or in part, from time to time, by paying \$25.00 per share, plus any accrued and unpaid dividends (whether or not declared) to, but not including, the date of redemption.

Special Optional Redemption:

In the event of a Change of Control (as defined below), the Issuer may, at its option, exercise its special optional redemption right to redeem the Series A Preferred Shares, in whole or in part within 120 days after the first date on which such Change of Control occurred, by

paying \$25.00 per share, plus any accrued and unpaid dividends (whether or not declared) to, but not including, the date of redemption. The Issuer refers to this redemption as a special optional redemption. If, prior to the Change of Control Conversion Date, the Issuer provides or has provided notice of its election to redeem some or all of the Series A Preferred Shares (whether pursuant to its optional redemption right or its special optional redemption right), the holders of Series A Preferred Shares will not be permitted to exercise the conversion right described below in respect of their shares called for redemption.

Conversion Rights:

Upon the occurrence of a Change of Control, each holder of Series A Preferred Shares will have the right (unless, prior to the Change of Control Conversion Date, the Issuer has provided or provides notice of its election to redeem the Series A Preferred Shares) to convert some or all of the Series A Preferred Shares held by such holder on the Change of Control Conversion Date into a number of shares of the Issuer's common shares per Series A Preferred Share to be converted equal to the lesser of:

the quotient obtained by dividing (1) the sum of the \$25.00 liquidation preference plus the amount of any accrued and unpaid dividends to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a record date for a Series A Preferred Shares dividend payment and prior to the corresponding Series A Preferred Shares dividend payment date, in which case no additional amount for such accrued and unpaid dividends will be included in this sum) by (2) the Common Share Price; and

2.9189 (the Share Cap), subject to certain adjustments;

subject, in each case, to provisions for the receipt of alternative consideration as described in the preliminary prospectus supplement.

If, prior to the Change of Control Conversion Date, the Issuer provides or has provided a redemption notice with respect to some or all of the Series A Preferred Shares, whether pursuant to its special optional redemption right in connection with a Change of Control or its optional redemption right, holders of any Series A Preferred Shares that we have called for redemption will not be permitted to exercise their Change of Control Conversion

Right in respect of any of their Series A Preferred Shares that have been called for redemption, and any Series A Preferred Shares subsequently called for redemption that have been tendered for conversion will be redeemed on the applicable date of redemption instead of converted on the Change of Control Conversion Date.

Except as provided above in connection with a Change of Control, the Series A Preferred Shares are not convertible into or exchangeable for any other securities or property.

A Change of Control is when, after the original issuance of the Series A Preferred Shares, the following have occurred and are continuing:

the acquisition by any person, including any syndicate or group deemed to be a person under Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of purchases, mergers or other acquisition transactions of shares of the Issuer entitling that person to exercise more than 50% of the total voting power of all shares of the Issuer entitled to vote generally in elections of trustees (except that such person will be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition); and

following the closing of any transaction referred to in the bullet point above, neither the Issuer nor the acquiring or surviving entity has a class of common securities (or ADRs representing such common securities) listed on the NYSE, the NYSE Amex or NASDAQ, or listed or quoted on an exchange or quotation system that is a successor to the NYSE, the NYSE Amex or NASDAQ.

The Change of Control Conversion Date is the date the Series A Preferred Shares are to be converted, which will be a business day that is no fewer than 20 days nor more than 35 days after the date on which the Issuer provides the notice described above to the holders of Series A Preferred Shares.

The Common Share Price will be: (1) the amount of cash consideration per common share, if the consideration to be received in the Change of Control by

the holders of the Issuer's common shares is solely cash; and (2) the average of the closing prices for the Issuer's common shares on the NYSE for the ten consecutive trading days immediately preceding, but not including, the effective date of the Change of Control, if the consideration to be received in the Change of Control by the holders of the Issuer's common shares is other than solely cash.
