PROXY STATEMENT

For Annual Meeting of Stockholders to be held on August 16, 2011

General

The enclosed proxy is solicited on behalf of our Board of Directors (the Board) for use at the Annual Meeting of Stockholders (the Annual Meeting), of Great American Group, Inc. to be held on August 16, 2011, at 2:00 p.m. local time or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at the corporate offices of Great American Group, Inc. located at 21860 Burbank Blvd., Suite 300 South, Woodland Hills, CA 91367. We expect to mail this proxy statement to our stockholders on or about July 20, 2011.

All references to us, we, our, and the Company refer to Great American Group, Inc. and its subsidiaries.

Solicitation of Proxies

The Board is soliciting the accompanying proxy. In accordance with unanimous recommendations of our Board, the individuals named in the proxy will vote all shares represented by proxies in the manner designated, or if no designation is made, they will vote the proxies FOR the election of all of the director nominees and FOR each proposal. In their discretion, the proxy holders named in the proxy are authorized to vote on any other matters that may properly come before the Annual Meeting and at any continuation, postponement or adjournment of the Annual Meeting. As of the date of this Proxy Statement, the Board does not know of any other items of business that will be presented for consideration at the Annual Meeting other than those described in this proxy statement. The individuals acting as proxies will not vote on a particular matter if the proxy card representing those shares instructs them to abstain from voting on that matter or to the extent a proxy card is marked to show that some of the shares represented by the proxy card are not to be voted.

Shares Outstanding and Required Vote

Only holders of record of shares of our common stock at the close of business on the record date, July 12, 2011, will be entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. At the close of business on July 12, 2011, the Company had 30,800,334 shares of common stock outstanding and entitled to vote held by 18 stockholders of record. Each holder of record of shares of our common stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of our outstanding shares of common stock entitled to vote are represented at the meeting, either in person or by proxy. All votes will be tabulated by the inspector of elections appointed for the meeting by the board of directors, who will tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions and broker shares that are voted as to any matter at the meeting will be included in determining if a quorum is present or represented at the Annual Meeting. Any broker holding shares of record for you is not entitled to vote on certain matters unless the broker receives voting instructions from you. Uninstructed shares, or broker non-votes, result when shares are held by a broker who has not received instructions from its customer on such matters and the broker has so notified us on a proxy form in accordance with industry practice or has otherwise advised us that the broker lacks voting authority. The effects of broker non-votes and abstentions on the specific items to be brought before the Annual Meeting are discussed under each item.

How to Vote

You may vote by attending the Annual Meeting and voting in person or you may vote by submitting a proxy. If you hold your shares of common stock in street name you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares. Your broker, bank or other nominee may allow you to deliver your voting instructions via the Internet and may also permit you to submit your voting instructions by telephone.

If you plan to attend the annual meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note that if your shares are held of record by a broker, bank or other nominee, and you decide to attend and vote at the Annual Meeting, your vote in person at the

Edgar Filing: Great American Group, Inc. - Form DEF 14A

Annual Meeting will not be effective unless you present a legal proxy, issued in your name from your broker, bank or other nominee. Even if you plan to attend the Annual Meeting, we encourage you to submit your proxy to vote your shares in advance of the Annual Meeting.

Revocation of Proxies

You are a stockholder of record if at the close of business on the record date your shares were registered directly in your name with Continental Stock Transfer and Trust Company, our transfer agent. If you are a stockholder of record and give a proxy, you may revoke it at any time before its use, either:

- (1) by revoking it in person at the Annual Meeting;
- (2) by writing, delivered to our Corporate Secretary at 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, California, 91367 before the proxy is used; or
- (3) by a later dated proxy card delivered to us at the above noted address before the proxy is used.

Your presence at the meeting will not revoke your proxy, but if you attend the meeting and cast a ballot, your proxy will be revoked as to the matters on which the ballot is cast.

If you hold your shares through a broker, bank, trustee or other nominee, please follow the instructions provided by your broker or other nominee as to how you may change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the Annual Meeting.

Cost and Method of Solicitation

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to our stockholders. Solicitation of proxies by mail may be supplemented by telephone or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services. We may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners.

