Basis for this Timing of Announcement of the Forecasts

The Company was unable to reasonably calculate forecasts for the consolidated and unconsolidated financial results for the fiscal year ending March 31, 2012 due to the impact of the Great East Japan Earthquake that occurred on March 11, 2011. However, based on various factors such as recent environment and trends in the Company's financial results, the Company hereby announces its forecasts for the consolidated and unconsolidated financial results for the fiscal year ending March 31, 2012, as above. The forecasts for the first half are not yet determined. The above forecast is based on the assumption that the exchange rates are 80 yen per 1 U.S. dollar and 110 yen per 1 Euro.

* For more detail, please refer to the Company's investor relations website (URL <http://world.honda.com/investors/>).

2. The Expected Amount of Distribution of Surplus per Share of Common Stock for the Fiscal Year Ending March 31, 2012

Basis for this Timing of Announcement of the Expected Amount of Distribution of Surplus per Share of Common Stock

The Company was unable to reasonably calculate the expected amount of distribution of surplus per Share of Common Stock for the fiscal year ending March 31, 2012 due to the impact of the Great East Japan Earthquake. However, based on the above forecasts for the consolidated and unconsolidated financial results for the fiscal year ending March 31, 2012, the Company hereby announces the expected amount of distribution of surplus per Share of Common Stock for the fiscal year ending March 31, 2012, as above.

* These forward-looking statements of Honda are based on management's assumptions and beliefs taking into account information currently available to it. Therefore, please be advised that Honda's actual results and dividends could materially differ from those described in these forward-looking statements as a result of numerous factors, including general economic conditions in Honda's principal markets and foreign exchange rates between the Japanese yen and the U.S. dollar, the Euro and other major currencies, as well as other factors detailed from time to time.

Table of Contents

The requirements for approval of each matter for resolution are as follows:

- For the First, Fifth and Sixth Items of the proposals, a majority vote of the shareholders present at the General Shareholders Meeting

- For the Second Item of the proposals, not less than two-thirds (2/3) of the votes of the shareholders present at the General Shareholders Meeting who hold shares representing in aggregate not less than one-third (1/3) of the voting rights of all shareholders entitled to vote

- For the Third and Fourth Items of the proposals, a majority vote of the shareholders present at the General Shareholders Meeting who hold shares representing in aggregate not less than one-third (1/3) of the voting rights of all shareholders entitled to vote

(4) Reasons for not including certain number of votes by shareholders present at the meeting in the number of votes mentioned above. The aggregate number of (a) voting rights exercised prior to the General Shareholders Meeting and (b) the votes by shareholders present at the General Shareholders Meeting through which approval or disapproval was able to be ascertained for each of the proposals, was sufficient to meet the approval requirements and therefore the matters were duly resolved under the Companies Act of Japan. Accordingly, the number of votes by the shareholders present at the General Shareholders Meeting, but for which approval, disapproval or abstention for each proposal could not be confirmed, were not included in the number of votes mentioned in paragraph (3) above.
