## Item 2.02 Results of Operations and Financial Condition.

On August 11, 2014, Rice Energy Inc. (the Company) announced its results for the quarter ended June 30, 2014. A copy of the Company's press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

## Item 8.01 Other Events.

On February 4, 2014, the Company filed a Current Report on Form 8-K to report, among other things, the closing of its initial public offering (the Offering) on January 29, 2014. In connection with the Offering and pursuant to a Master Reorganization Agreement (the Master Reorganization Agreement) among the Company, Rice Drilling B, Rice Energy Appalachia LLC (Rice Appalachia), Rice Energy Holdings LLC (Rice Holdings), Rice Energy Family Holdings, LP (Rice Partners), NGP Rice Holdings, LLC (NGP Holdings), NGP RE Holdings, L.L.C., (NGP RE Holdings), NGP RE Holdings II, L.L.C. (NGP RE II) and, together with NGP RE Holdings, Natural Gas Partners), Mr. Daniel J. Rice III, Rice Merger LLC (Merger Sub) and each of the persons holding incentive units representing interests in Rice Appalachia (collectively, the Incentive Unitholders) dated as of January 23, 2014, (i) (a) Rice Partners contributed a portion of its interests in Rice Appalachia to Rice Holdings, (b) Natural Gas Partners contributed its interests in Rice Appalachia to NGP Holdings and (c) the Incentive Unitholders contributed a portion of their incentive units to Rice Holdings and NGP Holdings, each in return for substantially similar incentive units in such entities; (ii) NGP Holdings, Rice Holdings and Mr. Daniel J. Rice III contributed their respective interests in Rice Appalachia to the Company in exchange for 43,452,550, 20,300,923 and 2,356,844 shares of Common Stock, respectively; (iii) Rice Partners contributed its remaining interest in Rice Appalachia to the Company in exchange for 20,000,000 shares of Common Stock; (iv) the Incentive Unitholders contributed their remaining interests in Rice Appalachia to the Company in exchange for 160,831 shares of Common Stock, each of which were issued by the Company in connection with the closing of its initial public offering. In addition, on January 29, 2014, pursuant to the Agreement and Plan of Merger (the Merger Agreement) among the Company, Rice Drilling B and Merger Sub dated as of January 23, 2014, the Company issued 1,728,852 shares of common stock to the members of Rice Drilling B (other than Rice Appalachia). The transactions consummated pursuant to the Master Reorganization Agreement and the Merger Agreement are referred to collectively within this Current Report on Form 8-K (the Current Report) as the Corporate Reorganization.

Due to collective control by Rice Holdings, Rice Partners and NGP Holdings of the Company before and after the Corporate Reorganization through their aggregate level of ownership of the Company's common stock and the stockholders' agreement entered into with the Company and Alpha Natural Resources, Inc. in connection with the Offering, the Company has determined that the Corporate Reorganization should be considered a reorganization of entities under common control. As such, the Company is required to retrospectively adjust its financial statements to reflect the exchange of equity interests pursuant to the Corporate Reorganization as of the date of common control. Accordingly, the Company has updated certain information included in its Annual Report on Form 10-K for the year ended December 31, 2013 (the Form 10-K) and Quarterly Report for the quarterly period ended March 31, 2014 (the Form 10-Q) as follows:

With respect to the Form 10-K, the Pro Forma Condensed Consolidated Financial Statements of Rice Energy Inc. and the Consolidated Financial Statements of Rice Drilling B and Subsidiaries included within Part II, Item 8. Financial Statements and Supplementary Data; and

With respect to the Form 10-Q, Part I, Item 1. Financial Statements.

The Company has filed the updated information listed above as Exhibit 99.2 to this Current Report, which is incorporated herein by reference. Except with respect to the retrospective adjustment described above, the information

included in this Current Report has not been updated to reflect events subsequent to the filing of the Form 10-K or Form 10-Q, respectively. This Current Report should be read in conjunction with the portions of the Form 10-K and Form 10-Q that have not been retrospectively adjusted herein, as well as in conjunction with the Company's other filings with the Securities and Exchange Commission filed subsequent to the Form 10-K and Form 10-Q, as applicable. As of the date of this Current Report, future references to the Company's historical financial statements should be made to this Current Report as well as subsequent periodic reports filed by the Company.
