PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

January 20, 2012

This proxy statement, which is first being mailed to stockholders on approximately December 15, 2011, is furnished in connection with the solicitation by the Board of Directors of Destination Maternity Corporation (the "Company") of proxies to be used at the 2012 Annual Meeting of Stockholders of the Company (the "Annual Meeting"), to be held at 9:15 a.m., Eastern Standard Time, on January 20, 2012 at 3000 Two Logan Square, 18th & Arch Streets, Philadelphia, Pennsylvania 19103, and at any adjournments or postponements thereof. If proxies in the accompanying form are properly executed and returned prior to voting at the meeting, the shares of the Company's common stock ("Common Stock") represented thereby will be voted as instructed on the proxy. If no instructions are given on a properly executed and returned proxy, the shares of the Common Stock represented thereby will be voted for the election of the nominees for director named below, for the ratification of the appointment of KPMG LLP as independent registered public accountants and in support of management on such other business as may properly come before the Annual Meeting or any adjournments thereof. Any proxy may be revoked by a stockholder prior to its exercise upon written notice to the Secretary of the Company, by delivering a duly executed proxy bearing a later date, or by the vote of a stockholder cast in person at the Annual Meeting. All references herein to the Company's fiscal years refer to the fiscal year ended on September 30 in the year mentioned. For example, the Company's fiscal year 2011 ended on September 30, 2011. On March 1, 2011, the Company effected a two-for-one split of the Company's common stock in the form of a stock dividend. All share and per share amounts give effect to the stock split and have been adjusted retroactively for all periods presented.

VOTING

Holders of record of Common Stock on Monday, December 5, 2011 will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of that date, there were 13,275,477 shares of Common Stock outstanding and entitled to vote. The presence, in person or by proxy, of holders of Common Stock entitled to cast at least a majority of the votes which all holders of the Common Stock are entitled to cast will constitute a quorum for purposes of the transaction of business. Each share of Common Stock entitles the holder thereof to one vote on the election of each of the nominees for director and on any other matter that may properly come before the Annual Meeting. Stockholders are not entitled to cumulative voting in the election of directors. Directors are elected by a plurality of the votes cast and votes may be cast in favor of or withheld from each director nominee. Votes that are withheld from a director nominee will be excluded entirely from the vote for such nominee and will have no effect thereon.

Table of Contents

Abstentions and broker non-votes (described below) are counted in determining whether a quorum is present. Abstentions with respect to any proposal other than the election of directors (Proposal 1) will have the same effect as votes against the proposal, because, in the case of all other proposals approval requires a vote in favor of the proposal by a majority of the shares entitled to vote present at the Annual Meeting in person or represented by proxy. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the beneficial owners have not instructed the broker on how to vote on such proposals and the broker does not have discretionary authority to vote in the absence of instructions. Brokers are entitled to vote uninstructed shares with respect to the ratification of the selection of independent registered public accountants, but brokers are not entitled to vote uninstructed shares with respect to the election of directors, or the advisory vote related to executive compensation. Broker non-votes are not considered to be shares entitled to vote (other than for quorum purposes), and will therefore have no effect on the outcome of any of the matters to be voted upon at the Annual Meeting.

The cost of solicitation of proxies by the Board of Directors will be borne by the Company. Proxies may be solicited by mail, personal interview, telephone or facsimile and, in addition, directors, officers and regular employees of the Company may solicit proxies by such methods without additional remuneration. Banks, brokerage houses and other institutions, nominees or fiduciaries will be requested to forward the proxy materials to beneficial owners in order to solicit authorizations for the execution of proxies. The Company will, upon request, reimburse such banks, brokerage houses and other institutions, nominees and fiduciaries for their expenses in forwarding such proxy materials to the beneficial owners of the Common Stock.

CORPORATE GOVERNANCE

Board Leadership Structure

The Board's policy is that the roles of the Non-Executive Chair of the Board and the Chief Executive Officer should be separate and should not be held simultaneously by the same individual, thus enabling the Board to benefit from independent Board leadership. Mr. Arnaud Ajdler, an independent director, has served as the Non-Executive Chairman of the Board since last year's Annual Meeting. If reelected it is expected that Mr. Ajdler will continue to serve as the Company's Non-Executive Chair of the Board.

Inasmuch as the Non-Executive Chair of the Board is independent, the Board does not believe that a lead director is currently necessary. However, the Board in executive session would establish a lead director in the event of the need for emergency succession actions with respect to either or both the Non-Executive Chair and the Chief Executive Officer or for other purposes as the Board may determine. The independent directors who chair the Company's Audit, Compensation, and Nominating and Corporate Governance Committees also provide leadership to the Board in their assigned areas of responsibility. The Board believes its current structure and operation as described here properly safeguard the independence of the Board.

Corporate Governance Principles

We maintain Corporate Governance Principles that provide a structure within which directors and management can effectively pursue the Company's objectives for the benefit of its stockholders. Our Corporate Governance Principles are available on the Company's investor website at <http://investor.destinationmaternity.com> or are available to our stockholders by writing to our Secretary at the following address: Destination Maternity Corporation, Attention: General Counsel and Secretary, 456 North Fifth Street, Philadelphia, Pennsylvania, 19123.

Code of Business Conduct and Ethics

Our Code of Business Conduct and Ethics is designed to promote the highest standards of business conduct in our relationships with each other and with our customers, suppliers and others. The Code of Business Conduct

and Ethics contains basic principles to guide directors, officers and employees of our Company. Our Code of Business Conduct and Ethics is available on the Company's investor website at <http://investor.destinationmaternity.com> or is available to our stockholders by writing to our Secretary at the following address: Destination Maternity Corporation, Attention: General Counsel and Secretary, 456 North Fifth Street, Philadelphia, Pennsylvania, 19123.

Board Independence

The Company's Corporate Governance Principles require that a majority of the Company's directors be independent. The Nasdaq Stock Market listing standards require that a majority of the Company's directors be independent and that the Audit, Compensation, and Nominating and Corporate Governance Committees be comprised entirely of independent directors. The Board of Directors has adopted standards to assist it in making the annual determination of each director's independence status. These director independence standards, which are set forth in our Corporate Governance Principles, are consistent with the Nasdaq listing standards. A director will be considered independent if he or she meets the requirements of our director independence standards and the independence criteria in the Nasdaq listing standards.

