximately 2.2 million shares of the common stock of MVB, owned by approximately 1,050 shareholders, were issued and outstanding and entitled to vote. There are 4 million shares authorized. The principal holders of MVB Common Stock are discussed under the section of this Proxy Statement entitled, Principal Holders of Voting Securities.

PURPOSES OF MEETING

1. ELECTION OF DIRECTORS

General

The Bylaws of MVB currently provide for a Board of Directors composed of five to twenty five members to be elected annually. The Board has set 17 as the number of directors of MVB for the upcoming year. This is the same as established in 2010.

As required by West Virginia law, each share is entitled to one vote per nominee, unless a shareholder requests cumulative voting for directors at least 48 hours before the meeting. If a shareholder properly requests cumulative voting for directors, then each MVB shareholder will have the right to vote the number of shares owned by that shareholder for as many persons as there are directors to be elected, or to cumulate such shares and give one candidate as many votes as the number of directors multiplied by the number of shares owned shall equal, or to distribute them on the same principle among as many candidates as the shareholder sees fit. If any shares are voted cumulatively for the election of directors, the proxies, unless otherwise directed, shall have full discretion and authority to cumulate their votes and vote for less than all such nominees. For all other purposes, each share is entitled to one vote.

Management Nominees to the Board of MVB

The Articles of Incorporation provide for staggered terms for directors. Approximately one-third of the Directors are elected to a three-year term each year. The six individuals identified below represent management nominees to the Board of Directors. As described above, six will be elected for a three year term.

Other than previously disclosed, no MVB Board member has been a member of the board of another public company during the past five years.

The Board of Directors of MVB and Bank met twelve times during 2010. All directors attended 75% or more of the meetings of the Board of Directors and Committees thereof held of which the director is a member, except for Directors Cincinnati, Mossallati and Stanley, who attended 64%, 70% and 55% of the meetings, respectively.

In order to meet their responsibilities, Directors are expected to attend board and committee meetings as well as the annual meeting of shareholders. All directors attended the 2010 Annual Meeting of Shareholders, except for Directors Brooks, Cincinnati, Nelson and Patel.

Leadership Structure of the Board

The Board Chair, Vice Chair and President/CEO are three separate people. Throughout MVB's history, this has been the leadership model. The President/CEO is responsible for the day-to-day operations and performance of MVB. The Chair and Vice Chair are involved in management of meetings and matters of governance and corporate oversight. The Chair and Vice Chair also focus on monitoring the effectiveness of the President/CEO in implementing MVB's corporate strategy and ensuring that the Directors receive sufficient information, on a timely basis, to provide proper risk oversight.

A Governance Committee was established by MVB in December 2009. The Governance Committee's responsibilities are defined in its Charter. The Committee, among many things, reviews the committees of the Board and membership thereof, evaluates compliance with the Director Education Policy, evaluates the current Board areas of expertise and monitors such to determine if an adjustment of Board membership is necessary. The Governance Committee will also provide oversight on issues relating to the governance and operations of MVB.

The committee structure of MVB is such that the committees are responsible for and review the areas of greatest risk to MVB. Each is chaired by an independent director. Staff members are responsible to the Chairs of the committees for requested information necessary for proper committee functioning. The significant risk areas for a community banking organization include the evaluation of the quality of the loan portfolio, the interest rate sensitivity of the institution and the reliability of its financial statements. The related committees, the Loan Review Committee, the ALCO Committee and the Audit Committee, are described below.

The Board of MVB elected a Chief Risk Officer (CRO) whose responsibility is to evaluate the MVB enterprise risk, that being all areas of risk to MVB and serve as Chair of the Enterprise Risk Management Committee (ERM). The CRO presented ERM Committee reports to the Board twice during 2010.

Committees of the Board

MVB or the Bank has a number of standing committees as described below.