Vote Required

Each director is elected by a plurality of the votes cast with regard to the election of directors. The persons named in the enclosed proxy will vote the proxies they receive FOR the election of the nominees named below, unless a particular proxy card withholds authorization to do so, or provides contrary instructions. Because directors are elected by a plurality of the votes cast, abstentions and broker non-votes will not be counted in determining which nominees receive the largest number of votes cast. Each of the nominees has indicated that he is willing and able to serve as a director. If, before the Annual Meeting, any nominee becomes unable to serve, an event that is not anticipated by the Board, the proxies will be voted for the election of whomever the Board may designate.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR

THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.

PROPOSAL 2**RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTING FIRM**

Our Board has selected Marcum LLP (Marcum) as our independent public accounting firm for the fiscal year ending December 31, 2011, and has further directed that management submit the selection of independent public accounting firm for ratification by our stockholders at our Annual Meeting. Marcum has audited our financial statements since the fiscal year ended December 31, 2006. Representatives of Marcum are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Marcum as our independent public accounting firm is not required by our Bylaws or otherwise. However, the Board is submitting the selection of Marcum to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Board and the Audit Committee will reconsider whether or not to retain Marcum. Even if the selection is ratified, the Board and the Audit Committee may, in their discretion, direct the appointment of a different independent public accounting firm at any time during the year if they determine that such a change would be in our and our stockholders' best interests.

Audit and All Other Fees

The following table sets forth the aggregate fees for services provided to us by Marcum for the fiscal years ended December 31, 2009 and 2010:

	Fiscal 2009	Fiscal 2010
Audit Fees (1)	\$ 851,700	\$ 380,000
Audit-Related Fees (2)	300,000	
Tax Fees (3)		6,000
All Other Fees		
TOTAL	\$ 1,151,700	\$ 386,000

- (1) Audit Fees consist of audit and various attest services performed by Marcum, LLP, our independent registered public accounting firm, and include the following: (1) fees for Fiscal 2009 include (a) reviews of our financial statements for the quarterly periods ended March 31, 2009, June 30, 2009 and September 30, 2009, (b) the audit of our financial statements for the year ended December 31, 2009, (c) consents for filing registration statements and (d) reviews of registrations statements and consultations regarding responses to SEC comment letters in 2009 and (2) fees for fiscal 2010 include (a) reviews of our financial statements for the quarterly periods ended March 31, 2010, June 30, 2010 and September 30, 2010 and (b) the audit of our financial statements for the year ended December 31, 2010.
- (2) Audit-Related Fees principally include consultations on accounting matters addressed in connection with the issuance of our financial statements and filings of registration statements on Form S-4.
- (3) Tax fees consist of corporate tax compliance services for one of our subsidiaries.

Audit Committee Pre-Approval Policy

As a matter of policy, all audit and non-audit services provided by our independent registered public accounting firm are approved in advance by the Audit Committee, which considers whether the provision of non-audit services is compatible with maintaining such firm's independence. All services provided by Marcum during fiscal years 2009 and 2010 were pre-approved by the Audit Committee. The Audit Committee has considered the role of Marcum in providing services to us for the fiscal year ended December 31, 2010, and has concluded that such services are compatible with their independence as our auditors.

Vote Required and Board of Directors Recommendation

Approval of this proposal requires the affirmative vote of a majority of the votes cast on this proposal at a meeting at which a quorum is present. Abstentions will be counted as present for purposes of determining the presence of a quorum and will have the same effect as a vote against this proposal. Broker non-votes will not result from the vote on Proposal 2.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THIS PROPOSAL.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Board of Directors has adopted corporate governance guidelines to assist it in the exercise of its responsibilities and to serve the interests of the Company and our stockholders. The corporate governance guidelines are available for review on our website at www.greatamerican.com/governance.cfm.

Director Independence

Our Board of Directors has unanimously determined that a majority of the Board, including both of the directors standing for election, are independent directors as that term is defined by Nasdaq Marketplace Rule 5605(a)(2). In addition, based upon such standards, the Board has determined that Mr. Yellen and Mr. Gumaer are not independent because they are currently executive officers of the Company.

Nominations for Directors

The Corporate Governance Committee evaluates and recommends to the Board of Directors director nominees for each election of directors. In fulfilling its responsibilities, the Corporate Governance Committee considers the following factors: (i) demonstrated personal integrity and moral character; (ii) willingness to apply sound and independent business judgment for the long-term interests of the stockholders; (iii) relevant business or professional experience, technical expertise or specialized skills; (iv) personality traits and background that appear to fit with those of the other directors to produce a collegial and cooperative Board responsive to the Company's needs; and (v) ability to commit sufficient time to effectively carry out the substantial duties of a director. The Corporate Governance Committee and the Board will not consider as a director candidate anyone who is an officer, director or principal of an enterprise which is in substantial competition with the Company. Other than the foregoing factors, there are no stated minimum criteria for director nominees. However, the Corporate Governance Committee may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Corporate Governance Committee does, however, recognize that under applicable regulatory requirements at least one member of the Board must, and believes that it is preferable that more than one member of the Board should, meet the criteria for an audit committee financial expert as defined by SEC rules.

The Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. If the Corporate Governance Committee believes that the Board of Directors requires additional candidates for nomination, the committee may explore alternative sources for identifying additional candidates. This may include engaging, as appropriate, a third party search firm to assist in identifying qualified candidates.

The Corporate Governance Committee reviews all nominees, including those recommended by stockholders, for nomination by the Board in accordance with the above requirements and qualifications to determine whether they possess attributes the Corporate Governance Committee believes would be most beneficial to the Company. The Corporate Governance Committee will select qualified candidates and make its recommendations to the Board, which will formally decide whether to nominate the recommended candidates for election to the Board. Stockholders may recommend nominees for consideration by the Corporate Governance Committee by submitting the names and the following supporting information to the Company's Secretary: Corporate Secretary, Stockholder Nominations, Great American Group, Inc., 21860 Burbank Blvd., Suite 300 South, Woodland Hills, CA 91367. The submissions should include a current resume and curriculum vitae of the candidate and statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares which are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate.

Our Bylaws provide that any stockholder who is entitled to vote at the annual meeting and who complies with the notice requirements described below may nominate persons for election to the Board of Directors. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than 60 days or more than 90 days prior to the first anniversary of the date on which we first mailed our proxy materials (or, in the absence of proxy materials, our notice of meeting) for the previous year's annual meeting of stockholders. However, if our annual meeting is more than third (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder to be timely must be delivered to our corporate secretary at our principal executive offices not later than the close of business not earlier than the 90th day prior to such annual meeting and not later than the later of (1) the 60th day prior to such annual meeting or (ii) the 10th day following the day on which public announcement of the date of such meeting is first made.

The stockholder's notice relating to director nomination(s) shall set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of our capital stock which are beneficially owned by the person, and (iv) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Exchange Act; (b) as to the stockholder giving the notice, (i) the name and record address of the stockholder, (ii) the class and number of shares of our capital stock which are beneficially owned by the stockholder, (iii) a representation that the stockholder is a holder of record of our capital stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination and (iv) a representation whether the stockholder or beneficial owner, if any, intends or is part of a group which intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of our outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (b) otherwise to solicit proxies from stockholders in support of such nomination. These notice requirements are deemed satisfied if the stockholder notifies us that he or she intends to present a nomination at the annual meeting in compliance with SEC rules and such stockholder's nomination has been included in a proxy statement that has been prepared by us.

Stockholder Communications with Directors

Stockholders may communicate with the Board of Directors by sending a letter to the Corporate Secretary, Stockholder Communications of Great American Group, Inc., 21860 Burbank Blvd., Suite 300 South, Woodland Hills, CA 91367. Each communication must set forth the name and address of the stockholder on whose behalf the communication is sent and should indicate in the address whether the communication is intended for the entire Board, the non-management directors as a group or an individual director. Each communication will be screened by the Secretary or his designee to determine whether it is appropriate for presentation to the Board or such director(s). Examples of inappropriate communications include junk mail, spam, mass mailings, resumes, job inquiries, surveys, business solicitations and advertisements, as well as unduly hostile, threatening, illegal, unsuitable, frivolous, patently offensive or otherwise inappropriate material. Communications determined to be appropriate for presentation to the Board or the director(s) to whom it is addressed will be submitted to the Board or such director on a periodic basis. Any communications that concern complaints regarding accounting, internal controls or auditing matters will be handled in accordance with procedures adopted by the Audit Committee of the Board.

Code of Business Conduct and Ethics

Our Board has adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees. The Code of Business Conduct and Ethics is available for review on our website at www.greatamerican.com/governance.cfm, and is also available in print, without charge, to any stockholder who requests a copy by writing to us at Great American Group, Inc., 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, California, 91367, Attention: Investor Relations. Each of our directors, employees and officers, including our chief executive officer, chief financial officer and corporate controller, and all of our other principal executive officers, are required to comply with the Code of Ethics. There have not been any waivers of the Code of Ethics relating to any of our executive officers or directors in the past year.