The Board of Directors has affirmatively determined that all of the Company's current and nominee directors, except Mr. Krell, have no direct or indirect material relationship with the Company and satisfy the requirements to be considered independent.

The Board of Directors has determined that each of the Company's current Audit, Compensation, and Nominating and Corporate Governance Committees is composed solely of independent directors. Independence for Audit Committee purposes requires compliance with applicable independence rules of the Securities and Exchange Commission (the SEC) in addition to the Nasdaq listing standards. In making the independence determinations for the Board and its committees, the Board reviewed all of the directors' relationships with the Company. This review is based primarily on a review of the responses of the directors to questions regarding employment, business, family, compensation and other relationships with the Company and its management.

None of the members of the Compensation Committee is currently an officer or employee of the Company. No interlocking relationship exists between any member of the Company's Board of Directors or compensation committee of any other company.

The Board of Directors and

Committee Meetings

During fiscal year 2011, the Board of Directors held five meetings that were called and held in person and three meetings that were called and held telephonically. Each incumbent director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and committees of the Board of Directors on which he or she served.

We expect all of our directors to attend the annual meetings of stockholders. All of our current directors attended last year's annual meeting of stockholders.

The Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee. During fiscal year 2011, the Audit Committee, which currently consists of Mr. Barry Erdos, *Chair*, Mr. Joseph Goldblum, and Mr. William A. Schwartz, Jr., held eight meetings that were called and held in person and one meeting that was called and held telephonically. Mr. Erdos is designated as the audit

Table of Contents

committee financial expert. Mr. Erdos has no direct or indirect material relationship with the Company and satisfies the requirements to be considered independent. The function of the Audit Committee is to assist the Board of Directors in preserving the integrity of the financial information published by the Company through the review of financial and accounting controls and policies, financial reporting requirements, alternative accounting principles that could be applied and the quality and effectiveness of the independent registered public accountants. The Audit Committee Charter is posted on the Company's investor website.

Compensation Committee. During fiscal year 2011, the Compensation Committee, which currently consists of Mr. B. Allen Weinstein, *Chair*, Mr. Ajdler, and Mr. Erdos, held nine meetings that were called and held in person and two meetings that were called and held telephonically. The Compensation Committee considers recommendations of the Company's management regarding compensation, bonuses and fringe benefits of the executive officers of the Company, and determines whether the recommendations of management are consistent with general policies, practices, and compensation scales established by the Board of Directors. In addition, the Compensation Committee administers the Company's equity-based compensation plans. The Compensation Committee also reviews, and discusses with management, the Compensation Discussion and Analysis (CD&A) to be included in the Company's annual proxy statement or annual report, as applicable, and determines whether to recommend to the Board of Directors that the CD&A be included in the proxy statement or annual report. The Compensation Committee Charter is posted on the Company's investor website.

Nominating and Corporate Governance Committee. During fiscal year 2011, the Nominating and Corporate Governance Committee, which currently consists of Ms. Melissa Payner-Gregor, *Chair*, Mr. Ajdler, and Mr. Goldblum, held one meeting that was called and held telephonically. The Nominating and Corporate Governance Committee functions include establishing the criteria for selecting candidates for nomination to the Board of Directors, actively seeking candidates who meet those criteria, and making recommendations to the Board of Directors of nominees to fill vacancies on, or as additions to, the Board of Directors.

The Nominating and Corporate Governance Committee will consider director candidates who have relevant business experience, are accomplished in their respective fields, and who possess the skills and expertise to make a significant contribution to the Board of Directors, the Company and its stockholders. It is the Nominating and Corporate Governance Committee's policy to consider Director nominees in a manner that seeks to produce the best candidates with a diversity of qualities, backgrounds and complementary skills. Director nominees should have high-leadership business experience, knowledge about issues affecting the Company and the ability and willingness to apply sound and independent business judgment. The Nominating and Corporate Governance Committee applies the same criteria to nominees recommended by stockholders. Such recommendations should be submitted in writing to the attention of the Nominating and Corporate Governance Committee, c/o Destination Maternity Corporation, 456 North Fifth Street, Philadelphia, Pennsylvania, 19123, and should not include self-nominations. The Nominating and Corporate Governance Committee Charter is posted on the Company's investor website.

Board Role in Risk Oversight

The Board of Directors takes an active role in risk oversight. The Board oversees the Company's strategic planning and the risks inherent in the operation of its business. The Board of Directors administers its risk oversight function through the full Board of Directors and each of its committees. Management of the Company, which is responsible for day-to-day risk management, identifies and assesses the Company's risks on a regular basis, and develops steps to mitigate and manage risks. The Board of Directors receives regular reports on management's risk assessment and management process and exercises its risk oversight function by carefully evaluating the reports it receives from management and by making inquiries of management with respect to areas of particular interest. Each of the Board committees is responsible for oversight of risk management practices for categories of top risks relevant to their functions, as summarized below. The Board as a group also reviews risk management practices and a number of significant risks.

Table of Contents

The Audit Committee assists the Board with its risk oversight in a variety of areas, including financial reporting, internal controls, and legal and regulatory compliance. The Audit Committee has oversight of the Company's internal audit function and the Company's Code of Business Conduct and Ethics. The Audit Committee also appoints the independent registered public accounting firm and approves the services it provides to the Company. The Compensation Committee oversees risk in connection with compensation programs, including incentive compensation plans and equity-based plans. The Nominating and Corporate Governance Committee oversees risk in connection with corporate governance practices. All of these committees make regular reports of their activities to the full Board.

