GRAVITY MAY RECORD IMPAIRMENT CHARGES IN FOURTH QUARTER OF 2012

Seoul, South Korea February 13, 2013 GRAVITY Co., Ltd. (NasdaqGM: GRVY) (Gravity or the Company), an online game developer and publisher based in South Korea, today announced that the Company may record potential impairment charges on intangible assets and goodwill amounting to approximately KRW 12,117 million (US\$ 11,059 thousand), and the Company is still in the process of conducting its impairment testing for certain intangible assets.

The potential impairment charges may consist of approximately KRW 8,503 million (US\$ 7,761 thousand) related to an impairment loss on intangible assets for *East Road*, an online game under development by Gravity Games Corporation (Gravity Games), and approximately KRW 3,614 million (US\$ 3,298 thousand) related to a goodwill impairment charge of Gravity Games. The impairment charges will have no cash flow effect.

The recognition of potential impairment charges is because it is highly likely that Gravity Games, a 50.83%-owned subsidiary of the Company, will discontinue its development of *East Road* due to its lack of funds for developing the game. Gravity Games intends to focus its limited resources on research and development efforts and improvement of customer services with respect to *Dragonica*, an online game developed by Gravity Games and commercially offered in 40 countries and markets.

In the event that the Company finally recognizes the impairment charges, they will be reflected in the Company's financial statements for the fiscal quarter ended December 31, 2012.

A condensed version of the financial statements of the Company for the year ended December 31, 2012 including recognition of the impairment charges, if any, prepared in accordance with Accounting Standards for Non-Public Entities in Korea (KAS-NPE) will be included in the public notice for convocation of the annual general meeting of shareholders to be furnished on Form 6-K on February 27, 2013. The Company's full financial statements for the year ended December 31, 2012, prepared in accordance with KAS-NPE will be reported at the annual general meeting of shareholders to be held on March 27, 2013 and an English translation version of the business reports including the financial statements will be furnished on Form 6-K on the same date. The Company expects to file its annual report and consolidated financial statements prepared in accordance with accounting principles generally accepted in the United States on Form 20-F on April 26, 2013.

Note: For convenience purposes only, the KRW amounts have been expressed in the U.S. dollars at the exchange rate of KRW 1,095.65 to US\$ 1.00, the noon buying rate in effect on February 8, 2013, as quoted by the Federal Reserve Bank of New York.