Meetings and Committees of the Board

Our Board is responsible for overseeing the management of our business. We keep our directors informed of our business at meetings and through reports and analyses presented to the Board and the committees of the Board. Regular communications between our directors and management also occur apart from meetings of the Board and committees of the Board.

Meeting Attendance

Our Board normally meets quarterly, but may hold additional meetings as required. During fiscal year 2010, the Board held four regularly scheduled meetings. Each of our directors attended at least 75% of the Board meetings he was eligible to attend and each director attended at least 75% of the aggregate of the total number of Board meetings and meetings of each committee of the Board on which he was serving. All of our directors attended our 2010 annual meeting of stockholders.

Committees of the Board of Directors

Our Board currently has three standing committees to facilitate and assist the Board in the execution of its responsibilities: the Audit Committee, the Compensation Committee and the Corporate Governance Committee.

Audit Committee

Our Audit Committee is composed of Messrs. Matthew J. Hart (Chairperson) and Hugh G. Hilton. Our Board has affirmatively determined that each member of the Audit Committee is independent under Nasdaq Marketplace Rule 5605(a)(2), and meets all other qualifications under Nasdaq Marketplace Rule 5605(e) and the applicable rules of the Securities and Exchange Commission. Our Board has also affirmatively

Edgar Filing: Great American Group, Inc. - Form DEF 14A

determined that Matthew J. Hart qualifies as an audit committee financial expert as such term is defined in Regulation S-K under the Securities Act of 1933. During 2010, the Audit Committee held four meetings.

The Audit Committee acts pursuant to a written charter, which is available for review on our website at www.greatamerican.com/governance.cfm. The responsibilities of the Audit Committee include overseeing, reviewing and evaluating our financial statements, accounting and financial reporting processes, internal control functions and the audits of our financial statements. The Audit Committee is also responsible for the appointment, compensation, retention, and as necessary, the termination of our independent auditors.

Compensation Committee

Our Compensation Committee is composed of Messrs. Hugh G. Hilton (Chairperson), Matthew J. Hart and Mark D. Klein. Our Board has affirmatively determined that each member of the Compensation Committee is independent as such term is defined under Nasdaq Marketplace Rule 5605(a)(2). The Compensation Committee met one time in 2010. The Compensation Committee acts pursuant to a written charter, which is available for review on our website at www.greatamerican.com/governance.cfm. The Compensation Committee reviews and makes recommendations to our Board of Directors concerning the compensation and benefits of our executive officers, including the Chief Executive Officer, and directors, oversees the administration of our stock option and employee benefits plans, and reviews general policy relating to compensation and benefits. Pursuant to our Corporate Governance Guidelines, the Compensation Committee has the power to hire independent legal, financial or other advisors as it deems necessary, including compensation consultants.

Corporate Governance Committee

Our Corporate Governance Committee is composed of Messrs. Matthew J. Hart (Chairperson), Hugh G. Hilton and Mark D. Klein. Our Board has determined that each member of the Corporate Governance Committee is independent under Nasdaq Marketplace Rule 5605(a)(2). The Corporate Governance Committee evaluates and recommends to the Board nominees for each election of directors. The Corporate Governance Committee met one time in 2010. The Corporate Governance Committee acts pursuant to a written charter and a copy of that charter is available for review on our website at www.greatamerican.com/governance.cfm. The responsibilities of the Corporate Governance Committee include making recommendations to the Board with respect to the nominations or elections of directors and providing oversight of our corporate governance policies and practices.

Board Leadership Structure

Pursuant to our Corporate Governance Guidelines and Bylaws, the Board may, but is not required to, select a Chairman of the Board on an annual basis. In addition, the positions of Chairman of the Board and Chief Executive Officer may be filled by one individual or two different individuals. Mr. Gumaer, our Chief Executive Officer, currently serves as Chairman of our Board.

The Board has determined that its current structure, with a combined Chairman and Chief Executive Officer and independent directors as members of each Board committee, is in the best interests of our company and our stockholders. The Board believes that combining the Chairman and Chief Executive Officer positions is currently the most effective leadership structure for our company given Mr. Gumaer's in-depth knowledge of our business and industry, his ability to formulate and implement strategic initiatives, and his extensive contact with and knowledge of our customers. In addition, as the former president and one of two members of Great American Group, LLC prior to its acquisition by us on July 31, 2009, Mr. Gumaer provides important continuity in the operation of our business and its oversight by our Board. His knowledge and experience, as well as his role as our Chief Executive Officer, provide that he is in a position to elevate the most critical business issues for consideration by our independent directors.