Compensation of Directors

Directors who are also our employees receive no additional compensation for serving as a director or as a member of any Committee of the Board of Directors. Our current arrangements for non-employee directors are as follows:

The Company pays each non-employee director a retainer of \$6,250 per quarter. Upon conclusion of the annual meeting of stockholders each year, the Company grants each non-employee director 4,000 shares of restricted stock pursuant to the Company's Amended and Restated 2005 Equity Incentive Plan that will vest on the earlier of: (1) one year from the date of grant or (2) one day before the Company's next Annual Meeting of Stockholders, subject to acceleration in the event of the non-employee director's death or disability or upon a change in control of the Company. Each non-employee director is compensated for his or her service at each meeting of our Board of Directors at a rate of \$1,500 for Board meetings scheduled to be held in person and attended by such non-employee director. Non-employee directors are not compensated for attendance at Board of Directors or Committee meetings scheduled to be held telephonically. Additionally, the Chair of each of the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee is paid a quarterly retainer at the rates reflected in the below table, and each non-employee director who is a member of a Committee is compensated for his or her services at each meeting of a Committee scheduled to be held in person and attended by such non-employee director, at the following rates:

- (1) The above table includes the special compensation payable to each of Mr. Ajdler, Mr. Erdos, Mr. Hitchner and Ms. Kavanagh approved in November 2010 as described above.
- (2) Upon conclusion of the Annual Meeting of Stockholders on February 25, 2011, the Company granted each non-employee director who was serving on the Board of Directors at that time 4,000 shares of restricted Common Stock pursuant to the Company's Amended and Restated 2005 Equity Incentive Plan, and granted an additional 4,000 shares to Mr. Ajdler for his service as Non-Executive Chairman. In addition, as described above, Mr. Erdos was granted 4,000 shares of common stock and Mr. Ajdler was granted 3,000 shares of common stock each on March 3, 2011. The amounts in the column titled "Stock Awards" reflect the grant date fair values of awards made during fiscal year 2011, as computed in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation - Stock Compensation (FASB ASC Topic 718).
- (3) Each of these individuals is a former member of our Board of Directors.
- (4) Although Ms. Matthias did not receive any compensation for her service as a member of the Board of Directors in fiscal year 2011, she did receive a lump sum payment of \$4,165,833 in December 2010 under a supplemental retirement agreement with respect to her prior service to the Company as an employee. A further description of this benefit is set forth below under the subheading "Pension Benefits for Fiscal Year 2011 for Former Director and Former Chief Creative Officer."

Pension Benefits for Fiscal Year 2011 for Former Director and Former Chief Creative Officer

We entered into a Supplemental Retirement Agreement with a former member of the Board of Directors, Ms. Matthias, on March 2, 2007 (the "SERP Agreement"), with respect to her prior service to the Company as an employee. The amount of the benefit payable under the SERP Agreement is the actuarial present value of a single life annuity equal to 60% of Ms. Matthias' deemed final pay, commencing upon cessation of employment. For this purpose, "deemed final pay" means Ms. Matthias' annual base salary as of March 2, 2007, increased by 3% for each new fiscal year, beginning before October 1, 2012, that occurs before Ms. Matthias' cessation of employment. The benefit vested 33 1/3% on March 2, 2007. Starting on September 30, 2007 and on each September 30 thereafter until fully vested, the benefit vested either (i) 15%, if during that entire fiscal year

Table of Contents

Ms. Matthias provided continuous full-time service to the Company, or (ii) 7.5%, if during that entire fiscal year Mr. Matthias provided at least continuous 50% part-time service to the Company (subject to full acceleration if, following a change in control, her employment ceased due to a termination without cause or a resignation with good reason).

Ms. Matthias SERP Agreement was amended by a letter agreement entered into in connection with her retirement at the end of fiscal year 2010. The amendment provided that, for purposes of determining the vested status of Ms. Matthias benefits under the SERP Agreement, Ms. Matthias was credited with having served the Company as an employee during fiscal year 2010 on a full-time basis. Accordingly, Ms. Matthias was 93 1/3% vested in her potential benefits under the SERP Agreement upon her retirement. Those benefits were paid in December 2010 in a single lump sum of \$4,165,833.

The following table sets forth these pension benefits, which were paid to Ms. Matthias during our fiscal year 2011:

Name	Plan Name	Number of Years Credited Service (#) (1)	Present Value of Accumulated Benefit (\$) (2)	Payments During Last Fiscal Year (\$) (2)
Rebecca C. Matthias	SERP Agreement	4		\$ 4,165,833

- (1) This number reflects Ms. Matthias years of service since the SERP Agreement was adopted and is relevant in determining the vested status of her SERP benefit. That said, Ms. Matthias had served us for 25 years prior to the implementation of the SERP Agreement and the SERP Agreement was adopted in recognition of this past service.
- (2) Ms. Matthias received a single lump sum payment of benefits in December 2010. Assumptions used in the calculation of the payment amount are included in Note 19 to our audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2011.

Stockholder Communications

Pursuant to the policy of the Board of Directors, all communications directed to the Board of Directors will be delivered to the Board of Directors. Stockholders may contact the Board of Directors by writing to them c/o Destination Maternity Corporation, 456 North Fifth Street, Philadelphia, Pennsylvania, 19123.

Certain Relationships and Related Party Transactions

Information about transactions involving related parties is reviewed by the Audit Committee. Related parties include Company directors and executive officers, as well as their immediate family members. If a related party has a direct or indirect material interest in any Company transaction, then the Audit Committee would decide whether or not to approve or ratify the transaction. The Audit Committee will use any process and review any information that it determines is appropriate. All related party transactions will be disclosed in accordance with SEC rules.

Payments to Former Chief Executive Officer and Former Non-Executive Chairman of the Board

Although Dan W. Matthias, our former Chief Executive Officer, did not serve the Company as an employee or director in fiscal year 2011, he was entitled to certain payments in fiscal 2011 under the Transition Agreement in exchange for agreeing to remain available to the Company as a consultant upon request of our Chief Executive Officer and in respect of his prior service to the Company as an employee. As previously disclosed, in connection

Table of Contents

with his retirement Mr. Matthias entered into a Transition Agreement with us at the conclusion of fiscal year 2008 to reflect his new role as the Non-Executive Chairman of the Board of Directors and as an advisor to management. The Transition Agreement has a term of four years commencing on October 1, 2008. Under the Transition Agreement, and in consideration of his advisory and board services and in lieu of all other fees or equity awards for his service as a director, the Company agreed to pay Mr. Matthias an annual retainer of \$200,000 and to continue certain insurance and fringe benefit coverage for Mr. Matthias. The Transition Agreement also amended Mr. Matthias' Supplemental Retirement Agreement (the "SERP") (i) to provide for full vesting of the benefits payable to Mr. Matthias, (ii) to increase the total amount payable under the SERP to approximately 10% more than the amount that would have been payable on September 30, 2012 (the date benefits under the SERP otherwise would have vested), and (iii) to provide for payments over four years (in lieu of payment in an immediate lump sum). In the event that Mr. Matthias dies or a change in control occurs before all the foregoing installments of the SERP have been paid, the unpaid installments will then be accelerated and paid in an immediate lump sum. For a further discussion of the SERP and the modifications to the SERP resulting from the Transition Agreement, see the information provided under "Pension Benefits for Fiscal Year 2008" in our Definitive Proxy Statement filed with the SEC on December 15, 2008.