Human Resources Committee. Composed of David B. Alvarez, Stephen R. Brooks- Chair, Berniece D. Collis, Kelly R. Nelson, John B. Spadafore, Louis Spatafore and Michael F. Trent. The purpose of this Committee is to address issues related to staffing, compensation and related policy matters. This Committee also is responsible for administration of the 2003 MVB Financial Corp. Stock Incentive Plan Option Program. Mr. Mazza is an ex-officio member of this Committee and makes suggestions, which the Committee evaluates and, if considered appropriate, acts on. Mr. Mazza makes no recommendations nor participates in any portion of the meetings relating to his own salary. The Committee reports the results from these meetings to the Board of Directors. The Committee met four times in 2010.

ALCO Committee. Composed of Harvey M. Havlichek, James R. Martin, Larry F. Mazza, J. Christopher Pallotta- Chair, Eric L. Tichenor, Roger J. Turner and Samuel J. Warash. The purpose of this committee is to review the performance of the investment portfolio and policies related to investments, liquidity and asset and liability management. The Committee reports the results from these meetings to the Board of Directors. The Committee met four times in 2010.

Loan Review Committee. Composed of Harvey M. Havlichek, David A. Jones, Larry F. Mazza, G. Warren Mickey, Leonard W. Nossokoff, J. Christopher Pallotta, Wayne H. Stanley, Richard L. Toothman and Samuel J. Warash- Chair. The purpose of this Committee is to evaluate the adequacy of the Allowance for Loan Losses, review loans and groups of loans for risks and evaluate policies related to the Allowance for Loan Losses as necessary. The Committee reports the results from these meetings to the Board of Directors. The Committee met four times in 2010.

Governance Committee. Composed of John W. Ebert, G. Warren Mickey, Kelly R. Nelson- Chair, Leonard W. Nossokoff and Nitesh S. Patel. The purpose of the Committee is to maintain an appropriate board and committee structure by assessing skills and background to effectively staff MVB boards and committees and developing and updating governance and ethics policies for MVB. The Committee reports the results from these meetings to the Board of Directors. The Committee met five times in 2010.

Audit Committee. Composed of John W. Ebert, Harvey M. Havlichek, Christine B. Ielapi, Kenneth F. Lowe, III, Louis Spatafore- Chair, and Michael F. Trent. The purpose is to review the results of the internal and external audits, Reports of Examination from regulatory authorities and discuss the financial statements with management and external auditors and to report such to the Board of Directors.

The Audit Committee of MVB does not include an individual who is considered to be an audit committee financial expert. This is true for the entire Board of Directors as well, because no one meets the guidelines set forth by Section 407 of the Sarbanes-Oxley Act of 2002, for an audit committee financial expert. In the small community market area of MVB, individuals meeting the required credentials under the Act are very rare. All members of the Board of Directors are successful business owners and have knowledge of the requirements to run such a successful business. The directors of MVB, including those who are members of the Audit Committee, believe that having separate internal and external audits and regulatory examinations assist in insuring proper supervision, evaluation and reporting of MVB activities.

The Audit Committee met four times in 2010. The Committee meets with representatives Conley CPA Group, PLLC, who is responsible for the internal audit function of MVB and S.R. Snodgrass, A.C., who is responsible for the annual certified audit, as well as with the members of the regulatory authorities upon completion of their examinations

of the Bank or MVB. During these meetings, the active management of the Bank or MVB, including CEO Mazza and CFO Tichenor, may be asked to leave the room to provide comfort of questioners and responders.