We believe that the independent nature of the Board committees, as well as the practice of our independent directors regularly meeting in executive session without Mr. Gumaer, Mr. Yellen or other members of our management present, ensures that our Board maintains a level of independent oversight of management that we believe is appropriate for our company. In addition, pursuant to our Corporate Governance Guidelines, the Board may at any time decide to appoint a Presiding Director to provide leadership of executive sessions of the Board and consult with the Chairman with respect to matters to be brought before the Board, should it believe that such an appointment would be beneficial to the company and its stockholders.

Board Role in Risk Management

Pursuant to the terms of its charter, the Audit Committee is responsible for reviewing the Company's policies with respect to risk assessment and risk management, and reviews material pending legal proceedings and other contingent liabilities and risks and exposures, that may have a material impact on our financial statements.

Certain Relationships and Related Party Transactions

Promissory Notes

In connection with the consummation of the Acquisition, the Company issued subordinated, unsecured promissory notes in favor of the Contribution Consideration Recipients as part of the consideration for the Contribution. The notes have a five-year maturity and originally bore interest at a rate of 12% per annum. Commencing on October 31, 2009, interest on the note is payable quarterly in arrears on January 31st, April 30th, July 31st, and October 31st of each year. One-fifth of the principal amount of the note, including any accrued and unpaid interest thereon, will be payable on each anniversary of the date of issuance of the note through the fifth anniversary thereof.

On May 4, 2010, we entered into individual amendments (each, an Amendment and collectively, the Amendments) to an aggregate of \$52.4 million of the \$55.6 million principal amount outstanding of the subordinated unsecured promissory notes, which reduced the interest rate on the amended notes from 12.0% per annum to 3.75% per annum. Each prepayment, if any, is due within 30 days of the filing of the Company's Annual Report on Form 10-K, beginning with the Form 10-K for the fiscal year ending December 31, 2010. The remaining notes with \$8.6 million principal amount outstanding continue to be payable in five equal annual principal payments as described above. On October 27, 2010, the Company entered into individual waivers for an aggregate of \$51.3 million of the \$53.9 million principal amount outstanding of the subordinated, unsecured promissory notes payable, whereby the noteholders agreed to permit the Company to defer payment of interest payments due on each of October 31, 2010, January 31, 2011, and April 30, 2011 until July 31, 2011.

Procedures for Approval of Related Party Transactions

Under its charter, the Audit Committee is charged with reviewing all potential related party transactions. Our policy has been that the Audit Committee, which is comprised solely of independent, disinterested directors, reviews and then recommends such related party transactions to the entire Board for further review and approval. All such related party transactions are then required to be reported under applicable SEC rules. Aside from this policy, we have not adopted additional procedures for review of, or standards for approval of, related party transactions, but instead review such transactions on a case-by-case basis.

Either party may terminate the employment relationship at any time, subject to possible severance payments as set forth below. The terms and conditions of those agreements are generally as follows:

Pursuant to the terms of the employment agreements, Messrs. Yellen, Gumaer and Erickson initially received annual base salaries of \$600,000, \$600,000 and \$300,000, respectively. These base salaries are subject to annual increases of no less than five percent. Messrs. Yellen, Gumaer and Erickson agreed to waive their rights to an annual increase in 2010. The agreements also provide for the award of an annual discretionary bonus. The Company provides Messrs. Yellen and Gumaer with monthly automobile allowances of \$2,000 and Mr. Erickson with a monthly automobile allowance of \$1,200. In September 2010, Messrs. Each agreement contains an indemnification provision wherein we promise to defend, indemnify, and hold the employee harmless to the fullest extent permitted by law against any and all liabilities incurred by the employee in connection with employment by us.

Severance will be owed if the employment relationship is terminated by us without cause or by the employee with Good Reason, or upon the death or disability of the employee. Good Reason is (i) a material diminution in the employee's base salary, authority, duties, or responsibilities; (ii) a material diminution in the budget over which the employee retains authority; (iii) a material change in the geographic location at which the employee must perform services; or (iv) any other action or inaction that constitutes a material breach of the terms of the employment agreement. Severance will not be owed if the employee terminates the employment relationship without Good Reason or if we terminate the relationship for Cause. Cause exists if the employee: (i) engages in gross misconduct or gross negligence in the performance of the employee's duties or willfully and continuously failed or refused to perform any duties reasonably requested in the course of the employee's employment consistent with the employee's position with us; (ii) engages in fraud, dishonesty, or any other improper conduct that causes material harm to the Company or its business or reputation; (iii) materially breaches the employment agreement; or (iv) is convicted of, or pleads guilty or no contest to, a felony or crime involving dishonesty or moral turpitude (excluding traffic offenses).