Subsequent to the conclusion of fiscal year 2009, Mr. Matthias entered into a Letter Agreement with the Company whereby he agreed not to seek re-election to the Board of Directors at the January 2010 Annual Meeting of Stockholders. Mr. Matthias and the Company agreed that, for purposes of the Transition Agreement, Mr. Matthias would be treated as if he sought re-election to the Board of Directors but was not re-elected. Accordingly, pursuant to the terms of the Transition Agreement, although Mr. Matthias was not a director of the Company at any point in fiscal year 2011, he was still entitled to the annual retainer and to the insurance and fringe benefit coverage described above until October 1, 2012 solely in consideration of the advisory services.

Pursuant to the above, for fiscal year 2011 Mr. Matthias received the following compensation: (a) \$750,000 in payments under the SERP; (b) \$200,000 in payments for the annual retainer under the Transition Agreement; (c) \$18,781 for automobile lease payments and related expenses under the Transition Agreement; and (d) \$5,122 as reimbursement for tax preparation services under the Transition Agreement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities (collectively, Reporting Persons) to file with the SEC initial reports of ownership (on Form 3) and reports of changes in ownership of the Common Stock and other equity securities of the Company (on Forms 4 and 5). Reporting Persons are additionally required to furnish us with copies of all Section 16(a) reports they file.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Compensation Committee of our Board of Directors (the Committee) has developed and implemented compensation policies, plans and programs that seek to enhance our profitability, and thus stockholder value, by aligning the financial interests of our senior management with those of our stockholders. Our compensation arrangements are designed to attract and retain corporate officers and other key employees and to motivate them to perform to the full extent of their abilities, in the best long-term interests of our stockholders.

Composition of the Committee

The Committee currently consists of Mr. B. Allen Weinstein, *Chair*, Mr. Ajdler, and Mr. Erdos. None of these individuals has ever been an officer or employee of the Company. Each member of the Committee is considered to be an independent director under Nasdaq rules and the rules of the SEC. The Report of the Compensation Committee is set forth below after this Compensation Discussion and Analysis section.

The Committee meets at least annually regarding compensation decisions. In fiscal year 2011, the Committee met 11 times.

Significant Corporate and Personnel Developments

In fiscal year 2011, despite a challenging retail environment, we grew both our revenues and earnings, achieved a record level of earnings for the Company, accomplished a significant nationwide expansion in collaboration with Macy's and continued to pay down our debt. Nonetheless, our ambitious goals for fiscal 2011 were not fully achieved. Accordingly, consistent with the Committee's stated philosophy of linking named executive officer compensation to performance, annual incentive payouts were modest and total cash compensation for all of our named executive officers declined relative to fiscal year 2010. These outcomes demonstrate the Committee's discipline in adhering to its pay-for-performance model and our commitment to aligning the financial interests of management and stockholders.

We also experienced several changes in management roles during fiscal year 2011, with associated compensation actions. Specifically, we worked to identify and integrate the right merchandising team. Lisa Hendrickson was identified at the time of Rebecca Matthias' retirement as critical to this function and the Committee therefore established a special retention bonus arrangement for her in fiscal year 2010 (she earned that bonus last December). The importance of Ms. Hendrickson's continued contribution was reinforced when Emilia Fabricant was unable to continue as our President last year and, accordingly, another special retention bonus was implemented for Ms. Hendrickson in fiscal year 2011 (she earned that bonus this December). Other members of our management team also continued their professional development and assumed new responsibilities during and after fiscal year 2011. For example, Mr. Masciantonio assumed responsibility for our Human Resources function, was designated as an executive officer and was promoted to the position of executive

Table of Contents

vice president. Similarly, Mr. Tirnauer was promoted to the position of executive vice president. Accordingly, in recognition of the contributions of Messrs. Masciantonio and Tirnauer and the importance of retaining Messrs. Masciantonio and Tirnauer during this turbulent economic period, the Committee established modest special retention bonus arrangements for these two executives, as further described below, each of which was earned in December 2011.

Finally, during fiscal year 2011, we conducted our first Say-On-Pay stockholder advisory vote, as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. The Committee appreciates that over 97% of the shares voting approved of our executive compensation and recognizes, therefore, that our stockholders are not clamoring for changes in our executive compensation practices. Nevertheless, the Committee continues to refine our executive compensation practices in its on-going effort to ensure our executive compensation supports our corporate goals and values. The Committee believes that our stockholders will agree that its actions taken during and after fiscal year 2011, as further discussed below, will only strengthen the effectiveness of our executive compensation programs. This year we are again providing stockholders with an opportunity to express their views on this topic in another Say-On-Pay stockholder advisory vote.

Significant Actions Taken

Significant compensation related actions taken during fiscal year 2011 and thereafter include the following:

- (1) Establishment of special bonus arrangements for Ms. Hendrickson, Mr. Masciantonio and Mr. Tirnauer.
- (2) Adjustment of executive officer base salaries.
- (3) Increase in Mr. Masciantonio's target annual incentive amount from 40 to 50 percent of his base salary.
- (4) Establishment of annual incentive performance goals for fiscal years 2011 and 2012.
- (5) Approval of employment and equity incentive award agreements for Mr. Daniel in connection with his hiring, which agreements substantially conform to agreements previously developed for Messrs. Masciantonio and Tirnauer.

In addition to a discussion of our compensation philosophy in general, the following discussion highlights these specific decisions.

