### Introductory Note

On August 5, 2014, Gevo, Inc. (the *Company*) issued and sold 30,000,000 common stock units, each consisting of one share of the Company's common stock and a warrant to purchase 0.5 shares of the Company's common stock (each a *Warrant*), in a firm commitment underwritten public offering (the *Offering*) pursuant to an effective Registration Statement on Form S-3 (Registration No. 333-187893). The net proceeds from the Offering, after deducting the underwriting discounts and commissions and estimated offering expenses, totaled approximately \$16.2 million.

The Company intends to use the net proceeds from the Offering, excluding any future proceeds from the exercise of the Warrants included therein or sold in connection therewith, to fund capital to complete the side-by-side configuration of its Luverne, MN facility, to fund working capital and for other general corporate purposes.

#### **Item 1.01. Entry into a Material Definitive Agreement.**

The information set forth in the Introductory Note is incorporated herein by reference.

#### ***Warrant Agreement***

On August 5, 2014, the Company entered into a common stock unit warrant agreement (the *Warrant Agreement*) with American Stock Transfer & Trust Company, LLC (the *Warrant Agent*), pursuant to which the Warrants will be issued at an exercise price equal to \$0.85 per share.

Pursuant to the terms of the Warrant Agreement, the Warrants will generally only be exercisable on a cash basis. However, the Warrants may be exercisable on a cashless basis, if and only if, a registration statement relating to the issuance of the shares underlying the Warrants is not then effective or available. The Warrants will be exercisable during the period commencing from the date of original issuance and ending on August 5, 2019, the expiration date of the Warrants. The Warrants may be exercised by surrendering to the Warrant Agent the warrant certificate evidencing the Warrants to be exercised with the accompanying exercise notice, appropriately completed, duly signed and delivered, together with cash payment of the exercise price, if applicable.

In the event of an extraordinary transaction, as described in the Warrant Agreement and generally including any merger with or into another entity, sale of all or substantially all of our assets, tender offer or exchange offer, or reclassification of our common stock, we or any successor entity shall pay at the holder's option, exercisable at any time concurrently with or within 30 days after the consummation of the extraordinary transaction, an amount of cash equal to the value of such holder's Warrants as determined in accordance with the Black Scholes option pricing model and the terms of the Warrant Agreement.

The exercise price and the number and type of securities purchasable upon exercise of the Warrants are subject to adjustment upon certain corporate events, including certain combinations, consolidations, liquidations, mergers, recapitalizations, reclassifications, reorganizations, stock dividends and stock splits, a sale of all or substantially all of our assets and certain other events. The Warrants contain weighted average anti-dilution protection upon the issuance of any common stock, securities convertible into common stock or certain other issuances at a price below the then-existing exercise price of the Warrants, with certain exceptions.

No fractional shares will be issued upon exercise of the Warrants. The Warrants do not confer upon holders any voting or other rights as stockholders of the Company.

The foregoing transaction triggered anti-dilution provisions in the Company's outstanding warrants issued pursuant to that certain Common Stock Unit Warrant Agreement (the *2013 Warrant Agreement*), dated December 16, 2013, by

and between the Company and American Stock Transfer & Trust Company, LLC. Pursuant to the terms of the Warrant Agreement, the exercise price of these warrants has decreased to \$1.43 per share, however, the number of shares issuable under these warrants remains unchanged.

The foregoing description of the Warrant Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Warrant Agreement, a copy of which is attached hereto as Exhibit 4.1, and the terms of which are incorporated herein by reference.