In the opinion of MVB's Board of Directors, none of the Board of Directors, except for Directors Martin and Mazza, has a relationship with MVB that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors. None of them are or have for the past three years been employees of MVB, except for Directors Martin and Mazza, and none of their immediate family members are or have for the past three years been executive officers of MVB or Bank. In the opinion of MVB and its Board of Directors, the entire Board of Directors, except for Directors Martin and Mazza, are independent directors, as that term is defined in Rule 4200(a)(15) of the Rules of the Financial Industry Regulatory Authority. The Board of Directors of MVB has adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A included in the Proxy Statement for the 2009 Annual Meeting of Shareholders as required by the Securities and Exchange Commission.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2010, with management. The Audit Committee has also discussed the audited financial statements with S.R. Snodgrass, A.C., MVB's independent accountants, as well as the matters required to be discussed by Statement on Auditing Standards No. 61. (having to do with accounting methods used in the financial statements). The Audit Committee has received the written disclosures and the letter from S.R. Snodgrass, A.C. required by Independence Standards Board Standard No. 1 (having to do with matters that could affect the auditor's independence) and has discussed with S.R. Snodgrass, A.C., the independent accountants' independence. Based on this, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in MVB's Annual Report on Form 10-K for the year ended December 31, 2010, filed with the Securities and Exchange Commission.

Submitted by The Audit Committee,

John W. Ebert

This report shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, unless MVB specifically incorporates this report by reference. It will not otherwise be filed under such Acts.

Nominating Committee. The Board of Directors has not established a formal nominating committee as the entire Board serves in this capacity. The Board of Directors of MVB does not maintain a separate nominating committee, nor does it have a nominating committee charter, because the Board of Directors is relatively small and vacancies are rare. Because the full Board of Directors serves the function of the nominating committee, not all directors are independent.

The Board of Directors believes that candidates for director should have certain minimum qualifications, including:

Directors should be of the highest ethical character.

Directors should have excellent personal and professional reputations in MVB's market area.

Directors should be accomplished in their professions or careers.

Directors should be able to read and understand financial statements and either have knowledge of, or the ability and willingness to learn, financial institution law.

Directors should have relevant experience and expertise to evaluate financial data and provide direction and advice to the chief executive officer and the ability to exercise sound business judgment.

Directors must be willing and able to expend the time to attend meetings of the Board of Directors of MVB and the Bank and to serve on Board committees.

The Board of Directors will consider whether a nominee is independent, as legally defined. In addition, directors should avoid the appearance of any conflict and should be independent of any particular constituency and be able to serve all shareholders of MVB.

Because the directors of MVB may also serve as directors of the Bank, a majority of directors must be residents of West Virginia, as required by state banking law.

Directors must be acceptable to MVB's and the Bank's regulatory agencies, including the Federal Reserve Board, the Federal Deposit Insurance Corporation and the West Virginia Division of Banking and must not be under any legal disability which prevents them from serving on the Board of Directors or participating in the affairs of a financial institution.

Directors must own or acquire sufficient capital stock to satisfy the requirements of West Virginia law, the Bylaws of MVB and share ownership guidelines as established by MVB.

Directors must be at least 21 years of age. The Board of Directors of MVB reserves the right to modify these minimum qualifications from time to time, except where the qualifications are required by the laws relating to financial institutions.

The Board of Directors does not maintain a formal diversity policy with respect to the identification or selection of directors for nomination to the Board of Directors. Diversity is just one of many factors the Board of Directors considers in the identification and selection of director nominees. We define diversity broadly to include differences in race, gender, ethnicity, age, viewpoint, professional experience, educational background, skills and other personal attributes that can foster board heterogeneity in order to encourage and maintain board effectiveness. While diversity and variety of experiences and viewpoints represented on the board should always be considered, a director nominee should not be chosen nor excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a director nominee, the Board of Directors focuses on skills, expertise or background that would complement the existing board, recognizing that MVB's businesses and operations are regional in nature. Our directors are residents of North Central West Virginia and of the Eastern Panhandle of West Virginia, our primary two markets. Our directors come from diverse backgrounds including the financial, industrial, professional and retail areas and information technology.