Total Compensation and Allocation Between Compensation Elements

Both the total amount of compensation paid to our named executive officers and the portion of total compensation represented by each element of compensation have been determined by the Committee with reference to each executive's experience, capabilities, contributions and strategic importance, the pay levels for peer employees within the Company, the pay levels for similar positions at companies in our peer group and our performance as a whole. As further discussed below, in evaluating these considerations, the Committee during fiscal year 2011 received input from its compensation consultant, The Hay Group. The Committee retained The Hay Group, an outside executive compensation consulting firm, to assist it in evaluating the Company's executive compensation practices for senior management personnel and in developing and refining the Company's peer group. Additionally, The Hay Group reviewed the Company's annual incentive plan both from a design perspective and with respect to the performance metrics and potential payouts under such plan. The Hay Group was also engaged to provide assistance on certain compensatory matters on behalf of a group of named executive officers in December 2010. As the engagement and advice was limited in scope, the Committee determined that such engagement did not cause a conflict of interest and would not preclude the Committee from engaging The Hay Group in the future.

Table of Contents

That input, which the Committee received from The Hay Group, was given substantial weight and, in general, the Committee did not increase an executive's total compensation, or any element of an executive's compensation, unless it concluded that such increase was necessary to conform to the relevant peer group median or, based on the independent judgment and experience of the Committee members, was necessary for a strategic reason (e.g., the retention of a key executive).

Benchmarking

As noted above, the Committee retained an independent consultant during fiscal year 2011 to help it evaluate compensation decisions in the context of similar decisions made by other companies in our industry. We depend on the consultant to help us identify these peer companies. The Hay Group identified the following companies as our peers in fiscal year 2011, both for purposes of benchmarking total compensation and individual pay elements:

Bebe Stores, Inc.	Coldwater Creek, Inc.
Body Central Corp.	Hot Topic, Inc.
Cache Inc.	New York & Company, Inc.
Casual Male Retail Group, Inc.	Rue21, Inc.
Cato Corp.	Shoe Carnival, Inc.
Christopher & Banks Corporation	Wet Seal, Inc.
Citi Trends, Inc.	Zumiez Inc.

This list reflects a comprehensive revision of our peer group, which was last updated in 2007. While some members of the earlier peer group were retained, others were removed because they had ceased to be publicly traded and others were replaced because their revenues and/or market capitalization had ceased to be reasonably comparable to ours. The resulting group contains companies within the retail apparel industry with revenues that ranged (as of the end of each company's fiscal year completed most recently prior to July 2011) from approximately 40 to 200 percent of our revenues and market capitalizations that ranged (as of April 30, 2011) from approximately 25 to 300 percent of our market capitalization.

Participation of Management in the Compensation Process

Mr. Krell was consulted regularly by the Committee in fiscal year 2011 with respect to compensation decisions regarding, and the individual performance of, named executive officers other than himself. While his input in such matters is afforded substantial weight, the ultimate decision on all named executive officer compensation matters was made only by the Committee or the Board of Directors. The individual performance of Mr. Krell was evaluated by the Committee and the Board of Directors, without input from any employee.

At the request of the Committee, management assembles and distributes to the Committee, in advance of its meeting or meetings, information requested by the Committee to assist the Committee in its compensation decisions. Such information may include corporate financial data, historical compensation data (for us or members of our peer group) and information regarding the accounting, tax or legal consequences of proposed compensation arrangements, as prepared by internal personnel or external advisors.

Effect of Historical Contractual Arrangements

The Committee's compensation decisions are made in light of our current and foreseeable future circumstances and with an eye toward conformity with perceived best practices. However, the Committee's approach to compensation is also influenced by our existing contractual commitments to named executive officers, some of which originated many years ago. When appropriate and practicable, the Committee will negotiate with named executive officers to update such legacy commitments to reflect changed circumstances or evolving commercial practices.

Table of Contents**Elements of Compensation**

The principal elements of our named executive officers' compensation are: (1) base salary, (2) annual cash bonuses, (3) special or discretionary cash bonuses, (4) equity-based incentives, and (5) severance and change in control benefits.

Base Salary: The base salary of each named executive officer constitutes compensation for discharging such named executive officer's job responsibilities and is intended to achieve comparability with the base salaries of senior executives at similar companies holding comparable positions, taking into account such factors as the individual executive's experience, tenure and alternative employment opportunities.

Individual salary adjustments also take into account individual performance contributions for the year, as well as sustained performance contributions over a number of years and significant changes in responsibilities, if any. The assessment of individual performance is subjective and is not intended to correlate to specific corporate performance measures.

In fiscal year 2011, the Committee conducted an in-depth review of our named executive officers' base salaries and, in the course of that review, considered data provided by The Hay Group regarding the competitiveness of our salaries relative to our peer group. The Committee's decisions regarding fiscal year 2011 salary increases were effective as of December 1, 2010 and are reflected below:

Executive Officer	Prior Base Salary Rate	New Base Salary Rate
Edward M. Krell Chief Executive Officer	\$ 650,000	\$ 750,000
Christopher F. Daniel President	N/A	\$ 525,000
Judd P. Tirnauer Executive Vice President & Chief Financial Officer	\$ 331,500	\$ 375,000
Ronald J. Masciantonio Executive Vice President & General Counsel	\$ 275,000	\$ 320,000
Lisa Hendrickson Chief Merchandising Officer	\$ 433,768	\$ 433,768

The primary factors influencing Mr. Krell's salary increase were a favorable evaluation of his performance, benchmark data indicating that his prior rate of salary was below the peer group median for his position and a recognition that, due to factors unrelated to his performance, he had not received a salary increase since his ascension to the Chief Executive Officer role in 2008. In Mr. Tirnauer's case, the primary factors were benchmark data and a favorable evaluation of his performance. In Mr. Masciantonio's case, the primary factors were benchmark data, a favorable evaluation of his performance and the enlargement of his responsibilities.

Mr. Daniel's base salary was not altered as a result of the Committee's review. His base salary was set at the time of his hire based on the Committee's evaluation of the market value of an executive with Mr. Daniel's skill set and experience.

