On August 1, 2013, Alliance One International, Inc. (the Company) completed certain refinancing transactions, which are described below.

***Senior Secured Revolving Credit Facility***

On July 26, 2013, the Company entered into an Amendment and Restatement Agreement dated as of July 26, 2013 (the Amendment and Restatement Agreement) between the Company, its subsidiaries, Intabex Netherlands B.V. and Alliance One International AG, certain lenders party thereto and Deutsche Bank Trust Company Americas, as administrative agent. The Amendment and Restatement Agreement provides for the amendment of certain financial covenants (as identified below) effective upon the execution of the Amendment and Restatement Agreement and for the amendment and restatement of the agreement governing the Company's senior secured revolving credit facility to be effective on the date of the satisfaction of certain conditions. Those conditions were satisfied on August 1, 2013 (the Effective Date), and the Amendment and Restatement Agreement became fully effective on that date.

At the Effective Date, the agreement governing the Company's senior secured revolving credit facility was amended and restated to provide for a senior secured revolving credit facility with a syndicate of banks of approximately \$303.9 million that will automatically reduce to approximately \$210.3 million on April 15, 2014 and will mature in April 15, 2017, subject to a springing maturity on April 15, 2014 if by that date the Company has not deposited in the Blocked Account (as defined below) sufficient amounts to fund the repayment at maturity of all then outstanding 5 1/2% Convertible Senior Subordinated Notes due 2014 of the Company (the Convertible Notes). Borrowings under the amended and restated senior secured revolving credit facility initially bear interest at an annual rate of LIBOR plus 3.75% and base rate plus 2.75%, as applicable, though the interest rate under the amended and restated senior secured revolving credit facility is subject to increase or decrease according to a consolidated interest coverage ratio.

The agreement governing the amended and restated senior secured revolving credit facility requires the Company to deposit with the lenders, in a segregated account that the Company may not use other than for specified purposes (the Blocked Account), the net proceeds from the sale of \$735 million in aggregate principal amount of the Company's 9.875% Senior Secured Second Lien Notes due 2021 (the Second Lien Notes) that are not immediately applied to redeem all of the Company's outstanding 10% Senior Notes due 2016 (the Senior Notes). Amounts held in the Blocked Account may be used solely to purchase any and all Convertible Notes tendered in the Company's pending cash tender offer to purchase up to \$30.0 million in aggregate principal amount of the Convertible Notes commenced on July 17, 2013 (the Convertible Notes Tender Offer) and, subject to conditions, to retire any remaining Convertible Notes not purchased in the Convertible Notes Tender Offer, including repayment at maturity.

***Borrowers and Guarantors.*** The Company's primary foreign holding company, Intabex Netherlands B.V. (Intabex), is a co-borrower under the amended and restated senior secured revolving credit facility, and the Company's portion of the borrowings under the amended senior secured revolving credit facility is limited to \$200 million outstanding at any one time. One of the Company's other primary foreign trading companies, Alliance One International AG (AOIAG), is a guarantor of Intabex's obligations under the amended and restated senior secured revolving credit facility. Such

obligations are also guaranteed by the Company and such obligations and the obligations of the Company are required to be guaranteed by any of its material direct or indirect domestic subsidiaries (of which there are none at this time).

*Collateral.* The Company's borrowings under the amended and restated senior secured revolving credit facility are secured by a first priority pledge of:

100% of the capital stock of any material domestic subsidiary (of which there are none at this time) and 100% of the capital stock of any domestic subsidiary directly held by Alliance One or by any material domestic subsidiary;

100% of the non-voting capital stock (other than directors' qualifying shares and/or other nominal amounts of shares required to be held by local nationals, in each case to the extent required by law) and 65% of the voting capital stock of any material first tier foreign subsidiaries;

U.S. accounts receivable and U.S. inventory owned by the Company or its material domestic subsidiaries (other than inventory the title of which has passed to a customer and inventory financed through customer advances);

intercompany notes evidencing loans or advances made by the Company or a material domestic subsidiary;

the real property, fixtures, equipment and other property related to the Company's cut rag facility located adjacent to Baldree Road in Wilson, North Carolina; and

the Blocked Account and all funds deposited therein (at the Effective Date, the Company deposited approximately \$31.1 million into the Blocked Account).

In addition, Intabex's borrowings and other obligations under the amended and restated senior secured revolving credit facility is secured by a first priority pledge of the assets described above and a pledge of 100% of the capital stock of Intabex, AOIAG, and certain of the Company's, Intabex's and AOIAG's foreign subsidiaries.

*Optional Redemption.* On or after July 15, 2017, the Company may on any one or more occasions redeem all or a part of the Second Lien Notes at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and special interest, if any, on the Second Lien Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on July 15 of the years indicated below:

*Registration Rights.* In connection with the issuance of the Second Lien Notes, the Company entered into a registration rights agreement (the Registration Rights Agreement ) in which it agreed to:

use commercially reasonable efforts to file a registration statement on or about 180 days after August 1, 2013, to offer holders of the Second Lien Notes the opportunity to exchange the Second Lien Notes issued on August 1, 2013 for publicly registered Second Lien Notes with identical terms;

use all commercially reasonable efforts to cause the registration statement to become effective on or prior to 270 days after August 1, 2013;

use all commercially reasonable efforts to consummate the exchange offer within 30 business days after the effective date of the registration statement; and

If the appropriate registration statement does not become or remain effective, or if the exchange offer is not completed, in each case within specified time periods, special interest will accrue and be payable with respect to the Second Lien Notes. With respect to the first 90-day period immediately following the occurrence of the first event causing special interest to accrue, special interest will be paid at a rate of 0.50% per annum, which will increase by an additional 0.25% per annum with respect to each subsequent 90-day period until the Company cures these defaults, up to a maximum rate of 1.0% per annum.

The conditions for the Redemption have been satisfied, and the Company has taken all steps necessary to effect the Redemption on August 2, 2013.
