Item 5.02(e) Compensatory Arrangements of Certain Officers

On May 23, 2012, The Active Network, Inc. (the Company) granted time-based restricted stock units (RSUs), performance-based restricted stock units (Performance RSUs) and option awards (Options) to the Company's named executive officers, in accordance with the terms of the Company's 2011 Equity Incentive Plan (the 2011 Plan) as follows:

Name	Title	RSU Grant (Total # of Shares)	Option Grant (Total # of Shares)	Performance Based RSU Grant (Target # of Shares)
David Alberga	Chief Executive Officer and Chairman	59,045	195,313	59,045
Matthew Landa	President	49,961	165,265	49,961
Scott Mendel	Chief Financial Officer	36,336	120,192	36,336
Darko Dejanovic	Chief Technology, Product and Innovation Officer	45,419	150,240	45,419
Sheryl Roland	Executive Vice President, Human Resources	16,250	48,829	16,250

The time-based RSUs vest twenty-five percent (25%) on the first year anniversary of the grant date and in equal installments on each of the three anniversaries thereafter, subject to the named executive officer's continuous employment through each of the vesting dates.

The options vest over four years in equal monthly installments, subject to the named executive officer's continuous employment through each of the vesting dates; provided however, the options do not become exercisable until the Company's 15-day moving average stock price meets or exceeds (a) \$20.00 within two years from the grant date, (b) \$22.50 within three years from the grant date, or (c) \$25.00 within four years from the grant date. In addition, each named executive officer's vested options become exercisable following a change of control of the Company (as such term is defined in the named executive officer's retention agreement or change of control agreement).

The performance-based RSUs vest on the third year anniversary of the grant date dependent upon the Company's achievement of corporate objectives for the three year performance period ended December 31, 2014. Achievement of the Company's objectives relating to revenue and Adjusted EBITDA, a non-GAAP financial measure described in the Company's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, will determine the actual number of performance-based RSUs to be earned. For purposes of these awards, revenue will exclude the impact of any acquisitions during the performance period.

The number of performance-based RSUs to be earned by each named executive specified below requires us to achieve both the revenue and Adjusted EBITDA component of the applicable performance objectives. The base plan represents the minimum threshold below which no performance-based RSUs will be earned. The actual number of performance-based RSUs to be earned by each named executive officer will be assessed on a linear basis and the degree to which we achieve the performance objectives will determine the actual number of performance-based RSUs to be earned by the named executive officers.

Name	Title	Base Amount(1)	Target Amount(1)	Maximum Amount(1)
David Alberga	Chief Executive Officer and Chairman	44,284	59,045	73,806
Matthew Landa	President	37,471	49,961	62,451
Scott Mendel	Chief Financial Officer	27,252	36,336	45,420
Darko Dejanovic	Chief Technology, Product and Innovation Officer	34,065	45,419	56,774
Sheryl Roland	Executive Vice President, Human Resources	12,187	16,250	20,313

- (1) The earned performance-based RSUs up to the target amount will convert on a one-for-one basis into the Company's common stock when they are settled. Any earned performance-based RSUs above the target amount shall be settled in cash using a stock price of \$15.02 per share.

After completion of the three year performance period, the Compensation Committee will certify the extent to which the performance goals have been met, and will determine the number of performance-based RSUs that have been earned based on this performance. Performance-based RSUs that are earned will vest if the executive remains employed throughout the performance period and will be paid out in fiscal 2015.

The performance-based RSUs provide for double trigger vesting in the event of a change of control. In the event of a change of control of the Company, the performance-based RSUs will become payable at target following the performance period, provided that the named executive officer remains employed by the Company through such date. However, if a named executive officer's employment is terminated by the Company without cause, or the named executive officer terminates employment for good reason in connection with the change of control transaction (as such terms are defined in the named executive officer's retention agreement or change of control agreement), the performance-based RSUs will become fully vested and payable at the target amount upon such termination.

The Company also completed its determination of retention awards to be granted to the Company's named executive officers. The awards were granted to each executive officer to realign the overall equity compensation of the named executive officers with current market levels after taking into account individual responsibilities, performance and experience, and are intended to provide additional long-term retention incentive for the continuation of service of the named executive officers. The following table sets forth the aggregate awards granted to the named executive officers:

Name	RSU Grant (Total # of Shares)	Retention Cash Payment
David Alberga	17,843	
Matthew Landa	16,013	
Scott Mendel	12,959	\$ 30,000
Darko Dejanovic	13,964	\$ 64,963
Sheryl Roland	5,080	

The restricted stock units were granted pursuant to the Company's 2011 Equity Incentive Plan and vest in full on March 28, 2013, subject to the named executive officer's continuous employment through the vesting date. The retention cash payments are payable on March 28, 2013, subject to the named executive officer's continuous employment through such date.