Annual Bonuses: We pay annual bonuses in cash based on our achievement of corporate performance goals established by the Committee, with input from senior management. The target amount for each executive's annual bonus is expressed as a percentage of the executive's base salary actually earned during the fiscal year and is reflected in the table entitled "Grants of Plan-Based Awards" under the heading "Estimated Future Payouts Under Non-Equity Incentive Plan Awards." The percentage is based primarily on the executive's level of responsibility (and, therefore, his or her ability to influence our business results). For each named executive

Table of Contents

officer, the target percentages were established contractually in their respective Employment Agreements (or, in the case of Ms. Hendrickson, in her Letter Agreement). Mr. Masciantonio's target bonus was increased by the Committee during fiscal year 2011 from 40 to 50 percent of his base salary in light of the enlargement of his responsibilities and after a review of benchmark data indicated that his prior target bonus level was below the peer group median for his position.

As illustrated in the table entitled "Grants of Plan-Based Awards" under the heading "Estimated Future Payouts Under Non-Equity Incentive Plan Awards," each executive's actual bonus payment may be lower or higher than the target amount, based on actual corporate performance relative to the specified goals. In determining the amount of the annual bonus payable to an executive when the applicable performance goals have been met, the Committee may exercise negative discretion to reduce the amount of such annual bonus to ensure that the amount ultimately paid is commensurate with the executive's contribution to the Company's performance.

The Committee has utilized this same annual bonus approach for several years, and the arrangement is codified as our "Management Incentive Program." The terms of the Management Incentive Program are described in greater detail in the Proxy Statement for our January 19, 2007 annual meeting of stockholders.

For fiscal years 2011 and 2012, the Committee continued to use "Adjusted EBITDA" as the relevant performance metric for annual bonus purposes because it believes that continued profitability will be the key driver to increase stockholder value. For this purpose "Adjusted EBITDA" represents earnings before interest, taxes, depreciation and amortization, adjusted to exclude: (i) loss on impairment of tangible or intangible assets; (ii) gain or loss on disposal of assets; (iii) gain or loss from the early extinguishment, redemption or repurchase of debt, (iv) stock-based compensation expense and (v) the impact of any changes to accounting principles that become effective during the relevant year. In addition, Adjusted EBITDA excludes expenses incurred by the Company in connection with certain extraordinary, unusual or infrequently occurring events reported in the Company's public filings.

Fiscal Year 2011 Bonuses: With respect to fiscal year 2011 bonuses for named executive officers under the Management Incentive Program, on December 28, 2010 the Committee established that the level of Adjusted EBITDA which would yield 100% of target bonus was \$59.3 million (a 22.7% increase from fiscal year 2010 Adjusted EBITDA) and that the level of Adjusted EBITDA which would yield the maximum bonus payment (200% of target bonus) was \$66.0 million (a 36.5% increase from fiscal year 2010 Adjusted EBITDA). The level of Adjusted EBITDA which would yield the threshold level of target bonus of 10% was \$53.3 million (a 10.3% increase from fiscal year 2010 Adjusted EBITDA).

In November 2011, the Committee determined that the Company's Adjusted EBITDA for the 2011 fiscal year was \$54.4 million (8.3% below the target level for Adjusted EBITDA and 12.5% above the Company's actual Adjusted EBITDA for the 2010 fiscal year of \$48.3 million). Based on the performance goals established by the Committee in December 2010, the Company's Adjusted EBITDA for the 2011 fiscal year results in 26.0% of target bonus under the Management Incentive Program. Based on those results, the Committee certified the payment of annual incentive bonuses to the named executive officers at a rate of 26% of each executive's target bonus amount under the Management Incentive Plan, except with respect to Ms. Hendrickson. In her case, the Committee determined that her fiscal year 2011 bonus would consist exclusively of the special cash bonuses described below.

Fiscal Year 2012 Bonus targets: With respect to fiscal year 2012 bonuses for named executive officers under the Management Incentive Program, on December 13, 2011 the Committee established that the level of Adjusted EBITDA which would yield 100% of target bonus is \$59.4 million (a 9.3% increase from fiscal year 2011 Adjusted EBITDA) and that the level of Adjusted EBITDA which would yield the maximum bonus payment (200% of target bonus) is \$67.2 million (a 23.5% increase from fiscal year 2011 Adjusted EBITDA). The level of Adjusted EBITDA which would yield the threshold level of target bonus of 20% is \$54.4 million (a 0% increase from fiscal year 2011 Adjusted EBITDA).

Table of Contents

Discretionary or Special Bonuses: In addition to maintaining an annual bonus program with payments tied to the achievement of pre-established corporate performance goals, the Committee may also authorize the payment of additional cash bonuses on a discretionary or special basis, to reward extraordinary corporate and/or individual accomplishments or to accomplish specific recruitment or retention objectives.

In anticipation of Ms. Matthias' retirement at the end of fiscal year 2010 and given the Committee's determination of Ms. Hendrickson's value to the Company, the Committee determined that encouraging Ms. Hendrickson's continued service through and beyond the end of fiscal year 2010 was an important objective. Therefore, the Committee established an opportunity for Ms. Hendrickson to earn a special bonus of \$216,884 (50% of her base salary) if she remained continuously employed by the Company through December 15, 2010. The special bonus would also be paid to Ms. Hendrickson if her employment was terminated by the Company without cause prior to December 15, 2010. Ms. Hendrickson earned and was paid this bonus in December 2010.

Similarly, in November 2010, given the Committee's determination of the value that Ms. Hendrickson, Mr. Masciantonio and Mr. Tirnauer provide to the Company, the Committee also established opportunities for those executives to earn special retention bonuses of \$100,000, \$27,500 and \$45,084, respectively. Each such special bonus was conditioned on the executive's continued employment by the Company through December 10, 2011 (or upon a termination of the executive's employment by the Company without cause prior to such date). These special bonuses were earned by and paid to each of the executives in December 2011.

Equity-Based Incentives: The Committee is in the process of finalizing equity awards for fiscal year 2012 for named executive officers. Although no final decisions have been made, the Committee believes that equity grants to named executive officers will most likely contain a mix of time-vested restricted stock, time-vested options and performance-vested restricted stock. The proportionate mix of these potential types of equity grants has not yet been determined. Each of the named executive officers, but excluding the Chief Executive Officer, have already received a portion of their fiscal year 2012 equity grants, but no individual has yet likely received all of his fiscal year 2012 equity awards.

Severance and Change in Control Benefits: The specific terms of our severance and change in control arrangements are discussed below under the heading "Potential Payments upon Termination or Change in Control."