DIRECTOR COMPENSATION

We use cash and stock based incentive compensation to attract and retain qualified candidates to serve on our Board. In setting director compensation, we consider the significant amount of time that our directors expend in fulfilling their duties to our Company as well as the skill level required by our members of the Board.

Each non-employee director receives annual fees of \$40,000, paid in quarterly installments, and an annual grant of \$50,000 in options to purchase our common stock, restricted stock or other form of equity award for serving as a director. Such stock options, restricted stock or other form of award are subject to a one-year vesting period. In addition, annual fees of \$12,000, \$8,000 and \$4,000 are paid to the chairperson of our audit committee, compensation committee and corporate governance committee, respectively. A one-time \$40,000 grant of stock options, restricted stock or other form of equity award is made to each non-employee director in connection with such individual's appointment to our Board, which stock options, restricted stock or other form of equity award will be subject to a one-year vesting period. On July 15, 2010, each of our non-employee directors agreed to a 40% reduction in their fees. Accordingly, through at least July 2011, our non-employee directors will receive annual fees of \$24,000, and annual fees of \$7,200, \$4,800 and \$2,400 will be paid to the chairperson of our audit committee, compensation committee and corporate governance committee, respectively.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors is comprised of independent directors as required by the listing standards of The Nasdaq Stock Market, Inc. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors.

The role of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the Company's financial statements as well as the Company's financial reporting process, accounting principles and internal controls. The Company's independent public accountants are responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed the audited financial statements of the Company as of and for the year ended December 31, 2010 with management and the Company's independent public accountants. The Audit Committee has discussed with the Company's independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the Company's independent public accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and it has discussed with the Company's independent public accountants their independence from the Company. The Audit Committee has considered whether the independent accountants' provision of non-audit services to the Company is compatible with maintaining the independent public accountants' independence.

The members of the Audit Committee are not engaged in the accounting or auditing profession. In the performance of their oversight function, the members of the Audit Committee necessarily relied upon the information, opinions, reports and statements presented to them by management of the Company and by the Company's independent public accountants. As a result, the Audit Committee's oversight and the review and discussions referred to above do not assure that management has maintained adequate financial reporting processes, principles and internal controls, that the Company's financial statements are accurate, that the audit of such financial statements has been conducted in accordance with generally accepted auditing standards or that the Company's independent public accountants meet the applicable standards for independent public accountants independence.

Based on the reports and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010, for filing with the Securities and Exchange Commission.

Respectfully submitted,
THE AUDIT COMMITTEE OF THE BOARD OF
DIRECTORS
Matthew J. Hart, *Chairperson*
Hugh G. Hilton

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are the Company's stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Great American Group, Inc., c/o Corporate Secretary, 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, California, 91367 or call Investor Relations at (818) 884-3737. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), stockholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of stockholders. To be eligible for inclusion in our 2012 proxy statement, a stockholder's proposal must be received by us no later than March 20, 2012 and must otherwise comply with Rule 14a-8 under the Exchange Act.

Pursuant to the terms of our Bylaws, stockholders wishing to submit proposals or director nominations, including those that are not to be included in such proxy statement and proxy, must provide timely notice in writing to our Secretary. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than 60 days or more than 90 days prior to the previous year's annual meeting of stockholders for our 2012 annual meeting of stockholders, unless the date of the 2012 annual meeting of stockholders is more than 30 days before or 70 days after the one-year anniversary of the 2011 Annual Meeting, in which case notice by the stockholder must be delivered not earlier than 90 days prior to the annual meeting and not later than the later of (a) 60 days prior to such annual meeting or (b) the tenth day following the date on which we first make a public announcement of the date of the annual meeting.

While our board will consider proper stockholder proposals that are properly brought before the annual meeting, we reserve the right to omit from our 2011 proxy statement stockholder proposals that we are not required to include under the Exchange Act.

ANNUAL REPORT

Our 2010 Annual Report on Form 10-K accompanies the proxy materials being provided to all stockholders. We will provide, without charge, additional copies of our 2010 Annual Report on Form 10-K upon the receipt of a written request by any stockholder.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at our annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors
