**PROXY STATEMENT**

**ANNUAL MEETING OF SHAREHOLDERS**

**To Be Held June 4, 2014**

The enclosed proxy is solicited by and on behalf of the Board of Directors (the "Board") of Scott's Liquid Gold-Inc., a Colorado corporation (the "Company"), for use at the Company's Annual Meeting of Shareholders to be held at 9:00 a.m., Mountain Time, on Wednesday, June 4, 2014 at the Doubletree by Hilton, 3203 Quebec Street, Denver, Colorado 80207, or any adjournment thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to the shareholders of the Company on or about April 30, 2014.

Any shareholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to the Company's Corporate Secretary, delivering a later executed proxy before the meeting or voting in person at the meeting. If you would like to obtain directions to be able to attend the Company's Annual Meeting of Shareholders and vote in person, you should contact the Company's Corporate Secretary by telephone at (303) 373-4860.

All voting rights are vested exclusively in the holders of the Company's \$0.10 par value common stock. Each share of the Company's common stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. Holders of a majority of shares entitled to vote at the meeting, when present in person or by proxy, constitute a quorum. On April 16, 2014, the record date for shareholders entitled to vote at the meeting, the Company had 11,500,581 shares of its \$0.10 par value common stock issued and outstanding.

When a quorum is present, in the election of directors, those five nominees having the highest number of votes cast in favor of their election will be elected to the Company's Board. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact in the election of directors except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. With respect to any other matter, unless a greater number of votes are required by law, a matter is approved by the shareholders if the votes cast in favor of the matter exceed the votes cast in opposition. Any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the vote for such other matters, if any, so long as a quorum is present.

**CONSENT TO ELECTRONIC DELIVERY OF PROXY MATERIALS**

If you are a shareholder of record or a member of the Company's Employee Stock Ownership Plan, you may, if you wish, receive future proxy statements and annual reports online rather than receiving proxy materials in paper form. Electronic delivery of proxy materials reduces the costs and environmental impact incurred by the Company in printing and mailing proxy materials. If you elect this feature, you will receive an e-mail message notifying you when the materials are available, along with a web address for viewing the materials and instructions for voting by telephone or on the Internet. You may sign up for electronic delivery at any time by visiting <http://www.proxyvote.com>. If you received this proxy statement electronically, you do not need to do anything to continue receiving proxy materials electronically in the future. If you hold your shares in a brokerage account, you may also have the opportunity to receive proxy materials electronically. Please follow the instructions of your broker.

### **BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT**

The Board is actively involved in assessing and managing risks that could affect the Company. Part of the Board's role is to periodically assess the processes utilized by management with respect to risk assessment and risk management, including identification by management of the primary risks of the Company's business, and the implementation by management of appropriate systems to address such risks. The Board fulfills these responsibilities either directly, through delegation to committees of the Board, or, as appropriate, through delegation to individual directors. When the Board determines to delegate any risk management oversight responsibilities, typically such delegation is made to the standing committees of the Board.

Mr. Goldstein serves as both the Chairman of the Board and the Chief Executive Officer of the Company. The Company believes this is appropriate in light of Mr. Goldstein's significant experience and leadership roles with the Company, and his in-depth knowledge of consumer products and the Company's management, marketplace, customers, marketing, sales and strategic vision. The Company further believes Mr. Goldstein's effectiveness in promoting the Company's products and forming new business relationships is significantly enhanced by his role as both Chairman of the Board and Chief Executive Officer. The Board does not have a lead independent director.

### **EXECUTIVE OFFICERS**

The Company has three executive officers. They are Mr. Goldstein, Mr. Levine and Mr. Hyman. Information regarding Mr. Goldstein and Mr. Levine is stated above under Election of Directors. Information concerning Mr. Hyman is as follows:

Mr. Hyman, 58, has been employed by the Company as Senior Vice President of Sales beginning in 2013. Prior to joining the Company, Mr. Hyman served as an independent sales and marketing consultant from August 2012 through December 2012, Vice President of Sales OOK Division for the Hillman Group from December 2011 through July 2012, and Vice President of Sales for Impex Systems Group from August 2007 through December 2011.

The officers of the Company are elected annually at the first meeting of the Company's Board held after each annual meeting of shareholders and serve at the pleasure of the Board.

### **DIRECTORS MEETINGS AND COMMITTEES**

During the year ended December 31, 2013, the Company had three regular Board meetings, five special Board meetings, four Compensation Committee meetings, and seven Audit Committee meetings. No member of the Board attended fewer than 75% of the meetings of the Board or of committees for which such member served during 2013. Although the Company is not listed on the NASDAQ, the Board has elected to apply the NASDAQ's independence standards to the Board. During 2013, Mr. Goodman, Mr. Laber, and Mr. Neri satisfied the NASDAQ independence standards. Following the annual meeting, of the five members of the Board, the directors meeting the NASDAQ independence standards will be Ms. Garrett, Mr. Laber and Mr. Neri.

### **Compensation Committee**

The primary responsibilities of the Compensation Committee include, without limitation, overseeing the development of a compensation philosophy for the Company, reviewing the compensation packages for executive officers and engaging and overseeing compensation consultants and advisers. The Compensation Committee may not delegate its authority. The Compensation Committee operates under resolutions adopted by the Board of Directors that may constitute a charter, a copy of which is attached hereto as [Appendix A](#). The

**Table of Contents**

Compensation Committee consists of three directors, each of whom is an independent director as defined under the NASDAQ rules. During 2013, the members of the Compensation Committee were Mr. Neri (Chairperson), Mr. Laber and Mr. Goodman. For 2014, Ms. Garrett will replace Mr. Goodman on this committee.

In making decisions regarding executive compensation, the Compensation Committee requests the comments of the Chief Executive Officer and the other executive officers about their compensation and considers a number of factors. In determining the executive compensation in 2012 and 2013, the Committee considered, among other things, the following matters:

*Overview*

The objectives of the Company's compensation program;

What the compensation program is designed to reward;

Each element of compensation;

How the Company determines the amount (and, where applicable, the formula) for each element; and

How each compensation element and the Company's decisions regarding that element fit into the Company's overall compensation objectives and affect decisions regarding other elements.

*Specific Factors*

Services performed and time devoted to the Company by the executive;

Amounts paid to executives in comparable companies;

The size and complexities of the Company's business;

Successes achieved by the executive;

The executive's abilities;

The executive's tenure;

The Company's financial results;

Prevailing economic conditions;

Compensation paid to other employees of the Company; and

The amount previously paid to the executive.

The Compensation Committee previously determined that an outside consultant on compensation matters should be used periodically to provide information about the compensation paid to the Company's executive officers compared to compensation paid by other companies. This is only one factor among many considered by the Compensation Committee.

The Compensation Committee also determines the fees paid to the non-employee directors, with input from the Company's executive officers.

**Audit Committee**

The Audit Committee's primary responsibilities include appointing the independent auditor for the Company, pre-approving all audit and non-audit services, and assisting the Board in monitoring the integrity of the financial statements of the Company, the independent auditor's qualifications, independence and performance and the Company's compliance with legal requirements. The Audit Committee operates under a written charter

adopted by the Board, a copy of which has been filed with the SEC and is available at the Company's website at [www.scottsliquidgold.com](http://www.scottsliquidgold.com). During 2013 the members of the Audit Committee were Mr. Laber (Chairperson), Mr. Goodman and Mr. Neri. Each member of the Audit Committee is an independent director as defined in the NASDAQ rules. Mr. Laber has the professional experience deemed necessary to qualify as an audit committee financial expert under rules of the SEC. For 2014, Ms. Garrett will replace Mr. Goodman on this committee and is an independent director as defined in the NASDAQ rules.

### **DIRECTOR NOMINATION PROCESS**

The Board of the Company does not have a nominating committee. The full Board performs the functions of a nominating committee. The Board believes that it does not need a separate nominating committee because the full Board is relatively small, has the time to perform the functions of selecting Board nominees and in the past has acted unanimously in regard to nominees.

In considering an incumbent director whose term of office is to expire, the Board reviews the director's overall service during the person's term, the number of meetings attended, level of participation and quality of performance. In the case of new directors, the directors on the Board are asked for suggestions as to potential candidates, discuss any candidates suggested by a shareholder of the Company and apply the criteria stated below. The Company may engage a professional search firm to locate nominees for the position of director of the Company. However, to date the Board has not engaged professional search firms for this purpose.

The Board seeks candidates for nomination to the position of director who have excellent decision-making ability, business experience, particularly experience relevant to consumer products, personal integrity, diverse backgrounds and who meet such other criteria as may be set forth in a writing adopted by a majority vote of the Board. While the Board values a diversity of viewpoints and backgrounds, it does not have a formal policy regarding the consideration of diversity in identifying director nominees.

Pursuant to a policy adopted by the Board, the directors will take into consideration a director nominee submitted to the Company by a shareholder; provided that the shareholder submits the director nominee and reasonable supporting material concerning the nominee by the due date for a shareholder proposal to be included in the Company's Proxy Statement for the applicable annual meeting as set forth in Section 2.14 of the Company's Bylaws and the rules of the SEC then in effect. See "Shareholder Proposals and Director Nominations" below.

### **DIRECTOR ATTENDANCE AT COMPANY ANNUAL MEETINGS**

The Company does not have a policy regarding attendance by members of the Board at the Company's annual meeting of shareholders. The Company has always encouraged its directors to attend its annual meeting. All directors who were then serving attended the Company's most recent annual meeting of shareholders.

### **SHAREHOLDER COMMUNICATIONS WITH THE BOARD**

Historically, the Company has not had a formal process for shareholder communications with the Board. The Company does not believe a formal process for handling shareholder communications is necessary because the Board reviews and considers all material communications from shareholders.

### **CODE OF BUSINESS CONDUCT AND ETHICS**

The Company has a Code of Business Conduct and Ethics that reflects long-standing positions of the Company and contains additional provisions that address the Company's expectations relating to ethical business

## **Table of Contents**

conduct. The Code applies to all employees, including executive officers, and to directors. The Code concerns, among other things, compliance with applicable law, the avoidance of conflicts of interest, trading restrictions imposed on persons who are aware of material non-public information, a prohibition on taking corporate opportunities, competing fairly and honestly, diversity as an asset, the Company's efforts to provide a safe and healthful work environment, recordkeeping, confidentiality, proper use of Company assets and payments to government personnel. A copy of the Code of Business Conduct and Ethics may be obtained free of charge upon request to: Corporate Secretary, Scott's Liquid Gold Inc., 4880 Havana Street, Suite 400, Denver, Colorado 80239. The Code is also available at the Company's website at [www.scottsliquidgold.com](http://www.scottsliquidgold.com).

## **EXECUTIVE COMPENSATION**

The following Summary Compensation Table shows the annual and other compensation of the Chief Executive Officer and all other executive officers of the Company during the year ended December 31, 2013, for services in all capacities provided to the Company and its subsidiaries for the past two years. The Company's compensation packages to the executive officers, as determined by the Compensation Committee, are designed to enable the Company to recruit, retain and motivate a talented group of people who contribute to the Company's success. The packages are also intended to synchronize executive compensation with the Company's performance, motivate executive officers to achieve the Company's business objectives, provide performance incentives and minimize undue risk to the Company. The Company's Chief Executive Officer provides input on determining and recommending compensation packages of the executive officers other than himself.

In 2013, the Company implemented a performance-based bonus plan for the Chief Executive Officer and the Chief Financial Officer. Under the bonus plan, Mr. Goldstein and Mr. Levine each had the potential to earn a bonus equal to up to a maximum of 30% of their respective salaries if the Company achieved net income targets established by the Compensation Committee. The Company exceeded the pre-established net income targets for 2013.

For 2014, the Company intends to continue a bonus plan whereby the Chief Executive Officer and the Chief Operating Officer may each earn a bonus equal to a maximum of 30% of their respective salaries if the Company achieved net income targets to be established by the Compensation Committee.