The Committee has noted the prevalence of severance and change in control arrangements among our peer companies and believes that such arrangements, when properly tailored, are appropriate and necessary. Specifically, the Committee has concluded that such commitments are required to retain the continued service of Mr. Krell, Mr. Masciantonio and Mr. Tirnauer and were required to recruit Mr. Daniel. Further, in the case of any potential change in control, the Committee has concluded that such commitments are necessary to enable our named executive officers to evaluate objectively the benefits to stockholders of the proposed transaction, notwithstanding any potential effects on their own job security.

The Committee also believes that reasonable severance and change in control benefits (1) should be established with reference to an executive's position and current cash compensation opportunities, not with reference to his or her tenure, (2) should be conditioned upon execution of a release of claims against the employer and its affiliates, and (3) should be conditioned on the executive's commitment not to compete for a reasonable period following any cessation of his or her employment.

In general, cash severance benefits are expressed as a function of each executive's base salary (or base salary and target bonus) as in effect at the time of separation. However, when executive salary increases were adopted during fiscal year 2011, the Committee concluded that Mr. Krell's cash severance benefit was already sufficient to accomplish the above-described objectives. Accordingly, the Committee, with Mr. Krell's written consent, maintained Mr. Krell's cash severance at the level already in effect, such that his cash severance benefit is now a fixed dollar amount rather than a multiple of his base salary and target bonus as in effect at the time of a severance event.

Additional Compensation Information

Tax and Accounting Considerations Affecting Executive Compensation. We endeavor to design our equity incentive awards so that they are accounted for under standards governing equity-based arrangements and, more specifically, so that they are afforded fixed treatment under those standards. We generally attempt to structure our compensation arrangements to permit full tax deductibility within the limits of Section 162(m) of the Internal Revenue Code. However, the Committee reserves the right to approve compensation that is not fully deductible.

Compensation Risk Analysis. The Committee is keenly aware that compensation arrangements, if not properly structured, may encourage inappropriate risk-taking. In designing our compensation programs, the Committee seeks to mitigate such risk by:

- (a) providing a meaningful portion of total compensation in the form of equity incentives that are earned over multiple years (to encourage an appropriately long-term focus);
- (b) capping annual cash bonuses for named executive officers under the Management Incentive Program at 200% of base salary for Mr. Krell and 100% of base salary for other named executive officers (to provide appropriate balance between short- and long-term objectives); and
- (c) reserving the discretion to reduce annual bonuses otherwise payable under the Management Incentive Program (to allow recognition of the relationship between individual executive contributions and the achievement of specified performance metrics).

Moreover, while we have not implemented a formal stock ownership guideline for our management team, we note that Mr. Krell already maintains a substantial direct stock ownership position. We believe that this ownership position provides a significant incentive for Mr. Krell to ensure that his actions, and the actions of all those reporting to him, are focused on the creation of sustainable stockholder value and the avoidance of excessive risk.

The Committee continues to evaluate the implementation of clawback and hedging policies and intends to adopt such policies in fiscal year 2012 after the Securities and Exchange Commission provides guidance on these issues.

- (1) The amounts in the column under "Estimated Future Payouts Under Non-Equity Incentive Plan Awards" represent potential threshold, target and maximum bonuses available to the named executive officers. For each of Mr. Krell, Mr. Daniel, Mr. Tirnauer and Ms. Hendrickson the bonus opportunity for fiscal 2011 was pursuant to the Company's Management Incentive Program. For Mr. Masciantonio, the bonus opportunity was pursuant to the Company's fiscal 2011 Adjusted EBITDA based cash bonus program for corporate employees. The term "Threshold" means the lowest non-zero amount that could be paid as a bonus under the applicable programs if a bonus is payable for the applicable fiscal year. The threshold is not a minimum bonus. There is no minimum bonus under the Company's Management Incentive Program or Adjusted EBITDA based cash bonus program for corporate employees. If specified performance objectives are not met for the applicable fiscal year, no bonus is payable for that fiscal year. Mr. Daniel's bonus opportunity was prorated due to his joining the Company mid-fiscal year. For details regarding the actual amounts earned under these arrangements, please see the discussion in the "Compensation Discussion and Analysis" section above.

- (2) The amounts in the column under "All Other Stock Awards" represent shares of restricted stock that vest over time. The vesting schedule is described in the footnotes to the "Outstanding Equity Awards at 2011 Fiscal Year-End" table below. Dividends are paid on these shares of restricted stock on the same basis that dividends are payable with respect to our common stock generally, except that dividends earned on unvested shares of restricted stock are held in escrow until vesting.

- (3) The amounts in the column under All Other Option Awards represent shares underlying options awarded, each of which vests over time and is subject to an additional vesting requirement that our stock achieve a particular price target over a sustained period. The vesting schedule is described in the footnotes to the Outstanding Equity Awards at 2011 Fiscal Year-End table below.
- (4) The amounts in the column under Grant Date Fair Value of Stock and Option Awards represent the fair value of the awards on the date of grant, as computed in accordance with applicable accounting standards and the assumptions stated in footnote #15 of our Form 10-K filed on December 14, 2011.

Potential Payments upon Termination or Change in Control

We have entered into agreements with each of our current named executive officers that provide payments and benefits to the executive in the event of his or her termination of employment under various circumstances, including a change of control. The following tables reflect the amount of compensation payable to each of our current named executive officers upon these various events. The amounts shown assume that such termination was effective as of September 30, 2011, the last day of our fiscal year, and thus includes termination-related amounts earned through such time. The amounts are calculated using various assumptions and are therefore only estimates of the amounts that could become payable to our current named executive officers. The actual amounts to be paid out can only be determined at the time of an actual termination or change in control.

