Item 1.01. Entry into a Material Definitive Agreement.

On May 11, 2011, Philip Morris International Inc. ("PMI") entered into an amended and restated credit agreement (the "Credit Agreement") relating to a senior unsecured revolving credit facility (the "Facility") with the lenders named therein and J.P. Morgan Europe Limited ("JPMEL"), as facility agent. The Facility provides for borrowings up to an aggregate principal amount of US\$2.5 billion (or the equivalent in Euro) and expires on March 31, 2015.

Interest rates on borrowings under the Facility will be based on prevailing interest rates for U.S. Dollars or Euro, as applicable, and as further described in the Credit Agreement.

The Facility will be used for general corporate purposes, including commercial paper backstop. The Credit Agreement requires the maintenance of an EBITDA to interest ratio, as defined therein, of not less than 3.5 to 1.0.

The Credit Agreement contains certain events of default customary for credit facilities of this type (with customary grace periods, as applicable), including nonpayment of principal or interest when due; material incorrectness of representations and warranties when made; breach of covenants; bankruptcy and insolvency; unsatisfied ERISA obligations; unstayed material judgment beyond specified periods; acceleration or payment default of other material indebtedness; and invalidation of PMI's guaranty.

If any events of default occur and are not cured within applicable grace periods or waived, the outstanding loans may be accelerated and the lenders' commitments may be terminated. The occurrence of the bankruptcy and insolvency event of default will result in the automatic termination of commitments and acceleration of outstanding loans under the Credit Agreement.

The Facility amends and restates PMI's existing US\$2.5 billion revolving credit facility with the lenders named therein and J.P. Morgan Europe Limited, as facility agent, which was to expire on September 30, 2013 (the "2010 Facility").

At May 11, 2011, PMI had no borrowings outstanding under the 2010 Facility.

Some of the lenders under the Credit Agreement and their affiliates have various relationships with PMI and its subsidiaries involving the provision of financial services, including cash management, investment banking and trust services. In addition, PMI and some of its subsidiaries may enter into foreign exchange and other derivative arrangements with certain of the lenders and their affiliates.

The description above is a summary and is qualified in its entirety by the Credit Agreement, which is filed as Exhibit 10.1 to this report and is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.

Item 8.01. Other Events.

On May 16, 2011, PMI issued US\$650,000,000 aggregate principal amount of its 2.500% Notes due 2016 (the "2016 Notes") and US\$350,000,000 aggregate principal amount of its 4.125% Notes due 2021 (the "2021 Notes" and, together with the 2016 Notes, the "Notes"). The Notes were issued pursuant to an

The Notes are subject to certain customary covenants, including limitations on PMI's ability, with significant exceptions, to incur debt secured by liens and engage in sale/leaseback transactions. PMI may redeem all, but not part, of the Notes of each series upon the occurrence of specified tax events as described in the Prospectus Supplement.

Interest on the 2016 Notes is payable semiannually on May 16 and November 16 of each year, commencing November 16, 2011, to holders of record on the preceding May 1 or November 1, as the case may be. Interest on the 2021 Notes is payable semiannually on May 17 and November 17 of each year, commencing November 17, 2011, to holders of record on the preceding May 2 or November 2, as the case may be. The 2016 Notes will mature on May 16, 2016, and the 2021 Notes will mature on May 17, 2021.