The process of the Board of Directors for identifying and evaluating nominees is as follows: In the case of incumbent directors whose terms are set to expire, the Board of Directors considers the directors' overall service to MVB or the Bank during their term, including such factors as the number of meetings attended, the level of participation, quality of performance and any transactions between such directors and MVB and the Bank. The Board of Directors also reviews the payment history of loans, if any, made to such directors by the Bank to ensure that the directors are not chronically delinquent and in default. The Board considers whether any transactions between the directors and the Bank have been criticized by any banking regulatory agency or the Bank's external auditors and whether corrective action, if required, has been taken and was sufficient. The Board of Directors also confirms that such directors remain eligible to serve on the Board of Directors of a financial institution under federal and state law. For new director candidates, the Board of Directors uses its network of contacts in MVB's market area to compile a list of potential candidates. The Board of Directors then meets to discuss each candidate and whether he or she meets the criteria set forth above. The Board of Directors then discusses each candidate's qualifications and chooses a candidate by majority vote.

The Board of Directors will consider director candidates recommended by stockholders for nomination by the Board of Directors, provided that the recommendations are received at least 120 days before the next annual meeting of shareholders. In addition, the procedures set forth below must be followed by stockholders for submitting nominations

for director to the shareholders. The Board of Directors does not intend to alter the manner in which it evaluates candidates, regardless of whether or not the candidate was recommended or nominated by a shareholder.

MVB's Bylaws provide that nominations for election to the Board of Directors must be made by a shareholder in writing delivered or mailed to the president not less than 14 days nor more than 50 days prior to the meeting called for the election of directors; provided, however, that if less than 21 days' notice of the meeting is given to shareholders, the nominations must be mailed or delivered to the president not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. The notice of nomination must contain the following information, to the extent known:

Name and address of proposed nominee(s);

Principal occupation of nominee(s);

Total shares to be voted for each nominee;

Name and address of notifying shareholder; and

Number of shares owned by notifying shareholder.

Nominations not made in accordance with these requirements may be disregarded by the chairman of the meeting and in such case the votes cast for each such nominee will likewise be disregarded. All nominees for election at the meeting are incumbent directors. No shareholder recommendations or nominations have been made.

2. PROPOSAL TO AMEND 2003 MVB FINANCIAL CORP. STOCK OPTION PLAN

The 2003 MVB Financial Corp Stock Incentive Plan (the Plan) is the successor plan to the Monongahela Valley Bank 2000 Stock Incentive Plan. The purpose of the Plan is to attract and retain executive, managerial and other key employees, motivate participating employees to achieve long-range goals, provide incentive compensation and opportunities competitive with other major financial institutions, and to connect the interests of employees participating in the Plan with MVB's other stockholders through incentive compensation based on the other stock value of MVB, thereby promoting the long-term financial interests of MVB and all of its stockholders.

The proposal is to increase from 300,000 to 600,000 shares available for options under the Plan. This does not mean that 600,000 shares would be available for awards under the Plan. The Plan has been in place since 2000. Of the 300,000 shares available under the previously approved amendment in 2007, 23,190 shares remain available for award. The 276,810 shares that have been awarded are either currently outstanding or have been exercised. It is anticipated that the additional 300,000 shares requested herein for authorization will provide the shares necessary for Employee Stock Incentive awards for several years.

Under the proposal, Section 5.1 of the Plan would be amended to read, in its entirety, as follows:

5.1. The Shares of Stock with respect to which Awards may be made under the Plan shall be shares of currently authorized but unissued or Treasury shares acquired by the Company, including shares purchased in the open market or private transactions. Subject to the provisions of section fifteen, the total number of shares of Stock available for grant of Award will not exceed six hundred thousand (600,000) shares of stock, as adjusted by section fifteen on or after May 17, 2011. Except as otherwise provided herein, if any award shall expire or terminate for any reason without having been exercised in full, the unissued shares of Stock subject thereto (whether or not cash or other consideration is paid in respect of such Award) shall again be available for the purpose of the Plan. Any shares of Stock which are used as full or partial payments to the Company upon an exercise of an Award shall also be available for purposes of the Plan.

A copy of the Plan, as amended, is attached as Exhibit A.

The Board of Directors unanimously recommends that shareholders vote FOR approval of this proposal.

The enclosed proxy will be voted FOR the approval of the proposed amendments to the Plan unless otherwise directed. The affirmative vote by the holders of a majority of the shares of MVB outstanding is required to approve the proposed amendment.

SECTION 6

Options

6.1 The grant of an Option under this Section 6 entitles the Participant to purchase shares of Stock at an Exercise Price fixed at the time the Option is granted, or at a price determined under a method established at the time the Option is granted, subject to the terms of this Section 6. Options granted under this Section 6 may be either Incentive Stock Options or Non-Qualified Stock Options, but subject to Sections 9 and 14, shall not be exercisable for at least six months from the date of grant, as determined in the discretion of the Committee. An Incentive Stock Option is an Option that is intended to satisfy the requirements applicable to an incentive stock option described in Section 422(b) of the Code. A Non-Qualified Option is an Option that is not intended to be an incentive stock option as that term is described in Section 422(b) of the Code.

6.2 The Committee shall designate the Employees to whom options are to be granted under this Section 6 and shall determine the number of shares of Stock to be subject to each such Option. To the extent that the aggregate Fair Market Value of Stock with respect to which Incentive Stock Options are exercisable for the first time by any individual during any calendar year (under all plans of the Company and all Related Companies) exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options, but only to the extent required by

Section 422 of the Code.

6.3 The determination and payment of the Exercise Price of a share of Stock under each Option granted under this Section shall be subject to the following terms of this Subsection 6.3:

(a) The Exercise Price shall be established by the Committee or shall be determined by a method established by the Committee at the time the Option is granted; provided, however, that in no event shall the Exercise Price per share be less than the Fair Market Value per share on the date of the grant (or in the case of a Ten Percent Stockholder, less than 110% of the Fair Market Value) except as otherwise permitted by Section 15 of the Plan;

(b) The full Exercise Price of each share of Stock purchased upon the exercise of any Option shall be paid at the time of such exercise and, as soon as practicable thereafter, a certificate representing the shares so purchased shall be delivered to the person entitled thereto; and

(c) The Exercise Price shall be paid either in cash, in shares of Stock (valued at Fair Market Value as of the day of exercise), through a combination of cash and Stock (so valued) or through such cashless exercise arrangement as may be approved by the Committee and established by the Company, provided that any shares of Stock used for payment shall have been owned by the Participant for at least six (6) months.

6.4 Except as otherwise expressly provided in the Plan, the terms and conditions relating to exercise of an Option shall be established by the Committee, and may include, without limitation, conditions relating to completion of a specified period of service, achievement of performance standards prior to exercise of the Option, or achievement of Stock ownership objectives by the Participant. No Option may be exercised by a Participant after the expiration date applicable to that Option.

6.5 The exercise period of any Option shall be determined by the Committee but the term of any Option shall not extend more than ten years after the date of grant.

SECTION 7

Stock Purchase Program

7.1 The Committee may, from time to time, establish one or more programs under which Employees will be permitted to purchase shares of Stock under the Plan, and shall designate the Employees eligible to participate under such Stock purchase programs. The purchase price of shares of Stock available under such programs, and other terms and conditions of such programs, shall be established by the Committee. The purchase price may not be less than 85% of the Fair Market Value of the Stock at the time of purchase (or, in the Committee's discretion, the average Fair Market value over a period determined by the Committee), and further provided that if newly issued shares of Stock are sold, the purchase price may not be less than the aggregate par value of such newly issued shares of Stock.

7.2 The Committee may impose such restrictions with respect to shares purchased under this Section 7, as the Committee, in its sole discretion, determines to be appropriate.

SECTION 8

Merit Awards

8.1 The Committee may from time to time make an Award of Stock under the Plan to selected Employees for such reasons and in such amounts as the Committee, in its sole discretion, may determine. The consideration to be paid by an Employee for any such Merit Award, if any, shall be fixed by the Committee from time to time, but it shall not be less than the aggregate par value of the shares of Stock awarded to him or her.

SECTION 9

Termination of Employment

9.1 If a Participant's employment is terminated by the Participant's Employer for Cause or if the Participant's employment is terminated by the Participant without the written consent and approval of the Participant's Employer, all of the Participant's unvested Awards shall be immediately forfeited and exercisable Options shall be forfeited after 90 days from the Participant's Termination Date.

9.2 If a Participant's Date of Termination occurs by reason of death, Disability, or Retirement, all Options outstanding immediately prior to the Participant's Date of Termination shall immediately become exercisable and shall be exercisable until one year from the Participant's Date of Termination and thereafter shall be forfeited if not exercised, and all restrictions on any Awards outstanding immediately prior to the Participant's Date of Termination shall immediately lapse. Options which are or become exercisable at the time of a Participant's death may be exercised by the Participant's designated beneficiary or, in the absence of such designation, by the person to whom the Participant's rights will pass by will or the laws of descent and distribution.

9.3 Options which are or become exercisable by reason of the Participant's employment being terminated by the Participant's Employer for reasons other than Cause or by the Participant with the consent and approval of the Participant's Employer, shall be exercisable until 120 days from the Participant's Termination Date and shall thereafter be forfeited if not exercised.

9.4 Except to the extent the Company shall otherwise determine, if, as a result of a sale or other transaction (other than a Change in Control), a Participant's Employer ceases to be a Related Company (and the Participant's Employer is or becomes an entity that is separate from the Company), the occurrence of such transaction shall be treated as the Participant's Date of Termination caused by the Participant's employment being terminated by the Participant's Employer for a reason other than Cause.

9.5 Notwithstanding the foregoing provisions of this Section 9, the Committee may, with respect to any Awards of a Participant (or portion thereof) that are outstanding immediately prior to the Participant's Date of Termination, determine that a Participant's Date of Termination will not result in forfeiture or other termination of the Award, or may extend the period during which any Options may be exercised, but shall not extend such period beyond the original expiration date set forth in the Award.

SECTION 10

Adjustments to Shares

10.1 If the Company shall effect a reorganization, merger, or consolidation, or similar event or effect any subdivision or consolidation of shares of Stock or other capital readjustment, payment of stock dividend, stock split, spin-off, combination of shares or recapitalization or other increase or reduction of the number of shares of Stock outstanding without receiving compensation therefor in money, services or property, then the Committee shall appropriately adjust (a) the number of shares of Stock available under the Plan, (b) the number of shares of Stock available under any individual or other limitations under the Plan, (c) the number of shares of Stock subject to outstanding Awards and (d) the per-share price under any outstanding Award to the extent that the Participant is required to pay a purchase price per share with respect to the Award.

10.2 If the Committee determines that an adjustment in accordance with the provisions of Subsection 10.1 would not be fully consistent with the purposes of the Plan or the purposes of the outstanding Awards under the Plan, the Committee may make such other adjustments, if any, that the Committee reasonably determines are consistent with the purposes of the Plan and/or the affected Awards.

10.3 To the extent that any reorganization, merger, consolidation, or similar event or any subdivision or consolidation of shares of Stock or other capital readjustment, payment of stock dividend, stock split, spin-off, combination of shares or recapitalization or other increase or reduction of the number of shares of Stock hereunder

is also accompanied by or related to a Change in Control, the adjustment hereunder shall be made prior to the acceleration contemplated by Section 14.

SECTION 11

Transferability and Deferral of Awards

11.1 Awards under the Plan are not transferable except by will or by the laws of descent and distribution. To the extent that a Participant who receives an Award under the Plan has the right to exercise such Award, the Award may be exercised during the lifetime of the Participant only by the Participant. Notwithstanding the foregoing, the Committee may, subject to any restrictions under applicable laws, permit Awards under the Plan (other than an Incentive Stock Option) to be transferred by a Participant for no consideration to or for the benefit of the Participant's Immediate Family (including, without limitation, to a trust for the benefit of a Participant's Immediate Family or to a Partnership comprised solely of members of the Participant's Immediate Family), subject to such limits as the Committee may establish, provided the transferee shall remain subject to all of the terms and conditions applicable to such Award prior to such transfer.

11.2 The Committee may permit a Participant to elect to defer payment under an Award under such terms and conditions as the Committee, in its sole discretion, may determine; provided that any such deferral election must be made prior to the time the Participant has become entitled to payment under the Award.

SECTION 12

Award Agreement

12.1 Each Participant granted an Award pursuant to the Plan shall sign an Award Agreement which signifies the offer of the Award by the Company and the acceptance of the Award by the Participant in accordance with the terms of the Award and the provisions of the Plan. Each Award Agreement shall reflect the terms and conditions of the Award. Participation in the Plan shall confer no rights to continued employment with an Employer nor shall it restrict the right of an Employer to terminate a Participant's employment at any time for any reason, notwithstanding the fact that the Participant's rights under this Plan may be negatively affected by such action.

SECTION 13

Tax Withholding

13.1 All Awards and other payments under the Plan are subject to withholding of all applicable taxes, which withholding obligations shall be satisfied (without regard to whether the Participant has transferred an Award under the Plan) by a cash remittance, or with the consent of the Committee, through the surrender of shares of Stock which the Participant owns or to which the Participant is otherwise entitled under the Plan pursuant to an irrevocable election submitted by the Participant to the Company at the office designated for such purpose. The number of shares of Stock needed to be submitted in payment of the taxes shall be determined using the Fair Market Value as of the applicable tax date rounding down to the nearest whole share.

SECTION 14

Change in Control

14.1 After giving effect to the provisions of Section 10 (relating to the adjustment of shares of Stock), and except as otherwise provided in the Plan or the Agreement reflecting the applicable Award, upon the occurrence of a Change in Control:

- (a) All outstanding Options shall become fully exercisable and may be exercised at any time during the original term of the Option; and
- (b) All shares of Stock subject to Awards shall become fully vested and be distributed to the

Participant.

SECTION 15

Mergers/Acquisitions

15.1 In the event of any merger or acquisition involving the Company and/or a Subsidiary of the Company and another entity which results in the Company being the survivor or the surviving direct or indirect parent corporation of the merged or acquired entity, the Committee may grant Awards under the provisions of the Plan in substitution for awards held by employees or former employees of such other entity under any plan of such entity immediately prior to such merger or acquisition upon such terms and conditions as the Committee, in its discretion, shall determine and as otherwise may be required by the Code to ensure such substitution is not treated as the grant of a new Award for tax or accounting purposes.

15.2 In the event of a merger or acquisition involving the Company in which the Company is not the surviving corporation, the Acquiring Corporation shall either assume the Company's rights and obligations under outstanding Awards or substitute awards under the Acquiring Corporation's plans, or if none, securities for such outstanding Awards, and without limiting Section 14, the Board shall provide that any unexercisable and/or unvested portion of the outstanding Awards shall be immediately exercisable and vested as of a date prior to such merger or consolidation, as the Board so determines. The exercise and/or vesting of any Award that was permissible solely by reason of this Subsection 15.2 shall be conditioned upon the consummation of the merger or consolidation. Unless otherwise provided in the Plan or the Award, any Awards which are neither assumed by the Acquiring Corporation nor exercised on or prior to the date of the transaction shall terminate effective as of the effective date of the transaction.

SECTION 16

Termination and Amendment

16.1 The Board may suspend, terminate, modify or amend the Plan, provided that any amendment that would (a) increase the aggregate number of shares of Stock which may be issued under the Plan, (b) would change the Value of Stock as set forth in Subsection 2.1(o) of the Plan, or (c) materially modify the requirements as to eligibility for or modification that may result from adjustments authorized by Section 10 does not require such approval. No suspension, termination, modification or amendment of the Plan may terminate a Participant's existing Award or materially and adversely affect a Participant's rights under such Award without the Participant's consent.