General Amounts Due Upon Termination. Generally, upon a termination of employment for any reason, each current named executive officer is entitled to receive the payment of certain accrued obligations, including the following (none of which are included on the trigger event tables presented below for each named executive officer):

annual base salary through the date of termination, to the extent not paid;

any annual bonus earned but not previously paid with respect to a year ended prior to the date of termination;

any accrued, but unused, vacation pay; and

any unreimbursed business expenses;

Edward M. Krell

Termination without Cause or Resignation due to Good Reason. Upon a termination of employment without cause or resignation due to good reason, Mr. Krell will be entitled to the following payments and/or benefits:

a cash lump sum payment equal to \$3,900,000;

payment of a pro-rata portion of the annual bonus he would otherwise be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year;

all outstanding stock options, restricted stock and restricted stock units will become fully vested;

continued provision of an automobile and automobile insurance coverage for a period of 1 year following termination;

transfer of (but not further payment of premiums on) any key man life insurance policy then held on his life;

continued provision, for a period of 3 years following termination, of supplemental long term disability premiums providing a monthly disability benefit of \$18,000;

Edgar Filing: Destination Maternity Corp - Form DEF 14A

continued coverage (for himself and, to the extent covered immediately prior to the date of termination, his spouse and eligible dependents) under our group health plan until the earlier of (1) the end of the 3 year period following termination, or (2) his eligibility for Medicare or coverage under another employer's group health plan (or in the case of his eligible dependents, cessation of their status as eligible dependents); and

payment for full outplacement services to an agency selected by Mr. Krell, based on customary fees charged by nationally rated firms engaged in such services.

Mr. Krell is bound by certain non-competition and non-solicitation covenants which extend for a period of 36 months following termination of employment.

Table of Contents

Death. In the event of his termination of employment due to death, Mr. Krell's executors, legal representatives or administrators will be entitled to the following payments and/or benefits:

payment of a pro-rata portion of the annual bonus he would otherwise be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year; and

all outstanding stock options, restricted stock and restricted stock units will become fully vested.

Disability. In the event of his termination of employment due to disability, Mr. Krell will be entitled to the following payments and /or benefits:

monthly supplemental disability payments equal to one-twelfth (1/12) of his annual base salary as of the date of termination for a period of 30 months following the termination;

continued coverage (for himself and, to the extent covered immediately prior to the date of termination, his spouse and eligible dependents) under our group health plan until the earlier of (1) the end of the 30 month period following termination, or (2) his eligibility for Medicare or coverage under another employer's group health plan (or in the case of his eligible dependents, cessation of their status as eligible dependents);

continued provision of an automobile and automobile insurance coverage for a period of 1 year following termination;

transfer of (but not further payment of premiums on) any key man life insurance policy then held on his life;

payment of a pro-rata portion of the annual bonus he would otherwise be entitled to receive for the year of termination based on actual corporate and/or individual performance for that year; and

all outstanding stock options, restricted stock and restricted stock units will become fully vested.

Amounts payable to Mr. Krell in the event of a termination due to disability will be reduced by (1) any disability or life insurance benefits payable to Mr. Krell, with respect to the same period, under any of our funded disability or death benefit plans, policies or arrangements, under the Social Security Act, or under Mr. Krell's supplemental long-term disability policies for which the Company pays the premiums, and (2) by any amounts earned by Mr. Krell for the performance of personal services during the same period.

In addition, if it is determined that any payment by us to or for the benefit of Mr. Krell would be a so-called "excess parachute payment" and, therefore, result in the imposition on the executive of an excise tax under Section 4999 of the Code, Mr. Krell shall receive a payment sufficient to place him in the same after tax position as if no excise tax had been applicable ("parachute gross-up payment"), provided that the parachute gross-up payment will only be payable if the total of all payments by us to or for the benefit of Mr. Krell, inclusive of such parachute gross-up payment, (on an after tax basis to Mr. Krell) will be at least 20% more than the largest amount that could be payable to Mr. Krell (on an after tax basis) without causing the application of the excise tax described above. However, if Mr. Krell resigns his employment without good reason within the 6 month period immediately following a change in control, payments by us to or for the benefit of Mr. Krell shall be limited to the largest amount that could be payable to Mr. Krell without causing the application of the excise tax described above.

In order to receive any severance or termination payments or benefits described above, Mr. Krell is required to timely execute and deliver a general release and non-disparagement agreement in a form prescribed by us.

Description of Triggering Events

Edgar Filing: Destination Maternity Corp - Form DEF 14A

Cause. Mr. Krell's employment may be terminated by us for cause upon the commission of any act of fraud, theft, misconduct, negligence, or Mr. Krell's unwillingness or refusal to perform his job (other than by reason of illness, injury or incapacity).

Table of Contents

Good Reason. Mr. Krell may terminate his employment for good reason upon the occurrence of any of the following without his prior consent: (i) a material, adverse change in title, authority or duties; (ii) a reduction in base salary or bonus opportunity; or (iii) a relocation of his principal worksite more than 50 miles. The foregoing events or conditions will only constitute good reason if Mr. Krell provides us with a written objection to the event or condition giving rise to the good reason within 90 days following the occurrence thereof and, if we do not reverse or otherwise cure the event or condition within 30 days of receiving that written objection, he then resigns his employment within 30 days following the expiration of that cure period.

Disability. Under Mr. Krell's Employment Agreement, disability is defined as the executive's inability, after any reasonable accommodation required by law, to perform his duties and responsibilities by reason of illness, injury or incapacity for more than six (6) consecutive months.

Change in Control. The change in control provisions of the executive's Employment Agreement will be triggered upon the first to occur of any of the following:

the sale, transfer, assignment or other disposition (including by merger or consolidation) by our stockholders, in one transaction or a series of related transactions, of more than 35% of the voting power represented by our then outstanding stock to one or more persons, other than any such sales, transfers, assignments or other dispositions by such stockholders to their respective affiliates;

the sale of all or substantially all of our assets to any other person in any sale or series of related sales; or

any person becoming a beneficial owner of 35% or more of the votes entitled to be cast at an election of our directors.

ADVISORY VOTE RELATED TO EXECUTIVE COMPENSATION

(PROPOSAL 3)

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

As described in detail under the heading Executive Compensation Compensation Discussion and Analysis, our executive compensation programs are designed to attract, motivate and retain our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, corporate goals, and the realization of increased stockholder value. Please read the Executive Compensation Compensation Discussion and Analysis for additional details about our executive compensation programs, including information about the fiscal year 2011 compensation of our named executive officers.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a say-on-pay proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our stockholders to vote FOR the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2012 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. Nonetheless, our Board of Directors and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends that you vote FOR this Proposal 3 to ratify the compensation of the named executive officers.
