Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

At the Annual Meeting of Stockholders of The Charles Schwab Corporation (CSC) held on May 17, 2011, stockholders approved the amended and restated 2004 Stock Incentive Plan. The amendments:

increase the share reserves available under the plan by an additional 45 million shares of common stock,

allow performance-based units denominated in cash and other cash awards of up to \$10 million per person per year to be eligible to be deductible under section 162(m) of the Internal Revenue Code,

include additional business criteria that may be used for setting performance goals for performance-based awards,

clarify that the Compensation Committee will establish performance goals within the first 90 days of a performance period (or 25% of a performance period that is expected to be less than 12 months), and

specify acceptable adjustments to awards in the event of an extraordinary event.

In addition, the amendments incorporate various requirements under current tax law and contain other administrative clarifications.

A complete copy of the plan is attached as Exhibit 10.1.
