**Item 1.01 Entry into a Material Definitive Agreement.**  
**Contribution Agreement**

On December 23, 2013, Regency Energy Partners LP, a Delaware limited partnership (the Partnership), Eagle Rock Energy Partners, L.P., a Delaware limited partnership (Eagle Rock), and Regal Midstream LLC, a Delaware limited liability company and wholly owned subsidiary of the Partnership (Regency Sub), entered into a Contribution Agreement (the Contribution Agreement), pursuant to which Eagle Rock has agreed to contribute to Regency Sub (the Contribution) all of the issued and outstanding membership interests in (i) Eagle Rock Marketing, LLC, a Delaware limited liability company, (ii) Eagle Rock Pipeline GP, LLC, a Delaware limited liability company, (iii) Eagle Rock Gas Services, LLC, a Delaware limited liability company, (iv) Eagle Rock Pipeline, L.P., a Delaware limited partnership and (v) EROC Midstream Energy, L.P., a Delaware limited partnership (collectively, the Subject Interests). The assets held and operated by the Subject Interests collectively comprise Eagle Rock's midstream business (the Midstream Business).

The contribution consideration to be paid by the Partnership in exchange for the Contribution is valued at approximately \$1.3 billion and will consist of (1) the issuance of a number of common units of the Partnership (the Common Units) to Eagle Rock having a value equal to approximately \$200 million, (2) the assumption of up to \$550 million of outstanding 8<sup>3</sup>/<sub>8</sub>% senior notes due 2019 of Eagle Rock (Eagle Rock's Senior Notes) and resulting exchange (the Exchange Offer) for up to \$550 million of outstanding senior unsecured notes of the Partnership (the Partnership Senior Notes), and (3) a cash payment to Eagle Rock equal to the remainder of the purchase price. If less than \$550 million of Eagle Rock's Senior Notes are tendered for exchange, then the Partnership has agreed to pay Eagle Rock an amount equal to 1.1x the principal amount of Eagle Rock's Senior Notes not tendered for exchange. Any Eagle Rock Senior Notes not tendered for Partnership Senior Notes will remain as an obligation of Eagle Rock upon consummation of the Contribution. The cash portion of the purchase price is intended to be financed by the Partnership through an issuance of Common Units equal to approximately \$400 million to Energy Transfer Equity, L.P. (ETE) and borrowings under the Partnership's revolving credit facility. ETE owns Regency GP LP, the general partner of the Partnership (the General Partner), and as a result controls the Partnership. The contribution consideration is subject to customary post-closing adjustments.

The Contribution Agreement contains representations, warranties, covenants and indemnification provisions that are typical for transactions of this nature. Completion of the transactions contemplated by the Contribution Agreement are subject to customary closing conditions, including (1) receipt of antitrust clearance, (2) receipt of the approval of the unitholders of Eagle Rock and (3) that all conditions to the consummation of the Exchange Offer have been satisfied.

At the closing of the transactions contemplated by the Contribution Agreement, the parties will enter into, among others, the following ancillary agreements (the copies or terms of which are attached as exhibits to the Contribution Agreement):

A registration rights agreement between the Partnership and Eagle Rock. Under the registration rights agreement, the Partnership will grant to Eagle Rock certain registration rights, including rights to cause the Partnership to file with the Securities and Exchange Commission ( SEC ) a shelf registration statement under the Securities Act of 1933, as amended (the Securities Act ), with respect to resales of the Partnership Common Units to be acquired by Eagle Rock under the Contribution Agreement. It will also contain customary provisions regarding rights of indemnification between the parties with respect to certain applicable securities law liabilities.

The Partnership and Eagle Rock will enter into a Transition Services Agreement which will provide certain administrative and information technology services to the Partnership in connection with the Midstream Business for a term up to six months. The fees paid to Eagle Rock by the Partnership will be Eagle Rock's actual cost of providing such services, including overhead.

The Contribution Agreement contains certain termination rights for both the Partnership and Eagle Rock. The Contribution Agreement further provides that, upon termination of the Contribution Agreement, under certain circumstances, Eagle Rock may be required to pay the Partnership a termination fee equal to \$42.2 million.

The foregoing summaries of the Contribution Agreement and the other agreements described above do not purport to be complete, and are qualified in their entirety by reference to the full text of the definitive Contribution Agreement and the exhibits thereto, all of which are filed as Exhibit 2.1 hereto and incorporated herein by reference.

Pursuant to the Voting Agreement, NGP VIII and certain other NGP Parties (as defined in the Voting Agreement) agreed to vote their respective Eagle Rock common units in favor of the approval and adoption of the Contribution Agreement and the consummation of the transactions contemplated thereby.

The Voting Agreement terminates upon the earliest to occur of (a) the termination of the Contribution Agreement, (b) a Change in Recommendation (as defined in the Contribution Agreement), (c) the closing of the transactions contemplated by the Contribution Agreement, (d) on July 31, 2014 or (e) certain waivers, amendments or modifications of the Contribution Agreement.
