Item 1.01. Entry into a Material Definitive Agreement.

On March 6, 2012, Community Health Systems, Inc. (the Company) and its wholly-owned subsidiary CHS/Community Health Systems, Inc. (the Borrower) entered into a Replacement Revolving Credit Facility and Incremental Term Loan Assumption Agreement (the Agreement), among the Company, the Borrower, the subsidiary guarantors party thereto, the lenders party thereto and Credit Suisse AG, as administrative agent and collateral agent (the Agent).

The Agreement provides for the replacement of the existing revolving credit facility under the Credit Agreement, dated as of July 25, 2007, as amended and restated as of November 5, 2010 and February 2, 2012, among the Borrower, the Company, the lenders party thereto and the Agent (the Credit Agreement), with a new \$750,000,000 senior secured revolving credit facility (the Replacement Revolver Facility). The Agreement also provides for a new \$750,000,000 incremental term loan A facility (the Incremental Term Loan), the proceeds of which were used to repay existing term loans under the Credit Agreement.

Both the Replacement Revolver Facility and the Incremental Term Loan have a maturity date of October 25, 2016. If more than \$50,000,000 of the non-extended term loans under the Credit Agreement remain outstanding on April 25, 2014, without having been refinanced by indebtedness maturing no earlier than the date that is 91 days after October 25, 2016, then the maturity date for the Replacement Revolver Facility and the Incremental Term Loan Facility will be accelerated to the date that is 91 days prior to the earliest final maturity date after July 25, 2014 of any such refinancing indebtedness. If more than \$50,000,000 of the Borrower's existing 8.875% Senior Notes due 2015 remain outstanding on April 15, 2015, without having been refinanced by indebtedness maturing no earlier than the date that is 91 days after October 25, 2016, then the maturity date for the Replacement Revolver Facility and the Incremental Term Loan Facility will be accelerated to April 15, 2015.

The pricing on each of the Replacement Revolver Facility and the Incremental Term Loan is initially LIBOR plus a margin of 250 basis points, subject to adjustment based on the Company's leverage ratio. Quarterly amortization payments are required in respect of the Incremental Term Loan at a rate of 5% per annum during the first year after issuance of the Incremental Term Loan, 10% per annum during the second and third years, 15% per annum during the fourth year and 60% per annum during the fifth year, in equal quarterly installments, and in each case subject to customary adjustments for prepayments. The final quarterly installment of amortization during the fifth year after incurrence of the Incremental Term Loan will be included in the final maturity payment.

The foregoing summary of the Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Agreement, which is filed as Exhibit 10.1, hereto and incorporated into this report by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosures under Item 1.01 of this report are also responsive to Item 2.03 of this report and are incorporated by reference into this Item 2.03.
